

Memorandum 72-50

Subject: Study 36.400 - Condemnation (Comprehensive Statute)

We have sent to each Commissioner a green binder containing amendments, additions, and repeals of codified and uncodified sections. There are additional uncodified sections that will require amendment or repeal, but time did not permit us to reproduce these for the July meeting. Also, there are some special procedural sections in the special district acts and codified acts that will require careful study before we can determine what disposition should be made of the sections; we have not included these sections in the binder.

We do not plan to go through the amendments, additions, and repeals at the July meeting. We will prepare a memorandum for a future meeting that will provide an analysis of, and that will serve as the vehicle for Commission review and action on, the amendments, additions, and repeals. However, you should bring the binder containing these provisions to each meeting (including the July meeting) at which we consider condemnation; we will be referring to various sections as we consider the general provisions of the comprehensive statute that replace them.

In drafting the numerous amendments and repeals, we have attempted to eliminate all references to Title 7 and all special provisions relating to condemnation. The basis of this approach is the concept that provisions dealing with procedure, more necessary public use, substitute condemnation, and the like should be eliminated since these matters will be covered by the general provisions of the comprehensive statute. All that should be found in the various statutes granting condemnation authority is the grant of the power of eminent domain. Unfortunately, most of the special district acts contain very long sections that must be amended if we are to eliminate duplicating and conflicting provisions from them. The effort to amend these sections is necessary, however, if we are to have all condemnation actions governed by our carefully drafted general provisions.

Considering the volume of amendments, additions, and repeals, we believe that it will not be possible to distribute conforming changes for comment generally; we suggest that only the State Bar Committee be provided with this material. After review and revision by the Commission (taking into account any comments of the State Bar Committee), the entire statute should be prepared in bill form, and the bill should be introduced and referred for interim study. Then we can publish a pamphlet containing our tentative recommendation (including the proposed legislation and comments). After reviewing the comments we receive on the printed tentative recommendation, we can make any necessary revisions and publish a pamphlet containing our recommendation to the Legislature.

Respectfully submitted,

John H. DeMouilly
Executive Secretary

DISTRICT AGRICULTURAL ASSOCIATIONS

Agricultural Code § 4054 (amended)

Sec. . Section 4054 of the Agricultural Code is amended
to read:

4054. If the board of an association, by resolution adopted by vote of two-thirds of all its members, finds and determines that the public interest and necessity require the acquisition of any building or improvement which is situated on property that is owned by the association, in trust or otherwise, or of any outstanding rights to such property, ~~the association may, with the approval of the department, acquire such building, improvement, or outstanding rights by condemnation.~~

and the
association

The use by the association of its property shall be considered a more necessary public use than the use of the property by any grantee, lessee, or licensee for the purposes which are specified in Section 4051 of this chapter.

may be acquired by
eminent domain

Notwithstanding any provision of Sections 14256 and 14792 of the Government Code, the board of an association, by resolution adopted by vote of two-thirds of all its members, may purchase materials and lease equipment for not in excess of twenty thousand dollars (\$20,000) when such purchase or lease is made in conjunction with donated labor construction improvements on the grounds of the association.

Comment. Section 4054 is amended to conform to the policy expressed in Section 15855 of the Government Code. See also Agri. Code § 4051(b) (property acquisitions by association subject to Property Acquisition Law).

DELEGATION OF CONDEMNATION AUTHORITY

Civil Code § 1001 (repealed)

Sec. . Section 1001 of the Civil Code is repealed.

~~1001. Any person may, without further legislative action, acquire private property for any use specified in Section 1238 of the Code of Civil Procedure either by consent of the owner or by proceedings had under the provisions of Title VII, Part III, of the Code of Civil Procedure; and any person seeking to acquire property for any of the uses mentioned in such Title is "an agent of the State," or a "person in charge of such use," within the meaning of those terms as used in such Title. This section shall be in force from and after the fourth day of April, eighteen hundred and seventy-two.~~

ALL IN

STRIKEOUT

Comment. Section 1001 is repealed because it and Section 1238 of the Code of Civil Procedure (also repealed) are superseded by Section 1240.010 of the Code of Civil Procedure and by specific statements of the condemnation authority of particular persons for particular public uses which are found in the various codes. See Comment to former Code Civ. Proc. § 1238. See also Code Civ. Proc. § 1240.020 (condemnation permitted only where authorized by statute).

DISQUALIFICATION OF JUDGES

Code of Civil Procedure § 170 (amended)

Sec. . Section 170 of the Code of Civil Procedure is amended to read:

170. No justice or judge shall sit or act as such in any action or proceeding:

1. To which he is a party; or in which he is interested other than as a holder or owner of any capital stock of a corporation, or of any bond, note or other security issued by a corporation;

2. In which he is interested as a holder or owner of any capital stock of a corporation, or of any bond, note or other security issued by a corporation;

3. When he is related to either party, or to an officer of a corporation, which is a party, or to an attorney, counsel, or agent of either party, by consanguinity or affinity within the third degree computed according to the rules of law, or when he is indebted, through money borrowed as a loan, to either party, or to an attorney, counsel or partner of either party, or when he is so indebted to an officer of a corporation or unincorporated association which is a party; provided, however, that if the parties appearing in the action and not then in default, or the petitioner in any probate proceeding, or the executor, or administrator of the estate, or the guardian of the minor or incompetent person, or the commissioner, or the referee, or the attorney for any of the above named, or the party or his attorney in all other or special proceedings, shall sign and file in the action or matter, a stipulation in writing waiving the disqualification mentioned in this subdivision or in subdivision 2 or 4 hereof, the judge or court may proceed with the trial or hearing and the performance of all other duties connected therewith with the same legal effect as if no such disqualification existed;

4. When, in the action or proceeding, or in any previous action or proceeding involving any of the same issues, he has been attorney or counsel for any party; or when he has given advice to any party upon any matter involved in the action or proceeding; or when he has been retained or employed as attorney or counsel for any party within two years prior to the commencement of the action or proceeding;

5. When it is made to appear probable that, by reason of bias or prejudice of such justice or judge a fair and impartial trial cannot be had before him.

Staff Draft May 1972

Whenever a judge or justice shall have knowledge of any fact or facts, which, under the provisions of this section, disqualify him to sit or act as such in any action or proceeding pending before him, it shall be his duty to declare the same in open court and cause a memorandum thereof to be entered in the minutes or docket. It shall thereupon be the duty of the clerk, or the judge if there be no clerk, to transmit forthwith a copy of such memorandum to each party, or his attorney, who shall have appeared in such action or proceeding, except such party or parties as shall be present in person or by attorney when the declaration shall be made.

In justice courts when, before the trial, either party makes and files an affidavit that he believes that he cannot have a fair and impartial trial before the judge before which the action is pending, by reason of the interest, prejudice or bias of the judge, the court may order the transfer of the action, and the provisions of Section 398 shall apply to such transfer.

Whenever a judge of a court of record who shall be disqualified under the provisions of this section, to sit or act as such in any action or proceeding pending before him, neglects or fails to declare his disqualification in the manner hereinbefore provided, any party to such action or proceeding who has appeared therein may present to the court and file with the clerk a written statement objecting to the hearing of such matter or the trial of any issue of fact or law in such action or proceeding before such judge, and setting forth the fact or facts constituting the ground of the disqualification of such judge. Copies of such written statement shall forthwith be served by the presenting party on each party, or his attorney, who has appeared in the action or proceeding and on the judge alleged in such statement to be disqualified.

Within 10 days after the filing of any such statement, or 10 days after the service of such statement as above provided, whichever is later in time, the judge alleged therein to be disqualified may file with the clerk his consent in writing that the action or proceeding be tried before another judge, or may file with the clerk his written answer admitting or denying any or all of the allegations contained in such statement and setting forth any additional fact or facts material or relevant to the question of his disqualifications. The clerk shall forthwith transmit a copy of the judge's consent or answer to each party or his attorney who shall have appeared in such action or proceeding. Every such statement and every such answer shall be verified by oath in the manner prescribed by Section 446 for the verification of pleadings. The statement of a party objecting to the judge on the ground of his disqualification, shall be presented at the earliest practicable opportunity, after his appearance and discovery of the facts constituting the ground of the judge's disqualification, and in any event before the commencement of the hearing of any issue of fact in the action or proceeding before such judge.

Staff draft May 1972

No judge of a court of record, who shall deny his disqualification, shall hear or pass upon the question of his own disqualification; but in every such case, the question of the judge's disqualification shall be heard and determined by some other judge agreed upon by the parties who shall have appeared in the action or proceeding, or, in the event of their failing to agree, by a judge assigned to act by the Chairman of the Judicial Council, and, if the parties fail to agree upon a judge to determine the question of the disqualification, within five days after the expiration of the time allowed herein for the judge to answer, it shall be the duty of the clerk then to notify the Chairman of the Judicial Council of that fact; and it shall be the duty of the Chairman of the Judicial Council forthwith, upon receipt of notice from the clerk, to assign some other judge, not disqualified, to hear and determine the question.

If such judge admits his disqualification, or files his written consent that the action or proceeding be tried before another judge, or fails to file his answer within the 10 days herein allowed, or if it shall be determined after hearing that he is disqualified, the action or proceeding shall be heard and determined by another judge or justice not disqualified, who shall be agreed upon by the parties, or, in the event of their failing to agree, assigned by the Chairman of the Judicial Council; provided, however, that when there are two or more judges of the same court, one of whom is disqualified, the action or proceeding may be transferred to a judge who is not disqualified.

A judge who is disqualified may, notwithstanding his disqualification, request another judge, who has been agreed upon by the parties, to sit and act in his place.

8. In an action or proceeding brought in any court by or against the Reclamation Board of the State of California, or any irrigation, reclamation, levee, swamp-land or drainage district, or trustee, officer or employee thereof, affecting or relating to any real property, or an easement or right-of-way, levee, embankment, canal, or any work provided for or approved by the Reclamation Board of the State of California, a judge of the superior court of the county, or a judge of the municipal court or justice court of the judicial district, in which such real property, or any part thereof, or such easement or right-of-way, levee, embankment, canal or work, or any part thereof is situated shall be disqualified to sit or act, and such action shall be heard and tried by some other judge assigned to sit therein by the Chairman of the Judicial Council, unless the parties to the action shall sign and file in the action or proceeding a stipulation in writing, waiving the disqualification in this subdivision of this section provided, in which case such judge may proceed with the trial or hearing with the same

CODE OF CIVIL PROCEDURE § 170

Staff draft May 1972

legal effect as if no such legal disqualification existed. If, however, the parties to the action shall sign and file a stipulation, agreeing upon some other judge to sit or act in place of the judge disqualified under the provisions of this subdivision, the judge agreed upon shall be called by the judge so disqualified to hear and try such action or proceeding; provided, that nothing herein contained shall be construed as preventing the judge of the superior court of such county, or of the municipal court of such judicial district, from issuing a temporary injunction or restraining order, which shall, if granted, remain in force until vacated or modified by the judge designated as herein provided.

7. When, as a judge of a court of record, by reason of permanent or temporary physical impairment, he is unable to properly perceive the evidence or properly conduct the proceedings.

8. Notwithstanding anything contained in subdivision 6 of this section, a judge of the superior court or a judge of the municipal court or justice court of the judicial district, in which any real property is located, shall not be disqualified to hear or determine any matter in which the opposing party shall have failed to appear within the time allowed by law, or as to each of the opposing parties who shall have failed to appear within the time allowed by law, and as to which matter or parties the same shall constitute purely a default hearing; provided, that nothing in this section contained shall be construed as preventing the judge of the superior court of such county, or of the municipal court of such judicial district, from issuing an order for immediate possession in proceedings in eminent domain.

prior to entry
of judgment

Nothing in this section contained shall affect a party's right to a change of the place of trial in the cases provided for in Title 4 (commencing with Section 392) of Part 2 of this code.

Comment. Section 170 is amended to conform to the language used in Section 1255.210. The reference to the judge of the municipal court is deleted because eminent domain proceedings may be brought only in the Superior Court. See Section _____.

EDUCATION CODE § 1047

Tentatively approved March 1970
Revised April 1970

SCHOOL DISTRICTS

Education Code § 1047 (added)

Sec. . Section 1047 is added to the Education Code, to read:

1047. The governing board of any school district may acquire by eminent domain any property necessary to carry out any of the powers or functions of the district.

Comment. Section 1047 grants a school district (defined in Section 41) the power of eminent domain to acquire any property necessary to carry out any of the powers or functions of the district. The section supersedes the grant of condemnation authority formerly contained in subdivision 3 of Section 1238 of the Code of Civil Procedure (condemnation authorized.. for "public buildings and grounds for the use . . . of any . . . school district"). It continues the prior authority of school districts to condemn for school purposes. E.g., Hayward Union High School Dist. v. Madrid, 234 Cal. App.2d 100, 121, 44 Cal. Rptr. 268, (1965)("The district had the right to condemn for any school purpose and on acquisition, to change to some other school purpose any time during its ownership of the property."). Kern County High School Dist. v. McDonald, 180 Cal. 7, 179 P. 180 (1919). See also Anaheim Union High School Dist. v. Vieira, 241 Cal. App.2d 169, 51 Cal. Rptr. 94 (1966) (future use); Hayward Union High School Dist. v. Madrid, supra (temporary use for school purposes with resale to follow within several years); Woodland

School Dist. v. Woodland Cemetery Ass'n, 174 Cal. App.2d 243, 344 P.2d 326 (1959)(school purposes may be a more necessary public use than private cemetery).

The authority granted by Section 1047 is, of course, subject to specific limitations that may be imposed on the exercise of the power of eminent domain. See Educ. Code § 1048.

In some cases, a particular statute may expressly grant school districts the power of eminent domain for a particular purpose. E.g., Educ. Code § 6726 (operation of a technical, agricultural, and natural resource conservation school). These specific grants of condemnation authority are not to be construed to limit the broad grant of such authority under Section 1047.

Private schools which are not of the collegiate grade may not exercise the power of eminent domain. Yeshiva Torath Emeth Academy v. University of So. Cal., 208 Cal. App.2d 618, 25 Cal. Rptr. 422 (1962). It is also not permissible for a private citizen to acquire property by eminent domain for the operation of a public school. People v. Oken, 159 Cal. App.2d 456, 324 P.2d 58 (1958).

Education Code § 1048 (added)

Sec. . Section 1048 is added to the Education Code,
to read:

1048. The governing board of a school district may acquire property in an adjoining school district by lease, or purchase and dispose of such property in the same manner as property within the boundary of the district is purchased and disposed of, where the acquisition of such property is deemed necessary by the governing board for use as garages, warehouse, or other utility purposes.

The power of eminent domain shall not be applicable and such acquisitions by purchase shall be subject to the approval of the governing board of school district in which the property is located.

Comment. Section 1048 continues without change the provisions of former Education Code Section 16003.

Education Code § 15007.5 (repealed)

Sec. . Section 15007.5 of the Education Code is repealed.

~~15007.5. The governing board of any school district may enter into an agreement with the governing body of any public agency for the joint exercise by such school district and such agency of their respective powers of eminent domain, whether or not possessed in common, for the acquisition of real property as a single parcel. Such agreement shall be entered into and performed pursuant to the provisions of Chapter 5 (commencing with Section 6500) of Division 7 of Title 1 of the Government Code, and each public agency therein designated is authorized to enter into such an agreement with the governing board of any school district for such purpose.~~

Education Code § 15009 (amended)

Sec. . Section 15009 of the Education Code is amended
to read:

15009. The governing board of a school district may acquire a site for a school building contiguous to the boundaries of the district and upon the acquisition of such site it shall become a part of the district. The site shall not be acquired until the county committee on school district organization of the county or of each of the counties concerned, augmented as provided in Section 3205, has received the proposal for acquisition of the site and reported its recommendations thereon to the governing boards of the districts concerned and to each county superintendent of schools concerned. The report of the county committee shall be made within 60 days from the time the proposal for acquisition of the site was submitted to it. The power of eminent domain may be used for the

purposes of this section.

A school site is contiguous for the purpose of this section although separated from the boundaries of the district by a road, street, stream, or other natural or artificial barrier or right-of-way.

Comment. Section 15009 is amended to make clear that the power of eminent domain may be used to acquire a school site on property contiguous to the district. Cf. Educ. Code § 1048 (power of eminent domain may not be used to acquire property outside district for use as garage, warehouse, or other utility purpose).

Note. The text of the repealed sections is set out below.

190. "Land" when used in this article includes any interest, easement, or reservation in land.

191. Whenever the State or any city or county may acquire land in excess of the land actually needed or used for public purposes in connection with the establishing, laying out, widening, enlarging, extending, or maintaining of memorial grounds, streets, squares, parkways, or reservations, the acquisition, maintenance, and use of such land and the sale, disposition, and conveyance and the establishment in connection therewith of any reservations concerning the future use and occupation of such land so as to protect the public works or improvements and their environs which it adjoins and to preserve the view, appearance, light, air, and usefulness of such public works shall be conducted and maintained pursuant to this article.

192. Every act of the State authorizing the State, any city or county to acquire land for the purposes of establishing, laying out, widening, enlarging, extending, or maintaining memorial grounds, streets, squares, parkways, or other public places, shall be construed as including among its purposes the acquisition of land in excess of the land actually needed or used for public purposes.

193. If the State, any city, or county acquires any land under Section 144 of Article I of the Constitution or this article, which land is in excess of the land actually needed or used for public purposes, the State, city, or county may sell such land or any interest therein and may reserve in the land any reservation, easement, interest, or right that public interest, necessity, or convenience requires to preserve the view, appearance, light, air, and usefulness of any public memorial grounds, streets, squares, parkways, places, or works.

194. No such sale shall be made by a city or county except by its legislative body, nor until after notice has been published in the jurisdiction of the legislative body pursuant to Section 6064. The notice shall:

- (a) Describe the land or lands to be sold.
- (b) Set forth in general terms the interests, easements, or reservations to be reserved by the public.
- (c) State the time and place of the sale.
- (d) Call for sealed bids in writing.

195. At the time and place set for the sale, the legislative body shall open any bids received in response to the notice and shall sell the land to the highest bidder, except that it may at that time or at any time to which the sale is continued receive any higher bids and may reject any bid failing to comply with the terms of purchase set forth in the notice.

196. Money derived from the sale of land pursuant to this article shall be immediately paid into the fund from which payment was made for the land. If the land was purchased with funds derived from the levy of any assessment or tax upon property benefited, the money derived from the sale of the land shall be distributed as refunds to the persons paying those assessments or taxes in proportion to the amounts levied or assessed against them or thereafter to be levied or assessed against them to meet any bonds as yet unpaid by them. Money to be refunded to any person pursuant to this article shall first be applied to any indebtedness of such person or his successor in interest on account of any tax or assessment levied or any bond issued to pay the cost of any improvement done or performed by the public body; all or part of the cost of which is levied or taxed against the land of that person.

use under this chapter. The former law was unclear, but condemnation for open space probably was not authorized. Compare Note, Property Taxation of Agricultural and Open Space Land, 8 Harv. J. Legis. 158 text at n.1 (1970) (implying that condemnation was authorized) with Ops. Cal. Legis. Counsel (Oct. 24, 1969)(concluding that condemnation was not authorized). Cities are authorized to acquire "urban open space lands" (Govt. Code § 38002) by condemnation (Govt. Code § 38010) under the Parks and Playground Act of 1909. See Cal. Stats. 1970, Ch. 645. Cf. Where

GOVERNMENT CODE § 6953

property is acquired by condemnation under this chapter, the resolution of necessity is not conclusive on the issues of public interest and necessity.

The power of eminent domain provided in Section 6953 will facilitate compliance with Section 65564 (requiring local open space plans to incorporate an "action program" consisting of specific programs the city or county intends to pursue in implementing its open space plan). See also Govt. Code §§ 25350.5 and 37350.5 (power of cities and counties to condemn to carry out city and county functions). The power of eminent domain will also provide a means to compel open space preservation where zoning fails. See Govt. Code § 65912 (open space zoning may not be used to take or damage property for public use without payment of just compensation). Cf. Govt. Code §§ 50575-50628 (open space maintenance districts).

For limitations on the right to acquire property under this chapter, see Section 6955.

Note. See Assembly Bill 2140 (1972 Regular Session).

GOVERNMENT CODE § 6955

Tentatively approved September 1971

Government Code § 6955 (added)

Sec. . Section 6955 is added to the Government Code, to read:

6955. Property may be acquired under this chapter only if its acquisition is consistent with the local open space plan adopted by the city or county pursuant to Section 65563.

Comment. Section 6955 makes clear that cities and counties may acquire open space or open area only if such acquisition is consistent with the local open space plan adopted pursuant to Section 65563 (requiring every city and county to prepare and adopt, by June 30, 1972, a local open space plan for the comprehensive and long-range preservation and conservation of open space land within its jurisdiction). Section 6955 is thus merely a specific application of Section 65566 (requiring all acquisitions of open space land to be consistent with the local open space plan). See also Section 65567 (prohibiting issuance of building permits, approval of subdivision maps, or adoption of open space zoning ordinances unless consistent with the local open space plan) and Section 65302 (general plan must contain land use element designating open space use).

Section 6955 parallels Section 65910 (requiring cities and counties to adopt open space zoning ordinances consistent with the local open space plan by January 1, 1973). By providing that the acquisition of open space--by purchase, condemnation, or otherwise--must be consistent with the local open space plan, Section 6955 recognizes that acquisition of property is an alternative to open space zoning.

GOVERNMENT CODE § 6956

Tentatively approved September 1971

Government Code § 6956 (added)

Sec. . Section 6956 is added to the Government Code, to read:

6956. (a) A city or county may divert property from use as open space or open area only after it has obtained replacement property for the property to be diverted. Any replacement property, whether substituted or received in exchange, shall be substantially equivalent in usefulness and location for permanent open space or open area as the property it replaces and must be held subject to all the provisions of this chapter. Money received for property diverted from use as open space or open area shall be used to acquire the replacement property or shall be held in a trust fund to be used only to acquire other open space or open area subject to the provisions of this chapter.

(b) This section applies only to property acquired under this chapter after June 30, 1974.

(c) This section does not apply where property or a right or interest therein is conveyed or otherwise subjected to uses that are compatible with its character as open space or open area and that do not significantly adversely affect such character.

Comment. Before open space or open area may be diverted to other use, Section 6956 requires that substantially equivalent property be acquired for open space or open area. The equivalent property may be acquired, for example, in exchange for the diverted property, by purchase with funds available for open space acquisition, or (if the city or county uses the open space or open area for its own public project) by public funds available for the project.

GOVERNMENT CODE § 6956

Tentatively approved September 1971

It should be noted that the restriction contained in Section 6956 is not the only restriction upon disposal of open space property by cities and counties. Section 65566 requires that acquisition, disposition, restriction, or regulation of open space property be in accordance with the local open space plan. This requirement applies to property acquired for open space under this chapter or under any other provision of law.

Subdivision (a). Subdivision (a) of Section 6956, which requires substitution of equivalent property, adopts the substance of the limitation found in 42 U.S.C. § 1500c (limitation on conversion of open space to another use if federal assistance used to acquire the open space). See also the 1970 Cumulative State Legislative Program (1969) of the Advisory Commission on Intergovernmental Relations, containing suggested state legislation including a similar limitation. For a somewhat comparable provision, see Pub. Res. Code § 5096.27 (property acquired by local entity with state grant under Cameron-Unruh Beach, Park, Recreational, and Historical Facilities Bond Act of 1964 to be used only for purpose for which state grant funds requested unless otherwise permitted by specific act of the Legislature). Compare Pub. Res. Code § 5540 (authorization by voters or by act of Legislature required for conveyance of property used for park purposes by regional park district).

Subdivision (b). The requirements of subdivision (a) apply only to open space property acquired after the time cities and counties have been granted the power of eminent domain to acquire open space. Nonetheless, the requirements apply not only to open space acquired by eminent domain but also to such property acquired by any other method.

GOVERNMENT CODE § 6956

Tentatively approved September 1971

Subdivision (c). The requirements of subdivision (a) do not affect the right of cities and counties to convey or lease open space property, or a right or interest therein, under such covenants or other contractual arrangements as will limit its future use in accordance with the provisions of this chapter. See Section 6953. Subdivision (c) permits improvements in the open space area that do not significantly adversely affect its usefulness as open space. If, however, the improvement significantly adversely affects the usefulness of the open space area as open space, subdivision (a) is applicable.

DEPARTMENT OF COMMERCE--CALIFORNIA INDUSTRY
AND WORLD TRADE

Government Code § 8324 (amended)

Sec. . . Section 8324 of the Government Code is amended to read:

8324. The Department of Commerce may do any or all things which it may deem necessary, useful, or convenient in carrying out the objects and purposes of this chapter, ~~except that it shall not exercise the power of eminent domain or issue~~ 2

The may not be exercised nor may bonds of any nature be issued to carry out the objects and purposes of this chapter .

Comment. Section 8324 is amended to make clear that the power of eminent domain may not be exercised to carry out the objects and purposes of this chapter. Absent this amendment, it could be argued that property could be taken by eminent domain for such objects and purposes under the Property Acquisition Law (Section 15850 et seq.)

GOVERNMENT CODE § 14661

Tentatively approved December 1971

DIRECTOR OF GENERAL SERVICES

Government Code § 14661 (repealed)

Sec. . Section 14661 of the Government Code is repealed.

~~14661. The director may institute and maintain in the name of the state condemnation proceedings for the acquiring of any land authorized by law to be obtained for any state agency, except land to be acquired by the Department of Public Works for highway purposes, if no other state agency is specifically authorized and directed to institute such proceedings.~~

ALL IN
STRIKEOUT

Comment. Section 14661 of the Government Code is obsolete because condemnation of real property for state agencies is to be accomplished by the Public Works Board under the Property Acquisition Law (Section 15850 et seq.) with the exception of condemnations by those agencies that have been specifically authorized to condemn property under independent statutory grants. Agencies of the state, other than the Public Works Board, that may condemn property are the Department of Public Works (Sts. & Hwys. Code §§ 102 and 30400), the Department of Water Resources (Water Code §§ 250 and 11575), the Regents of the University of California (Educ. Code § 23151), and the State Reclamation Board--Sacramento and San Joaquin Drainage District (Water Code § 8593).

GOVERNMENT CODE § 14662

Tentatively approved December 1971

Government Code § 14662 (amended)

Sec. . Section 14662 of the Government Code is amended
to read:

14662. The Director of General Services may acquire, ~~by condemnation or other means,~~ any easements or rights-of-way which he determines to be necessary for the proper utilization of real property owned or being acquired by the state.
~~This section does not apply to land, easements, or rights-of-way to be acquired by the Department of Public Works.~~

Comment. Government Code Section 14662 is amended to delete the reference to the power of eminent domain because the Director of General Services has no independent condemnation authority. All acquisitions by eminent domain for the state are accomplished by the Public Works Board with limited exceptions. See Govt. Code §§ 15853-15855. The authority of the Public Works Board to condemn any right or interest in property, including easements and rights of way, necessary for the proper utilization of real property owned or being acquired by the state is continued in Sections 1230.070, 1240.040, and 1240.050 of the Code of Civil Procedure.

Contracts for the acquisition of real property by state agencies require approval of the Director of General Services. See Govt. Code § 11005.

STATE ESTABLISHMENTS IN NAPA COUNTY

Government Code § 14715 (amended)

Sec. . Section 14715 of the Government Code is amended
to read:

14715. The Veterans' Home of California, for all purposes including irrigation and domestic, shall have the first and prior right to all available water stored in Rector Dam on state property in Napa County. Said right shall be prior to any allocation of said waters for the use of any other state institutions, including the State Game Farm and the Napa State Hospital. In the event that there is more water available than necessary to meet the requirements of the Veterans' Home of California, the department may take and conduct from the dam such quantity of surplus water as may be determined by the Department of Water Resources to be necessary for the use of the Napa State Hospital and other state establishments located in the County of Napa, including the State Game Farm, and may acquire rights-of-way may be acquired, pursuant to the Property Acquisition Law (Part 11, commencing with Section 15850, of Division 3 of Title 2), by purchase, lease, or condemnation for that purpose.

Comment. Section 14715 is amended to conform to the policy expressed in Section 15855.

RESTORATION OF DESTROYED STATE RECORDS

Sec. . Article 7 (commencing with Section 14770) is added to Chapter 5 of Part 5.5 of Division 3 of Title 2 of the Government Code, to read:

Article 7. Restoration of Records Destroyed by

Public Calamity

Government Code § 14770 (added)

14770. (a) As used in this section:

(1) "Acquire" includes acquisition by gift, purchase, lease, eminent domain, or otherwise.

(2) "Public record plant" means the plant, or any part thereof, or any record therein, of any person engaged in the business of searching or publishing public records or insuring or guaranteeing titles to real property, including copies of public records and abstracts or memoranda taken from public records, which is owned by or in the possession of such person or which is used by him in his business.

(b) If public records of any state agency have been lost or destroyed by conflagration or other public calamity, the director may acquire the right to reproduce such portion of a public record plant as is necessary for the purpose of restoring or replacing the records or their substance.

GOVERNMENT CODE § 14770

Tentatively approved June 1970

Comment. Section 14770 is new but reflects the same policy as subdivision 15 of former Code of Civil Procedure Section 1238 which applied only to certain local public entities.

The broad authority to acquire the "right to reproduce" lost or destroyed records permits the reproduction of records by such means as making copies, obtaining a computer printout or other visual representation of records preserved in data processing equipment, or duplicating magnetic tapes or other means for preserving such records in data processing equipment.

condemns property needed for the use of the state. See Section 15855.

Property may be acquired only with the approval of the agency for which the board undertakes the acquisition. This generalizes a comparable restriction formerly found in Section 15854.1. Cf. Fish & Game Code § 1348 (approval of Wildlife Conservation Board required). See also Sections 14730 (index or record of title of lands owned or acquired by state), 15791 (purchase of improved property in lieu of construction).

Government Code § 15855 (added)

Sec. . Section 15855 is added to the Government Code, to read:

15855. (a) Notwithstanding any other provision of law, except as provided in subdivision (b), the State Public Works Board is the only state agency that may exercise the power of eminent domain to acquire property needed by any state agency for any state purpose or function.

(b) Subdivision (a) does not affect or limit the right of the Department of Public Works, Department of Water Resources, State Reclamation Board, or the Regents of the University of California to exercise the power of eminent domain.

Comment. Government Code Section 15855 is added to make clear that, subject to some significant exceptions, the Public Works Board is the agency that condemns property needed for state purposes. The exceptions are specified in subdivision (b):

(1) The Department of Public Works. See Sts. & Hwys. Code §§ 102 (state highway) and 30100 (toll bridges).

(2) The Department of Water Resources. See Water Code §§ 250 and 11575 (state dam and water projects).

CONDEMNATION DEPOSITS FUND

Sec. . Article 10 (commencing with Section 16429.1) is added to Chapter 2 of Part 2 of Division 4 of Title 2 of the Government Code, to read:

Article 10. Condemnation Deposits Fund

Government Code § 16429.1 (added)

16429.1. The Condemnation Deposits Fund in the State Treasury is continued in existence. The fund consists of all money deposited in the State Treasury under Chapter 7 (commencing with Section 1255.010) of Title 7 of Part 3 of the Code of Civil Procedure and all interest earned or other increment derived from its investment. The State Treasurer shall receive all such moneys, duly receipt for, and safely keep the same in the fund, and for such duty he is liable upon his official bond.

