Memorandum 80-39

Subject: Scheduling Future Commission Meeting at Asilomar

Some interest was expressed at the April 1980 meeting in having a future Commission meeting at the Asilomar Conference Grounds located at Asilomar State Beach in Pacific Grove, California. We called Asilomar to request facilities for a Friday-Saturday meeting and were told that, although room accommodations for a Thursday evening pose no problem, Friday evening is difficult. The earliest they can accommodate us for a Friday-Saturday meeting is December 12-13, 1980, assuming we are willing to accept double-occupancy rooms. For single-occupancy rooms, the earliest they can accommodate us is January 16-17, 1981.

In view of the difficulty of weekend scheduling, does the Commission wish us to schedule a meeting at Asilomar for a Thursday and Friday?

Respectfully submitted,

Robert J. Murphy III
