Memorandum No. 5

Subject: Fish and Game Code

The Commission will give further consideration to the draft Fish and Game Code at the December meeting. Please bring with you the folder of material relating to this subject which we sent to you prior to the November meeting, your copy of the draft code, and your copy of the present code and the regulations. Additional material to be inserted in your folder is attached.

Respectfully submitted,

John R. McDonough, Jr.
Executive Secretary
