Memorandum 86-63

Subject: Study L - Assembly Bill 2625 - Comprehensive Probate Bill

Assembly Bill 2625 is scheduled for hearing by the Senate Judiciary Committee on June 17, 1986. Attached is a copy of the bill in its latest amended form. We plan to make a technical amendment at the hearing: On page 57, line 15, strike out "13103" and insert "13104".

We anticipate that the Senate Judiciary Committee will approve Assembly Bill 2625 on June 17, and that the bill will be in the final process of being sent to the Governor by the time of the June meeting. Accordingly, if you discover any defects in the bill, we expect that we will have to correct them either in other legislation at the 1986 session or in legislation introduced in 1987.

Respectfully submitted,

John H. DeMouilly
Executive Secretary
