Fifth Supplement to Memorandum 69-85

Subject: Annual Report

Attached is a reproduction of the portions of the Annual Report that have been revised for inclusion in the Annual Report covering 1969.

The Annual Report will, of course, need to be revised to make any necessary changes resulting from the Governor's action on the claims bill and from the Commission's determinations on the recommendations it will submit to the 1970 Legislature.

Respectfully submitted,

John H. DeMouilly,
Executive Secretary
