

#36.20(2)

8/19/70

Memorandum 70-77

Subject: Study 36.20(2) - Condemnation (Tentative Statute)

We do not plan to send you any revised portions of the Tentative Statute (which you have in a hard cover binder) to reflect changes made at the last meeting. The substantive changes made at the last meeting dealt with matters that will be covered in Memoranda 70-78 to 70-81 and revised versions of the statute are included in those memoranda.

Please bring the Tentative Statute (hard cover binder--distributed prior to the July meeting) to the September meeting. You will recall that we advised you when the hard cover binder was sent to you that we did not plan to send you a complete new set of this material for each meeting.

Respectfully submitted,

John H. DeMouilly
Executive Secretary
