Memorandum 64-96

Subject: Indexing pamphlet containing recommendation on new Evidence Code

The staff believes that the pamphlet containing the recommendation on the new Evidence Code should contain an index. We have discussed the matter with Mrs. Margaret Loftus who indexed the bound volume containing the tentative recommendations relating to the Uniform Rules of Evidence. She is willing to index the pamphlet for \$600. We believe that this is a reasonable amount if we take into account the fact that our printing schedule will require that the index be produced under considerable pressure.

Accordingly, we recommend that the Commission approve a contract with Mrs. Loftus to index the pamphlet containing the recommendation on the new Evidence Code in the amount of \$600 and that the Chairman be authorized to sign the contract on behalf of the Commission.

Respectfully submitted,

John H. DeMouilly  
Executive Secretary