Comment. Sections 16429.1-16429.3 restate the substance of a portion of subdivision (h) and all of subdivisions (i) and (j) of former Code of Civil Procedure Section 1254.

GOVERNMENT CODE § 16429.2

Tentatively approved September 1970

Government Code § 16429.2 (added)

16429.2. (a) Money in the Condemnation Deposits Fund may be invested and reinvested in any securities described in Section 16430 or deposited in banks as provided in Chapter 4 (commencing with Section 16500).

(b) The Pooled Money Investment Board shall designate at least once a month the amount of money available in the fund for investment in securities or deposit in bank accounts, and the type of investment or deposit and shall so arrange the investment or deposit program that funds will be available for the immediate payment of any court order or decree. Immediately after such designation the State Treasurer shall invest or make deposits in bank accounts in accordance with the designations. For the purposes of this subdivision, a written determination signed by a majority of the members of the Pooled Money Investment Board shall be deemed to be the determination of the board. Members may authorize deputies to act for them for the purpose of making determinations under this section.

Comment. See the Comment to Section 16429.1.

Government Code § 16429.3 (added)

16429.3. Interest earned and other increment derived from investments or deposits made pursuant to this article, after deposit of money in the State Treasury, shall be deposited in the Condemnation Deposits Fund. After first deducting therefrom expenses incurred by the State Treasurer in taking and making delivery of bonds or other securities under this article, the State Controller shall apportion as of June 30th and December 31st of each year the remainder of such interest earned or increment derived and deposited in the fund during the six calendar months ending with such dates. There shall be apportioned and paid to each plaintiff having a deposit in the fund during the six-month period for which an apportionment is made, an amount directly proportionate to the total deposits in the fund and the length of time such deposits remained therein. The State Treasurer shall pay out the money deposited by a plaintiff in such manner and at such times as the court or a judge thereof may, by order or decree, direct.

COUNTIES

Government Code § 25350.5 (added)

Sec. . Section 25350.5 is added to the Government Code, to read:

25350.5. The board of supervisors of any county may acquire by eminent domain any property necessary to carry out any of the powers or functions of the county.

Comment. Section 25350.5 supersedes the grant of condemnation authority formerly contained in various subdivisions of Section 1238 of the Code of Civil Procedure and supplements the specific grants of such authority contained in this and other codes. E.g., Govt. Code § 26020 (airports); Sts. & Hwys. Code § 943 (highways). Its purpose is to give a county adequate authority to carry out its functions.

Specific limitations may, of course, be imposed on the exercise of the power of eminent domain. See Penal Code § 4106 (no industrial farm may be established on land outside county without consent of the affected county). On the other hand, where a statute authorizes the acquisition of property by means not specifically including eminent domain, such authorization does not preclude the use of eminent domain under this section. See, e.g., Pub. Res. Code § 5157 (county may acquire land for public park).

Sec. . Section 37350.5 is added to the Government Code, to read:

37350.5. The legislative body of any city may acquire by eminent domain any property necessary to carry out any of the powers or functions of the city.

Comment. Section 37350.5 supersedes the grant of condemnation authority formerly contained in various subdivisions of Section 1238 of the Code of Civil Procedure and supplements the specific grants of such authority contained in this and other codes. E.g., Govt. Code § 37501 (public assembly or convention halls); Sts. & Hwys. Code § 4090 (streets, walks, parking places). Its purpose is to give a city adequate authority to carry out its municipal functions.

Specific limitations may, of course, be imposed on the exercise of the power of eminent domain under some circumstances. See Govt. Code § 37353(c) (no existing golf course may be acquired by eminent domain). On the other hand, where a statute authorizes the acquisition of property by means not specifically including eminent domain, such authorization does not preclude the use of eminent domain under this section. AIRPORT HAZARDS

Government Code § 50485.2 (amended)

Sec. . Section 50485.2 of the Government Code is amended to read:

50485.2. It is hereby found that an airport hazard endangers the lives and property of users of the airport and of occupants of land in its vicinity and also, if of the obstruction type, in effect reduces the size of the area available for the landing, taking off and maneuvering of the aircraft, thus tending to destroy or impair the utility of the airport and the public investment therein. Accordingly, it is hereby declared: (a) that the creation or establishment of an airport hazard is a public nuisance and an injury to the community served by the airport in question; (b) that it is therefore necessary in the interest of the public health, public safety, and general welfare that the creation or establishment of airport hazards be prevented; ~~and (c) that this should be accomplished, to the extent legally possible, by exercise of the police power.~~ by appropriate exercise of the police power or the authority conferred by Article 2.6 (commencing with Section 21652) of Part 1 of Division 9 of the Public Utilities Code.

It is further declared that both the prevention of the creation or establishment of airport hazards and the elimination, removal, alteration, mitigation, or marking and lighting of existing airport hazards are public purposes for which a city or county may raise and expend public funds and acquire land or property interests therein.

GOVERNMENT CODE § 50485.2

Tentatively approved October 1971

Comment. The amendment to Section 50485.2 is necessitated by the repeal of Section 50485.13. Notwithstanding the statement of policy regarding use of the police power contained in Section 50485.2, Section 50485.13 permitted acquisition of airport approach protection by means other than police power regulation "[i]n any case in which . . . it appears advisable." The result was creation of a broad discretion in local governments as to the means to be employed in acquiring airport approach protection. The language of Section 50485.2 has been amended to achieve approximately the same statement as was formerly derived from reading Sections 50485.2 and 50485.13 together. See Public Utilities Code Sections 21652 and 21653, dealing with acquisitions for airport approach protection.

GOVERNMENT CODE § 50485.13

Government Code § 50485.13 (repealed)

Sec. . Section 50485.13 of the Government Code is repealed.

~~50485.13. In any case in which: (a) it is desired to remove, lower, or otherwise terminate a nonconforming structure or use; or (b) the approach protection necessary cannot, because of constitutional limitations, be provided by airport zoning regulations under this article; or (c) it appears advisable that the necessary approach protection be provided by acquisition of property rights rather than by airport zoning regulations, the city or county within which the property or nonconforming use is located or the city or county owning the airport or served by it may acquire, by purchase, grant, or condemnation in the manner provided by the law under which a city or county is authorized to acquire real property for public purposes, such air right, air navigation easement, or other estate or interest in the property or nonconforming structure or use in question as may be necessary to effectuate the purposes of this article. In the case of the purchase or grant of any property or any easement or estate or interest therein or the acquisition of the same by the power of eminent domain by a city or county making such purchase or exercising such power, there shall be included in the damages for the taking, injury or destruction of property the cost of the removal and relocation of any structure or public utility which is required to be moved to a new location.~~

GOVERNMENT CODE § 50485.13

Tentatively approved September 1971

Comment. Section 50485.13, granting to cities and counties the power of eminent domain to eliminate airport hazards, is superseded by other sections.

The power to condemn for the elimination of airport hazards is continued in Public Utilities Code Section 21652. To the extent that entities were limited in their exercise of eminent domain under Section 50485.13 to situations in which zoning would have been inadvisable or unconstitutional, the limitation is not continued. Any entity authorized to condemn for airports may condemn to eliminate airport hazards without limitation under Public Utilities Code Section 21652. It should be noted that cities and counties may achieve this end by appropriate use of its police or eminent domain power. Govt. Code § 50485.2.

The requirement that cities and counties pay the cost of relocation of structures when acquiring property to eliminate airport hazards is continued in Public Utilities Code Section 21653.

The authority of cities and counties to condemn property outside their limits for airport purposes is retained in Government Code Section 50470.

GOVERNMENT CODE § 53030

RESTORATION OF DESTROYED LOCAL PUBLIC RECORDS

Sec. . Article 2.5 (commencing with Section 53030) is added to Chapter 1 of Part 1 of Division 2 of Title 5 of the Government Code, to read:

Article 2.5. Restoration of Records Destroyed by

Public Calamity.

Government Code § 53030 (added)

53030. (a) As used in this section:

(1) "Acquire" includes acquisition by gift, purchase, lease, eminent domain, or otherwise.

(2) "Local public entity" means any public entity other than the state.

(3) "Public record plant" means the plant, or any part thereof, or any record therein, of any person engaged in the business of searching or publishing public records or insuring or guaranteeing titles to real property, including copies of public records and abstracts or memoranda taken from public records, which is owned by or in the possession of such person or which is used by him in his business.

(b) If public records of a local public entity have been lost or destroyed by conflagration or other public calamity, the local public entity may acquire the right to reproduce such portion of a public record plant as is necessary for the purpose of restoring or replacing the records or their substance.

GOVERNMENT CODE § 53030

Tentatively approved June 1970

Comment. Section 53030 is derived from and reflects the same policy as subdivision 15 of former Code of Civil Procedure Section 1238. However, the provision is broadened to cover all local public entities and is limited to acquiring the "right to reproduce" such records and does not permit permanent acquisition of the public records plant itself.

The broad authority to acquire the "right to reproduce" lost or destroyed records permits the reproduction of records by such means as making copies, obtaining a computer printout or other visual representation of records preserved in data processing equipment, or duplicating magnetic tapes or other means for preserving such records in data processing equipment.

Comment. The reference to "immediate possession" in Section 53844 is replaced by a reference to the pertinent provisions of the Code of Civil Procedure relating to deposits made in eminent domain proceedings prior to judgment.

DEPARTMENT OF PARKS AND RECREATION

Government Code § 54093 (amended)

Sec. . Section 54093 of the Government Code is amended

to read:

54093. The Department of Parks and Recreation, on behalf of the State, may acquire by appropriate means, ~~including by right of eminent domain,~~ easements in property owned, operated or controlled by any city, county or other local agency in order to provide free public access to any public beach. However, any such easement shall terminate if the property is developed by the city, county or other public agency in a manner which would not be compatible with the use of such easement for access purposes and if the city, county or other public agency refunds to the State the amount of money the State paid for such easement.

Comment. Section 54093 is amended to delete the reference to the power of eminent domain since the Department of Parks and Recreation has no independent condemnation authority. Any condemnation of property for the Department of Parks and Recreation is to be accomplished by the Public Works Board. See Govt. Code §§ 15853-15855. The state's right to condemn property owned by local public entities is expressed more generally in Code of Civil Procedure Sections 1240.510 et seq. and 1240.610 et seq. (acquisition of property appropriated to public use).

NONPROFIT HOSPITALS

Health & Safety Code § 438.4 (amended)

Sec. . Section 438.4 of the Health and Safety Code is

amended to read:

438.4. The voluntary area health planning agency, acting upon an application originally or reviewing a recommendation of a voluntary local health planning agency or the consumer members of a voluntary area health planning agency acting as an appeals body, and the Health Planning Council shall make one of the following decisions:

- (a) Approve the application in its entirety;
- (b) Deny the application in its entirety;
- (c) Approve the application subject to modification by the applicant, as recommended by the body involved.

A decision shall become final when all rights to appeal have been exhausted. Approval shall terminate 12 months after the date of such approval unless the applicant has commenced construction or conversion to a different license category, or

an action to condemn property pursuant to

Section 1427,

and is diligently pursuing the same to completion as determined by the voluntary area health planning agency; or unless the approval is extended by the voluntary area health planning agency for an additional period of up to 12 months upon the showing of good cause for the extension. If the Health Planning Council finds that the voluntary area health planning agency has dissolved, it may grant such extension upon a showing by the applicant of good cause for the extension.

Comment. Section 1427 requires that health planning agency approval be secured before a nonprofit hospital may condemn property for hospital facilities. The amendment to Section 438.4 recognizes that condemnation may require more than a year and provides that approval automatically is extended at the end of 12 months if condemnation has been commenced and is diligently pursued.

HEALTH & SAFETY CODE § 1427

Tentatively approved September 1971

Health & Safety Code § 1427 (added)

Sec. . Section 1427 is added to the Health and Safety Code, to read:

1427. (a) As used in this section, "nonprofit hospital" means any institution, place, building, or agency currently licensed under this chapter to provide 24-hour inpatient services for the diagnosis, care, and treatment of various physical or mental illnesses or ailments of humans, in multiple departments having an organized medical or medical-dental staff, and which is owned and operated by a fund, foundation, or corporation, no part of the net earnings of which inures, or may lawfully inure, to the benefit of any private shareholder or individual. "Non-profit hospital" does not include institutions the primary purpose of which is to provide convalescent, rehabilitative, nursing, or resident care.

(b) Any nonprofit hospital may exercise the right of eminent domain to acquire property necessary for the establishment, operation, or expansion of the hospital if both the following requirements are met:

(1) A final and favorable decision concerning the project for which the property is sought to be condemned has been made by the voluntary area health planning agency approved pursuant to Section 437.7, the consumer members of such a voluntary area health planning agency acting as an appeals body, or the Health Planning Council.

HEALTH & SAFETY CODE § 1427

Tentatively approved September 1971

(2) The Director of the State Department of Public Health has certified that (i) the acquisition of the property sought to be condemned is necessary for the establishment, operation, or expansion of the hospital, (ii) the public interest and necessity require the proposed project, and (iii) the proposed project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.

(c) The certificate of the Director of the State Department of Public Health pursuant to subdivision (b) establishes a presumption that the matters referred to in Sections 1240.030 and 1240.040 of the Code of Civil Procedure are true. This presumption is a presumption affecting the burden of proof.

Comment. Section 1427 supersedes former Code of Civil Procedure Section 1238.3.

Subdivision (a). The term "nonprofit" has the same meaning under subdivision (a) as under former Code of Civil Procedure Section 1238.3. However, the definition of "hospital" in subdivision (a) has been narrowed to include only those institutions that are licensed to provide diversified, professional, short-term services and to exclude institutions that provide only long-term or specialized services. The definition is in keeping with the Administrative Code definitions of "hospital" and "general hospital." See 9 Cal. Admin. Code § 515; 17 Cal. Admin. Code, Ch. 1, § 230.

HEALTH & SAFETY CODE § 1427

Tentatively approved September 1971

Subdivision (b). Subdivision (b) grants broader authority to condemn than was provided by Code of Civil Procedure Section 1238.3, for it permits acquisition of property to establish a newly-organized and licensed hospital, dispenses with the requirement that the property be "immediately adjacent" to existing holdings, and no longer requires that the hospital condemnor be engaged in "scientific research or an educational activity." The limitation to property immediately adjacent unduly restricted the ability of existing hospitals to acquire one parcel in a large tract needed for expansion. The limitation to hospitals engaged in scientific research or education was both narrow and ineffective and no longer serves a limiting function since nearly all medical institutions conduct some research or education. Also, the limitation to expansion of existing hospitals was undesirable in view of the equal or greater need of new hospitals for the right of eminent domain.

In place of the restrictions contained in former Section 1238.3, Section 1427 makes the necessity and desirability of each hospital condemnation project subject to a triple review process: by local health facilities planning authorities, by the State Director of Public Health, and by the court in an eminent domain proceeding. The new scheme is intended to aid expansion to meet public needs as determined by authorized agencies.

New hospital projects must be submitted for approval to local health services planning boards (voluntary area health planning agencies or voluntary local health planning agencies) before they can be licensed to be operated. The local boards are instructed to determine whether proposed

HEALTH & SAFETY CODE § 1427

Tentatively approved September 1971

projects are necessary and convenient to the community and to approve those projects conducive to comprehensive community medical services. Decisions of the local boards may be appealed, either by the applicant for approval or by members of the local planning boards; in any case, the final decision rests with the Health Planning Council. See Health & Saf. Code §§ 437.7, 437.8, 437.9, 438, 438.1, 438.2, 438.4, 438.5. Approval, once granted, expires within a year but may be extended if a project has been started and, in the opinion of the local planners, is diligently pursued, or for other good cause shown. Health & Saf. Code § 438.4. Applications for licensure of new projects must indicate (1) that the applicant has submitted the project for local board approval and has participated in hearings to that end and (2) that approval was granted or that 12 months have passed since a decision on the project was reached. See Health & Saf. Code §§ 1402.1, 1402.2. In view of the latter provision, it is possible to acquire a license for a new hospital project even though the project has been disapproved by local planning authorities so long as the decision of the local authorities is at least one year old. Paragraph (1) of subdivision (b) requires that a project be actually approved by local authorities before condemnation will be authorized, regardless of whether the project might later be licensed even though it had never been approved.

Paragraph (2) continues the requirement of former Code of Civil Procedure Section 1238.3 that the Director of the Department of Public Health certify that

HEALTH & SAFETY CODE § 1427

Tentatively approved September 1971

the acquisition is necessary. The Department of Public Health makes and enforces detailed regulations for construction or alterations of hospital buildings. Health & Saf. Code § 1411; Cal. Admin. Code §§ 265, 400-499. See West Covina Enterprises, Inc. v. Chalmers, 49 Cal.2d 754, 322 P.2d 13 (1956). In addition, paragraph (2) requires the certificate to indicate the public interest and necessity for the acquisition. Cf. Code Civ. Proc. § 1240.030.

Subdivision (c). Subdivision (c) establishes and classifies the presumption of necessity afforded the certificate of the Director of the Department of Public Health for the purposes of Sections 1240.030 and 1240.040 of the Code of Civil Procedure.

HEALTH & SAFETY CODE § 4967

SEWER CONSTRUCTION

Health & Safety Code § 4967 (added)

Sec. . Section 4967 is added to the Health and Safety Code, to read:

4967. The owner of property that may be benefited by the acquisition, construction, extension, or operation of the works referred to in this chapter may file with the district a request that a particular work be undertaken. The request may, but need not, include the descriptions and estimates referred to in Section 4966 and shall not be denied without a public hearing.

Comment. Section 4967 is added to the Health and Safety Code to expressly authorize initiation of sewerage construction and extension proposals by individual property owners. The request may be made of any city, county, city and county, or any municipal or public corporation or district which is authorized to acquire, construct, own, or operate a sewer system. See Section 4951. In reviewing a property owner's request, the district should consider both the necessity for the requested action and its relative hardship on any party whose land is sought to be used compared with the benefit to the requester. For a comparable provision relating to access road construction, see Sts. & Hwys. Code § 4120.1. Cf. Water Code §§ 7020-7026 (county may open private irrigation, drainage, or seepage canal).

Tentatively approved April 1971

Under prior law, private individuals under certain circumstances were authorized to condemn property for a sewer easement. Linggi v. Garovotti, 45 Cal.2d 20, 286 P.2d 15 (1955). Private individuals no longer have a right to condemn property for this purpose. See the Comment to subdivision 8 of former Code of Civil Procedure Section 1238. Instead, Section 4967 provides a procedure whereby the property owner can initiate proceedings to have the public entity acquire a sewer easement or any other necessary property. The public entity is authorized to acquire the necessary property by gift, purchase, condemnation, or otherwise. See Sections 5000, 5001.

Tentatively approved April 1970

PUBLIC CEMETERY DISTRICTS

Health & Safety Code § 8961 (amended)

Sec. . . Section 8961 of the Health and Safety Code is amended to read:

8961. The district may maintain a cemetery or cemeteries, and for this purpose may take and hold title to property by grant, gift, devise, condemnation, lease, or any other method. Cemeteries shall be

limited in use to burial in the ground of residents or taxpayers of the district or former residents or taxpayers of the district who purchased lots or plots while residents or taxpayers of the district or members of their families. Families shall be limited to a spouse, parents, grandparents, children and brothers and sisters.

Comment. Section 8961 is amended to make clear the right of public cemetery districts to acquire and hold title to realty for cemetery purposes. See 14 Ops. Cal. Atty. Gen. 252 (noting the confusion engendered by the recodification of Sections 8961, 8962, and 8963). The term "condemnation" preserves the grant of condemnation authority formerly contained in subdivision 14 of Section 1238 of the Code of Civil Procedure (condemnation authorized for "cemeteries for the burial of the dead, and enlarging and adding to the same and the grounds thereof").

Ch. 73, § 1
Staff draft July 1972

PREVENTION OF SUBSIDENCE IN OIL OR
GAS PRODUCTION AREA

Public Resources Code § 3320.1 (amended)

Sec. . Section 3320.1 of the Public Resources Code is

amended to read:

3320.1. (a) An agreement for the management, development and operation of two or more tracts in a pool or pools, or portions thereof, in a field as a unit without regard to separate ownerships for the production of oil and gas, including repressuring operations therein, and for the allocation of benefits and costs on a basis set forth in such agreement, shall be valid and binding upon those who consent thereto and may be filed with the supervisor for approval.

Any agreement for the co-operative management, development and operation of two or more tracts in a pool or pools, or portions thereof, in a field for the production of oil or gas, including repressuring operations therein, shall be valid and binding upon those who consent thereto and may be filed with the supervisor for approval.

If in the judgment of the supervisor a unit agreement or co-operative agreement filed for approval is not detrimental to the intent and purposes of this article to arrest or ameliorate subsidence, or otherwise unlawful, the supervisor may approve the same. No such agreement approved by the supervisor hereunder or heretofore approved pursuant to applicable law prior to the enactment of this article shall be held to violate any of the statutes of this State prohibiting monopolies or acts, arrangements, agreements, contracts, combinations or conspiracies in restraint of trade or commerce.

(b) In the event that at the time of the approval by the supervisor of a unit or co-operative agreement under subdivision (a) of this section, the supervisor makes written findings that:

1. A primary purpose of the unit or co-operative agreement is the initiation and conduct of repressuring operations in the area covered thereby for the purpose of arresting or ameliorating subsidence; and

2. The initiation and conduct of repressuring operations in the area covered by the unit or co-operative agreement are feasible and compatible with the purposes of this article; and

added Stats. 1958, 1st Ex. Sess.,

Ch. 73, § 1

Staff draft July 1972

3. The persons who are entitled to 75 percent of the proceeds of production of oil and gas within the area covered by the unit or co-operative agreement (measured by the production of oil and gas therein in the last calendar year preceding the date of such approval) have become parties to such agreement by signing or ratifying it; and

4. It is necessary, in order to initiate and conduct such repressuring operations, that the properties of nonconsenting persons who own working interests or royalty interests in lands within the area covered by the unit or co-operative agreement become subject to such agreement; and

5. The agreement is fair and reasonable, and contains appropriate provisions to protect and safeguard the rights of all persons having an interest in oil and gas production in the area covered thereby; then the supervisor shall make and enter an order which shall provide that unless such nonconsenting persons shall, within 30 days after service upon such persons of the order in the manner specified by the supervisor, become parties to the agreement by signing or ratifying the same, the right of eminent domain may be exercised as ~~hereinafter~~ provided in subdivision (c) ~~hereof~~ for the purpose of acquiring the properties of such nonconsenting persons which are found by the supervisor to be necessary for the initiation and conduct of such repressuring operations.

In the event the supervisor shall make findings in accordance with the foregoing, such findings shall be prima facie evidence (1) of the public necessity of the development and operation of the said properties in accordance with the unit or co-operative agreement and of the repressuring operations to be initiated and conducted pursuant to such agreement; and (2) that the acquisition of the properties of the nonconsenting persons which are designated by the supervisor is necessary therefor; and (3) that the repressuring and other operations to be initiated and conducted pursuant to such agreement, and the improvements to be made in connection therewith are planned or located in the manner which will be most compatible with the greatest public good and the least private injury.

The acquisition and use of land, including oil and gas rights therein, and personal property used in the production of oil and gas within a subsidence area for the purposes and by the persons mentioned in this section under the circumstances herein specified, are public uses on behalf of which the right of eminent domain may be exercised.

PUBLIC RESOURCES CODE § 3320.1

added Stats. 1958, 1st Ex. Sess.,

Ch. 73, § 1

Staff draft July 1972

(c) Subject to the provisions of subdivision (b) ~~hereof~~, the right of eminent domain for the purposes therein mentioned may be exercised by any city, county, or city and county, which has agreed to commit the properties to be acquired to such unit or co-operative agreement, or which has agreed to convey all or a portion of said properties upon acquisition, for a price not less than the cost of acquiring the same, to working interest owners who are parties to such unit or co-operative agreement and who have agreed to commit such properties to said agreement.

Except as otherwise provided in subdivisions (b) and (c) ~~hereof~~, any condemnation action brought hereunder shall be governed by the provisions of ~~Title 7 (commencing at Section 1937) of Part 3 of the Code of Civil Procedure.~~ law govern-

ing the condemnation of property for public use
by the city, county, or city and county.

If a condemnation action or actions to acquire the properties of the nonconsenting persons are promptly commenced and diligently prosecuted to final judgment by which such properties are acquired, no compulsory unit order affecting the area covered by such agreement shall be made by the supervisor under Section 3321 of this article with respect to such area.

Comment. The amendment of Section 3320.1 makes no substantive change; it merely substitutes a general reference for the specific reference to the former general eminent domain statute.

Comment. Section 13070.1 is added to give the term "acquire" used in Section 13070 its broadest possible meaning and to insure that the repeal of Code of Civil Procedure Section 1238 will not affect adversely the districts formed under the Resort Improvement District Law.

PRIVATELY OWNED PUBLIC UTILITIES

Sec. . Article 7 (commencing with Section 610) is added to Chapter 3 of Part 1 of Division 1 of the Public Utilities Code, to read:

Article 7. Eminent Domain

Public Utilities Code § 610 (added)

610. This article applies only to a corporation or person that is a public utility.

Comment. Section 610 is included to make clear that this article extends the right of eminent domain only to "public utilities" as defined in Section 216 ("service is performed for or the commodity delivered to the public or any portion thereof") and not to persons or corporations that are not subject to regulation and rate control. It has been held that the exercise of the right of eminent domain conclusively evidences an intention to devote the property so acquired to a public use, thereby rendering the condemnor a public utility. Producers Transp. Co. v. Railroad Comm'n, 176 Cal. 499, 505, 169 P. 59, __ (1917). Compare McCullagh v. Railroad Comm'n, 190 Cal. 13, 210 P. 264 (1922). This section is consistent with the holding in the Producers Transp. Co. case.

PUBLIC UTILITIES CODE § 611

Tentatively approved March 1970

Public Utilities Code § 611 (added)

611. A railroad corporation may condemn any property necessary for the construction and maintenance of its railroad.

Comment. Section 611 grants a "railroad corporation" (defined in Section 230) the right of eminent domain to acquire property necessary for the construction and maintenance of its "railroad." "Railroad" is defined in Section 229 to mean in substance all railroad property devoted to public use in the transportation of persons or property. Thus, Section 611 authorizes condemnation of any property necessary to carry out the regulated activities of the railroad. It retains in substance the authority formerly found in subdivision (g) of Section 7526 of the Public Utilities Code and in Section 1238 of the Code of Civil Procedure. See, e.g., Southern Pac. Co. v. Los Angeles Mill Co., 177 Cal. 395, 170 P. 829 (1918)(spur tracks); Vallejo & N. R.R. v. Reed Orchard Co., 169 Cal. 545, 147 P. 238 (1915) (land for wharves for transfer of freight between railroad cars and boats where reasonably necessary for railroad corporation's future business); Central Pacific Ry. v. Feldman, 152 Cal. 303, 92 P. 849 (1907)(land adjacent to station grounds required for a freight house); Southern Pac. R.R. v. Raymond, 53 Cal. 223 (1878)(workshop); Madera Ry. v. Raymond Granite Co., 3 Cal. App. 668, 87 P. 27 (1906)(spur tracks). Cf. City of Los Angeles v. Los Angeles Pac. Co., 31 Cal. App. 100, 159 P. 992

Tentatively approved March 1970

(1916)(land for pole line for transmission of power to public railway). Section 611 would not, however, permit condemnation by a railroad corporation of land to be used, for example, as an industrial park.

Section 611 supersedes provisions formerly contained in the Public Utilities Code and Code of Civil Procedure insofar as those provisions related to privately owned public utilities. See subdivision (g) of Section 7526 of the Public Utilities Code (right to condemn lands "to be used in the construction and maintenance of its roads, and all necessary appendages and adjuncts"); Section 1238 of the Code of Civil Procedure, subdivision 4 ("steam, electric and horse railroads"), subdivision 11 (railroads "for quarrying, logging or lumbering purposes"). See also Section 1238, subdivision 9 ("roads for transportation by traction engines or road locomotives").

Section 611 has no effect on various specific grants of the power to railroads to condemn private property. See Pub. Util. Code §§ 7533 (additional tracks), 7535 (railroad intersections), 7536 (railroad crossings). See also Pub. Util. Code § 7508 (right of eminent domain in transferee of railroad corporation).

PUBLIC UTILITIES CODE § 612

Tentatively approved March 1970

Public Utilities Code § 612 (added)

§ 612. An electrical corporation may condemn any property necessary for the construction and maintenance of its electric plant.

Comment. Section 612 grants an "electrical corporation" (defined in Section 218) the right of eminent domain to acquire property necessary for the construction and maintenance of its "electric plant." "Electric plant" is defined in Section 217 to mean in substance all property devoted to public use in the production, generation, transmission, delivery, or furnishing of electricity for light, heat, or power. Thus, Section 612 authorizes condemnation of any property necessary to carry out the regulated activities of the electrical corporation. It retains and possibly broadens the authority formerly found in subdivisions 12 and 13 of Section 1238 of the Code of Civil Procedure and supersedes those subdivisions insofar as they applied to privately owned public utilities. See also the Comment to Section 613. Insofar as subdivision 13 permitted acquisition of property for future use, this authority is continued in Section 1240 210 of the Code of Civil Procedure.

PUBLIC UTILITIES CODE § 613

Tentatively approved March 1970

Public Utilities Code § 613 (added)

613. A gas corporation may condemn any property necessary for the construction and maintenance of its gas plant.

Comment. Section 613 grants a "gas corporation" (defined in Section 222) the right of eminent domain to acquire property necessary for the construction and maintenance of its "gas plant." "Gas plant" is defined in Section 221 to include all property used in connection with or to facilitate the production, generation, transmission, delivery, or furnishing of gas, natural or manufactured, for light, heat, or power. Thus, Section 613 authorizes condemnation of any property necessary to carry out the regulated activities of the gas corporation.

Sections 612, 613, and 614 largely supersede subdivision 17 of Section 1238 of the Code of Civil Procedure. Insofar as subdivision 17 permitted acquisition of property for future use, this authority is continued in Section 1240.210 of the Code of Civil Procedure.

PUBLIC UTILITIES CODE § 614

Tentatively approved March 1970

Public Utilities Code § 614 (added)

614. A heat corporation may condemn any property necessary for the construction and maintenance of its heating plant.

Comment. Section 614 grants a "heat corporation" (defined in Section 224) the right of eminent domain to acquire property necessary for the construction and maintenance of its "heating plant." "Heating plant" is defined in Section 223 to include all property used in connection with or to facilitate the production, generation, transmission, delivery, or furnishing of heat for domestic, business, industrial, or public use. Thus, Section 614 authorizes condemnation of any property necessary to carry out the regulated activities of the heat corporations. See the Comment to Section 613.

