

Memorandum 87-19

Subject: Study L-1041 - Amendments to AB 708 (Procedure)

Attached to this memorandum is a set of amendments relating to general procedural provisions. Amendments 1 and 2 conform AB 708 to decisions made at the February meeting concerning general procedural provisions.

Amendment 3 continues the exact language of Probate Code Section 1222 with regard to the duty to record. The changes relating to recording that were discussed at the February meeting, as well as the other changes in procedural provisions, will be prepared in the form of a draft recommendation for consideration at a meeting in the near future. It would be premature to attempt revising the recording provision in AB 708 (Section 1292) since there is not yet agreement on what it should provide. However, if agreement is reached, it would be possible to amend desirable changes into the bill. Otherwise, the procedural provisions discussed at the last meeting will be offered in the legislation that completes the revision of the Probate Code.

There are no policy issues presented by these amendments.

Respectfully submitted,

Stan G. Ulrich  
Staff Counsel
