

8/8/60

Memorandum No. 73(1960)

Subject: Study No. 34 - Uniform Rules of Evidence -
Article V. Privileges.

Attached to this memorandum are copies of Memorandum No. 15(1960) and Memorandum No. 40(1960). Memorandum No. 15(1960) deals with those portions of the Uniform Rules of Evidence relating to Privileges that have not yet been finally acted upon by the Commission.

If time permits, it is suggested that the Commission consider Memorandum No. 15(1960) at its August 1960 meeting. The State Bar Committee is now working on the Article on Privileges.

Respectfully submitted,

John H. DeMouilly
Executive Secretary