PUBLIC UTILITIES CODE § 615

Tentatively approved March 1970

Public Utilities Code § 615 (added)

615. A pipeline corporation may condemn any property necessary for the construction and maintenance of its pipeline.

Comment. Section 615 grants a "pipeline corporation" (defined in Section 228) the right of eminent domain to acquire property necessary for the construction and maintenance of its "pipeline." "Pipeline" is defined in Section 227 to include all property used in connection with or to facilitate the transmission, storage, distribution, or delivery of crude oil or other fluid substances except water through pipelines. Thus, Section 615 authorizes condemnation of any property necessary to carry out the regulated activities of the pipeline corporation.

Section 615 supersedes subdivision 10 of Section 1238 of the Code of Civil Procedure (authorizing condemnation for "oil pipelines") insofar as that subdivision related to privately owned public utilities.

PUBLIC UTILITIES CODE § 616

Tentatively approved March 1970

Public Utilities Code § 616 (added)

616. A telephone corporation may condemn any property necessary for the construction and maintenance of its telephone line.

Comment. Section 616 grants a "telephone corporation" (defined in Section 234) the right of eminent domain to acquire property necessary for the construction and maintenance of its "telephone line." "Telephone line" is defined in Section 233 to include all property used in connection with or to facilitate communication by telephone, whether such communication is had with or without the use of transmission wires. Thus, Section 616 authorizes condemnation of any property necessary to carry out the regulated activities of the telephone corporation.

Section 616 supersedes a portion of subdivision 7 of Section 1238 of the Code of Civil Procedure (authorizing condemnation for "telephone . . . lines, systems and plants") insofar as that subdivision related to privately owned public utilities.

PUBLIC UTILITIES CODE § 617

Tentatively approved March 1970

Public Utilities Code § 617 (added)

617. A telegraph corporation may condemn any property necessary for the construction and maintenance of its telegraph line.

Comment. Section 617 grants a "telegraph corporation" (defined in Section 236) the right of eminent domain to acquire property necessary for the construction and maintenance of its "telegraph line." "Telegraph line" is defined in Section 235 to include all property used in connection with or to facilitate communication by telegraph, whether such communication is had with or without the use of transmission wires. Thus, Section 617 authorizes condemnation of any property necessary to carry out the regulated activities of the telegraph corporation.

Section 617 supersedes a portion of subdivision 7 of Section 1238 of the Code of Civil Procedure (authorizing condemnation for "telegraph . . . lines, systems and plants") insofar as that subdivision related to privately owned public utilities.

PUBLIC UTILITIES CODE § 618

Tentatively approved March 1970

Public Utilities Code § 618 (added)

618. A water corporation may condemn any property necessary for the construction and maintenance of its water system.

Comment. Section 618 grants a "water corporation" (as defined in Section 241) the right of eminent domain to acquire property necessary for the construction and maintenance of its "water system." "Water system" is defined in Section 240 to include all property used in connection with or to facilitate the diversion, development, storage, supply, distribution, sale, furnishing, carriage, apportionment, or measurement of water for power, irrigation, reclamation, or manufacturing, or for municipal, domestic, or other beneficial use. Thus, Section 618 authorizes condemnation of any property necessary to carry out the regulated activities of the water corporation.

Section 618 supersedes portions of subdivisions 3 and 4 of Section 1238 of the Code of Civil Procedure insofar as those portions related to condemnation by privately owned public utilities.

Tentatively approved March 1970
Revised May 1970

Public Utilities Code § 621.(added)

621. A street railroad corporation may condemn any property necessary for the construction and maintenance of its street railroad.

Comment. Section 621 grants a "street railroad corporation" (defined in Section 232) the right of eminent domain to acquire property necessary for the construction and maintenance of its "street railroad" (defined in Section 231). It replaces in substance the authority formerly found in subdivision (g) of Section 7526 and incorporated by reference by Section 7801 and in Section 1238 of the Code of Civil Procedure. See the Comment to Section 611.

PUBLIC UTILITIES CODE § 622

Tentatively approved March 1970

Revised February 1971

Public Utilities Code § 622 (added)

622. (a) As used in this section, "motor carrier" means:

(1) A highway common carrier as defined in Section 213.

(2) A passenger stage corporation as defined in Section 226.

(b) As used in this section, "water carrier" means a common carrier operating upon any waterway in this state between fixed termini or over a regular route.

(c) A motor carrier or water carrier may condemn any property necessary for the construction and maintenance of terminal facilities for the receipt, transfer, or delivery of the passengers or property it carries.

Comment. Section 622 grants certain motor carriers and water carriers the right of eminent domain to acquire property necessary for terminal facilities. Sections 621 and 622 supersede subdivision 22 of Section 1238 of the Code of Civil Procedure which granted condemnation authority for "terminal facilities, lands or structures for the receipt, transfer or delivery of passengers or property by any common carrier operating upon any public highway or waterway in this state between fixed termini or over a regular route, or for other terminal facilities of any such carrier."

PUBLIC UTILITIES CODE § 623

Tentatively approved March 1970

Public Utilities Code § 623 (added)

623. A warehouseman may condemn any property necessary for the construction and maintenance of its facilities for storing property.

Comment. Section 623 grants a "warehouseman" (defined in Section 239) the right of eminent domain to acquire property necessary for storing property. Section 623 supersedes a portion of subdivision 4 of Section 1238 of the Code of Civil Procedure (granting authority to condemn for "warehouses") insofar as that portion related to privately owned public utilities.

PUBLIC UTILITIES CODE § 624

Tentatively approved February 1971

Public Utilities Code § 624 (added)

624. A sewer system corporation may condemn any property necessary for the construction and maintenance of its sewer system.

Comment. Section 624 grants a "sewer system corporation" (defined in Section 230.6) the right of eminent domain to acquire property necessary for the construction and maintenance of its "sewer system." "Sewer system" is defined in Section 230.5 to include all property used in connection with or to facilitate sewage collection, treatment, or disposition for sanitary or drainage purposes. Thus, Section 624 authorizes condemnation of any property necessary to carry out the regulated activities of sewer system corporations. Section 624 does not, however, authorize condemnation for a sewer system which merely collects sewage on the property of a single owner (Section 230.5); nor does it authorize condemnation by anyone other than a public utility subject to the jurisdiction, control, and regulation of the Public Utilities Commission.

Section 624 supersedes portions of subdivisions 3, 4, and 8 of Section 1238 of the Code of Civil Procedure insofar as those portions related to condemnation by privately owned public utilities.

amended to read:

1503. The Legislature finds and declares that whenever a political subdivision constructs facilities to provide or extend water service, or provides or extends such service, to any service area of a private utility with the same type of service, such an act constitutes a taking of the property of the private utility for a public purpose to the extent that the private utility is injured by reason of any of its property employed in providing the water service being made inoperative, reduced in value or rendered useless to the private utility for the purpose of providing water service to the service area, ~~and such taking shall be compensable under Section 14 of Article I of the Constitution of California.~~ (2)

Comment. The last clause of Section 1503 is deleted as unnecessary in view of the last sentence of Section 1504.

PUBLIC UTILITIES CODE § 2729

Tentatively approved March 1970
Revised June 1970

MUTUAL WATER COMPANIES

Public Utilities Code § 2729 (added)

Sec. . Section 2729 is added to the Public Utilities Code,
to read:

2729. A mutual water company may exercise the power of eminent domain for water, water rights, canals, ditches, dams, poundings, flumes, aqueducts and pipes for irrigation of lands furnished with water by such company.

Comment. Section 2729 specifies the condemnation authority of a mutual water company (defined in Section 2725). The section continues without substantive change the authority to condemn formerly conferred by Code of Civil Procedure Section 1238(4)(condemnation authorized for "water, water rights, canals, ditches, dams, poundings, flumes, aqueducts and pipes for irrigation of lands furnished with water by corporations supplying water to the lands of the stockholders thereof only").

Mutual water companies are not generally subject to the jurisdiction of the Public Utilities Commission. See Pub. Util. Code § 2705. However, it is possible that exercise of the power of eminent domain by a mutual water company may demonstrate an intention to devote the property so acquired to public use and thereby render the company subject to regulation as a public utility. See Corona City Water Co. v. Public Utilities Comm'n, 54 Cal.2d 834, 357 P.2d 301, 9 Cal. Rptr. 245 (1960); Lamb v. California Water & Tel. Co., 21 Cal.2d 33, 129 P.2d 371 (1942). Nevertheless, the authority granted by this section is not dependent upon whether a company is or is not held to be a public utility by exercising such authority.

Tentatively approved September 1971

RAILROAD CORPORATIONS

Public Utilities Code § 7526 (amended)

Sec. . Section 7526 of the Public Utilities Code is amended

to read:

7526. Every railroad corporation has all of the following powers:

(a) To make such examination and surveys as are necessary to the selection of the most advantageous route for the railroad. The officers, agents, and employees of the corporation may enter upon the lands or waters of any person, for this purpose, subject to liability for all damages which they do thereto.

(b) To receive, hold, take, and convey, by deed or otherwise, as a natural person, such voluntary grants and donations of real estate and other property as are made to it to aid and encourage the construction, maintenance, and accommodation of the railroad.

(c) To purchase, or by voluntary grants or donations to receive, enter, take possession of, hold, and use all such real estate and other property as is necessary for the construction and maintenance of such railroad, and for all stations, depots, and other purposes necessary to successfully work and conduct the business of the road.

(d) To lay out its road, not exceeding 10 rods wide, and to construct and maintain it, with one or more tracks, and with such appendages and adjuncts as are necessary for the convenient use of the road.

(e) To construct its roads across, along, or upon any stream of water, watercourse, roadstead, bay, navigable stream, street, avenue, or highway, or across any railway, canal, ditch, or flume which the route of its road intersects, crosses, or runs along, in such manner as to afford security for life and property. The corporation shall restore the stream or watercourse, road, street, avenue, highway, railroad, canal, ditch, or flume thus intersected to its former state of usefulness as near as may be, or so that the railroad does not unnecessarily impair its usefulness or injure its franchise.

(f) To cross, intersect, join, or unite its railroad with any other railroad, either before or after construction, at any point upon its route, and upon the grounds of the other railroad corporation, with the necessary turnouts, sidings, and switches, and other conveniences in furtherance of the objects of its connections. Every corporation whose railroad is intersected by any new railroad shall unite with the owners of the new railroad in forming the intersections and connections, and grant facilities therefor. If the two corporations cannot agree upon the amount of compensation to be made therefor, or the points

PUBLIC UTILITIES CODE § 7526

Tentatively approved September 1971

or the manner of the crossings, intersections, and connections, such matters shall be ascertained and determined as is provided in Title 7, Part 3 of the Code of Civil Procedure.

(g) To ~~purchase~~ lands, timber, stone, gravel, or other materials to be used in the construction and maintenance of its road, and all necessary appendages and adjuncts, ~~or acquire them in the manner provided in Title 7, Part 3 of the Code of Civil Procedure, for the condemnation of lands.~~

acquire

(h) To change the line of its road, in whole or in part, whenever a majority of the directors so determine, as provided in Section 7531, but the change shall not vary the general route of the road, as contemplated in its articles of incorporation.

Comment. The authority to condemn for lands, timber, stone, gravel, or other materials used in the construction or maintenance of a railroad is deleted from subdivision (g) of Section 7526 because it duplicates and is more restrictive than the general power of railroad corporations to condemn any property necessary for the construction and maintenance of its railroad provided by Section 611.

STATE DEPARTMENT OF AERONAUTICS

Public Utilities Code § 21633 (amended)

Sec. . Section 21633 of the Public Utilities Code is

amended to read:

21633. For the purposes of this article, the department, by purchase, gift, devise, lease, ~~condemnation~~, or otherwise, may acquire real or personal property, or any interest therein, ~~including easements in airport hazards or land outside the boundaries of an airport or airport site, necessary to permit safe and efficient operation of the airports or to permit the removal, elimination, obstruction marking, or obstruction lighting of airport hazards, or to prevent the establishment of airport hazards.~~

Comment. Section 21633 as amended continues the authority of the Department of Aeronautics to acquire property for airport purposes but deletes the reference to the condemnation authority since the department no longer has this authority. Acquisitions of property by eminent domain are accomplished under the Property Acquisition Law through the Public Works Board. See Govt. Code §§ 15853-15855. The portion of Section 21633 that formerly authorized acquisition of property for the elimination of airport hazards is continued in Section 21652.

For the purpose of making surveys and examinations relative to any condemnation proceedings, it is lawful to enter upon any land. The power of the department, by condemnation, to acquire or require the relocation of any railway, highway, main, pipe, conduit, wires, cables, poles, and all other facilities and equipment or other property held for or devoted to a public use shall be exercised only after the court in which the condemnation proceedings are pending finds that the taking or relocation for the public use of the department is of greater public necessity than the public use for which the property is presently held or used. AIRCRAFT HAZARD OR DISTURBANCE ELIMINATION

Sec. . Article 2.6 (commencing with Section 21652) is added to Chapter 4 of Part 1 of Division 9 of the Public Utilities Code, to read:

Article 2.6. Hazard Elimination; Flight Disturbance

Public Utilities Code § 21652 (added)

21652. (a) Any person authorized to exercise the power of eminent domain for airport purposes may acquire by purchase, gift, devise, lease, condemnation, or otherwise:

(1) Any property necessary to permit the safe and efficient operation of the airport, or to permit the removal, elimination, obstruction-marking, or obstruction-lighting of airport hazards, or to prevent the establishment of airport hazards.

(2) Airspace or an easement in such airspace above the surface of property where necessary to permit imposition upon such property of excessive noise, vibration, discomfort, inconvenience, interference with use and enjoyment, and any consequent reduction in market value, due to the operation of aircraft to and from the airport.

(3) Remainder property underlying property taken pursuant to paragraph (2), where permitted by Section 1240.420 of the Code of Civil Procedure.

PUBLIC UTILITIES CODE § 21652

Tentatively approved September 1971

(b) As used in this section, "property" includes real and personal property and any right or interest therein, whether within, beyond, adjacent to, or in the vicinity of, the boundaries of an airport or airport site, and, by way of illustration and not by way of limitation, includes air rights, airspace, air easements, and easements in airport hazards.

Comment. Section 21652 continues the authority of the state (formerly found in Section 21633), of cities, of counties, and of airport districts (formerly found in Code Civ. Proc. §§ 1239.2 and 1239.4 and Govt. Code § 50485.13) to condemn or otherwise acquire property for the elimination and prevention of airport hazards. See Pub. Util. Code § 21017 ("airport hazard" defined). In addition, it extends this authority to entities previously not covered by a specific grant, e.g., San Diego Unified Port District. See Harb. & Nav. Code App. 1, §§ 4, 5, 27 (West Supp. 1967). For statutes granting the power of eminent domain for airport purposes, see Govt. Code §§ 26020 (counties), 50470 (cities, counties); Pub. Util. Code §§ 21633 (state), 22553 (port districts); Harb. & Nav. Code App. 1, §§ 4, 5, 27 (West Supp. 1967)(San Diego Unified Port District).

Section 21652 also continues and expands the authority (formerly found in Code Civ. Proc. § 1239.3) of cities, counties, airport districts, and the San Diego Unified Port District to condemn to provide areas where flight disturbance will result in damage that might otherwise be the subject of actions for property damage. Cf. Pub. Util. Code § 21688. Section 21652

PUBLIC UTILITIES CODE § 21652

Tentatively approved September 1971

extends this authority to the state and to any other airport condemnors previously not covered by specific grant.

Subdivision (a). Paragraph (1) of subdivision (a) is based on language formerly found in Public Utilities Code Section 21633 (authority of Department of Aeronautics). As a specific authorization of condemnation for airport protective purposes, it duplicates the more general authority found in Section 1240.050 of the Code of Civil Procedure, but this duplication has been retained because it provides useful detail.

Paragraph (2) of subdivision (a) retains the substance of former Code of Civil Procedure Section 1239.3 that airspace or airspace rights may be taken in any area to which flight disturbance will penetrate.

Paragraph (3) of subdivision (a) permits airport condemnors to take-- in addition to airspace interests--land and other property for the purpose of providing areas of flight disturbance where a taking pursuant to paragraph (2) would leave a physical or financial remnant. The procedures and standards applicable to such takings are those set forth in Section 1240.420 of the Code of Civil Procedure. The right to take pursuant to Section 1240.420 entails the right to dispose of property thus acquired pursuant to Section 1240.440 of the Code of Civil Procedure.

Subdivision (b). Subdivision (b) makes clear that property of any character or degree may be condemned for airport protective or flight disturbance

PUBLIC UTILITIES CODE § 21652

Tentatively approved September 1971

purposes. As such, it supersedes the restrictive language of former Code of Civil Procedure Sections 1239.2 and 1239.3, and it is consistent with the more general definition of property found in Code of Civil Procedure Section 1230.070.

The provision formerly found in Code of Civil Procedure Section 1239.4, authorizing acquisition of land, reserving an "irrevocable free license" in the former owner to use and occupy such land has not been continued since subdivision (b) defines "property" so broadly that a condemnor may take land subject to such an interest where necessary.

[Note. Section 1240.420 of the Code of Civil Procedure, as presently drawn, speaks in terms of the remainder of a larger parcel rather than in terms of remaining interests in property. This draft of Public Utilities Code Section 21652 is predicated on the assumption that Section 1240.420 will be reworded to accomodate property interests.

The effect of the California Supreme Court decision imposing liability on public entities on a nuisance theory for aircraft noise will be considered and possibly this section will be further revised.]

PUBLIC UTILITIES CODE § 21653

Tentatively approved September 1971

Public Utilities Code § 21653 (added)

21653. Any person authorized to exercise the power of eminent domain for airport purposes may provide, by purchase, gift, devise, lease, condemnation, or otherwise, for the removal or relocation of any airport hazard or the removal or relocation of all facilities, structures, and equipment that may interfere with the location, expansion, development, or improvement of the airport and other air navigation facilities or with the safe approach thereto and takeoff therefrom by aircraft. Any person acting under authority of this section shall pay the cost of such removal or relocation.

Comment. Section 21653 continues the authority of the state (formerly found in Pub. Util. Code § 21634) and of cities and of counties (formerly found in Govt. Code § 50485.13) to require the removal or relocation of airport hazards. See Pub. Util. Code § 21017 ("airport hazard" defined). In addition, it extends this authority to entities previously not covered by a specific grant, e.g., airport districts. See Pub. Util. Code § 22553.

Section 21653 also continues the authority of the state to require the removal and relocation of structures, facilities, and equipment that might interfere with the location, expansion, development, or improvement of the airport and its facilities and extends this authority to other public entities. In addition, it requires payment for relocation or removal of airport hazards generally.

PUBLIC UTILITIES CODE § 21653

Tentatively approved September 1971

While Section 21653 is phrased as a separate grant of authority to require removal or relocation, such authority can be exercised in connection with an eminent domain proceeding brought under Section 21652.

It should be noted that the removal or relocation of property held for or devoted to a public use may be required only after the court in which proceedings are pending finds that the relocation for airport purposes is of greater public necessity than the public use for which the property was previously held or used. See Code Civ. Proc. § 1240.610 et seq.; see Comment to former Pub. Util. Code § 21635.

Streets & Highways Code § 100.3 (amended)

Sec. . . Section 100.3 of the Streets and Highways Code is
amended to read:

100.3. From and after the adoption of a resolution by the California Highway Commission declaring any section of State highway to be a freeway, the highway described in such resolution shall have the status of a freeway for all purposes of section 100.2.

Such declaration shall not affect private property rights of access, and any such rights taken or damaged ~~within the meaning of Article I, section 14, of the State Constitution~~ for such freeway for which the state Constitution requires just compensation to be paid shall be acquired in a manner provided by law.

No State highway shall be converted into a freeway except with the consent of the owners of abutting lands or the purchase or condemnation of their right of access thereto.

Comment. The amendment of Section 100.3 merely substitutes a general reference for the specific reference to the State Constitution; the amendment makes no substantive change.

STREET OPENING ACT OF 1903

Streets & Highways Code § 4008 (amended)

Sec. . Section 4008 of the Streets and Highways Code is amended to read:

4008. "Street" includes public streets, avenues, roads, highways, squares, lanes, alleys, courts or places.

byroads,

Comment. The addition of "byroads" to Section 4008 makes clear that byroads--roads, open to public use, that furnish access to an existing public road from or primarily from otherwise isolated property--may be established under the Street Opening Act of 1903. See Section 4008.1 defining "byroad." This addition probably codifies existing law. Cf. City of Oakland v. Parker, 70 Cal. App. 295, 233 P. 68 (1924).

STREETS & HIGHWAYS CODE § 4008.1

Tentatively approved April 1970

Streets & Highways Code § 4008.1 (added)

Sec. . Section 4008.1 is added to the Streets and Highways Code, to read:

4008.1. "Byroad" means a road, open to public use, that furnishes access to an existing public road from or primarily from otherwise isolated property.

Comment. The definition of "byroad" in Section 4008.1 is based on the discussion in Sherman v. Buick, 32 Cal. 242 (1867). It adopts substantially the definition formerly incorporated in Section 1238(6) of the Code of Civil Procedure; however, any restriction in utilization of the property served by the byroad is eliminated.

STREETS & HIGHWAYS CODE § 4120.1

Tentatively approved April 1970
Revised June 1970

Streets & Highways Code § 4120.1 (added)

Sec. . Section 4120.1 is added to the Streets and Highways Code, to read:

4120.1. The owner of any property that may be benefited by a proposed improvement may file with the legislative body a request that the improvement be undertaken. Such request may, but need not, include the maps, plats, plans, profiles, specifications, and other information referred to in Sections 4120 and 4122 and shall not be denied without a public hearing.

Comment. Section 4120.1 is added to the Street Opening Act of 1903 to expressly authorize initiation of improvement proposals by individual property owners. Similar procedures already exist in many counties and cities. In reviewing a property owner's request, the board of supervisors should consider the necessity for the improvement and the relative hardship to the party whose land is sought to be used for the improvement compared to the one seeking the improvement. For a comparable provision relating to sewer construction, see Health & Saf. Code § 4967. Cf. Water Code §§ 7020-7026 (county may open private way for irrigation, drainage, or seepage canal).

Water Code § 43532 (repealed)

Sec. . . Section 43532 of the Water Code is repealed.

~~43532. The board shall not commence any proceedings in eminent domain unless it first adopts a resolution declaring that the public interest and necessity require acquisition, construction or completion of the improvement for which the property or interest in property is required, or will be required, and that the property or interest described in the resolution is necessary for the improvement; provided, when the board adopts such resolution by two-thirds (2/3) of all its members, the resolution shall be conclusive evidence of all of the following:~~

- ~~(a) The public necessity for the proposed improvement;~~
- ~~(b) That the property or interest is necessary for the proposed public improvement; and~~
- ~~(c) That the proposed public improvement is planned or located in a manner which will be most compatible with the greatest public good and the least private injury.~~

~~The resolution provided for in this section, however, shall not constitute conclusive evidence of the matters specified in subdivisions (a), (b) and (c) in the case of taking property located within a county in which the district is located but outside of the boundaries of the district, unless the board of supervisors of the county in which such property is situated declares to the contrary.~~

WATER REPLENISHMENT DISTRICT

Water Code § 60230 (amended)

Sec. . Section 60230 of the Water Code is amended to read:

60230. For the purposes of replenishing the ground water supplies within the district, a district shall have power:

- (1) To have perpetual succession.
- (2) To sue and be sued, except as otherwise provided herein or by law, in all actions and proceedings in all courts and tribunals.
- (3) To adopt a seal and alter it at pleasure.
- (4) To take by grant, purchase, gift, devise, or lease, to hold, use and enjoy, and to lease, convey or dispose of, real and personal property of every kind, within or without the district, necessary or convenient to the full exercise of its power.
- (5) Within or outside of the district to construct, purchase, lease, or otherwise acquire, and to operate and maintain necessary waterworks and other works, machinery and facilities, canals, conduits, waters, water rights, spreading grounds, lands, rights and privileges useful or necessary to replenish the underground water basin within said district, or to augment the common water supplies of said district.
- (6) For the common benefit of said district, to store water in underground water basins or reservoirs within or outside of said district, to appropriate and acquire water and water rights within or outside of said district, to import water into said district, and to conserve water within or outside of said district.
- (7) To carry out the purposes of this act, to commence, maintain, intervene in, defend and compromise, in the name of said district, or otherwise, and to assume the costs and expenses of any and all actions and proceedings now or hereafter begun to determine or adjudicate all or a portion of the rights to divert, extract, or use waters within the district, or within any segments thereof or subbasins therein, as between owners of or claimants to said rights, to prevent any interference with water or water rights used or useful to the lands, inhabitants, owners, operators, or producers within said district, or to prevent the diminution of the quantity or quality of the water supply of said district, or to prevent unlawful exportation of water from said district.
- (8) To ~~have and exercise the right of eminent domain and in the manner provided by law for the condemnation of private property for public use, to take any property necessary~~ to supply the district or any portion thereof with replenish-

ment, water, except (a) water and water rights already devoted to beneficial use, and (b) property (other than water and water rights) already appropriated to public use unless the taking be for a more necessary public use than that to which the property is already appropriated; provided, the district in exercising such power shall in addition to the damage for taking, injuring, or destruction of property also pay the cost of removal, reconstruction or relocation of any structure, including, but not limited to, railways, mains, pipes, conduits, wires, cables, towers, or poles of any public utility which is required to be removed to a new location. No use by a district of property owned, at the time the action to condemn is brought, by an existing agency having powers to provide for the replenishment of ground waters, shall constitute a more necessary public use than the use to which the property is already appropriated. ~~In proceedings relative to the exercise of such right, the district shall have all of the rights, powers and privileges of a city.~~

A district shall not exercise the right of eminent domain ~~under this subdivision for the condemnation of property outside the boundaries of the principal county in which the district is situated unless it first obtains the consent thereto of the board of supervisors of the county in which such property is located.~~

to acquire

(9) To act jointly with or co-operate with the United States or any agency thereof, and, under the applicable laws of this State, co-operate and act jointly with the State of California, or any county or agency thereof, or any political subdivision or district therein, including flood control districts, public and private corporations, and any person, to the end that the purposes and activities of this district may be fully and economically performed.

(10) To cause assessments and/or charges to be levied as hereinafter provided to accomplish the purposes of this act and to maintain such reserve funds for the future purchase of water for replenishment purposes as are hereinafter authorized to be levied.

(11) To make contracts, to employ labor and to do all acts necessary for the full exercise of the foregoing powers.

(12) To carry on technical and other investigations of all kinds, necessary to carry out the provisions of this act, and for this purpose said district shall have the right of access through its authorized representative to all properties within said district.

(13) To borrow money and incur indebtedness and to issue bonds or other evidences of such indebtedness; also to refund or retire any indebtedness or lien that may exist against the district or property thereof; also to issue warrants to pay the

formation expenses of the district, which warrants may bear interest at a rate not exceeding 6 percent a year from the date of issue until funds are available to pay the warrants, and which formation expenses may include fees of attorneys and others employed to conduct the formation proceedings, but shall not include the expenses of holding and conducting the formation election.

(14) To cause taxes to be levied, in the manner hereinafter provided, for the purpose of paying any obligation of the district, including its formation expenses and any warrants issued therefor.

(15) To fix the rates at which water shall be sold for replenishment purposes, and to establish different rates for different classes of service or conditions of service, provided the rates shall be uniform for like classes and conditions of service.

(16) To fix the terms and conditions of any contract under which producers may agree voluntarily to use replenishment water from a nontributary source in lieu of ground water, and to such end a district may become a party to such contract and pay from district funds such portion of the cost of such replenishment waters as will encourage the purchase and use of such water in lieu of pumping so long as the persons or property within the district are directly or indirectly benefited by the resulting replenishment.

Staff draft July 1972

Water Code § 71694 (amended)

Sec. . Section 71694 of the Water Code is amended to read:

71694. A district may exercise the right of eminent domain ~~and, in the manner provided by law for the condemnation of private property for public use, may take any property necessary to carry out any powers of the district. In proceedings relative to the exercise of such right, the district shall have all of the rights, powers, and privileges of a city; provided,~~ to acquire ~~the~~ district, in exercising such right, shall, in addition to the damage for the taking, injury, or destruction of property, also pay the cost of removal, reconstruction, or relocation of any structure, railways, mains, pipes, conduits, wires, cables, or poles of any public utility which is required to be removed to a new location.

The

A district shall not exercise the right of eminent domain, under this section, for the condemnation of property outside the boundaries of the district for any purpose, unless it first obtains the consent thereto of the board of supervisors of the county in which such property is located; provided, however, that a district may exercise the right of eminent domain, under this section, for the condemnation of property outside the boundaries of the district for the acquisition of rights-of-way in any county in which territory of the district is located or in any county adjacent to such county without obtaining the consent of the board of supervisors thereof.

When a district proposes to exercise the power of eminent domain, under this section, for the condemnation of property outside the boundaries of the district for the acquisition of rights-of-way in any county in which territory of the district is located or in any county adjacent to such county, it shall give written notice, at least two weeks prior to condemning the property, to the board of supervisors of the county in which the property is located. Such written notice shall contain a description of the property to be condemned.

Monterey Peninsula Airport District Act,
§ 3 (Stats. 1941, Ch. 52)

Monterey Peninsula Airport District Act, § 3 (Stats. 1941, Ch. 52)(amended)

Sec. . Section 3 of the Monterey Peninsula Airport District
Act (Chapter 52 of the Statutes of 1941) is amended to read:

Sec. 3. Corporate Powers. Said Monterey Peninsula Airport District is hereby declared to be, and established as, a body corporate and politic, and, in addition to other powers herein granted, shall have and is hereby granted the following powers, namely:

1. To have perpetual succession.
2. To sue and be sued in the name of said district in all actions and proceedings in all courts and tribunals of competent jurisdiction.
3. To adopt a seal and alter it at pleasure.
4. To take by grant, purchase, gift, devise or lease, hold, use, enjoy, and to lease or dispose of, real or personal property of every kind within or without the district necessary to the full exercise of its power.
5. To acquire or contract to acquire lands, rights of way, easements, privileges and property of every kind, and construct, maintain and operate any and all works or improvements within or without the district necessary or proper to carry out any of the objects or purposes of this act, and to complete, extend, add to, repair, or otherwise improve, any works or improvements acquired by it as herein authorized.
6. To ~~have and exercise the right of eminent domain, and in the manner provided by law for the condemnation of private property for public use,~~ to take any property necessary to carry out any of the objects or purposes of this act, ~~whether such property be already devoted to the same use by any~~

Monterey Peninsula Airport District Act,
§ 3 (Stats. 1941, Ch. 52)

~~district, or other public corporation or agency, or otherwise,
and to condemn any existing works or improvements in said
district now used for airport purposes.~~

7. To incur indebtedness, and to issue bonds in the manner herein provided.

7a. Borrowing Money From Federal Agencies, Etc. In addition to the powers given in the next preceding subsection, to borrow money from the United States of America, or any agency or department thereof, or from any person, or from any corporation organized under the laws of this State, or elsewhere, for the acquisition of lands and improvement thereof for airport district purposes authorized under this act, and to repay the same in annual installments over a period of not to exceed twenty (20) years, with interest at a rate not to exceed five per cent (5%) per annum, payable semiannually; and, without the necessity of an election, when authorized so to do by resolution of the board of directors of said district, and as evidences of such indebtedness, said district is hereby authorized to execute and deliver a note, or a series of notes or bonds, or other evidences of indebtedness, signed by the chairman of said board of directors, and the secretary thereof, which notes, bonds or other evidences of indebtedness, shall be negotiable instruments if so declared in said resolution providing for their issuance, and said notes, bonds or other evidences of indebtedness may have interest coupons attached to evidence interest payments, signed by the facsimile signature of the chairman of said board. All applications for such loans shall specify the particular airport district work or project or projects for which the funds will be expended, and when received, the money shall be deposited in a special fund, and expended for those purposes only which are described and referred to in the application, or applications. If a surplus remains after the completion of said work, said surplus shall be applied to the payment of the note, notes, bonds, or other evidences of indebtedness executed, as aforesaid, for the loan, including interest coupons. The board of supervisors, on demand of the board of directors of the district, shall annually levy a tax upon the taxable property therein sufficient

Monterey Peninsula Airport District Act,
§ 3 (Stats. 1941, Ch. 52)

to pay the interest and installments of principal, as the same shall become due and payable, under any loan made pursuant to the authority of this section, and to create and maintain a reserve fund to assure the prompt payment thereof, as may be provided by resolution of said board of supervisors; provided, however, that the amount of taxes levied in any fiscal year, pursuant to the provisions of this subsection, shall pro tanto, reduce to the extent of such special taxes the authority of said board of directors to demand, and of the board of supervisors, during any such year, to levy taxes under Sections 19 and 23 of this act, but this proviso shall not be a limitation upon the power and duty to levy and collect taxes under this subsection.

