ASSEMBLY  
CALIFORNIA LEGISLATURE

July 14, 1960

Mr. John DeMouilly  
Executive Secretary  
Law Revision Commission  
Stanford Law School  
Stanford, California

Dear Mr. DeMouilly:

I note with interest the announcement in the latest State Bar Journal that the Law Revision Commission is inviting comment on changes tentatively proposed for the law of eminent domain in California.

This is one of the matters which Chairman Biddick hoped the Judiciary-Civil Committee might gain some familiarity with before the beginning of the 1961 legislative session. I'm sure John McDonough has told you of the time, patience and special meetings which have been required in past sessions to explain one of the Commission's more involved bills to a committee.

If we can do anything to familiarize the Committee with these pending proposals, either by way of brief memoranda alerting members to the issues involved, or informal study sessions, the result I'm sure will be good for both Committee and Commission.

Sincerely,

S/ Jan Stevens