Limitation on Amount Borrowed. Notwithstanding anything in this subsection to the contrary, the total amount which said district may borrow under the authority of any and all the provisions of this subsection is limited to and shall not exceed in the aggregate two hundred fifty thousand dollars (\$250,000).

7b. Such Bonds as Legal Investments. Such bonds or notes, when declared negotiable instruments, as in Subsection 7a hereinabove provided, shall be legal investments for all trust funds, and for the funds of all insurance companies, banks, both commercial and savings, trust companies, and for the State Department of Finance, and State school funds, and whenever any money or funds may by law, now in effect or hereafter enacted, be invested in bonds of cities, cities and counties, counties, or school districts, in the State of California, such money or funds may be invested in the said negotiable bonds or notes of said Monterey Peninsula Airport District; provided, however, no bank shall invest or loan more than 5 per centum of its assets on any one such bond or note issue.

8. Taxes. To cause taxes to be levied and collected for the purpose of paying any obligation of the district in the manner herein provided.

9. Exercise of Powers—Contracts. To make contracts, and to employ persons and labor, and to do all acts necessary for the full exercise of all powers vested in said district, or in any of the officers thereof, by this act.

Monterey Peninsula Airport District Act,
§ 3 (Stats. 1941, Ch. 52)

10. Disposal of Property. To lease, sell or dispose of any property (or any interest therein) acquired in fee, or otherwise, whenever in the judgment of said board of directors said property, or any interest therein or part thereof, is no longer required for the purposes of said district, or may be leased for any purpose without interfering with the use of the same for the purposes of said district, and to pay any compensation received therefor into the general fund of said district and use the same for the purposes of this act.

11. Operation and Concession Agreements. To make contracts for the operation, or operation maintenance, of any airport of said district, or for any concession thereupon necessary or convenient thereto.

12. Police Powers of District. To adopt ordinances and resolutions and make regulations for the protection of the public peace, health, or safety, in or upon any airport of the district, or in or upon any approach thereto, owned or controlled by the district and to prescribe penalties for the violation thereof; provided, that the police powers of said district, hereby granted, shall be limited strictly to the provisions of this subsection.

Violation of any such ordinance, resolution or regulation shall constitute a misdemeanor.

13. General Powers. To possess and exercise all powers necessary or appropriate to a public airport district which are not prohibited by the Constitution, including all powers granted by, or which may be hereafter granted by, any general law of the State to any public airport district therein, and all powers incidental to, and necessary or convenient in connection with, the exercise of the powers generally or specifically granted to the district by the provisions of this act.

Comment. Subdivision 6 of Section 3 is amended to delete unnecessary language and to conform to the provisions of the Eminent Domain Law relating to more necessary public use. See Code Civ. Proc. §§ 1235.010 (procedure), 1250.610 et seq. (more necessary public use). See also Code Civ. Proc. § 1240.510 (compatible use).

canal leading from said cut for the purpose of draining and disposing of the waters of Colusa basin by carrying the same to the head of the proposed Yolo by-pass in section eight, township 10 north, range 3 east, M. D. B. and M., in said county of Yolo, as defined by and in accordance with the general plan of the California debris commission, transmitted to the speaker of the house of representatives of the United States by the secretary of war, on the 27th day of June, 1911, with such modifications or amendments as may hereafter be adopted by said reclamation board, and in accordance with such plan as shall be approved by said reclamation board, or made in accordance with law and in the manner hereinafter provided. The said canal shall be of such size and the embankments thereof of sufficient strength and dimensions as to prevent the waters therein from overflowing its banks. No water shall be permitted to flow through any cut or excavation in said ridge provided to be made in this act until the canal to be constructed as hereinbefore provided shall have been completed so as to convey the waters flowing or to flow through said cut to the head of said proposed Yolo by-pass in said section eight, in a manner satisfactory to the said reclamation board. Said reclamation board shall have power to direct the method of the construction of said cut, canal and levees. Said drainage commissioners shall also have power to construct such gates in said canal or ridge, or in or near Sycamore slough where the same enters the Sacramento river above said ridge, as may be necessary to carry out such plan. If required by the said reclamation board, such gates must be constructed before such ridge is cut or excavated.

6. To control the flood and storm waters of said district and the flood and storm waters of streams that have their sources outside of said district, but which streams and the floodwaters thereof, flow into said district, and to conserve such waters for beneficial and useful purposes of said district by spreading, storing, retaining and causing to percolate into the soil within or without said district, or to save or conserve in any manner all or any of such waters and protect from damage from such flood or storm waters the watercourses, watersheds, harbors, public highways, life and property in said district, and the watercourses outside of the district of streams flowing into the district, and to prevent waste of water or diminution of the water supply in, or exportation of water from said district, and to obtain, retain and reclaim drainage, storm, flood and other waters for beneficial use in said district; provided, that nothing in this act contained shall authorize the carrying out of any plan of improvement, the purpose of which is, or the effect of which will be, to take water which flows in any watershed in said district and transport or sell same for use anywhere outside of the district when the water level of any gravel beds within the district is below the normal level and such water could reasonably be used to replenish the water level of said gravel beds; provided further, that none of the provisions of this act shall preclude the exercise by any other political subdivision that may now or hereafter exist, wholly or in part, within the district from exercising its powers, although such

powers may be of the same nature as the powers of said district. Any such other political subdivision may, by written agreement with the district, provide for the use, or joint use, of property or facilities in which any such other political subdivision has an interest, or for the use, or joint use, of property or facilities in which said district has an interest.

7. To co-operate, and to act in conjunction with or contribute funds to, the United States or the State of California or any of their engineers, officers, boards, commissions, departments or agencies, or with any public or private corporation, or with the County of Alameda, in the construction of any work for the controlling of flood or storm waters of or flowing into said district, or for the protection of life or property therein, or for the purpose of conserving said waters for beneficial use within said district, or in any other works, acts, or purposes provided for herein, and to adopt and carry out any definite plan or system of work for any such purpose.

8. To carry on technical and other investigations of all kinds, make measurements, collect data and make analyses, studies, and inspections pertaining to water supply, water rights, control of floods and use of water, both within and without said district, and for such purposes said district shall have the right of access through its authorized representatives to all properties within said district. The district, through its authorized representatives may enter upon such lands and make examinations, surveys, and maps thereof.

9. To enter upon any land, to make surveys and locate the necessary works of improvement and the lines for channels, conduits, canals, pipelines, roadways and other rights-of-way; to acquire by purchase, lease, contract, ~~condemnation~~, gift, devise, or other legal means all lands and water and water rights and other property necessary or convenient for the construction, use, supply, maintenance, repair and improvement of said works, including works constructed and being constructed by private owners, lands for reservoirs for storage of necessary water, and all necessary appurtenances, and also where necessary or convenient to said end, and for said purposes and uses, to acquire and to hold, the capital stock of any mutual water company or corporation, domestic or foreign, owning water or water rights, canals, waterworks, franchises, concessions, or rights, when the ownership of such stock is necessary

to secure a water supply required by the district or any part thereof, upon the condition that when holding such stock, the district shall be entitled to all the rights, powers and privileges, and shall be subject to all the obligations and liabilities conferred or imposed by law upon other holders of such stock in the same company; to enter into and do any acts necessary or proper for the performance of any agreement with or necessary to comply with an act of authorization of the United States; or any state, county, district of any kind, or necessary and proper for the performance of any agreement with any public or private corporation, association, firm or individual, or any number of them, for the joint acquisition, construction, leasing, ownership, disposition, use, management, maintenance, repair or operation of any rights, works or other property of a kind which might be lawfully acquired or owned by said Alameda County Flood Control and Water Conservation District; to acquire the right to store water in any reservoir, or to carry water through any canal, ditch or conduit not owned or controlled by the district; to grant to any owner or lessee the right to the use of any water or right to store such water in any reservoir of the district, or to carry such water through any tunnels, canal, ditch, or conduit of the district; to enter into and do any acts necessary or proper for the performance of any agreement with any district of any kind, public or private corporation, association, firm or individual, or any number of them for the transfer or delivery to any such district, corporation, association, firm or individual of any water right or water pumped, stored, appropriated or otherwise acquired or secured, for the use of the Alameda County Flood Control and Water Conservation District, or for the purpose of exchanging the same for other water, water right or water supply in exchange for water, water right or water supply to be delivered to said district by the other party to said agreement.

10. To incur indebtedness and to issue bonds in the manner herein provided.

11. To cause taxes or assessments to be levied and collected for the purpose of paying any obligation of the district, and to carry out any of the purposes of this act, in the manner hereinafter provided.

12. To make contracts, and to employ labor, and to do all acts necessary for the full exercise of all powers vested in said district or any of the officers thereof by this act.

13. To exercise the right of eminent domain, either within or without said district, ~~and in the manner provided by law for the condemnation of private property for public use, to take any property necessary to carry out any of the objects or purposes of this act, whether such property be already devoted to any public use by any district or other public corporation, or agency, or otherwise, provided, however, that the district in exercising such power shall, in addition to the damage for the taking, injury, or destruction of property, also pay the cost of removal, reconstruction, or relocation of any structure, railways, mains, pipes, conduits, wires, cable, poles, of any public utility which is required to be moved to a new location, and provided further, that notwithstanding any other provision of this act or any other law, no property shall be taken unless it is taken upon a finding by a court of competent jurisdiction that the taking is for a more necessary public use than that to which it has already been appropriated, and provided further, that no right shall exist in said district to take by proceedings in eminent domain any property, including water rights, appropriated to public use by any existing city and county or municipal utility district. The district shall also have and may exercise the right to condemn any existing works or improvements in said district or along streams flowing into said district now or hereafter used to control flood or storm waters, or to conserve such flood or storm waters or to protect any property in said district or along streams flowing into said district from damage from such flood or storm waters, and it is hereby declared that the use of the property, lands, rights-of-way, easements, or materials which may be condemned, taken or appropriated under the provision of this act is a public use subject to the regulation and control of the State in the manner prescribed by law, provided, however, that nothing in this act contained shall be deemed to authorize said district, or any person or persons to divert the waters of any river, creek, stream, irrigation system, canal or ditch, or the waters thereof or therein unless compensation therefor be first provided in the manner prescribed by law.~~

Nothing in this act contained shall be construed as in any
way affecting the plenary power of any existing city and
county or municipal utility district to provide for a water
supply for such city and county or municipal utility district,
or as affecting the absolute control of any properties of such
city and county or municipal utility district necessary for
such water supply and nothing herein contained shall be con-
strued as vesting any power of control over such properties
in such Alameda County Flood Control and Water Conserva-
tion District or in any officer thereof, or in any person referred
to in this act.

No action in eminent domain to acquire water rights outside
the boundaries of the County of Alameda shall be commenced
unless the board of supervisors of each affected county has
consented to such acquisition by resolution.

14. To plan, improve, operate, maintain, and keep in a
sanitary condition, a system of public parks, playgrounds,
beaches, swimming areas and other facilities for public rec-
reation, for the use and enjoyment of all inhabitants of the
district, as an incident to the carrying out of the projects of
the district and on land acquired or used for the flood control,
drainage and water conservation purposes of this act; to con-
struct, maintain, and operate any other amusement or recrea-
tional facilities on such lands, including picnic benches and
tables, bathhouses, golf courses, tennis courts, or other special
amusements and forms of recreation; to fix and collect reason-
able fees for the use by the public of any such special facilities,
services or equipment; and to adopt such rules and regulations
as in the discretion of the board are necessary to the orderly
operation and control of the use by the public of such lands
and facilities for recreational purposes; provided, however,
that the board shall not, for the purposes specified in this
subdivision, interfere with control or operation of any existing
public park, playground, beach, swimming area, parkway, rec-
reational ground, or other public property, owned or con-
trolled by any other district or municipality, except with the
consent of the governing body of such district or municipality,
and upon terms as may be mutually agreed upon between the
board and the governing body.

15. The powers hereinabove granted shall include the de-
sign, construction, or maintenance of any levees, seawalls,

16. To establish and maintain building setback lines along the banks of any river, creek, stream or other waterway, in any case where the board determines that such setback line is necessary for any of the following reasons:

- (a) To prevent impediment of the natural flow of water;
- (b) To protect life and property;
- (c) To prevent damage from flooding, bank caving, or erosion;
- (d) To prevent the pollution of waters.

Sec. 2. The object and purposes of this act are to provide, to the extent that the board of trustees of said district may deem expedient and/or economical, for the control and disposition of the storm and flood waters of said district and to that end the American river flood control district is hereby declared to be a body corporate and politic and as such shall have power:

- (a) To have perpetual succession.
- (b) To sue and be sued in the name of said district in all actions and proceedings in all courts and tribunals of competent jurisdiction.
- (c) To adopt a seal and alter it at pleasure.
- (d) To take by grant, purchase, gift, devise or lease; to hold, use, enjoy, sell, and/or contract to sell, lease, and/or dispose of real, personal, and/or mixed property of every kind within or without the district necessary, expedient or advantageous to the full exercise and economic enjoyment of its purposes.
- (e) To acquire or contract to acquire lands, rights of way, easements, privileges or property of every kind within or without the district, and construct, maintain and operate any and all works and improvements within or without the district necessary, convenient or proper to carry out any of the provisions, objects or purposes of this act, and to complete, extend, add to, repair, or otherwise improve any works or improvements acquired by it as herein authorized.
- (f) To ~~have and exercise the right of eminent domain, and in the manner provided by law for the condemnation of private property for public use by the state, any political subdivision or district thereof.~~
- (g) To construct, maintain, repair and operate all levees, bulkheads, walls of rock or other material, pumps, dams, channels, conduits, pipes, ditches, canals, reservoirs, tunnels, drains, poles, posts, wires, lamps, power plants, railroads, dredgers and all other auxiliary, incidental, necessary or convenient agencies, work or improvements that may be required to carry out, facilitate, repair, maintain and/or complete the same.

(Stats. 1951, Ch. 1617)(amended)

Sec. . Section 5 of the Contra Costa County Flood Control and
Water Conservation District Act (Chapter 1617 of the Statutes of 1951)
is amended to read:

Sec. 5. The district is hereby declared to be a body corporate and politic and as such shall have, in addition to the other powers vested in it by this act, the following powers:

1. To have perpetual succession.
2. To sue and be sued in the name of said district.
3. To adopt a seal.
4. To acquire by grant, purchase, lease, gift, devise, contract, ~~condemnation~~, construction, or otherwise, and to hold, use, enjoy, sell, let, and dispose of real and personal property of every kind, including lands, structures, buildings, rights of way, easements, and privileges, and to construct, maintain, alter and operate any and all works or improvements, within or without the district, necessary or proper to carry out any of the objects or purposes of this act and convenient to the full exercise of its powers, and to complete, extend, add to, alter, remove, repair or otherwise improve any works, or improvements, or property acquired by it as authorized by this act.
5. To store water in surface or underground reservoirs within or outside of the district for the common benefit of the district or of any zone or zones affected; to conserve and reclaim water for present and future use within the district; to appropriate and acquire water and water rights, and import water into the district and to conserve within or outside of the district, water for any purpose useful to the district; to commence, maintain, intervene in, defend or compromise, in the name of the district, or otherwise, and to assume the costs and expenses of, any action or proceeding involving or affecting the ownership or use of waters or water rights within or without the district, used or useful for any purpose of the district or of common benefit to any land situated therein, or involving the wasteful use of water therein; to commence, maintain, intervene in, defend and compromise and

to assume the cost and expenses of any and all actions and proceedings now or hereafter begun; to prevent interference with or diminution of, or to declare rights in the natural flow of any stream or surface or subterranean supply of waters used or useful for any purpose of the district or of common benefit to lands within the district or to its inhabitants; to prevent unlawful exportation of water from said district; to prevent contamination, pollution or otherwise rendering unfit for beneficial use the surface or subsurface water used or useful in said district, and to commence, maintain and defend actions and proceedings to prevent any such interference with the aforesaid waters as may endanger or damage the inhabitants, lands, or use of water in, or flowing into, the district; provided, however, that said district shall not have power to intervene or take part in, or to pay the costs or expenses of, actions or controversies between the owners of lands or water rights which do not affect the interest of the district.

6. To control the flood and storm waters of said district and the flood and storm waters of streams that have their sources outside of said district, but which streams and the flood waters thereof, flow into said district, and to conserve such waters for beneficial and useful purposes of said district by spreading, storing, retaining and causing to percolate into the soil within or without said district, or to save or conserve in any manner all or any of such waters and protect from damage from such flood or storm waters the watercourses, watersheds, harbors, public highways, life and property in said district, and the watercourses outside of the district of streams flowing into the district, and to prevent waste of water or diminution of the water supply in, or exportation of water from said district, and to obtain, retain and reclaim drainage, storm, flood and other waters for beneficial use in said district; provided, that nothing in this act contained shall authorize the carrying out of any plan of improvement, the purpose of which is, or the effect of which will be, to take water which flows in any watershed in said district and transport or sell same for use anywhere outside of the district when the water level of any gravel beds

Any such other political subdivision may, by written agreement with the district, provide for the use, or joint use, of property or facilities in which any such other political subdivision has an interest, or for the use, or joint use, of property or facilities in which said district has an interest.

7. To co-operate and to act in conjunction with the State of California or any of its engineers, officers, boards, commissions, departments, or agencies, the United States of America, or any federal department or agency, or with any public or private corporation, or with the County of Contra Costa or adjacent counties, in the construction of any work for the controlling of flood or storm waters of or flowing into said district, or for the protection of life or property therein, or for the purpose of conserving said waters for beneficial use within said district, or in any other works, acts, or purposes provided for herein, and to adopt and carry out any definite plan or system of work for any such purpose.

8. To carry on technical and other investigations of all kinds, make measurements, collect data and make analyses, studies, and inspections pertaining to water supply, water rights, control of floods and use of water, both within and without said district, and for such purposes said district shall have the right of access through its authorized representatives to all properties within said district. The word "condemnation" is deleted from subdivisions 4 and 9 to avoid any implication that the broad grant of condemnation authority under Section 7 is limited to the types of property enumerated in Section 6. Under Section 7, any type of property or right or interest therein may be taken by eminent domain. See Code Civ. Proc. §§ 1230.070, 1240.040. Sec. 8. Said district shall be and constitute a public corporation, and as such shall have the powers in this act enumerated, all powers necessarily or reasonably implied therefrom, and all powers necessarily or reasonably implied from the creation and existence of such district. Such powers shall include the following:

1. To have perpetual succession.
2. To sue and be sued in the name of said district in all actions and proceedings in all courts and tribunals of competent jurisdiction.
3. To have and exercise the power of eminent domain, either within or without the district, to take any property necessary to carry out any of the objects or purposes of this act .

4. To take by grant, purchase, gift, lease, devise or otherwise and to hold, use and enjoy real or personal property of every kind within or without the district necessary to or convenient for the full exercise of its powers.

5. To acquire lands, rights-of-way, easements, privileges and property of every kind and nature, to construct, maintain and operate any or all works or improvements within or without the district necessary or proper to carry out any of the objects or purposes of this act, and to complete, extend, add to, repair or otherwise improve any works or improvements acquired by it as herein authorized, or any works or improvements owned or constructed by the City of Fresno, the County of Fresno, Fresno Irrigation District, or any other public agency, or any two or more thereof, and used in whole or in part for flood control or storm drain purposes.

6. To levy or cause to be levied as herein provided taxes upon the taxable real property in said district for the purpose of providing funds for such district and for paying any obligations thereof.

7. To incur indebtedness and to issue notes, bonds or other evidence of such indebtedness in the manner herein provided.

8. necessary or proper for the performance of any agreement with any district of any kind, public or private corporation, association, firm or individual, or any number of them for the transfer or delivery to any such district, corporation, association, firm or individual of any water right or water pumped, stored, appropriated or otherwise acquired or secured, for the use of the Humboldt County Flood Control District, or for the purpose of exchanging the same for other water, water right or water supply in exchange for water, water right or water supply to be delivered to said district by the other party to said agreement; to co-operate with, and to act in conjunction with, the State of California, or any of its engineers, officers, boards, commissions, departments or agencies, or with the government of the United States, or any of its engineers, officers, boards, commissions, departments or agencies, or with any public or private corporation, in the construction of any work for the controlling of flood or storm waters of streams in or running into said district, or for the protection of life or property therein, or for the purpose of conserving said waters for beneficial use within said district, or in any other works, acts, or purposes provided for herein, and to adopt and carry out any definite plan or system of work for any such purpose.

10. To incur indebtedness and to issue bonds in the manner herein provided, including, but not limited to, the issuance of bonds on a district-wide or zone basis, the proceeds to be used for the works necessary to obtain, store, supply, and distribute water to the inhabitants of the district for any purposes herein authorized.

11. To cause taxes or assessments to be levied and collected for the purpose of paying any obligation of the district, and to carry out any of the purposes of this act, in the manner hereinafter provided.

12. To make contracts, and to employ labor, and to do all acts necessary for the full exercise of all powers vested in said district or any of the officers thereof, by this act.

Comment. The word "condemnation" is deleted from subdivisions 4 and 9 of Section 6 to avoid any implication that the broad grant of condemnation authority under Section 7 is limited to the types of property enumerated in Section 6. Under Section 7, any type of property or right or interest therein may be taken by eminent domain. See Code

Act (Chapter 939 of the Statutes of 1945) is amended to read:

SEC. 7. The district ~~shall have and may exercise the right of eminent domain, either within or without said district, and in the manner provided by law for the condemnation of private property for public use, to take any property necessary to carry out any of the objects or purposes of this act, whether such property be already devoted to any public use by any district or other public corporation, or agency, or otherwise, provided, however, that the district in exercising such power shall in addition to the damage for the taking, injury, or destruction of property, also pay the cost of removal or relocation of any structure, railways, mains, pipes, conduits, wires, cable, poles, of any public utility which is required to be moved to a new location, and provided further that notwithstanding any other provision of this act, or any other law, no property shall be taken unless it is taken upon a finding by a court of competent jurisdiction that the taking is for a more necessary public use than that to which it has already been appropriated. The district shall also have and may exercise the right to condemn any existing works or improvements in said district or along streams flowing into said district now or hereafter used to control flood or storm waters, or to conserve such flood or storm waters or to protect any property in said district or along streams flowing into said district from damage from such flood or storm waters, and it is hereby declared that the use of the property, lands, rights of way, easements, or materials which may be condemned, taken or appropriated under the provision of this act is a public use subject to the regulation and control of the State in the manner prescribed by law, provided, however, that nothing in this act contained shall be deemed to authorize said district, or any person or persons to divert the waters of any river, creek, stream, irrigation system, canal or ditch, from its channel, to the detriment of any person, or persons having any interest in such river, creek, stream, irrigation system, canal or ditch, or the waters thereof or therein, unless compensation therefor be first provided in the manner provided by law.~~

Sec. 5. The district is hereby declared to be a body corporate and politic and as such shall have, in addition to the other powers vested in it by this act, the following powers:

1. To have perpetual succession.
2. To sue and be sued in the name of said district.
3. To adopt a seal.
4. To acquire by grant, purchase, lease, gift, devise, contract, ~~condemnation~~, construction, or otherwise, and to hold, use, enjoy, sell, let, and dispose of real and personal property of every kind, including lands, structures, buildings, rights-of-way, easements, water and water rights, and privileges, and to construct, maintain, alter and operate any and all works or improvements, within or without the district, necessary or proper to carry out any of the objects or purposes of this act and convenient to the full exercise of its powers, and to complete, extend, add to, alter, remove, repair or otherwise improve any works, or improvements, or property acquired by it as authorized by this act.
5. To conserve all waters within said district, and to control the flood and storm waters of said district and the flood and storm waters of streams that have their sources outside of said district, but which streams and the flood waters thereof, flow into said district, and protect from damage from such flood or storm waters the watercourses, watersheds, harbors, public highways, life and property in said district, and the water courses outside of the district of streams flowing into the district, and to develop waters within or without said district for domestic, irrigation, industrial and recreational uses, and to construct works therefor, including works for the storage and delivery of water; provided further, that none of the provisions of this act shall preclude the exercise by any other political subdivision that may now or hereafter exist, wholly or in part, within the district from exercising its powers, although such

Any such other political subdivision may, by written agreement with the district, provide for the use, or joint use, of property or facilities in which any such other political subdivision has an interest, or for the use, or joint use, of property or facilities in which said district has an interest.

6. To co-operate and to act in conjunction with the federal government, the State of California, or any of their engineers, officers, boards, commissions, departments or agencies, or with any public or private corporation, or with the County of Lake or adjacent counties, or with any other agencies, in the construction of any work for the storage or delivery of all waters within or without the district for domestic, irrigation, industrial and recreational uses and for the conservation of waters within said district, for the controlling of flood or storm waters of or flowing into said district, or for the protection of life or property therein.

7. To carry on technical and other investigations of all kinds, make measurements, collect data and make analyses, studies, and inspections pertaining to the beneficial use of waters within or without the district, including domestic, irrigation, industrial and recreational uses and to the conservation of water and to the control of floods both within and without said district, and for such purposes said district shall have the right of access through its authorized representatives to all properties within said district. The district, through its authorized representatives may enter upon such lands and make examinations, surveys, and maps thereof.

8. To enter upon any land, to make surveys and locate the necessary works of improvement and the lines for channels, conduits, canals, pipelines, roadways and other rights-of-way; to acquire by purchase, lease, contract, ~~condemnation~~, gift, devise, or other legal means all lands and other property necessary or convenient for the construction, use, supply, maintenance, repair and improvement of said works, to enter into and do any acts necessary or proper for the performance of any agreement with the United States, or any state, county, district of any kind, public or private corporation, association, firm or individual, or any number of them for the joint acquisition, construction, leasing, ownership, disposition, use, management, maintenance, repair or operation of any rights, works or other property of a kind which might be lawfully acquired or owned by the district.

(m) To make and enter into contracts with the United States, the State of California, any political subdivision, county, municipality, district, agency or mandatory of the State of California or of the United States and any department, board, bureau or commission of the State of California or the United States, or any person, firm, association or corporation, jointly or severally, for the acquisition of property rights or the construction, maintenance and operation in whole or in part of any or all works and improvements provided in this act.

(n) To lease or rent to or from any of the parties named in subdivision (m) of this section any property or rights necessary, in the opinion of the board, to accomplish or carry out any of the work or improvement or the maintenance thereof and under such terms and conditions as may be agreed upon between the parties.

(o) To receive and accept any and all contributions in labor, material or money from any of the parties named in subdivision (m) of this section, to be applied to the work or improvement herein provided for.

(p) To construct, purchase, lease or otherwise acquire works, and to purchase, lease, appropriate, or otherwise acquire surface water and water rights, useful or necessary to make use of water for any of the purposes authorized by this act.

(q) To do any and every lawful act necessary to be done that sufficient water may be available for any present or future beneficial use or uses of lands or inhabitants within the district, including but not limited to, the acquisition, storage, and distribution for irrigation, domestic, fire protection, municipal, commercial, industrial, recreational and all other beneficial uses.

(r) To control flood and storm waters within the district and the flood and storm waters or streams outside the district, which flow into the district; to conserve such waters by storage in surface reservoirs, to divert and transport such waters for beneficial uses within the district; to release such waters from surface reservoirs to replenish and augment the supply of water in natural underground reservoirs and otherwise to

for the performance of any agreement with any district of any kind, public or private corporation, association, firm or individual, or any number of them for the transfer or delivery to any such district, corporation, association, firm or individual or any water right or water pumped, stored, appropriated or otherwise acquired or secured, for the use of the Lassen-Modoc County Flood Control and Water Conservation District, or for the purpose of exchanging the same for other water, water right or water supply in exchange for water, water right or water supply to be delivered to said district by the other party to said agreement.

(u) To co-operate and contract with the United States under the Federal Reclamation Act of June 17, 1902, and all acts amendatory thereof or supplementary thereto or any other act of Congress heretofore or hereafter enacted permitting co-operation or contract for the purposes of construction of works, whether for irrigation, drainage, or flood control, or for the acquisition, purchase, extension, operation or maintenance of such works, or for a water supply for any purpose, or for the assumption as principal or guarantor of indebtedness to the United States, or for carrying out any of the purposes of the district, and to carry out and perform the terms of any contract so made; and for said purposes the district shall have in addition to the powers specifically set forth in this act, all powers, rights and privileges possessed by irrigation districts as set out in Chapter 2 (commencing at Section 23175) of Part 6 of Division 11 of the Water Code, not inconsistent with the provisions of this act.

(v) To construct, operate, and maintain works to develop hydroelectric energy as a means of assisting in financing the construction, operation and maintenance of works for other beneficial uses and purposes, and to enter into contracts for the sale of such energy for a term not to exceed 50 years. Such energy may be marketed only at wholesale rates to any public agency or private entity engaged in the sale or use of electric energy.

(w) Nothing herein contained shall be deemed to permit the district or its board of directors to acquire or interfere in existing water rights and water uses and facilities for distribution of the same on an involuntary basis, but nothing herein shall be deemed to prohibit negotiating and acquisition of existing rights, uses, and privileges in water by negotiation.

Los Angeles County Flood Control Act, § 2 (Stats. 1915, Ch. 755)(amended)

Sec. . Section 2 of the Los Angeles County Flood Control
Act (Chapter 755 of the Statutes of 1915) is amended to read:

Sec. 2. The objects and purposes of this act are to provide for the control and conservation of the flood, storm and other waste waters of said district, and to conserve such waters for beneficial and useful purposes by spreading, storing, retaining or causing to percolate into the soil within said district, or to save or conserve in any manner, all or any of such waters, and to protect from damage from such flood or storm waters, the harbors, waterways, public highways and property in said district.

Said Los Angeles County Flood Control District is hereby declared to be a body corporate and politic, and as such shall have power:

1. To have perpetual succession.
2. To sue and be sued in the name of said district in all actions and proceedings in all courts and tribunals of competent jurisdiction.
3. To adopt a seal and alter it at pleasure.
4. To take by grant, purchase, gift, devise or lease, hold, use, enjoy, and to lease or dispose of real or personal property of every kind within or without the district necessary to the full exercise of its power.
5. To acquire or contract to acquire lands, rights-of-way, easements, privileges and property of every kind, and construct, maintain and operate any and all works or improvements within or without the district necessary or proper to carry out any of the objects or purposes of this act, and to complete, extend, add to, repair or otherwise improve any works or improvements acquired by it as herein authorized. Construction or improvement of existing facilities may involve landscaping and other aesthetic treatment in order that the facility will be compatible with existing or planned development in the area of improvement.
6. To have and exercise the right of eminent domain, ~~and in the manner provided by law for the condemnation of private property for public use, to take any property necessary to carry out any of the objects or purposes of this act, whether such property be already devoted to the same use by any district or other public corporation or agency or otherwise, and may condemn any existing works or improvements in said district now used to control flood or storm waters, or to conserve such flood or storm waters, or to protect any property in said district from damage from such flood or storm waters.~~
7. To incur indebtedness, and to issue bonds in the manner herein provided.

7a. In addition to the powers given in the next preceding subsection, to borrow money from the United States of America, any agency or department thereof, or from any nonprofit corporation, organized under the laws of this state, to which the Reconstruction Finance Corporation, a corporation organized and existing under and by virtue of an act of Congress, entitled "Reconstruction Finance Corporation

Act," or other agency, or department, of the United States government, has authorized, or shall hereafter authorize, a loan to enable such nonprofit corporation to lend money to said Los Angeles County Flood Control District, for any flood control work authorized under this act, and to repay the same, in annual installments, over a period of not to exceed twenty (20) years, with interest at a rate of not to exceed four and one-fourth per centum (4¼%) per annum, payable semiannually, and, without the necessity of an election when authorized by resolution of the board of supervisors, as evidences of such indebtedness, said district is hereby authorized to execute and deliver a note, or a series of notes, or bonds, or other evidences of indebtedness, signed by the chairman of the board of supervisors of said district, which notes, bonds, or other evidences of indebtedness, shall be negotiable instruments if so declared in said resolution of the board of supervisors providing for their issuance, and said notes, bonds, or other evidences of indebtedness, may have interest coupons attached to evidence interest payments, signed by the facsimile signature of said chairman of said board. All applications for such loans shall specify the particular flood control work or projects for which the funds will be expended, and when received, the money shall be deposited in a special fund, and shall be expended for those purposes only which are described and referred to in the applications. If a surplus remains after the completion of said work, such surplus shall be applied to the payment of the note, notes, bonds, or other evidences of indebtedness, executed as aforesaid, for the loan including interest coupons. The board of supervisors shall annually, levy a tax upon the taxable real property of said district, clearly sufficient to pay the interest and installments of principal, as the same shall become due and payable, under any loan made pursuant to the authority of this section, and to create and maintain a reserve fund to assure the prompt payment thereof, as may be provided by said resolution of the board of supervisors; provided, however, that the amount of taxes levied in any year, pursuant to the provisions of this subsection, shall, pro tanto, reduce the authority of the board of supervisors, during any such year, to levy taxes under Section 14 of this act, but this proviso shall not be a limitation upon the power and duty to levy and collect taxes under this subsection.

Notwithstanding anything in this subsection 7a to the contrary, the total amount which said district may borrow under the authority of any or all of the provisions of this subsection is limited to and shall not exceed in the aggregate the sum of four million five hundred thousand dollars (\$4,500,000).

7b. The power granted in the next preceding subsection is hereby extended to authorize the issuance and sale of bonds or other evidences of indebtedness of said district to the County of Los Angeles and the purchase thereof by said county in accordance with "An act authorizing the investment and reinvestment and disposition of any surplus moneys in the treasury of any county, city and county, incorporated city or town or municipal utility district or flood control district," approved April 23, 1913, as amended; all subject to the provisions and limitations of the next preceding subsection relative to the disposition and use of funds, interest rate, period of repayment, tax rate and mode of issuance. The total amount of bonds or other evidence of indebtedness, in the aggregate, which the district may issue and sell under the authority of subsection 7a and of this subsection is limited to and shall not exceed four million five hundred thousand dollars (\$4,500,000).

8. To cause taxes to be levied and collected for the purpose of paying any obligation of the district in the manner hereinafter provided.

9. To make contracts, and to employ for temporary services only, expert appraisers, consultants and technical advisers, and to do all acts necessary for the full exercise of all powers vested in said district, or any of the officers thereof, by this act.

10. To grant or otherwise convey to counties, cities and counties, cities or towns easements for street and highway purposes, over, along, upon, in, through, across or under any real property owned by said Los Angeles County Flood Control District.

11. To remove, carry away and dispose of any rubbish, trash, debris or other inconvenient matter that may be dislodged, transported, conveyed or carried by means of, through, in, or along the works and structures operated or maintained hereunder and deposited upon the property of said district or elsewhere.

12. To pay premiums on bonds of contractors required under any contract where-in the amount payable to the contractor exceeds five million dollars (\$5,000,000); provided, that the specifications in such cases shall specifically so provide and state that the bidder shall not include in his bids the cost of furnishing the required bonds.

13. To lease, sell or dispose of any property (or any interest therein) whenever in the judgment of said board of supervisors said property, or any interest therein or part thereof, is no longer required for the purposes of said district, or may be leased for any purpose without interfering with the use of the same for the purposes of said district, and to pay any compensation received therefor into the general fund of said district and use the same for the purposes of this act; provided, however, that nothing herein shall authorize the board of supervisors or other governing body of the district or any officer thereof to sell, lease or otherwise dispose of any water, water right, reservoir space or storage capacity or any interest or space therein except to public agencies for recreational purposes when such use is not inconsistent with the use thereof by the district for flood control and water conservation purposes; or except as hereinafter provided by Section 17 of this act; provided, however, that said district may grant and convey to the United States of America, or to any federal agency authorized to accept and pay for such land or interests in land, all lands and interests in land, now owned or hereafter acquired, lying within any channel, dam or reservoir site, improved or constructed, in whole or in part, with federal funds, upon payment to the district of sums equivalent to actual expenditures made by it in acquiring the lands and interests in land so conveyed and deemed reasonable by the Secretary of War and the Chief of Engineers.

14. To provide, by agreement with other public agencies or private persons or entities or otherwise, for the recreational use of the lands, facilities, and works of such district which shall not interfere, or be inconsistent, with the primary use and purpose of such lands, facilities, and works by such district.

15. In addition to its other powers, the district shall have the power to preserve and enhance its properties and, upon a finding by the board of supervisors that the acquisition is necessary for such purposes, to acquire, preserve, and enhance lands or interests in lands contiguous to its properties, for the protection and preservation of the scenic beauty and natural environment for such properties or such lands.

Act (Chapter 755 of the Statutes of 1915) is amended to read:

Sec. 16. The said board of supervisors of said district shall have power to make and enforce all needful rules and regulations for the administration and government of said district, and to perform all other acts necessary or proper to accomplish the purposes of this act.

Said board of supervisors shall have power to do all work and to construct and acquire all improvements necessary or useful for carrying out any of the purposes of this act; and said board of supervisors shall have power to acquire either within or without the boundaries of said district, by purchase, ~~condemnation~~, donation or by other lawful means in the name of said district, from private persons, corporations, reclamation districts, swamp land districts, levee districts, protection districts, drainage districts, irrigation districts, or other public corporations or agencies or districts, all lands, rights of way, easements, property or materials necessary or useful for carrying out any of the purposes of this act; to make contracts to indemnify or compensate any owner of land or other property for any injury or damage necessarily caused by the exercise of the powers conferred by this act, or arising out of the use, taking or damage of any property, rights of way or easements, for any of such purposes; to compensate any reclamation district, protection district, drainage district, irrigation district or other district, public corporation or agency or district, for any right of way, easement or property taken over or acquired by said Los Angeles County Flood Control District as a part of its work of flood control or conservation or protection provided for in this act, and any such reclamation district, protection district, drainage district, irrigation district or other district or public corporation or agency is hereby given power and authority to distribute such compensation in any manner that may be now or hereafter allowed by law; to maintain actions to restrain the doing of any act or thing that may be injurious to carrying out any of the purposes of this act by said district, or that may interfere with the successful execution of said work, or for damages for injury thereto; to do any and all things necessary or incident to the powers hereby granted, or to carry out any of the objects and purposes of this act; to require, by appropriate legal proceedings, the

4. To acquire by grant, purchase, lease, gift, devise, contract, ~~condemnation~~, construction, or otherwise, and to hold, use, enjoy, sell, let and dispose of real and personal property of every kind, including lands, structures, buildings, rights-of-way, easements and privileges, and to construct, maintain, alter and operate any and all works or improvements, within or without the district, necessary or proper to carry out any of the objects or purposes of this act and convenient to the full exercise of its powers, and to complete, extend, add to, alter, remove, repair or otherwise improve any works, or improvements, or property acquired by it as authorized by this act. Construction or improvement of existing facilities may involve landscaping and other aesthetic treatment in order that the facility will be compatible with existing or planned development in the area of improvement.
5. To store water in surface or underground reservoirs within or outside of the district for the common benefit of the district or of any zone or zones affected; to conserve and reclaim water for present and future use within the district; to appropriate and acquire water and water rights, and import water into the district and to conserve within or outside of the district, water for any purpose useful to the district; to commence, maintain, intervene in, defend or compromise, in the name of the district, or otherwise, and to assume the costs and

expenses of, any action or proceeding involving or affecting the ownership or use of waters or water rights within or without the district, used or useful for any purpose of the district or of common benefit to any land situated therein, or involving the wasteful use of water therein; to commence, maintain, intervene in, defend and compromise and to assume the cost and expenses of any and all actions and proceedings now or hereafter begun; to prevent interference with or diminution of, or to declare rights in the natural flow of any stream or surface or subterranean supply of waters used or useful for any purpose of the district or of common benefit to the lands within the district or to its inhabitants; to prevent unlawful exportation of water from said district; to prevent contamination, pollution or otherwise rendering unfit for beneficial use the surface or subsurface water used or useful in said district, and to commence, maintain and defend actions and proceedings to prevent any such interference with the aforesaid waters as may endanger or damage the inhabitants, lands, or use of water in, or flowing into, the district; provided, however, that said district shall not have power to intervene or take part in, or to pay the costs or expenses of, actions or controversies between the owners of lands or water rights which do not affect the interest of the district.

6. To control the flood and storm waters of said district and the flood and storm waters of streams that have their sources outside of said district, but which streams and the flood waters thereof, flow into said district, and to conserve such waters for beneficial and useful purposes of said district by spreading, storing, retaining and causing to percolate into the soil within or without said district, or to save or conserve in any manner all or any of such waters and protect from damage from such flood or storm waters the watercourses, watersheds, harbors, public highways, life and property in said district, and the watercourses outside of the district of streams flowing into the district, and to prevent waste of water or diminution of the water supply in, or exportation of water from said district, and to obtain, retain and reclaim drainage, storm, flood and other waters for beneficial use in said district; provided, that nothing in this act contained shall authorize the carrying out of any plan of improvement, the purpose of which is, or the effect of which will be to take water which flows in any watershed in said district and transport or sell same for use anywhere outside of the district when the water level of any gravel beds within the district is below the normal level and such water could reasonably be used to replenish the water level of said gravel beds; provided further, that none of the provisions of this act shall preclude the exercise by any other political subdivision that may now or hereafter exist, wholly or in part, within the district from exercising its powers, al-

though such powers may be of the same nature as the powers of said district. Any such other political subdivision may, by written agreement with the district, provide for the use, or joint use, of property or facilities in which any such other political subdivision has an interest, or for the use, or joint use, of property or facilities in which said district has an interest.

7. To cooperate and to act in conjunction with the State of California, or any of its engineers, officers, boards, commissions, departments or agencies or with the government of the United States, or with any municipality, public district or other public or private corporation or with the County of Marin, in the construction of any work for the controlling of flood or storm waters of or flowing into said district, or for the protection of life or property therein, or for the purpose of conserving said waters for beneficial use within said district, or in any other works, acts, or purposes provided for herein, and to adopt and carry out any definite plan or system of work for any such purpose.

8. To carry on technical and other investigations of all kinds, make measurements, collect data and make analyses, studies, and inspections pertaining to water supply, water rights, control of floods and use of water, both within and without said district, and for such purposes said district shall have the right of access through its authorized representatives to all properties within said district. The district, through its authorized representatives may enter upon such lands and make examinations, surveys, and maps thereof.

9. To enter upon any land, to make surveys and locate the necessary works of improvement and the lines for channels, conduits, canals, pipelines, roadways and other rights-of-way; to acquire by purchase, lease, contract, ~~condemnation~~, gift, devise, or other legal means all lands and water and water rights and other property necessary or convenient for the construction, use, supply, maintenance, repair and improvement of said works, including works constructed and being constructed by private owners, lands for reservoirs for storage of necessary water, and all necessary appurtenances, and also where necessary or convenient to said end, and for said purposes and uses to acquire and to hold, the capital stock of any mutual water company or corporation, domestic or foreign, owning water or water rights, canals, waterworks, franchises, concessions, or rights, when the ownership of such stock is necessary to secure a water supply required by the district or any part thereof, upon the condition that when holding such stock, the district shall be entitled to all the rights, powers and privileges, and shall be subject to all the obligations and liabilities conferred or imposed by law upon other holders of such stock in the same company; to enter into and do any acts

necessary or proper for the performance of any agreement with the United States, or any state, county, district of any kind, public or private corporation, association, firm or individual or any number of them, for the joint acquisition, construction, leasing, ownership, disposition, use, management, maintenance, repair or operation of any rights, works or other property of a kind which might be lawfully acquired or owned, by said Marin County Flood Control and Water Conservation District; to acquire the right to store water in any reservoirs, or to carry water through any canal, ditch or conduit not owned or controlled by the district; to grant to any owner or lessee the right to the use of any water or right to store such water in any reservoir of the district, or to carry such water through any tunnels, canal, ditch, or conduit of the district; to enter into and do any acts necessary or proper for the performance of any agreement with any district of any kind, public or private corporation, association, firm or individual, or any number of them for the transfer or delivery to any such district, corporation, association, firm or individual, of any water right or water pumped, stored, appropriated or otherwise acquired or secured, for the use of the Marin County Flood Control and Water Conservation District, or for the purpose of exchanging the same for other water, water right or water supply in exchange for water, water right or water supply to be delivered to said district by the other party to said agreement.

10. To incur indebtedness and to issue bonds in the manner herein provided.

11. To cause taxes or assessments to be levied and collected for the purpose of paying any obligation of the district, and to carry out any of the purposes of this act, in the manner hereinafter provided.

12. To make contracts, and to employ labor, and to do all acts necessary for the full exercise of all powers vested in said district or any of the officers thereof by this act.

13. To exercise the right of eminent domain, within or without said district, ~~and in the manner provided by law for the condemnation of private property for public use, to take any property necessary to carry out any of the objects or purposes of this act, whether such property be already devoted to any public use by any district or other public corporation, or agency, or otherwise; provided, however, that the district in exercising such power shall in addition to the damage for the taking, injury, or destruction of property, also pay the cost of removal, reconstruction or relocation of any structure, railways, mains, pipes, conduits, wires, cable, poles, of any public utility which is required to be moved to a new location, and provided further, that notwithstanding any other provi-~~

14. To provide, by agreement with other public agencies or private persons or entities or otherwise, for the recreational use of the lands, facilities, and works of such district which shall not interfere, or be inconsistent, with the primary use and purpose of such lands, facilities, and works by such district.

15. In addition to its other powers, the district shall have the power to preserve and enhance its properties and, upon a finding by the board of supervisors that the acquisition is necessary for such purposes, to acquire, preserve, and enhance lands or interests in lands within the County of Marin contiguous to its properties, for the protection and preservation of the scenic beauty and natural environment for such properties or such lands.

Comment. The deleted portions of Section 5 are superseded by provisions of the Eminent Domain Law. See Code Civ. Proc. §§ 1235.010 (uniform procedure), 1240.610 et seq. (Stats. 1949, Ch. 995)(amended)

Sec. . Section 3 of the Mendocino County Flood Control and
Water Conservation District Act (Chapter 995 of the Statutes of 1949)
is amended to read:

SEC. 3. The objects and purposes of this act are to provide, to the extent that the board may deem expedient or economical, for the control and disposition of the storm and flood waters of said district and to that end the district is hereby created to be a body corporate and politic and as such shall have power:

- (a) To have perpetual succession.
- (b) To sue and be sued in the name of the district in all actions and proceedings in all courts and tribunals of competent jurisdiction.
- (c) To adopt a seal and alter it at pleasure.
- (d) To take by grant, purchase, gift, devise or lease; to hold, use, enjoy, sell, and contract to sell, lease, or dispose of real, personal and mixed property of every kind within or without the district necessary, expedient or advantageous to the full exercise and economic enjoyment of its purposes.
- (e) To acquire and contract to acquire by purchase, ~~condemnation~~, donation or other lawful means in the name of the district from private persons, public and private corporations, associations, agencies or districts, lands, rights of way, easements, privileges, material, and property of every kind within or without the district, to do all work and to acquire, construct, maintain and operate any and all works and improvements within or without the district, and to make, execute, carry out and enforce all contracts of every character, necessary, convenient, incidental, useful or proper to carry out any of the provisions, objects or purposes of this act, and to complete, extend, add to, repair, or otherwise improve any works or improvements acquired by it as herein authorized.

(f) ~~To have and exercise the right of eminent domain, and in the manner provided by law for the condemnation of private property for public use by the State, any political subdivision or district thereof.~~ either within or without the district, to take any property necessary to carry out any of the objects or purposes of this act.

(g) To compel by injunction or other lawful means the owner or owners of any bridge, trestle, wire line, viaduct, embankment or other structure which shall be intersected, traversed, or crossed by any channel, ditch, bed of any stream, waterway, conduit or canal so to construct or alter the same as to offer a minimum of obstruction to the free flow of water through or along any such channel, ditch, bed of any stream, waterway, conduit or canal, and whenever necessary in the case of existing works or structures, to compel the removal or alteration thereof for such purpose or purposes. All costs of relocating or otherwise changing any portion of a state highway shall be paid from funds available for rights of way for flood control purposes and not from funds appropriated for state highway purposes.

(h) To construct, maintain, repair and operate all levees, bulkheads, walls of rock or other material, pumps, dams, channels, conduits, pipes, ditches, canals, reservoirs, tunnels, drains, poles, posts, wires, lamps, power plants, railroads, dredgers and all other auxiliary, incidental, necessary or convenient agencies, work or improvements that may be required to carry out, facilitate, repair, maintain and complete the same.

(i) To incur indebtedness, and to issue bonds in the manner herein provided and to provide for the issuance of warrants of the district in payment of district obligations and the registration of any warrants not paid for want of funds and the rate of interest such warrants shall bear after registration and until such payment.

(j) To cause assessments to be levied and collected for the purpose of paying any obligations of the district in the manner hereinafter provided.

(k) To appoint and employ such engineers, attorneys, assistants and other employees as may be necessary and fix their compensation, including, if it deem advisable, a clerk, superintendent of work, assessor, treasurer and collector and define their powers and duties, and fix and determine the amount of bond required of each appointee and pay the premium on each such bond; which said officers and employees and each of them shall serve at the pleasure of the board.

The board shall have the power to combine any two or more offices in its discretion.

(l) To establish and fix the boundaries of zones in the district as provided in this act; to make transfers of money from the general fund of the district to any special fund and to create and administer such special funds as in their discretion may seem advisable, and to abolish same; to create and administer revolving funds to facilitate and assist in the carrying on and completing of such acquisitions, works, and improvements provided for herein, and to abolish same; and to do any and all things necessary or incidental to the accomplishment of the things which are permitted to be done under this act.

(m) To make and enter into contracts with the United States, the State of California, any political subdivision, county, municipality, district, agency or mandatory of the State of California or of the United States and any department, board, bureau or commission of the State of California or the United States, or any person, firm, association or corporation, jointly or severally, for the acquisition of property or rights or the construction, maintenance and operation in whole or in part of any or all works and improvements provided in this act.

Mendocino County Flood Control and
Water Conservation District Act, § 3
(Stats. 1949, Ch. 995)

(n) To lease or rent to or from any of the parties named in subdivision (m) of this section any property or rights necessary, in the opinion of the board, to accomplish or carry out any of the work or improvement or the maintenance thereof herein provided and under such terms and conditions as may be agreed upon between the parties.

(o) To receive and accept any and all contributions in labor, material or money from any of the parties named in subdivision (m) of this section, to be applied to the work or improvement herein provided for.

(p) To construct, purchase, lease or otherwise acquire works, and to purchase, lease, appropriate, or otherwise acquire surface waters and water rights, useful or necessary to make use of water for any purposes authorized by this act.

(q) To control flood and storm waters within the district and the flood and storm waters of streams outside of the district, which flow into the district; to conserve such waters by storage in surface reservoirs, to divert and transport such waters for beneficial uses within the district; to release such waters from surface reservoirs to replenish and augment the supply of waters in natural underground reservoirs and otherwise to reduce the waste of water and to protect life and property from floods within the district; and to do any and every lawful act necessary to be done that sufficient water may be available for any present or future beneficial use or uses of the lands or inhabitants within the district, including, but not limited to, irrigation, domestic, fire protection, municipal, commercial, industrial, and all other beneficial uses.

(r) To cooperate and contract with the United States under the Federal Reclamation Act of June 17, 1902 and all acts amendatory thereof or supplementary thereto or any other act of Congress heretofore or hereafter enacted permitting cooperation or contract for the purposes of construction of works, whether for irrigation, drainage, or flood control, or for the acquisition, purchase, extension, operation or maintenance of such works, or for a water supply for any purposes, or for the assumption as principal or guarantor of indebtedness to the United States, or for carrying out any of the purposes of the district, and to carry out and perform the terms of any contract so made; and for said purposes the district shall have in addition to the powers specifically set forth in this act, all powers, rights and privileges possessed by irrigation districts as set out in Chapter 2 of Part 6 of Division 11 of the Water Code, not inconsistent with the provisions of this act.

Comment. The deleted portion of Section 3 is superseded by the Eminent Domain Law. See Code Civ. Proc. §§ 1235.010 (uniform procedure), 1240.010

(declaration that use is public use unnecessary). Consistent with subdivision (e), subdivision (f) authorizes extraterritorial condemnation. The word "condemnation" is deleted from subdivision (e) to avoid any implication that the broad grant of condemnation authority under subdivision (f) is limited to the types of property enumerated in subdivision (e). Under subdivision (f), any type of property or right or interest therein may be taken by eminent domain. See Code Civ. Proc. §§ 1230.070, 1240.040. Also, the enumeration of specific types of property in subdivision (e) does not limit the right to acquire other types of property by purchase or other means. Code Civ. Proc. § 1235.020.

Sec. . . Section 5 of the Monterey County Flood Control and
Water Conservation District Act (Chapter 699 of the Statutes of
1947) is amended to read:

Sec. 5. The district is hereby declared to be a body corporate and politic and as such shall have, in addition to the other powers vested in it by this act, the following powers:

1. To have perpetual succession.
2. To sue and be sued in the name of said district in all actions and proceedings in all courts and tribunals of competent jurisdiction.
3. To adopt a seal and alter it at pleasure.
4. To acquire by grant, purchase, lease, gift, devise, contract, condemnation, construction, or otherwise, and to hold, use, enjoy, sell, let, and dispose of real and personal property of every kind, including lands, structures, buildings, rights-of-way, easements, and privileges, and to construct, maintain, alter and operate any and all works or improvements, within or without the district, necessary or proper to carry out any of the objects or purposes of this act and convenient to the full exercise of its powers, and to complete, extend, add to, alter, remove, repair or otherwise improve any works, or improvements, or property acquired by it as authorized by this act.
5. To store water in surface or underground reservoirs within or outside of the district for the common benefit of the district or of any zone or zones affected; to conserve and reclaim water for present and future use within the district; to appropriate and acquire water and water rights, and import water into the district and to conserve within or outside of the district, water for any purpose useful to the district; to commence, maintain, intervene in, defend or compromise, in the name of the district in behalf of the landowners therein, or otherwise, and to assume the costs and expenses of any action or proceeding involving or affecting the ownership or use of waters or water rights within or without the district, used or useful for any purpose of the district or of common benefit to any land situated therein, or involving the wasteful use of water therein; to commence, maintain, intervene in, defend and compromise and to assume the cost and expenses of any and all actions and proceedings now or hereafter begun;

Control and Water Conservation District, or for the purpose of exchanging the same for other water, water right or water supply in exchange for water, water right or water supply to be delivered to said district by the other party to said agreement; to cooperate with, and to act in conjunction with, the State of California, or any of its engineers, officers, boards, commissions, departments or agencies, or with the government of the United States, or any of its engineers, officers, boards, commissions, departments or agencies, or with any public or private corporation, in the construction of any work for controlling flood or storm waters of streams in or running into said district, or for the protection of life or property therein, or for the purpose of conserving said waters for beneficial use within said district, or in any other works, acts, or purposes provided for herein, and to adopt and carry out any definite plan or system of work for any such purpose.

10. To incur indebtedness and to issue bonds in the manner herein provided.

11. To cause taxes or assessments to be levied and collected for the purpose of paying any obligation of the district, and to carry out any of the purposes of this act, in the manner hereinafter provided.

12. To make contracts, and to employ labor, and to do all acts necessary for the full exercise of all powers vested in said district or any of the officers thereof, by this act.

13. To buy, provide, sell and deliver water.

14. To exchange water.

15. To distribute water to persons in exchange for ceasing or reducing ground water extractions.

16. To transport, reclaim, purify, treat or otherwise manage and control water for the beneficial use of persons or property within the district.

17. To construct, maintain, improve, and operate public recreational facilities appurtenant to any water reservoir operated or contracted to be operated by the district whether within or without the district, subject to the limitations as to eminent domain use for recreational purposes outside the district set forth in Section 4, and to provide by ordinance regulations binding upon all persons to govern the use of such facilities including regulations imposing reasonable charges for the use thereof.

18. To regulate, inspect, and license all structures, including docks and wharves, or structures used as docks or wharves, and their anchorage or mooring system, that float on or are designed to float on the surface of reservoirs operated or contracted to be operated by the district or that are located within the area subject to its flowage easement, or that are located on real property of the district, and to charge a reasonable fee for licensing such structures. Any of such structures

that are unlicensed more than 30 days after notice to license the structure has been posted thereon, or any unlicensed structure that is neither anchored or moored, or is found on property owned in fee by the district is a nuisance. The district may have injunctive relief for any of such nuisances, or may summarily abate any untended structure floating on the surface of such reservoir that is neither anchored or moored, or any untended structure found on property owned in fee by the district. It shall be unlawful and it is hereby declared to be a misdemeanor to maintain, anchor, or moor or suffer to be maintained, anchored, or moored on property of which one is possessed any unlicensed structure when such structure is required to be licensed pursuant to the provisions of this act. Such misdemeanor shall be punishable by a fine not to exceed five hundred dollars (\$500) or by imprisonment in the county jail for not to exceed six months, or by both such fine and imprisonment. Each day of violation of these provisions shall constitute a separate offense.

Comment. Subdivision 8 of Section 5 is conformed to the language used in other special district acts, the portion relating to proper location of improvements being eliminated because it is superseded by more general provisions of the Eminent Domain Law. See Code Civ. Proc. §§ 1240.030 (public necessity must be established), 1240.110 et seq. (resolution of necessity). See also Code Civ. Proc. § 1240.810 et seq. The word "condemnation" is deleted from subdivisions 4 and 9 to avoid any implication that the broad grant of condemnation authority under Section 6 is limited to the types of property enumerated in subdivisions 4 and 9.

Under Section 6, any type of property or right or interest therein may be taken by eminent domain. See Code Civ. Proc. §§ 1230.070, 1240.040. Also, the enumeration of specific types of property in subdivisions 4 and 9 does not limit the right to acquire other types of property by purchase or other means. Code Civ. Proc. § 1235.020.

of 1951) is amended to read:

Sec. 5. The district is hereby declared to be a body corporate and politic and as such shall have, in addition to the other powers vested in it by this act, the following powers:

1. To have perpetual succession.
2. To sue and be sued in the name of said district in all actions and proceedings in all courts and tribunals of competent jurisdiction.
3. To adopt a seal and alter it at pleasure.
4. To acquire by grant, purchase, lease, gift, devise, contract, ~~condemnation~~, construction, or otherwise, and to hold, use, enjoy, sell, let, and dispose of real and personal property of every kind, including lands, structures, buildings, rights-of-way, easements, and privileges, and to construct, maintain, alter and operate any and all works or improvements, within or without the district, necessary or proper to carry out any of the objects or purposes of this act and convenient to the full exercise of its powers, and to complete, extend, add to, alter, remove, repair or otherwise improve any works, or improvements, or property acquired by it as authorized by this act.
5. To store water in surface or underground reservoirs within or outside of the district for the common benefit of the district or of any zone or zones affected; to conserve and reclaim water for present and future use within the district; to appropriate and acquire water and water rights, and import water into the district and to conserve within or outside of the district, water for any purpose useful to the district; and to do any and every lawful act necessary to be done that sufficient water may be available for any present or future beneficial use or uses of the lands or inhabitants within the district, including but not limited to, the acquisition, storage and distribution of water for irrigation, domestic, fire protection, municipal, commercial, industrial, and all other beneficial uses; to distribute, sell, or otherwise dispose of, outside the

To remove, carry away and dispose of any rubbish, trash, debris or other inconvenient matter that may be dislodged, transported, conveyed or carried by means of, through, in, or along the works and structures operated or maintained here-under and deposited upon the property of said district or elsewhere.

12. To lease, sell or dispose of any property (or any interest therein) whenever in the judgment of said board of supervisors said property, or any interest therein or part thereof, is no longer required for the purposes of said district, or may be leased, or included in community leases embracing adjoining lands, for any purpose (including leases for mining or extracting oil, gas, hydrocarbon substances or other minerals) without interfering with the use of the same for the purposes of said district, and whenever it appears that wells drilled upon private lands are draining or may drain oil, gas or other hydrocarbon substances from lands owned by the district and operations for the production of oil, gas or other hydrocarbons on such land owned by the district might interfere with the use of such land for the purposes of said district, to enter into agreements with the owners or operators of such wells for the payment of compensation to the district for such drainage in lieu of drilling offset wells upon such land owned by the district, and to pay any compensation received therefor into the general fund of said district and use the same for the purposes of this act; provided, however, that nothing herein shall authorize the board of supervisors, or other governing body of the district, or any officer thereof, to sell, lease or otherwise dispose of any water, water right, reservoir space or storage capacity, or any interest or space therein, except as herein-after provided by Section 17 of this act; provided, however, that the district may grant to the United States of America,

The district, by and through its board of supervisors, is hereby authorized to warrant and guarantee the title of all lands so transferred to the United States under the provisions of this section.

13. To monitor, test, or inspect drainage, flood, storm, or other waters within the district for the purpose of recording, determining, and reporting the quality of such waters to appropriate regional water quality control boards.

14. To assist the County of Orange and any city within the county in emergency operations to control or mitigate the effect of tides, waves, and ocean currents on the Orange County shoreline.

Sec. . Section 16 of the Orange County Flood Control District
Act (Chapter 723 of the Statutes of 1927) is amended to read:

Sec. 16. The said board of supervisors of said district shall have power to make and enforce all needful rules and regulations for the administration and government of said district.

Said board of supervisors shall have power to do all work and to construct and acquire all improvements necessary or useful for carrying out any of the purposes of this act; and said board of supervisors shall have power to acquire either within or without the boundaries of said district, by purchase, ~~condemnation~~, donation or by other lawful means in the name of said district, from private persons, corporations, reclamation districts, swampland districts, protection districts, drainage districts, irrigation districts, or other public corporations or agencies or districts, all lands, rights-of-way, easements, property or materials necessary or useful for carrying out any of the purposes of this act; to make contracts to indemnify or compensate any owner of land or other property for any injury or damage necessarily caused by the exercise of the powers conferred by this act, or arising out of the use, taking or damage of any property, rights-of-way or easements, for any such purposes; to compensate any reclamation district, protection district, drainage district, irrigation district or other district, public corporation or agency or district, for any right-of-way, easement or property taken over or acquired by said Orange County Flood Control District as a part of its work of flood control or conservation or protection provided for in this act, and any such reclamation district, protection district, drainage district, irrigation district or other district or public corporation or agency is hereby given power

and authority to distribute such compensation in any manner that may be now or hereafter allowed by law; to maintain actions to restrain the doing of any act or thing that may be injurious to carrying out any of the purposes of this act by said district, or that may interfere with the successful execution of said work, or for damages for injury thereto; to do any and all things necessary or incident to the powers hereby granted, or to carry out any of the objects and purposes of this act; to compel by injunction the owner or owners of any bridge, trestle, wire line, viaduct, embankment or other structure which shall be intersected, traversed or crossed by any channel, ditch, bed of any stream, waterway, conduit or canal, so to construct or alter the same as to offer a minimum of obstruction to the free flow of water through or along any such channel, ditch, bed of any stream, waterway, conduit or canal, and whenever necessary in the case of existing works or structures, to compel the removal or alteration thereof for such purpose.

~~In case of condemnation proceedings, the said board of supervisors shall proceed in the name of said district, under the provisions of Title 7, Part 3, of the Code of Civil Procedure of the State of California, which such provisions are hereby made applicable for that purpose, and it is hereby declared that the use of the property, lands, rights-of-way, easements, or materials which may be condemned, taken or appropriated under the provision of this act is a public use subject to the regulation and control of the State in the manner prescribed by law, and said board of supervisors of said district is hereby vested with full power to do all other acts or things necessary or useful for the promotion of the work of the control of the flood and storm waters of said district, and to conserve such waters for beneficial and useful purposes, and to protect from damage from such storm or floodwaters the harbors, waterways, public highways and property in said district; provided, however, that nothing in this act contained shall be deemed to authorize said district, or any person or persons, to divert the waters of any river, creek, stream, irrigation system, canal or ditch, from its channel, to the detriment of any person or~~

Comment. The deleted portion of Section 16 is superseded by the Eminent Domain Law. See Code Civ. Proc. §§ 1235.010 (uniform procedure), 1240.010 (declaration that use is a public use is unnecessary), 1240.610 et seq. (more necessary public use). The word "condemnation" is deleted from the second paragraph of Section 16 to avoid any implication that the broad grant of condemnation authority under Section 2 is limited to the types of property enumerated in Section 16. Under Section 16, any type of property or right or interest therein may be taken by eminent domain. See Code Civ. Proc. §§ 1230.070, 1240.040. Also, the enumeration of specific types of property in Section 16 does not limit the right to acquire other types of property by purchase or other means. Code Civ. Proc. § 1235.020.

1959) is amended to read:

SEC. 3. The objects and purposes of this act are to provide,
to the extent that the board may deem expedient or economi-
cal, for the control and disposition of the storm, flood, and
other waters of said district and to that end the district is
hereby created to be a body corporate and politic and as such
shall have power:

- (a) To have perpetual succession.
- (b) To sue and be sued in the name of the district in all
actions and proceedings in all courts and tribunals of compe-
tent jurisdiction.
- (c) To adopt a seal and alter it at pleasure.
- (d) To take by grant, purchase, gift, devise or lease; to
hold, use, enjoy, sell, and contract to sell, lease, or dispose
of real, personal and mixed property of every kind within or
without the district necessary, expedient or advantageous to
the full exercise and economic enjoyment of its purposes.
- (e) To acquire and contract to acquire by purchase, dona-
tion or other lawful means in the name of the district from
private persons, public and private corporations, associations,
agencies or districts, lands, rights-of-way, easements, privi-
leges, material, and property of every kind within or without
the district, to do all work and to acquire, construct, maintain

force all contracts of every character, necessary, convenient,
incidental, useful or proper to carry out any of the provisions,
objects or purposes of this act, and to complete, extend, add
to, repair, or otherwise improve any works or improvements
acquired by it as herein authorized.

(f) ~~To have and exercise the right of eminent domain, and in the manner provided by law for the condemnation of private property for public use by the State, any political subdivision or district thereof. No action in eminent domain to acquire property or interests therein outside the boundaries of the County of Plumas shall be commenced unless the board of supervisors of each affected county has consented to such acquisition by resolution.~~

~~In condemnation proceedings, the district shall proceed under the provisions of Title 7 (commencing at Section 1237) of Part 3 of the Code of Civil Procedure, which said provisions are hereby made applicable for that purpose; and it is hereby declared that the use of the property, lands, rights-of-way, easements or materials which may be condemned, taken or appropriated under the provisions of this act is a public use, and the board is granted the same powers and rights with respect to the taking of property for public uses of said district as are now or may hereafter be conferred by general law on the legislative body of a county, city and county, incorporated city or town, municipal water district or irrigation or reclamation district; provided, however, that no property shall be taken unless it is taken upon a finding of a court of competent jurisdiction that the taking is for a more necessary public use than that to which it has already been appropriated.~~

(g) To compel by injunction or other lawful means the owner or owners of any bridge, trestle, wire line, viaduct, embankment or other structure which shall be intersected, traversed, or crossed by any channel, ditch, bed of any stream, waterway, conduit or canal so to construct or alter the same as to offer a minimum of obstruction to the free flow of water through or along such channel, ditch, bed of any stream, waterway, conduit or canal, and whenever necessary in the case of existing works or structures, to compel the removal or alteration thereof for such purpose or purposes. All costs of relocating or altering or otherwise changing existing works or structures shall be paid by the district; provided, however, that all costs of relocating or otherwise changing any portion of a state highway shall be paid for from funds available for rights-of-way for flood control purposes and not from funds appropriated for state highway purposes.

(h) To construct, maintain, repair and operate all levees, bulkheads, walls of rock or other material, pumps, dams, channels, conduits, pipes, ditches, canals, reservoirs, drains, tunnels, poles, posts, wires, lamps, power plants, railroads, dredgers and all other auxiliary, incidental, necessary or convenient agencies, work or improvements that may be required to carry out, facilitate, repair, maintain and complete the same.

(i) To incur indebtedness, and to issue bonds in the manner herein provided and to provide for the issuance of warrants of the district in payment of district obligations and the registration of any warrants not paid for want of funds and the rate of interest such warrants shall bear after registration and until such payment.

(j) To cause assessments to be levied and collected for the purpose of paying any obligations of the district in the manner hereinafter provided.

(k) To appoint and employ such engineers, attorneys, assistants and other employees as may be necessary and fix their compensation, including, if it deem advisable, a clerk, superintendent of work, assessor, treasurer and tax collector, and define their powers and duties, and fix and determine the amount of bond required of each employee and pay the premium on each such bond; which said officers and employees and each of them shall serve at the pleasure of the board.

The board shall have the power to combine any two or more offices in its discretion.

(l) To establish and fix the boundaries of zones in the district as provided in this act; to make transfers of money from the general fund of the district to any special fund and to create and administer such special funds as in their discretion may seem advisable, and to abolish the same; to create and administer revolving funds to facilitate and assist in the carrying on and completing of such acquisitions, works, and improvements provided for herein, and to abolish same; and to do any and all things necessary or incidental to the accomplishment of the things which are permitted to be done under this act.

(m) To make and enter into contracts with the United States, the State of California, any political subdivision, county, municipality, district, agency or mandatory of the State of California or of the United States and any department, board, bureau or commission of the State of California or the United States, or any person, firm, association or corporation, jointly or severally, for the acquisition of property rights or the construction, maintenance and operation in whole or in part of any or all works and improvements provided in this act.

(n) To lease or rent to or from any of the parties named in subdivision (m) of this section any property or rights necessary, in the opinion of the board, to accomplish or carry out any of the work or improvement or the maintenance thereof and under such terms and conditions as may be agreed upon between the parties.

(o) To receive and accept any and all contributions in labor, material or money from any of the parties named in subdivision (m) of this section, to be applied to the work or improvement herein provided for.

(p) To construct, purchase, lease or otherwise acquire works, and to purchase, lease, appropriate, or otherwise acquire surface water and water rights, useful or necessary to make use of water for any of the purposes authorized by this act.

(q) To do any and every lawful act necessary to be done that sufficient water may be available for any present or future beneficial use or uses of lands or inhabitants within the district, including but not limited to, the acquisition, storage, and distribution for irrigation, domestic, fire protection, municipal, commercial, industrial, recreational and all other beneficial uses.

(r) To control flood and storm waters within the district and the flood and storm waters or streams outside the district, which flow into the district; to conserve such waters by storage in surface reservoirs, to divert and transport such waters for beneficial uses within the district; to release such waters from surface reservoirs to replenish and augment the supply of water in natural underground reservoirs and otherwise to reduce the waste of water and to protect life and property from floods within the district; to commence, maintain, intervene in, defend or compromise, in the name of the district, on behalf of the landowners therein, or otherwise to assume the cost and expenses of any action or proceeding involving or affecting the ownership or use of waters or water rights within or without the district, used or useful for any purpose of the district or of the common benefit of any land situated therein, or involving the wasteful use of water therein; to commence, maintain, intervene in, defend and compromise and to assume the cost and expenses of any and all actions or proceedings now or hereafter begun; to prevent interference with or diminution of, or to declare the rights in natural flow of any stream or surface or subterranean supply of waters used or useful for any purpose of the district or of common benefit to the lands

powers vested in it by this act, the following powers:

1. To have perpetual succession.
2. To sue and be sued in the name of said district in all
actions and proceedings in all courts and tribunals of compe-
tent jurisdiction.
3. To adopt a seal and alter it at pleasure.
4. To acquire by grant, purchase, lease, gift, devise, con-

of the objects or purposes of this act and necessary to the full
exercise of its powers, and to complete, extend, add to, alter,
remove, repair or otherwise improve any works, or improve-
ments, or property acquired by it as authorized by this act.
5. To store water in surface or underground reservoirs,
within or outside of the district for the benefit of any zone or
zones of the district affected; to conserve and reclaim water
for present and future use within the district; to appropriate
and acquire water and water rights, and import water into the
district and to conserve within or outside of the district, water
for any purpose useful to the district; and to do any and
every lawful act necessary to be done that sufficient water may
be available for any present or future beneficial use or uses of
the lands or inhabitants within the district, including but not
limited to, the acquisition, storage and distribution of water
for irrigation, domestic, fire protection, municipal, commer-

Comment. Subdivision 8 of Section 6 is conformed to the language used in other special district acts, the portion relating to proper location of improvements being eliminated because it is superseded by more general provisions of the Eminent Domain Law. See Code Civ. Proc. §§ 1240.030 (public necessity must be established), 1240.110 et seq. (resolution of necessity). See also Code Civ. Proc. § 1240.810 et seq. (procedure for entry to locate improvement). The word "condemnation" is deleted from subdivisions 4 and 9 to avoid any implication that the broad grant of condemnation authority under Section 8 is limited to the types of property enumerated in those subdivisions. Under Section 8, any type of property or right or interest therein may be taken by eminent domain. See Code Civ. Proc. §§ 1230.070, 1240.040. Also, the enumeration of specific types of property in subdivisions 4 and 9 does not limit the right to acquire other types of property by purchase or other means. Code Civ. Proc. § 1235.020.

San Diego County Flood Control District Act, § 6 (Stats. 1966, 1st Ex.
Sess., Ch. 55)(amended)

Sec. . Section 6 of the San Diego County Flood Control
District Act (Chapter 55 of the Statutes of 1966, First Extra-
ordinary Session) is amended to read:

Sec. 6. The district is hereby declared to be a body corporate and politic and as such shall have, in addition to the other powers vested in it by this act, the following powers:

1. To have perpetual existence.
2. To sue and be sued in the name of the district.
3. To adopt a seal and alter it at pleasure.
4. To acquire by grant, purchase, lease, gift, devise, contract, ~~condemnation~~ or otherwise, and to hold, use, enjoy, sell, let, and dispose of real and personal property of every kind, including lands, structures, buildings, rights-of-way, easements, and privileges, excepting water rights owned by a public corporation or agency without the consent of such public corporation or agency, and to construct, maintain, alter and operate any and all projects or works of improvement, within or without the district, necessary or proper to carry out any of the objects or purposes of this act, or convenient to the full exercise of its powers, and to construct, complete, extend, add to, alter, remove, reconstruct, repair or otherwise improve any projects or works of improvement, or property acquired by it as authorized by this act.
5. To control the flood and storm waters of the district, and the flood and storm waters of streams that have their source outside of the district, but which streams and the flood waters thereof flow into the district, and to conserve such waters for beneficial and useful purposes within the district by retarding, spreading, storing, retaining and causing the same to percolate into the soil within or without the district, or to save and conserve in any manner all or any of such waters and protect from damage from such flood or storm waters the watercourses, watersheds, public highways, life and property in said district;

provided, that water rights now existing, public or private, be not thereby taken or damaged without compensation; provided further, that none of the provisions of this act shall in any manner limit or preclude the full exercise by any county, city, district, public or municipal authority, agency or corporation, or any political subdivision that may now or hereafter exist, wholly or in part, within the district from exercising any of its powers, although such be of the same nature as the powers of the district. Any such other public entity may, by written agreement with the district, provide for the use, or joint use, of property or facilities in which any such other public entity has an interest, or for the use, or joint use, of property or facilities in which the district has an interest.

6. To cooperate and to act in conjunction with or contribute funds to, the United States or the State of California, or any of their engineers, officers, boards, commissions, departments or agencies, or with any public or private corporation, or with the County of San Diego, or with any public agency or district, in the construction of any projects or works of improvement for the controlling of flood or storm waters of or flowing into the district, or for the protection of life or property therein, or for the purposes of conserving said waters for beneficial use within said district, or for the protection of beaches and shorelines from erosion, or for the restoration of beaches and shorelines, or in any other works, acts or purposes provided for herein, and to adopt and carry out any definite plan or system of projects or works of improvement for any such purpose; and to enter into, and to do any and all acts necessary or proper for the performance of, any agreement with, or necessary to comply with any act of authorization of, the United States, or any state, county or district of any kind, or necessary and proper for the performance of any agreement with any public or private corporation, association, firm or individual, or any number of them, for the joint financing, acquisition, construction, leasing, ownership, disposition, use, management, maintenance, repair or operation of any rights, projects or works of improvement, or other property of any kind which might be lawfully acquired or owned by the district.

7. To acquire the right to store water in any reservoirs, or to carry water through any canal, ditch or conduit not owned by the district, and to grant to any person the right to carry any water owned by such person through any tunnel, canal, ditch or conduit of the district; provided, that the district shall not acquire any such rights from a municipality or public water agency or district other than with the consent of such municipality or public water agency or district.

8. To carry on technical and other investigations of all kinds, make measurements, collect data, and to make analyses, studies, and inspections pertaining to water supply, water rights, ocean currents, tides, erosion, control of floods, and use of water, and to make surveys, studies, and maps and plans relative to the location of necessary projects and works of improvement including but not limited to dams, levees, channels, conduits, canals, pipelines, roadways and other rights-of-way, and relative to the acquisition of lands, or interests therein, and other property; provided, that the foregoing powers may be exercised by the district to the extent necessary to accomplish the purposes of this act; and further provided, that the district has the right of access, and may enter upon any lands within or without the district, ~~irrespective of the ownership of such lands, with or without the permission of the owner of such lands,~~ in order to accomplish the acts authorized by this section, or any of them, ~~and such entry by the district or by its authorized representative shall not constitute, nor give rise to, any cause of action in favor of the owner or owners of such land except for injuries resulting from negligence, wantonness, or malice.~~ (2)

Whenever a project or work of improvement is contemplated due consideration shall be given to the location of existing sewage lines and to the possible locations of future sewage lines, and the district shall solicit the recommendations of public sewage disposal agencies in order that district facilities may be located equitably in light of such sewage lines.

9. To incur indebtedness and to issue bonds in the manner hereinafter provided.

10. To cause taxes or assessments to be levied and collected for the purpose of paying any obligation of the district, and to carry out any of the purposes of this act, in the manner hereinafter provided.

section, or except, in the discretion of the board, as is necessarily incidental to the accomplishment of the purposes of this act or to the public welfare; provided, however, that the district may grant and convey to the United States, or to any federal agency authorized to accept and pay for such land or interests in land, all lands and interests in land, now owned or hereafter acquired, lying within any channel, dam, or reservoir site, or shoreline or beach, improved and constructed, in whole or in part, with federal funds, upon payment to the district of sums equivalent to actual expenditures made by it in acquiring the lands and interests in land so conveyed, and in improving such lands and interests in land, deemed reasonable in the discretion of the board.

16. To grant or otherwise convey to counties, cities and counties, cities, the State of California or the United States easements for street and highway purposes over, along, upon, in, through, across or under any real property owned by the district.

17. To remove, carry away and dispose of any rubbish, trash, debris, or other inconvenient matter that may be lodged, transported, conveyed, or carried by means of, through, in or along the works and structures operated or maintained hereunder and deposited upon the property of the district or elsewhere.

18. Notwithstanding any provision of this act, the district shall not have the power to compete with water selling or distribution agencies, either public or private, by selling or distributing water to consumers for domestic, agricultural or industrial use; provided, however, that the district shall have the power to sell to water agencies, either public or private, such surplus water as it may accumulate.

19. To establish by ordinance and maintain building setback lines along the banks of any river, creek, stream, or other

The landowner may submit an engineered alternative to the setback for approval by the board.

20. To do all acts necessary to participate in all programs authorized by the federal government whereby federal funds are granted to the district or any of its residents for purposes of health, education, welfare, public works, or community improvement, including, without limitation thereto, contracting and cooperating with the federal government, the state or its agencies, other local public agencies, and private persons and corporations, and to make any expenditure of district funds required for such participation.

(amended)

Sec. . . Section 3 of the San Mateo County Flood Control
District Act (Chapter 2108 of the Statutes of 1959) is amended
to read:

Sec. 3. The San Mateo County Flood Control District is hereby declared to be a body corporate and politic and as such shall have in addition to the other powers vested in it by this act, the following powers:

1. To have perpetual succession.
2. To adopt a seal and alter it at pleasure.
3. To sue and be sued in the name of said district in all actions and proceedings in all courts and tribunals of competent jurisdiction.
4. To acquire, by grant, purchase, gift, devise, lease, contract, ~~condemnation~~, construction or otherwise, lands, rights-of-way, easements, privileges and property of any kind, whether real, personal or mixed, and to construct, maintain and operate any and all works or improvements within or without the district necessary, convenient or proper to carry out any of the objects or purposes of this act, and to complete, extend, add to, repair or otherwise improve any works or improvements or property acquired by it as authorized by this act; to indemnify or compensate any owner of land or other property for any injury or damage caused by the exercise of the powers conferred by this act.
5. To hold, use, enjoy and to lease, sell, or otherwise dispose of real, personal or mixed property of every kind within or without the district necessary or convenient to the full exercise of its powers.
6. To incur indebtedness, and to issue bonds in the manner herein provided.

Santa Barbara County Flood Control and Water Conservation District Act,
§ 30 (Stats. 1955, Ch. 1057)(repealed)

Sec. . . Section 30 of the Santa Barbara County Flood
Control and Water Conservation District Act (Chapter 1057 of
the Statutes of 1955) is repealed.

~~Sec. 30. (a) If by any judgment in condemnation or
agreement the district shall be required to relocate any street,
road, highway, railroad, canal or other property subject or
devoted to public use, the board shall have power to acquire in
the name of the district, by agreement or condemnation, all
rights of way and other property necessary or proper for com-
pliance with said agreement or said judgment of condemnation
and thereafter to make such conveyance of such relocated
street, road, highway, railroad, canal or other property as may
be proper to comply with said agreement or judgment.~~

~~(b) In the event the district and any common carrier rail-
road or other public utility fail to agree as to the character or
location of new improvements or works sought to be performed
by the district, the character and location of such new im-
provement or works and any other controversy relating thereto
shall be submitted to and determined by the Public Utilities
Commission; and jurisdiction of such controversies is hereby
vested in said commission.~~

~~(c) Proceedings under this section relating to the jurisdic-
tion of said commission may be instituted, maintained, and de-
termined in the mode prescribed in Division 1, Part 1, Chapter

Sec. . Section 5 of the Santa Clara County Flood Control
and Water District Act (Chapter 1405 of the Statutes of 1951) is
amended to read:

SEC. 5. The district is hereby declared to be a body corporate and politic and as such shall have, in addition to the other powers vested in it by this act, the following powers:

1. To have perpetual succession.
2. To sue and be sued in the name of said district in all actions and proceedings in all courts and tribunals of competent jurisdiction.
3. To adopt a seal and alter it at pleasure.
4. To acquire by grant, purchase, lease, gift, devise, contract, ~~condemnation~~, construction, or otherwise, and to hold, use, enjoy, sell, let, and dispose of real and personal property of every kind, including lands, structures, buildings, rights-of-way, easements, and privileges, and to construct, maintain, alter and operate any and all works or improvements, within or without the district, necessary or proper to carry out any of the objects or purposes of this act and convenient to the full exercise of its powers, and to complete, extend, add to, alter, remove, repair or otherwise improve any works, or improvements, or property acquired by it as authorized by this act.
5. To store water in surface or underground reservoirs within or outside of the district for the common benefit of the district or of any zone or zones affected; to conserve and reclaim water for present and future use within the district; to appropriate and acquire water and water rights, and import water into the district and to conserve within or outside of the district, water for any purpose useful to the district; and to do any and every lawful act necessary to be done that sufficient water may be available for any present or future beneficial use or uses of the lands or inhabitants within the district, including but not limited to, the acquisition, storage and distribution of water for irrigation, domestic, fire protection, municipal, commercial, industrial, and all other beneficial uses;

to distribute, sell, or otherwise dispose of, outside the district, any waters not needed for beneficial uses within the district; to commence, maintain, intervene in, defend or compromise, in the name of the district in behalf of the landowners therein, or otherwise, and to assume the costs and expenses of any action or proceeding involving or affecting the ownership or use of waters or water rights within or without the district, used or useful for any purpose of the district or of common benefit to any land situated therein, or involving the wasteful use of water therein; to commence, maintain, intervene in, defend and compromise and to assume the cost and expenses of any and all actions and proceedings now or hereafter begun; to prevent interference with or diminution of, or to declare rights in the natural flow of any stream or surface or subterranean supply of water used or useful for any purpose of the district or of common benefit to the lands within the district or to its inhabitants; to prevent unlawful exportation of water from said district; to prevent contamination, pollution or otherwise rendering unfit for beneficial use the surface or sub-surface water used or useful in said district, and to commence, maintain and defend actions and proceedings to prevent any such interference with the aforesaid waters as may endanger or damage the inhabitants, lands, or use of water in, or flowing into, the district; provided, however, that said district shall not have power to intervene or take part in, or to pay the costs or expenses of, actions or controversies between the owners of lands or water rights which do not affect the interests of the district.

6. To control the flood and storm waters of said district and the flood and storm waters of streams that have their sources outside of said district, but which streams and the floodwaters thereof, flow into said district, and to conserve such waters for beneficial and useful purposes of said district by spreading, storing, retaining and causing to percolate into the soil within or without said district, or to save or conserve in any manner all or any of such waters and protect from damage from such flood or storm waters the watercourses, watersheds, public highways, life and property in said district, and the watercourses outside of the district of streams flowing into the district.

7. To enter upon any land, to make surveys and locate the necessary works of improvement and the lines for channels, conduits, canals, pipelines, roadways and other rights-of-way; to acquire by purchase, lease, contract, ~~condemnation~~, gift, devise, or other legal means all lands and water and water rights and other property necessary or convenient for the construction, use, supply, maintenance, repair and improvement

9. To prescribe, revise and collect fees and charges for facilities furnished or to be furnished to any new building, improvement or structure by the use of any flood control or storm drainage system constructed or to be constructed in a zone of the district, and whenever a drainage or flood control problem is referred to the district by the County of Santa Clara, or any incorporated city therein, to require the installation of drainage or flood control improvements necessary and/or convenient for needs of the zone, including but not limited to, residential, subdivision, commercial and industrial drainage and flood control needs, said county and cities being hereby authorized to refer all drainage and flood control problems, arising under the Subdivision Map Act or otherwise, to the district for solution. Revenues derived under this section shall be used for the acquisition, construction, reconstruction, maintenance and operation of the flood control or storm drainage facilities of the said zone, to reduce the principal or interest of any bonded indebtedness thereof, or to replace funds expended on behalf of said zone derived from the fund created under authority of Section 13, subdivision F.

10. To incur indebtedness, and to issue bonds in the manner herein provided.

11. To cause taxes or assessments to be levied and collected for the purpose of paying any obligation of the district, and to carry out any of the purposes of this act, in the manner hereinafter provided.

12. To make contracts, and to employ labor, and to do all acts necessary for the full exercise of all powers vested in said district or any of the officers thereof, by this act.

13. To have the power and right to disseminate information concerning the rights, properties, activities, plans and proposals of the district; provided, however, that expenditures during any fiscal year for such purposes shall not exceed one-half cent (\$.005) for each one hundred dollars (\$100) of assessed valuation of such district.

14. To pay to any city, public agency or district a portion of the cost of water imported by such city, public agency or district into, for use within, and of benefit to the Santa Clara County Flood Control and Water District.

15. To establish designated floodways in accordance with the provisions of the Cohey-Alquist Flood Plain Management Act (Chapter 4 (commencing with Section 8400), Part 2, Division 5 of the Water Code).

16. To acquire, construct, maintain, operate and install landscaping or recreational facilities in connection with any dam, reservoir, or other works owned or controlled by the district.

Comment. Subdivision 8 of Section 5 is conformed to the language used in other special district acts, the portion relating to proper location of improvements being eliminated because it is superseded by more general provisions of the Eminent Domain Law. See Code Civ. Proc. §§ 1240.030 (public necessity must be established), 1240.110 et seq. (resolution of necessity). See also Code Civ. Proc. § 1240.810 et seq. (procedure for entry to locate improvements).

The word "condemnation" is deleted from subdivisions 4 and 7 to avoid any implication that the broad grant of condemnation authority under Section 6 is limited to the types of property enumerated in those subdivisions. Under Section 6, any type of property or right or interest therein may be taken by eminent domain. See Code Civ. Proc. §§ 1230.070, 1240.040. Also, the enumeration of specific types of property in subdivisions 4 and 7 does not limit the right to acquire other types of property by purchase or other means. Code Civ. Proc. § 1235.020.

(h) To construct, maintain, repair and operate all levees, bulkheads, walls of rock or other material, pumps, dams, channels, conduits, pipes, ditches, canals, reservoirs, drains, tunnels, poles, posts, wires, lamps, powerplants, railroads, dredgers and all other auxiliary, incidental, necessary or convenient agencies, work or improvements that may be required to carry out, facilitate, repair, maintain and complete the same.

(i) To incur indebtedness, and to issue bonds in the manner herein provided and to provide for the issuance of warrants of the district in payment of district obligations and the registration of any warrants not paid for want of funds and the rate of interest such warrants shall bear after registration and until such payment.

(j) To cause assessments to be levied and collected for the purpose of paying any obligations of the district in the manner hereinafter provided.

(k) To appoint and employ such engineers, attorneys, assistants and other employees as may be necessary and fix their compensation, including, if it deem advisable, a clerk, superintendent of work, assessor, treasurer and tax collector, and define their powers and duties, and fix and determine the amount of bond required of each employee and pay the premium on each such bond; which said officers and employees and each of them shall serve at the pleasure of the board.

The board shall have the power to combine any two or more offices in its discretion.

(l) To establish and fix the boundaries of zones in the district as provided in this act; to make transfers of money from the general fund of the district to any special fund and to create and administer such special funds as in their discretion may seem advisable, and to abolish the same; to create and administer revolving funds to facilitate and assist in the carrying on and completing of such acquisitions, works, and improvements provided for herein, and to abolish same; and to do any and all things necessary or incidental to the accomplishment of the things which are permitted to be done under this act.

(m) To make and enter into contracts with the United States, the State of California, any political subdivision, county, municipality, district, agency or mandatory of the State of California or of the United States and any department, board, bureau or commission of the State of California

or the United States, or any person, firm, association or corporation, jointly or severally, for the acquisition of property rights or the construction, maintenance and operation in whole or in part of any or all works and improvements provided in this act.

(n) To lease or rent to or from any of the parties named in subdivision (m) of this section any property or rights necessary, in the opinion of the board, to accomplish or carry out any of the work or improvement or the maintenance thereof and under such terms and conditions as may be agreed upon between the parties.

(o) To receive and accept any and all contributions in labor, material or money from any of the parties named in subdivision (m) of this section, to be applied to the work or improvement herein provided for.

(p) To construct, purchase, lease or otherwise acquire works, and to purchase, lease, appropriate, or otherwise acquire surface water and water rights, useful or necessary to make use of water for any of the purposes authorized by this act.

(q) To do any and every lawful act necessary to be done that sufficient water may be available for any present or future beneficial use or uses of lands or inhabitants within the district, including but not limited to, the acquisition, storage, and distribution for irrigation, domestic, fire protection, municipal, commercial, industrial, recreational and all other beneficial uses.

(r) To control flood and storm waters within the district and the flood and storm waters or streams outside the district, which flow into the district; to conserve such waters by storage in surface reservoirs, to divert and transport such waters for beneficial uses within the district; to release such waters from surface reservoirs to replenish and augment the supply of water in natural underground reservoirs and otherwise to reduce the waste of water and to protect life and property from floods within the district; to commence, maintain, intervene in, defend or compromise, in the name of the district, on behalf of the landowners therein, or otherwise to assume the cost and expenses of any action or proceeding involving or affecting the ownership or use of waters or water rights within or without the district, used or useful for any purpose of the district or

Sierra County Flood Control and
Water Conservation District Act,
§ 3 (Stats. 1959, Ch. 2123)

of the common benefit of any land situated therein, or involving the wasteful use of water therein; to commence, maintain, intervene in, defend and compromise and to assume the cost and expenses of any and all actions or proceedings now or hereafter begun; to prevent interference with or diminution of, or to declare the rights in natural flow of any stream or surface or subterranean supply of waters used or useful for any purpose of the district or of common benefit to the lands within the district or to its inhabitants; to prevent unlawful exportation of water from said district; to prevent contamination, pollution or otherwise rendering unfit for beneficial use, the surface or subsurface water used or useful in said district, and to commence, maintain and defend actions and proceedings to prevent any such interference with the aforesaid waters as may endanger or damage the inhabitants, lands, or use of water in, or flowing into, the district; provided, however, that said district shall not have power to intervene or take part in, or to pay the costs or expenses of actions or controversies between the owners of lands or water rights which do not affect the interests of the district.

(s) To co-operate and act in conjunction with the United States or with the State of California, or any of its engineers, officers, boards, commissions, departments or agencies, or with any public or private corporation, or with the County of Siskiyou, in the construction of any work for the controlling of flood or storm waters of or flowing into said district, or for the protection of life or property therein, or for the purpose of conserving said waters for beneficial use within said district, or in any other works, acts, or purposes provided for herein, and to adopt and carry out any definite plan or system of work for any such purpose.

(t) To enter upon any land, to make surveys and locate the necessary works of improvement and the lines for channels, conduits, canals, pipelines, roadways and other rights-of-way; to acquire by purchase, lease, contract, gift, devise or other legal means all lands and water and water rights and other property necessary or convenient for the construction, use, supply, maintenance, repair and improvement of said works, including works constructed and being constructed by private owners, lands for reservoirs for storage of necessary water, and all necessary appurtenances, and also where

necessary or convenient to said end, and for said purposes and uses, to acquire and to hold the capital stock of any mutual water company or corporation, domestic or foreign, owning water or water rights, canals, waterworks, franchises, concessions, or rights, when the ownership of such stock is necessary to secure a water supply required by the district or any part thereof, upon the condition that when holding such stock, the district shall be entitled to all the rights, powers and privileges, and shall be subject to all the obligations and liabilities conferred or imposed by law upon other holders of such stock in the same company; to enter into and do any acts necessary or proper for the performance of any agreement with the United States, or any state, county, district of any kind, public or private corporation, association, firm or individual, or any number of them, for the joint acquisition, construction, leasing, ownership, disposition, use, management, maintenance, repair or operation of any rights, works or other property of a kind which might be lawfully acquired or owned by said Sierra County Flood Control and Water Conservation District; to acquire by negotiation only the right to store water in any reservoirs, or to carry water through any canal, ditch or conduit not owned or controlled by the district; to grant to any owner or lessee the right to the use of any water owned or controlled by the district or right to store such water in any reservoir of the district, or to carry such water through any tunnels, canal, ditch, or conduit owned and controlled by the district; to enter into and do any acts necessary or proper for the performance of any agreement with any district of any kind, public or private corporation, association, firm or individual, or any number of them for the transfer or delivery to any such district, corporation, association, firm or individual or any water right or water pumped, stored, appropriated or otherwise acquired or secured, for the use of the Sierra County Flood Control and Water Conservation District, or for the purpose of exchanging the same for other water, water right or water supply in exchange for water, water right or water supply to be delivered to said district by the other party to said agreement.

Sierra County Flood Control and
Water Conservation District Act,
§ 3 (Stats. 1959, Ch. 2123)

(u) To co-operate and contract with the United States under the Federal Reclamation Act of June 17, 1902, and all acts amendatory thereof or supplementary thereto or any other act of Congress heretofore or hereafter enacted permitting co-operation or contract for the purposes of construction of works, whether for irrigation, drainage, or flood control, or for the acquisition, purchase, extension, operation or maintenance of such works, or for a water supply for any purposes, or for the assumption as principal or guarantor of indebtedness to the United States, or for carrying out any of the purposes of the district, and to carry out and perform the terms of any contract so made; and for said purposes the district shall have in addition to the powers specifically set forth in this act, all powers, rights and privileges possessed by irrigation districts as set out in Chapter 2 (commencing at Section 23175) of Part 6 of Division 11 of the Water Code, not inconsistent with the provisions of this act.

(v) To construct, operate, and maintain works to develop hydroelectric energy as a means of assisting in financing the construction, operation and maintenance of works for other beneficial uses and purposes, and to enter into contracts for the sale of such energy for a term not to exceed 50 years. Such energy may be marketed only at wholesale rates to any public agency or private entity engaged in the sale or use of electric energy.

(w) Nothing herein contained shall be deemed to permit the district or its board of directors to acquire or interfere in existing water rights and water uses and facilities for distribution of the same on an involuntary basis, but nothing herein shall be deemed to prohibit negotiating and acquisition of existing rights, uses, and privileges in water by negotiation.

Comment. The deleted portion of Section 3 is superseded by the Eminent Domain Law. See Code Civ. Proc. §§ 1235.010 (uniform procedure), 1240.010 (declaration that use is a public use is unnecessary). Consistent with subdivision (e), subdivision (f) authorizes extraterritorial condemnation.

Sec. . Section 3 of the Siskiyou County Flood Control and
Water Conservation District Act (Chapter 2121 of the Statutes of
1959) is amended to read:

Sec. 3. The objects and purposes of this act are to provide, to the extent that the board may deem expedient or economical, for the control and disposition of the storm, flood, and other waters of said district and to that end the district is hereby created to be a body corporate and politic and as such shall have power:

- (a) To have perpetual succession.
- (b) To sue and be sued in the name of the district in all actions and proceedings in all courts and tribunals of competent jurisdiction.
- (c) To adopt a seal and alter it at pleasure.
- (d) To take by grant, purchase, gift, devise or lease; to hold, use, enjoy, sell, and contract to sell, lease, or dispose of real, personal and mixed property of every kind within or without the district necessary, expedient or advantageous to the full exercise and economic enjoyment of its purposes.
- (e) To acquire and contract to acquire by purchase, donation or other lawful means in the name of the district from private persons, public and private corporations, associations, agencies or districts, lands, rights-of-way, easements, privileges, material, and property of every kind within or without the district, to do all work and to acquire, construct, maintain and operate any and all works and improvements within or without the district, and to make, execute, carry out and enforce all contracts of every character, necessary, convenient, incidental, useful or proper to carry out any of the provisions, objects or purposes of this act, and to complete, extend, add to, repair, or otherwise improve any works or improvements acquired by it as herein authorized.

(m) To make and enter into contracts with the United States, the State of California, any political subdivision, county, municipality, district, agency or mandatory of the State of California or of the United States and any department, board, bureau or commission of the State of California or the United States, or any person, firm, association or corporation, jointly or severally, for the acquisition of property or rights or the construction, maintenance and operation in whole or in part of any or all works and improvements provided in this act.

(n) To lease or rent to or from any of the parties named in subdivision (m) of this section any property or rights necessary, in the opinion of the board, to accomplish or carry out any of the work or improvement or the maintenance thereof herein provided and under such terms and conditions, as may be agreed upon between the parties.

(o) To receive and accept any and all contributions in labor, material or money from any of the parties named in subdivision (m) of this section, to be applied to the work or improvement herein provided for.

(p) To construct, purchase, lease or otherwise acquire works, and to purchase, lease, appropriate, or otherwise acquire surface waters and water rights, useful or necessary to make use of water for any purposes authorized by this act.

(q) To control flood and storm waters within the district and the flood and storm waters of streams outside of the district, which flow into the district; to construct any and all necessary drains or any other works and do any and every lawful act necessary to be done that the lands and other property within the district may be drained and protected from the effects of water, to maintain, repair, improve or protect any drains or other works which are deemed necessary, to do any and all works necessary for the drainage of the lands of the district, to locate and acquire land needed for rights-of-way, including drains, canals, sloughs, water gates, embankments and watercourses,

so made; and for said purposes the district shall have in addition to the powers specifically set forth in this act, all powers, rights and privileges possessed by irrigation districts as set out in Chapter 2 of Part 6 of Division 11 of the Water Code, not inconsistent with the provisions of this act.

(s) To prescribe, revise and collect rates or other charges for the services and facilities furnished by it, and may pledge, place a charge upon, contribute or otherwise make available, as security or additional security for the payment of any revenue bonds issued by the district any and all revenues received or receivable from any services or facilities furnished by it.

The district may provide that charges for any services or facilities shall be collected together with and not separately from the charges for other revenues or facilities rendered by it, and that all charges shall be billed upon the same bill and collected as one item. If all or part of a bill is not paid, the district may discontinue any or all services or facilities for which the bill is rendered.

The district may provide for the collection of charges. Remedies for their collection and enforcement are cumulative and may be pursued alternatively or consecutively as the district determines.

The district may provide for a basic penalty of not more than 10 percent for nonpayment of the charges within the time and in the manner prescribed by it, and in addition may provide for a penalty of not exceeding one-half of 1 percent per month for nonpayment of the charges and basic penalty. It may provide for collection of the penalties herein provided for.

Comment. The deleted portion of subdivision (f) of Section 3 is superseded by the Eminent Domain Law. See Code Civ. Proc. §§ 1235.010 (uniform procedure), 1240.010 (declaration that use is a public use is unnecessary). Consistent with subdivision (e), subdivision (f) authorizes extraterritorial condemnation. The word "condemnation" is deleted from subdivision (e) to avoid any implication that the broad grant of condemnation authority under subdivision (f) is limited to the types of property enumerated in subdivision (e). Under subdivision (f), any type of property or right or interest therein may be taken by eminent domain. See Code Civ. Proc. §§ 1230.070, 1240.040. Also, the enumeration of specific types of property in subdivision (e) does not limit the right to acquire other types of property by purchase or other means. Code Civ. Proc. § 1235.020.

(Stats. 1957, Ch. 1280)(amended)

Sec. . Section 3 of the Tehama County Flood Control and Water Conservation District Act (Chapter 1280 of the Statutes of 1957) is amended to read:

Sec. 3. The objects and purposes of this act are to provide, to the extent that the board may deem expedient or economical, for the control and disposition of the storm and flood waters of said district and to that end the district is hereby created to be a body corporate and politic and as such shall have power:

- (a) To have perpetual succession.
- (b) To sue and be sued in the name of the district in all actions and proceedings in all courts and tribunals of competent jurisdiction.
- (c) To adopt a seal and alter it at pleasure.
- (d) To take by grant, purchase, gift, devise or lease; to hold, use, enjoy, sell, and contract to sell, lease, or dispose of real, personal and mixed property of every kind within or without the district necessary, expedient or advantageous to the full exercise and economic enjoyment of its purposes.
- (e) To acquire and contract to acquire by purchase, donation or other lawful means in the name of the district from private persons, public and private corporations, associations, agencies or districts, lands, rights-of-way, easements, privileges, material, and property of every kind within or without the district, to do all work and to acquire, construct, maintain and operate any and all works and improvements within or without the district, and to make, execute, carry out and enforce all contracts of every character, necessary, convenient, incidental, useful or proper to carry out any of the provisions, objects or purposes of this act, and to complete, extend, add to, repair, or otherwise improve any works or improvements acquired by it as herein authorized.

Sec. . Section 7 of the Ventura County Flood Control
District Act (Chapter 44 of the Statutes of 1944, Fourth Extra-
ordinary Session) is amended to read:

Sec. 7. The objects and purposes of this act are to provide for the control of the flood and storm waters of said district and the flood and storm waters of streams that have their source outside of said district, but which streams and the flood waters thereof flow into said district, and to conserve such waters for beneficial and useful purposes by spreading, storing, retaining and causing to percolate into the soil within said district, or without such district, such waters, or to save or conserve in any manner all or any of such waters and protect from such flood or storm waters the watercourses, watersheds, public highways, life and property in said district, and to prevent waste of water or diminution of the water supply in, or exportation of water from said district, and to obtain, retain and reclaim drainage, storm, flood and other waters for beneficial use in said district.

Ventura County Flood Control District is hereby declared to be a body corporate and politic and as such shall have power:

1. To have perpetual succession.
2. To sue and be sued in the name of said district in all actions and proceedings in all courts and tribunals of competent jurisdiction.
3. To adopt a seal and alter it at pleasure.
4. To take by grant, purchase, gift, devise or lease, or otherwise, and to hold, use, enjoy and to lease or dispose of real or personal property of every kind within or without the district necessary or convenient to the full exercise of its powers.
5. To acquire, by purchase, lease, construction, or otherwise, or contract to acquire, lands, right of way, easements, privileges and property of every kind, whether real or personal, and to construct, maintain and operate any and all works or improvements within or without the district necessary or proper to carry out any of the objects or purposes of this act, and to complete, extend, add to, repair or otherwise improve any works or improvements or property acquired by it as authorized by this act.

~~Sec. 29. In case any street, road, highway, railroad, canal,
or other property subject or devoted to public use shall become
subject to flooding or other interference by reason of the con-
struction or proposed construction of any works of the district
or project, the board of supervisors of the district may acquire
by agreement or condemnation the right so to flood or otherwise
interfere with such property, within or without the district
whether it be publicly or privately owned, and if such right be
acquired by condemnation, the judgment may, if the court shall
find that public necessity or convenience so requires, direct the
district to relocate such street, road, highway, railroad, canal or
other property in accordance with plans prescribed by the court
and if by such judgment or by agreement the district shall be
required to relocate any such street, road, highway, railroad,
canal or other property subject or devoted to public use, the
board shall have power to acquire in the name of the district, by
agreement or condemnation, all rights of way and other prop-
erty necessary or proper for compliance with said agreement or
said judgment of condemnation and thereafter to make such
conveyance of such relocated street, road, highway, railroad,
canal, or other property as may be proper to comply with said
agreement or judgment.~~

Yolo County Flood Control and Water Conservation District Act, § 3
(Stats. 1951, Ch. 1657) (amended)

Sec. . Section 3 of the Yolo County Flood Control and
Water Conservation District Act (Chapter 1657 of the Statutes
of 1951) is amended to read:

Sec. 3. The objects and purposes of this act are to provide,
to the extent that the board may deem expedient or economical,
for the control and disposition of the storm and flood waters
of said district and to that end the district is hereby created to
be a body corporate and politic and as such shall have power:

(a) To have perpetual succession.

(b) To sue and be sued in the name of the district in all
actions and proceedings in all courts and tribunals of compe-
tent jurisdiction.

(c) To adopt a seal and alter it at pleasure.

(d) To take by grant, purchase, gift, devise or lease; to
hold, use, enjoy, sell, and contract to sell, lease, or dispose of
real, personal and mixed property of every kind within or
without the district necessary, expedient or advantageous to
the full exercise and economic enjoyment of its purposes.

(e) To acquire and contract to acquire by purchase, ~~con-~~
~~demnation~~, donation or other lawful means in the name of
the district from private persons, public and private corpora-
tions, associations, agencies or districts, lands, rights-of-way,
easements, privileges, material, and property of every kind
within or without the district, to do all work and to acquire,
construct, maintain and operate any and all works and im-
provements within or without the district, and to make, exe-
cute, carry out and enforce all contracts of every character,
necessary, convenient, incidental, useful or proper to carry
out any of the provisions, objects or purposes of this act, and
to complete, extend, add to, repair, or otherwise improve any
works or improvements acquired by it as herein authorized.

(f) To ~~have and exercise the right of eminent domain, and~~
~~in the manner provided by law for the condemnation of pri-~~
~~rate property for public use by the State, any political sub-~~
~~division or district thereof.~~ either within or without the

district, to take any property necessary to carry out
any of the objects or purposes of this act .

Yolo County Flood Control and
Water Conservation District Act,
§ 3 (Stats. 1951, Ch. 1657) as
amended Stats. 1965, Ch. 660, § 1

~~In condemnation proceedings, the district shall proceed under the provisions of Title 7, Part 3, of the Code of Civil Procedure, which said provisions are hereby made applicable for that purpose; and it is hereby declared that the use of the property, lands, rights-of-way, easements or materials which may be condemned, taken or appropriated under the provisions of this act is a public use, and the board is granted the same powers and rights with respect to the taking of property for the public uses of said district as are now or may hereafter be conferred by general law on the legislative body of a county, city and county, incorporated city or town, municipal water district or irrigation or reclamation district. No action in eminent domain to acquire property or interests therein outside the boundaries of Yolo County shall be commenced unless the board of supervisors of each affected county has consented to such acquisition by resolution, provided, that with respect to the commencement of any action in eminent domain to acquire any parcel of property or interest therein within Lake County for the Cache Creek project as generally described in the report to the district entitled "Feasibility Report on Proposed Cache Creek Project" dated February 1963, and prepared by McCreary-Koretsky Engineers-Clair A. Hill & Associates, Joint Venture Engineers, the foregoing requirement of consent shall be satisfied by one resolution of the Board of Supervisors of Lake County (whether adopted before or after the enactment of this amendment to the Yolo County Flood Control and Water Conservation District Act in the 1963 session of the Legislature) providing generally for consent of said Board of Supervisors of Lake County to the acquisition of such property or interests therein as may be necessary in connection with the acquisition and construction of said Cache Creek project, notwithstanding the fact that such resolution may be later rescinded, repealed, or amended.~~

shall not be paid from funds appropriated for state highway purposes, except that such funds may be used for betterment thereof in connection with such relocation or change.

(h) To construct, maintain, repair and operate all levees, bulkheads, walls of rock or other material, pumps, dams, channels, conduits, pipes, ditches, canals, reservoirs, tunnels, drains, poles, posts, wires, lamps, power plants, railroads, dredgers and all other auxiliary, incidental, necessary or convenient agencies, work or improvements that may be required to carry out, facilitate, repair, maintain and complete the same.

(i) To incur indebtedness, and to issue bonds in the manner herein provided and to provide for the issuance of warrants of the district in payment of district obligations and the registration of any warrants not paid for want of funds and the rate of interest such warrants shall bear after registration and until such payment.

(j) To cause assessments to be levied and collected for the purpose of paying any obligations of the district in the manner hereinafter provided.

(k) To appoint and employ such engineers, attorneys, assistants and other employees as may be necessary and fix their compensation, including, if it deem advisable, a clerk, superintendent of work, assessor, treasurer and collector and define their powers and duties, and fix and determine the amount of bond required of each appointee and pay the premium on each such bond; which said officers and employees and each of them shall serve at the pleasure of the board.

The board shall have the power to combine any two or more offices in its discretion.

(l) To establish and fix the boundaries of zones in the district as provided in this act; to make transfers of money from the general funds of the district to any special fund and to create and administer such special funds as in their discretion may seem advisable, and to abolish same; to create and administer revolving funds to facilitate and assist in the carrying on and completing of such acquisitions, works, and improvements provided for herein, and to abolish same; and to do any and all things necessary or incidental to the accomplishment of the things which are permitted to be done under this act.

(m) To make and enter into contracts with the United States, the State of California, any political subdivision, county, municipality, district, agency or mandatory of the State of California or of the United States and any department, board, bureau or commission of the State of California

or the United States, or any person, firm, association or corporation, jointly or severally, for the acquisition of property or rights or the construction, maintenance and operation, or the joint financing or use in whole or in part of any or all works and improvements provided in this act, including contracts with the State of California, the United States or any other public entity (1) for loans to finance planning, acquisition, construction, operation or maintenance of such works and improvements and lands, easements, and rights-of-way therefor, and (2) for grants for recreational or fish and wildlife enhancement benefits of such works and improvements, and to do any and all things required to carry out such contracts.

An action to determine the validity of any such contract may be commenced and prosecuted under the procedure set forth in Section 21 of this act.

(n) To lease or rent to or from any of the parties named in subdivision (m) of this section any property or rights necessary, in the opinion of the board, to accomplish or carry out any of the work or improvement or the maintenance thereof herein provided and under such terms and conditions as may be agreed upon between the parties.

(o) To receive and accept any and all contributions in labor, material or money from any of the parties named in subdivision (m) of this section, to be applied to the work or improvement herein provided for.

(p) To construct, purchase, lease or otherwise acquire works and to purchase, lease, appropriate, or otherwise acquire surface waters and water rights, useful or necessary to make use of water for any purposes authorized by this act.

(q) To do any and every lawful act necessary to be done that sufficient water may be available for any present or future beneficial use or uses of the lands or inhabitants within the district, including but not limited to, the acquisition, storage, and distribution for irrigation, domestic, fire protection, municipal, commercial, industrial, and all other beneficial uses.

Water which is surplus to the needs of the lands and inhabitants within the district may be made available for beneficial use outside the district pursuant to rules and regulations prescribed under subsection (v) of this Section 3.

(r) To control flood and storm waters within the district and the flood and storm waters of streams outside of the district, which flow into the district; to conserve such waters by storage in surface reservoirs, to divert and transport such waters for beneficial uses within the district; to release such waters from surface reservoirs to replenish and augment the supply of waters in natural underground reservoirs and otherwise to reduce the waste of water and to protect life and property from floods within the district.

Comment. The deleted portion of subdivision (f) of Section 3 is either obsolete or superseded by the Eminent Domain Law. See Code Civ. Proc. §§ 1235.010 (uniform procedure), 1240.010 (declaration that a use is a public use is unnecessary). Consistent with subdivision (e), subdivision (f) authorizes extra-territorial condemnation. The provision relating to property described in the 1963 feasibility report is omitted as obsolete. The word "condemnation" is deleted from subdivisions (e) and (t) to avoid any implication that the broad grant of condemnation authority under subdivision (f) is limited to the types of property enumerated in those subdivisions. Under subdivision (f), any type of property or right or interest therein may be taken by eminent domain. See Code Civ. Proc. §§ 1230.070, 1240.040. Also, the enumeration of specific types of property in subdivisions (e) and (t) does not limit the right to acquire other types of property by purchase or other means. Code Civ. Proc. § 1235.020.

Tulare County Flood Control District Act, § 5 (Stats. 1969, Ch. 1149)(amended)

Sec. . Section 5 of the Tulare County Flood Control District Act
(Chapter 1149 of the Statutes of 1969) is amended to read:

Sec. 5. The district is hereby declared to be a body corporate and politic and as such shall have, in addition to the other powers vested in it by this act, the following powers:

1. To have perpetual succession.
2. To sue and be sued in the name of said district.
3. To adopt a seal.
4. To acquire by grant, purchase, lease, gift, devise, contract, ~~condemnation~~, construction, or otherwise, and to hold, use, enjoy, sell, let, and dispose of real and personal property of every kind, including lands, structures, buildings, rights-of-way, easements, and privileges, and to construct, maintain, alter and operate any and all works or improvements, within or without the district, necessary or proper to carry out any of the objects or purposes of this act and convenient to the full exercise of its powers, and to complete, extend, add to, alter, remove, repair or otherwise improve any works, or improvements, or property acquired by it as authorized by this act.
5. To control the flood and storm waters of said district and the flood and storm waters of streams that have their sources outside of said district, but which streams and the floodwaters thereof, flow into said district, and protect from damage from such flood or storm waters the watercourses, watersheds, harbors, public highways, life and property in said district, and the watercourses outside of the district of streams flowing into the district.
6. To cooperate and to act in conjunction with the State of California, or any of its engineers, officers, boards, commissions, departments or agencies, or with the government of the United States, or any of its engineers, officers, boards, commissions, departments or agencies, or with any public district, or with any public or private corporation, or with any city or county, in the construction of any works for the controlling of flood or storm waters of or flowing into said district or for the protection of life or property therein, or in any other works, acts, or purposes provided for herein, and to adopt and carry out any definite plan or system of work for any such purpose.
7. To carry on technical and other investigations of all kinds, make measurements, collect data and make analyses,

studies, and inspections pertaining to control of floods both within and without said district, and for such purposes said district shall have the right of access through its authorized representatives to all properties within said district. The district, through its authorized representatives, may enter upon such lands and make examinations, surveys, and maps thereof.

8. To enter upon any land, to make surveys and locate the necessary works of improvement and the lines for channels, conduits, canals, pipelines, roadways and other rights-of-way; to acquire by purchase, lease, contract, ~~condemnation~~, gift, devise, or other legal means all lands and other property necessary or convenient for the construction, use, supply, maintenance, repair and improvement of said works, including works constructed and being constructed by private owners, lands for reservoirs for storage of flood or storm water, and all necessary appurtenances; to enter into and do any acts necessary or proper for the performance of any agreement with the United States, or any state, county, district of any kind, public or private corporation, association, firm or individual, or any number of them, for the joint acquisition, construction, leasing, ownership, disposition, use, management, maintenance, repair or operation of any rights, works or other property of a kind which might be lawfully acquired or owned by the district; to acquire the right to carry water through any canal, ditch or conduit not owned or controlled by the district.

9. To incur indebtedness and to issue bonds in the manner herein provided.

10. To cause taxes or assessments to be levied and collected for the purpose of paying any obligation of the district, and to carry out any of the purposes of this act, in the manner hereinafter provided.

11. To make contracts, and to employ labor, and to do all acts necessary for the full exercise of all powers vested in said district or any of the officers thereof by this act.

12. To exercise the right of eminent domain within said district, ~~and in the manner provided by law for the condemnation of private property for public use,~~ to take any property necessary to carry out any of the objects or purposes of this act, ~~whether such property be already devoted to any public use by any district or other public corporation, or agency, or otherwise, provided, however, that the~~ district in exercising such power shall in addition to the damage for the taking, injury, or destruction of property, also pay the cost of removal, reconstruction, or relocation of any structure, railways, mains, pipes, conduits, wires, cable, poles, of any public utility which is required to be moved to a new location, ~~and provided further, that, notwithstanding any other provision of this act or any other law, no property shall be taken unless it is taken upon a finding by a court of competent jurisdiction that the taking is for a more necessary public use than that to which it has already been appropriated, and provided further, that~~ No right shall exist in said district to take by proceedings in eminent domain any property appropriated to public use by any existing county or municipal utility district. ~~The district shall also have and may exercise the right to condemn any existing works or improvements in said district or along streams flowing into said district now or hereafter used to control flood or storm waters, or to protect any property in said district or along streams flowing into said district from damage from such flood or storm waters, and it is hereby declared that the use of the property, lands, rights-of-way, easements, or materials which may be condemned, taken or appropriated under the provision of this act is a public use subject to the regulation and control of the state in the manner prescribed by law, provided, however, that nothing in this act contained shall be deemed to authorize said district, or any person or persons to divert the waters of any river, creek, stream, irrigation system, canal or ditch, or the waters thereof or therein unless compensation therefor be first provided in the manner prescribed by law.~~

§ 650 (Stats. 1969, Ch. 916)

~~real property which the board of directors of the agency by
resolution shall determine is necessary for carrying out the
purposes of this act. Such resolution shall be conclusive pre-
sumption that the taking of such fee simple or any lesser estate
or easement, or interest, as the case may be, is necessary.~~

~~Whenever real property which is devoted to or held for some
other public or quasi-public use is required by the agency for
flood or storm water control or water conservation purposes,
the agency may condemn real property adjacent thereto, or in
the immediate vicinity thereof, to be exchanged for the real
property required by the agency as aforesaid for flood control
or water conservation purposes.~~

(Stats. 1969, Ch. 916)(amended)

Sec. . Section 260 of the Madera County Flood Control and
Water Conservation Agency Act (Chapter 916 of the Statutes of 1969)
is amended to read:

The agency may exercise
the right of eminent
domain to take any
property necessary
to carry out any of
the objects or pur-
poses of this act.

Sec. 260. ~~Eminent domain proceedings may be brought by~~
~~the agency pursuant to the provisions of Title 7, Part 2, of~~
the Code of Civil Procedure. The acquisition of property for
drainage, flood control or conservation facilities, which is re-
quired to carry out fully the provisions of this act, constitute
the acquisition of property for a public use and said prop-
erty may be acquired by the agency in eminent domain pro-
ceedings.

If the owner (public or private) of any land, easement, or
franchise to be crossed or occupied by works of the agency
cannot agree with the agency as to payment, location of the
crossing, or manner of occupation, or any other matters in
~~connection therewith, they shall be determined as in a pro-~~
~~ceeding in eminent domain.~~

If a right to flood or otherwise interfere with any road,
railroad, canal, or other property is acquired by eminent do-
main, the judgment may, if the court finds that the public
convenience requires it, direct the agency to relocate the road,
railroad, canal, or other property in accordance with plans
prescribed by the court.

Vallejo Sanitation and Flood Control District Act, § 2 (Stats. 1952,
1st Ex. Sess., Ch. 17)(amended)

Sec. . Section 2 of the Vallejo Sanitation and Flood
Control District Act, (Chapter 17 of the Statutes of 1952, First
Extraordinary Session) is amended to read:

Sec. 2. Objects and Purposes of Act and Powers of District.
The objects and purposes of this act are to provide for the col-
lection and disposal of sewage and industrial waste and for the
control and disposition of the storm and flood waters of said
district, and to protect the public health and also to protect from
damage from such storm and flood waters the waterways, prop-
erty, public highways and public places in said district. The
Legislature hereby declares that special facts and circumstances
peculiar to the area within the district having the boundaries
hereinabove defined makes the accomplishment of the objects
and purposes of this act impossible under existing general law
and special legislation is necessary. The State and the people
thereof have a primary and supreme interest in the securing to
the inhabitants and property owners within the district herein-
above described adequate facilities for the collection and dis-
posal of sewage and the protection from waters naturally flow-
ing into the district from the surrounding mountainous water-
shed. Special investigation has shown that the conditions within
the district hereinabove described are peculiar to that area and
that this act is essential to carry out the objects and purposes
herein expressed and for the elimination of duplication of gov-
ernmental authority and securing greater economy of adminis-
tration. It is further found and determined that the area within
the district herein defined has no facilities for the sanitary
treatment and disposal of sewage and is consequently contami-
nating and polluting the waters of San Francisco Bay. The area
within the district is of strategic importance due to the prox-
imity of Mare Island Navy Yard. The influx of Navy personnel
and their families and civilian workers at the Mare Island Navy
Yard has greatly aggravated the problem of sewage disposal in

Vallejo Sanitation and Flood
Control District Act, § 2
(Stats. 1952, 1st Ex. Sess.,
Ch. 17) as amended Stats. 1953,
Ch. 1439, § 1

that area; said problem of sewage disposal is further aggravated by lack of adequate drainage and floodwater control and the infiltration of storm and flood waters into existing sanitary sewers; both the problem of sanitary sewage and drainage and the problem of storm water flood control are so correlated and interrelated that the special problems relating to each can only be solved by uniform administration and a uniform control plan of sewage disposal and flood control works.

The Vallejo Sanitation and Flood Control District is hereby declared to be a body corporate and politic and as such shall have power:

- (a) Succession. To have perpetual succession.
- (b) Suits. To sue and be sued in the name of said district in all actions and proceedings in all courts and tribunals of competent jurisdiction.
- (c) Seal. To adopt a seal and alter it at pleasure.
- (d) Ownership of Property. To take by grant, purchase, gift, devise or lease, hold, use, enjoy, and to lease or dispose of real or personal property of every kind within or without the district necessary to the full exercise of its powers.
- (e) Acquisition of Property. To acquire or contract to acquire lands, rights of way, easements, privileges or property of every kind within or without the district, and construct, maintain and operate any and all works and improvements within or without the district necessary, convenient or proper to carry out any of the provisions, objects or purposes of this act, and to complete, extend, add to, repair, or otherwise improve any works or improvements acquired by it as herein authorized.
- (f) Eminent Domain. To ~~have and exercise the right of eminent domain, and in the manner provided by law for the condemnation of private property for public use by the State, any political subdivision or district thereof~~ either within or without the district, to acquire any property necessary to carry out any of the objects or purposes of the district.

(g) Sanitary Sewage Disposal Works. To acquire, construct, reconstruct, alter, own, operate, maintain and repair sewage treatment plants, including digesters, sludge heaters, sludge drying beds, effluent pumping plants, screens, clarifiers, storage ponds, control buildings, oxidizing ponds, sewage digestive systems, intercepting, collecting and outfall sewers, laterals, pipes, manholes, machinery, equipment, and all other facilities for the collection, transmission and disposition of sewage and industrial wastes, together with all works, properties or structures necessary or convenient for sewage disposal purposes.

The terms "sanitary sewage disposal works," "sewage disposal works," "sanitary sewage disposal purposes" or "sewage disposal purposes" or similar terms whenever used herein shall include and comprehend all of the works, properties or structures necessary or convenient for sewage disposal purposes.

(h) Drainage and Flood Control Works. To construct, maintain, repair and operate all levees, bulkheads, walls of rock or other material, pumps, dams, channels, conduits, pipes, ditches, canals, reservoirs, spreading basins, tunnels, drains, machinery and equipment necessary therefor, dredgers and all other auxiliary, incidental, necessary or convenient agencies, work or improvements that may be required to carry out, facilitate, repair, maintain and/or complete the same, and, in connection with any such reservoirs or spreading basins, to acquire or construct such improvements, including landscaping, apparatus and equipment, that said reservoirs or spreading basins may incidentally be used for park, playground or other recreation purposes. The terms "storm water flood control works," "drainage works," "storm water flood control purposes" and "drainage purposes" and similar terms whenever used in this act shall mean and include all works, properties, or structures necessary or convenient for drainage and flood control purposes, and said purposes incidental thereto.

(i) Indebtedness. To incur indebtedness, and to issue bonds or other evidence of indebtedness in the manner herein provided, and to provide for the issuance of warrants of the district and the registration of any warrants not paid for want of funds and interest thereon after registration and until payment, and also to issue bonds or other securities payable from revenues.

(j) Revenues From Revenue Producing Utilities. To prescribe, revise and collect tolls, rents or other charges for any services or facilities furnished by the district; to contract with the City of Vallejo or any other public or private agency for the collection of tolls, rents or other charges for any facility or service furnished by the district and to provide for the collection of such tolls, rents and charges along with the collection of water charges by the City of Vallejo or any other public or private agency.

(k) Assessments. To cause assessments to be levied and collected for the purpose of paying any obligations of the district in the manner hereinafter provided.

(l) Employees. To appoint and employ such engineers, attorneys, assistants and other employees as may be necessary and fix their compensation, including a secretary or clerk, superintendent of work or manager, and define their powers and

duties as in this act provided, and fix and determine the amount of bond required of each appointee and pay the premium on such bond; which said officers and employees and each of them shall serve at the pleasure of the board of trustees of said district; provided, however, that the compensation, or at least the rate thereof or some basis for computing the same, shall be fixed and stated in the order of appointment of each such person. Said board shall have the power to combine any two or more offices in its discretion.

(m) Zones. To establish and fix the boundaries of zones in said district as in this act hereinafter provided; to make transfers of money from the operation fund of said district to any special fund and to create and administer such special funds as in their discretion may seem advisable; to create and administer revolving funds to facilitate and assist in the carrying on and completing of such acquisitions, works and improvements provided for herein, and to do any and all things necessary or incidental to the accomplishment of the things which are permitted to be done under this act.

(n) Contracts. To make and enter into contracts with the United States of America, the State of California, any political subdivision, county, municipality, district, agency or mandatory of the State of California or of the United States and any department, board, bureau or commission of the State of California or the United States of America, and/or any person, firm, association or corporation, jointly and/or severally, for the acquisition of property or rights and/or the construction, maintenance and/or operation in whole or in part of any and/or all works and/or improvements provided in this act.

(o) Lease of Property. To lease and/or rent to or from the City of Vallejo, the County of Solano, or any public or private agency, or person, firm or corporation, any property or rights necessary, in the opinion of the board of trustees of said district, to accomplish or carry out any of the work or improvement or the maintenance thereof herein provided and under such terms and conditions as may be agreed upon between the parties.

(p) Contributions. To receive and accept any and all contributions in labor, materials or money to be applied to the works or improvements herein provided for.

Comment. The deleted portion of subdivision (f) of Section

2 is superseded by Section 1235.010 of the Code of Civil Procedure. Consistent with subdivision(d) and (e), subdivision (f) authorizes extraterritorial condemnation.

Sec. 5. The district is hereby declared to be a body corporate and politic and as such shall have, in addition to the other powers vested in it by this act, the following powers:

1. To have perpetual succession.
2. To sue and be sued in the name of said district in all actions and proceedings in all courts and tribunals of competent jurisdiction.
3. To adopt a seal and alter it at pleasure.
4. To acquire by grant, purchase, lease, gift, devise, contract, ~~condemnation~~, construction, or otherwise, and to hold, use, enjoy, sell, let, and dispose of real and personal property of every kind, including lands, structures, buildings, rights-of-way, easements, and privileges, and to construct, maintain, alter and operate any and all works or improvements, within or without the district, necessary or proper to carry out any of the objects or purposes of this act and necessary to the full exercise of its powers, and to complete, extend, add to, alter, remove, repair or otherwise improve any works, or improvements, or property acquired by it as authorized by this act.
5. To install and maintain any or all works of or useful to carrying out the purposes of this act. Such installation or maintenance may include any or all of the following work: the placing, replacing, installation, cleaning, repairing, renewal, widening, straightening, deepening or otherwise improving storm drain structures, watercourses or drainage channels, whether in existence or not, and the installation of appurtenant structures when necessary for the adequate functioning of such drainage facilities.

6. Contra Costa County Storm Drainage
District Act, § 5 (Stats. 1953,
Ch. 1532) as amended Stats. 1963,
Ch. 2029, § 6

Comment. Subdivision 6 of Section 5 is conformed to the language used in other special district acts, the portion relating to proper location of improvements being eliminated because it is superseded by more general provisions of the Eminent Domain Law. See Code Civ. Proc. §§ 1240.030 (public necessity must be established), 1240.110 et seq. (resolution of necessity). See also Code Civ. Proc. § 1240.810 et seq. (procedure for entry to locate improvements).

The word "condemnation" is deleted from subdivisions 4 and 7 to avoid any implication that the broad grant of condemnation authority under Section 7 is limited to the types of property enumerated in those subdivisions. Under Section 7, any type of property or right or interest therein may be taken by eminent domain. See Code Civ. Proc. §§ 1230.070, 1240.040. Also, the enumeration of specific types of property in subdivisions 4 and 7 does not limit the right to acquire other types of property by purchase or other means. Code Civ. Proc. § 1235.020.

~~vided by law for the condemnation of private property for~~
~~public use, to take any property necessary to carry out any of~~
~~the objects or purposes of this act, whether such property be~~
~~already devoted to any public use by any district or other public~~
~~corporation, or agency, or otherwise, provided, however, that~~
~~the~~ district in exercising such power shall in addition to the
damage for the taking, injury, or destruction of property, also
pay the cost of removal or relocation of any structure, railways,
mains, pipes, conduits, wires, cable, poles, which is required to
be moved to a new location, ~~and provided further, that, notwith-~~
~~standing any other provision of this act or any other law, no~~
~~property shall be taken unless it is taken upon a finding by a~~
~~court of competent jurisdiction that the taking is for a more~~
~~necessary public use than that to which it has already been~~

~~the district to take by proceedings in eminent domain any prop-~~
~~erty, including water rights, appropriated to public use by any~~
~~existing county, city or municipal utility district. The district~~
~~shall also have and may exercise the right to condemn any exist-~~
~~ing works or improvements in the district, and it is hereby~~
~~declared that the use of the property, lands, rights of way,~~
~~easements, or materials which may be condemned, taken or~~
~~appropriated under the provisions of this act is a public use~~
~~subject to the regulation and control of the State in the manner~~
~~prescribed by law.~~

The power of eminent domain vested in the district shall in-
clude the power to condemn in the name of the district either the
fee simple or any lesser estate, easement, or interest in any real
property which the board by resolution shall determine is neces-
sary for carrying out the purposes of this act. Such resolution
shall be prima facie evidence that the taking of such fee simple
or any lesser estate or easement, or interest as the case may be,
is necessary.

Whenever real property which is devoted to or held for some
other public or quasi-public use is required by the district for
its purposes, the district may condemn real property adjacent
thereto or in the immediate vicinity thereof to be exchanged
~~for the real property required by the district for its purposes.~~

(amended)

Sec. . Section 61 of the Antelope Valley-East Kern Water
Agency Law (Chapter 2146 of the Statutes of 1959) is amended to
read:

Sec. 61. The Antelope Valley-East Kern Water Agency
incorporated as herein provided, shall have power:

1. To have perpetual succession;
2. To sue and be sued, except as otherwise provided herein
or by law, in all actions and proceedings in all courts and
tribunals of competent jurisdiction;
3. To adopt a seal and alter it at pleasure;
4. To take by grant, purchase, gift, devise, lease, or lease
with option to purchase, hold, use, enjoy, and to lease or dis-
pose of real and personal property of every kind, within or
without the Antelope Valley-East Kern Water Agency;
5. To acquire, or contract to acquire, waterworks or a
waterworks system, waters, water rights, lands, rights and
privileges and construct, maintain and operate conduits, pipe-
lines, reservoirs, works, machinery and other property useful
or necessary to store, convey, supply or otherwise make use
of water for a waterworks plant or system for the benefit of
the agency, and to complete, extend, add to, repair, or other-
wise improve any waterworks or waterworks system acquired
by it as herein authorized;
- 5a. To construct, maintain, improve and operate public
recreational facilities appurtenant to any water reservoir
operated or contracted to be operated by the Antelope Valley-
East Kern Water Agency, and to provide by ordinance regu-
lations binding upon all persons to govern the use of such
facilities including regulations imposing reasonable charges
for the use thereof. Violation of any such regulation shall be
a misdemeanor;
6. To lease of and from any person, firm or public or private
corporation, or public agency, with the privilege of purchasing
or otherwise, all or any part of water storage, transportation
or distribution facilities, existing waterworks or a water-
works system, and to carry on and conduct waterworks or a
waterworks system; also to sell water under the control of
the agency to cities, and to other public corporations and
public agencies within the agency, and to the inhabitants of
such cities and of other territory within the agency, and to
persons, corporations, and other private agencies within the
agency for use within said agency without any preference, and

it may, whenever the board shall find that there is a surplus of water above that which may be required by such consumers within said agency, sell or otherwise dispose of such surplus water to any persons, firms, public or private corporations or public agencies or other consumers;

6a. To supply and deliver agency water to publicly owned and operated golf courses and other publicly owned and operated recreational facilities and to public schools, school districts and public school properties, and to fix and establish special rates, terms and conditions for the use and sale of water for each of these purposes; provided, however, that this provision shall not be construed to indicate legislative intent either for or against the existence of any power of the agency to furnish water to other persons, firms or corporations at just and reasonable rates;

7. To ~~have and exercise the right of eminent domain and in the manner provided by law for the condemnation of private property for public use, to take any property necessary to supply the agency or any portion thereof with water, and to carry out any other powers of the agency, whether such property be already devoted to the same use or otherwise, and may condemn any existing waterworks or system, or any portion thereof, or any waters or water rights owned by any person, firm or private corporation. In proceedings relative to the exercise of such right, the agency shall have all of the rights, powers and privileges of a city, provided, the agency in exercising such power, shall in addition to the damage for the taking, injury, or destruction of property, also pay the cost of removal, reconstruction, or relocation of any structure, railways, mains, pipes, conduits, wires, cables or poles of any public utility which is required to be removed to a new location. The agency may exercise the power of eminent domain with respect to property situated outside the boundaries of the agency if it first obtains the consent thereto of the board of supervisors of the county in which such property is located;~~

8. To issue bonds, borrow money and incur indebtedness as authorized by law or in this act provided; also to refund (by the issuance of the same obligations following the same procedure) or retire any indebtedness or lien that may exist against the agency or property thereof; also to issue warrants to pay the formation expenses of the agency, which warrants may bear interest at a rate not exceeding 6 percent per annum from the date of issue until funds are available to pay the warrants, and which formation expenses may include fees of attorneys and others employed to conduct the formation proceedings.

8a. To issue negotiable promissory notes bearing interest at a rate not exceeding 6 percent per annum; provided, however, that said notes shall be general obligations of the agency payable from revenues and taxes in the same manner as bonds of said agency; and provided further, that the maturity shall not be later than three years from the date thereof and that the

9. To cause taxes to be levied, in the manner hereinafter provided, for the purpose of paying any obligation of the agency, including its formation expenses and any warrants issued therefor;

9a. To restrict the use of agency water during any emergency caused by drought, or other threatened or existing water shortage, and to prohibit the wastage of agency water or the use of agency water during such periods, for any purpose other than household uses or such other restricted uses as may be determined to be necessary by the agency; to prohibit use of such water during such periods for specific uses which the agency may from time to time find to be nonessential;

9b. To prescribe and define by ordinance the restrictions, prohibitions and exclusions referred to in subdivision 9a hereof. Every ordinance relating to the matters referred to in this subdivision shall be in full force and effect forthwith upon adoption, but shall be published pursuant to Section 6061 of the Government Code in full in a newspaper of general circulation, printed, published and circulated in the agency within 10 days after adoption, or if there be no such newspaper it shall be posted within said time in three public places within the agency;

10. To make contracts, to employ labor, and do all acts necessary for the full exercise of the agency's powers;

11. In case of condemnation proceedings the board shall proceed in the name of the agency;

12. To provide by ordinance of its board of directors for the pensioning of officers or employees and the creation of a special fund for the purpose of paying such pensions, and the accumulation of contributions to said fund from the revenues of the agency, the wages of officers or employees, voluntary contributions, gifts, donations or any source of revenue not inconsistent with the general powers of the board, and to contract with any insurance corporation or any other insurance carrier for the maintenance of a service covering the pension of such officers or employees, and to provide in such ordinance for the terms and conditions under which such pensions shall be awarded, and for the time and extent of service of officers or employees before such pensions shall be available to them;

13. To acquire, control, distribute, store, spread, sink, treat, purify, reclaim, recapture, and salvage any water, including sewage and storm waters, for the beneficial use or uses and protection of the agency or its inhabitants or the owners of rights to water therein.

14. To join with one or more public agencies, private corporations or other persons for the purpose of carrying out any of the powers of the agency, and for that purpose to contract with such other public agencies or private corporations or persons for the purpose of financing such acquisitions, constructions and operations. Such contracts may provide for contributions to be made by each party thereto and for the division and apportionment of the expenses of such acquisitions and operations, and the division and apportionment of the benefits, the services and products therefrom, and may provide for any agency to effect such acquisitions and to carry on such operations, and shall provide in the powers and methods of procedure for such agency the method by which such agency may contract. Such contracts with other public agencies or private corporations or persons may contain such other and further covenants and agreements as may be necessary or convenient to accomplish the purposes thereof. The term "public agency," as used in this subdivision, shall be deemed to mean and include the United States of America or any department or agency thereof, the State of California or any department or agency thereof, a county, city, public corporation, the Metropolitan Water District of Southern California, or other public district of this state. The term "private corporation," as used in this subdivision, shall be deemed to mean and include any private corporation organized under the laws of the United States of America or of this or any other state thereof. Contracts mentioned herein include those made with the United States, under the Federal Reclamation Act of June 17, 1902, and all acts amendatory thereof or supplementary thereto or any other act of Congress heretofore or hereafter enacted permitting cooperation. Any such contract with the United States of America or any department or agency thereof, or with any private corporation organized under the laws of the United States of America, by which the Antelope Valley-East Kern Water Agency incurs an indebtedness or liability exceeding in any year the income and revenue for such year shall not be executed without the assent of two-thirds of the qualified electors of the agency voting at a special election to be held for that purpose, such election to be called and held, so far as practicable, in the same manner as bond elections for the agency.

15. To commence, maintain, intervene in, and compromise, in the name of the agency, any action or proceeding involving or affecting the ownership or use of water or water rights within the agency, used or useful for any purpose of the agency, or a common benefit to lands within the agency or its inhabitants.

16. Distribute water to persons in exchange for ceasing or reducing ground water extractions and to fix the terms and conditions of any contract under which producers may agree voluntarily to use water from a nontributary source in lieu of ground water, and to such end the agency may become a party to such contract and pay from agency funds such portion of the cost of such waters as will encourage the purchase and use of such water in lieu of pumping so long as the persons or property within the agency are directly or indirectly benefited.

17. To issue bonds under Section 68 of this act for the purpose of providing money required to be paid to the agency organized under the Metropolitan Water District Act by the board of directors of the agency as all or part of the terms and conditions upon which the corporate area of the Antelope Valley-East Kern Water Agency may be annexed to and become a part of said metropolitan water district. The amount of said bonds may include expenses of all proceedings for the authorization, issuance and sale of the bonds.

18. To issue revenue bonds for any purpose for which such bonds could be issued under the provisions of the Revenue Bond Law of 1941 or any other law which by its terms is applicable to the agency formed under this act.

19. To use the Improvement Act of 1911 for the construction of any facilities authorized to be constructed under the provisions of this act. The powers and duties conferred by the Improvement Act of 1911 on the various boards, officers and agents of cities shall be exercised by the respective boards, officers and agents of the Antelope Valley-East Kern Water Agency. In the application of said Improvement Act of 1911 to proceedings instituted by the Antelope Valley-East Kern Water Agency, the terms used in said Improvement Act of 1911 shall have the following meanings:

(a) "City council" and "council" shall mean the board of directors of the Antelope Valley-East Kern Water Agency.

(b) "Municipality" and "city" shall mean the Antelope Valley-East Kern Water Agency.

(c) "Clerk" and "city clerk" shall mean the secretary.

(d) "Superintendent of streets," "street superintendent" and "city engineer" shall mean the chief engineer of the agency.

(e) "Tax collector" shall mean the county tax collector.

(f) "Treasurer" and "city treasurer" shall mean the treasurer of the Antelope Valley-East Kern Water Agency.

(g) "Mayor" shall mean the president of the board of directors of the Antelope Valley-East Kern Water Agency.

(h) "Right-of-way" shall mean any parcel of land in, on, under or through which a right-of-way or easement has been granted to the agency for the purpose of constructing and maintaining any works or improvements of the Antelope Valley-East Kern Water Agency.

Any certificates or documents required to be filed or recorded in the office of the superintendent of streets or street superintendent shall be filed or recorded in the office of the secretary of the Antelope Valley-East Kern Water Agency.

20. To disseminate information concerning the rights, properties, and activities of the agency.

10. To issue bonds, borrow money and incur indebtedness as authorized by law or in this act provided; also to refund (by the issuance of the same obligations following the same procedure) or retire any indebtedness or lien that may exist against the agency or property thereof; also to issue warrants to pay the formation expenses of the agency, which warrants may bear interest at a rate not exceeding 6 percent per annum from the date of issue until funds are available to pay the warrants, and which formation expenses may include fees of attorneys and others employed to conduct the formation proceedings.

11. To issue negotiable promissory notes bearing interest at a rate not exceeding 7 percent per annum; provided, however, that said notes shall be general obligations of the agency payable from revenues and taxes in the same manner as bonds of said agency; and provided further that the maturity shall not be later than five years from the date thereof and that the total aggregate amount of such notes outstanding at any one time may be at least equal to seventy-five thousand dollars (\$75,000) in the Desert Water Agency but shall not otherwise exceed the lesser of either one million five hundred thousand dollars (\$1,500,000) or 3 percent of the assessed valuation of the taxable property in the Desert Water Agency, or, if said assessed valuation is not obtainable, 3 percent of the county auditor's estimate of the assessed valuation of the taxable property in the agency evidenced by his certificate. Promissory notes issued pursuant to Section 51 may be disregarded in computing the aggregate amount of notes that may be issued pursuant to this subdivision;

12. To cause taxes to be levied, in the manner hereinafter provided, for the purpose of paying any obligation of the agency, including its formation expenses and any warrants issued therefor;

13. To restrict the use of agency water during any emergency caused by drought, or other threatened or existing water shortage, and to prohibit the wastage of agency water or the use of agency water during such periods, for any purpose other than household uses or such other restricted uses as may be determined to be necessary by the agency; to prohibit the use of such water during such periods for specific uses which the agency may from time to time find to be nonessential;

14. To prescribe and define by ordinance, the restrictions, prohibitions and exclusions referred to in subdivision 13 hereof. Every ordinance relating to the matters referred to

45.5

Desert Water Agency Law, § 15
(Stats. 1961, Ch. 1069) as amended
Stats. 1971, Ch. 304, § 2

In this subdivision shall be in full force and effect forthwith upon adoption, but shall be published pursuant to Section 6061 of the Government Code in full in a newspaper of general circulation, printed, published and circulated in the agency within 10 days after adoption, or if there be no such newspaper it shall be posted within said time in three public places within the agency;

15. To make contracts, to employ labor, and do all acts necessary for the full exercise of the foregoing powers;

16. In case of condemnation proceedings the board shall proceed in the name of the agency;

17. To provide by ordinance of its board of directors for the pensioning of officers or employees and the creation of a special fund for the purpose of paying such pensions, and the accumulation of contributions to said fund from the revenues of the agency, the wages of officers or employees, voluntary contributions, gifts, donations or any source of revenue not inconsistent with the general powers of the board, and to contract with any insurance corporation or any other insurance carrier for the maintenance of a service covering the pension of such officers or employees, and to provide in such ordinance for the terms and conditions under which such pensions shall be awarded, and for the time and extent of service of officers or employees before such pensions shall be available to them;

18. To acquire, control, distribute, store, spread, sink, treat, purify, reclaim, recapture, and salvage any water, including sewage and storm waters, for the beneficial use or uses and protection of the agency or its inhabitants or the owners of rights to water therein; provided, however, that all waters of the Whitewater River System are excluded from the provisions hereof, except such waters of said system as may be lawfully acquired by the Desert Water Agency; provided further that rights to any water made available by the Desert Water Agency are owned and controlled exclusively by the agency, and no person within or outside of the boundaries of the Desert Water Agency shall acquire any property or other right in such water, except as provided by contract with the agency, or pursuant to such rules and regulations as the agency may from time to time establish and enforce.

19. Subject to the limitations in subdivision 9 of this section, to join with one or more public agencies, private corporations or other persons for the purpose of carrying out any of the powers of the agency, and for that purpose to contract with such other public agencies or private corporations

45.5

or persons for the purpose of financing such acquisitions, constructions and operations. Such contracts may provide for contributions to be made by each party thereto and for the division and apportionment of the expenses of such acquisitions and operations, and the division and apportionment of the benefits, the services and products therefrom, and may provide for any agency to effect such acquisitions and to carry on such operations, and shall provide in the powers and methods of procedure for such agency the method by which such agency may contract. Such contracts with other public agencies or private corporations or persons may contain such other and further covenants and agreements as may be necessary or convenient to accomplish the purposes thereof. The term "public agency," as used in this subdivision, shall be deemed to mean and include the United States of America or any department or agency thereof, the State of California or any department or agency thereof, a county, city, public corporation, the Metropolitan Water District of Southern California, or other public district of this state. The term "private corporation," as used in this subdivision, shall be deemed to mean and include any private corporation organized under the laws of the United States of America or of this or any other state thereof. Contracts mentioned herein include those made with the United States, under the Federal Reclamation Act of June 17, 1902, and all acts amendatory thereof or supplementary thereto or any other act of Congress heretofore or hereafter enacted permitting cooperation. Any such contract with the United States of America or any department or agency thereof, or with any private corporation organized under the laws of the United States of America, by which the Desert Water Agency, or an improvement district thereof, incurs an indebtedness or liability exceeding in any year the income and revenue for such year shall not be executed without the assent of two-thirds of the qualified electors of the agency, or an improvement district thereof, voting at a special election to be held for that purpose, such election to be called and held, so far as practicable, in the same manner as bond elections for the agency. The exact form of such contract need not be available at the time of the special election, but the (1) purpose of the contract; (2) maximum amount of the indebtedness created thereby; (3) maximum term of repayment, and (4) maximum interest rate on such indebtedness shall be known and included in the proposition or measure submitted to the qualified electors of the agency, or an improvement district thereof, at such special election.

20. To commence, maintain, intervene in, defend and compromise, in the name of the agency, or as a class representative of the inhabitants, property owners, taxpayers, or water producers or water users within the agency, or otherwise, and to assume the costs and expenses of any and all actions and proceedings, now or hereafter begun, involving or affecting the ownership or use of water or water rights, used or useful for any purpose of the agency, or a common benefit to the lands within the agency or its inhabitants.

20.1. To commence, maintain, intervene in, defend and compromise, in the name of the agency, or as a class representative of the inhabitants, property owners, taxpayers, water producers or water users within the agency or otherwise, and to assume the costs and expenses of any and all actions or proceedings, now or hereafter begun, to prevent, control, or abate the pollution of water used or useful for any purpose of the agency, or a common benefit to lands within the agency, or to the inhabitants of the agency, or any watershed or basin overlain in whole or in part by the agency or which contributes to the water supply of the agency.

21. Distribute water to persons in exchange for ceasing or reducing ground water extractions and to fix the terms and conditions of any contract under which producers may agree voluntarily to use replenishment water from a nontributary source in lieu of ground water, and to such end an agency may become a party to such contract and pay from the agency funds such portion of the cost of such replenishment waters as will encourage the purchase and use of such water in lieu of pumping so long as the persons or property within the agency are directly or indirectly benefited by the resulting replenishment.

22. To issue bonds under Section 28 of this act for the purpose of providing money required to be paid by this agency as all or part of the terms and conditions under which the corporate area of the Desert Water Agency may be annexed to and become a part of any metropolitan water district organized under the Metropolitan Water District Act. The amount of said bonds may include expenses of all proceedings for the authorization, issuance and sale of the bonds.

23. To issue revenue bonds for any purpose for which general obligation bonds may be issued, and for any purpose for which such bonds could be issued under the provisions of the Revenue Bond Law of 1941 or any other law which by its terms is applicable to this agency.

Desert Water Agency Law, § 15
(Stats. 1961, Ch. 1069) as amended
Stats. 1971, Ch. 304, § 2

24. To use the Improvement Act of 1911 for the construction of any facilities authorized to be constructed under the provisions of this act. The powers and duties conferred by the Improvement Act of 1911 on the various boards, officers and agents of cities shall be exercised by the respective boards, officers and agents of the Desert Water Agency. In the application of said Improvement Act of 1911 to proceedings instituted by the Desert Water Agency, the terms used in said Improvement Act of 1911 shall have the following meanings:

(a) "City council" and "council" shall mean the board of directors of the Desert Water Agency.

(b) "Municipality" and "city" shall mean the Desert Water Agency.

(c) "Clerk" and "city clerk" shall mean the secretary.

(d) "Superintendent of streets," "street superintendent" and "city engineer" shall mean the chief engineer of the agency.

(e) "Tax collector" shall mean the county tax collector.

(f) "Treasurer" and "city treasurer" shall mean the treasurer of the Desert Water Agency.

(g) "Mayor" shall mean the president of the board of directors of the Desert Water Agency.

(h) "Right-of-way" shall mean any parcel of land in, on, under or through which a right-of-way or easement has been granted to the agency for the purpose of constructing and maintaining any works or improvements of the Desert Water Agency.

Any certificates or documents required to be filed or recorded in the office of the superintendent of streets or street superintendent shall be filed and recorded in the office of the secretary of the Desert Water Agency.

Sec. . Section 8 of the El Dorado County Water Agency Act
(Chapter 2139 of the Statutes of 1959) is amended to read:

SEC. 8. The agency shall have the power of eminent domain to acquire within the agency by ~~condemnation in the manner and to the extent prescribed in Article I, Section 14 of the Constitution of the State of California and Title 7, commencing at Section 1237, of Part 3 of the Code of Civil Procedure all property or interest therein necessary for carrying out the powers and purposes of the agency, except that the agency shall not have the power to acquire by condemnation publicly owned property held or used for the development, storage or distribution of water for public use, and it is hereby declared that the use of the property which may be condemned, taken or appropriated under the provisions of this act, is a public use, subject to regulation and control of the State of California in the manner prescribed by law.~~ The agency in exercising such power shall, in addition to the damage for the taking, injury, or destruction of property, also pay the cost of removal and relocation of any structure, railways, mains, pipes, conduits, wires, cables or poles of any public utility which require removal only, or removal and reinstallation in a new location, and provided further, that notwithstanding any other provisions of this act or any other law, no property shall be taken except upon a finding by a court of competent jurisdiction that the taking is for a more necessary public use than that to which it already has been appropriated.

The power of eminent domain vested in the agency shall include the power to condemn in the name of the agency either the fee simple or any lesser estate or interest in any property which the board by resolution shall determine is necessary for carrying out the purposes of the agency. Such resolution shall be prima facie evidence that the taking of such private property, to the extent stated in said resolution, is necessary for carrying out the purposes of the agency.

Sec. . Section 20 of the El Dorado County Water Agency
Act (Chapter 2139 of the Statutes of 1959) is repealed.

~~Sec. 20. (a) If by any judgment in condemnation or agree-~~
ment the agency is required to relocate any street, road, high-
way, railroad, canal or other property subject or devoted to
public use, the board may acquire in the name of the agency,
by agreement or condemnation, all rights of way and other
property necessary or proper for compliance with such agree-
ment or judgment of condemnation and thereafter to make
such conveyance of the relocated street, road, highway, rail-
road, canal, or other property as may be proper to comply with
the agreement or judgment. All agreements for the exchange
of property and all judgments requiring relocation of other
public uses, as specified in this section and in Section 8 of this
act, shall provide that in making the exchange the property
condemned and exchanged shall be limited to public use by the
party with whom such exchange is made.

Kern County Water Agency Act, § 3.4 (Stats. 1961, Ch. 1003)(amended)

Sec. . Section 3.4 of the Kern County Water Agency Act

(Chapter 1003 of the Statutes of 1961) is amended to read:

SEC. 3.4. The agency shall have the power of eminent domain to acquire within or without the agency by condemnation ~~in the manner and to the extent prescribed in Article I, Section 14 of the Constitution of the State of California and Title 7 (commencing at Section 1237) of Part 3 of the Code of Civil Procedure; all property or any interest therein, necessary or convenient for carrying out the powers and purposes of the agency, except that the agency shall not have the power to acquire by condemnation water or property held or used for the development, storage or distribution of water for public use without the consent of the owner of such property, unless provision is made to furnish an equivalent water supply and substitute facilities of equal usefulness for the use of the owner of such property; and it is hereby declared that the use of the property which may be condemned, taken or appropriated under the provisions of this act, is a public use, subject to regulation and control by the State of California in the manner prescribed by law.~~

In lieu of compensation and damages for the taking or damaging of any public utility facility which must be replaced by the public utility to provide service to the public equivalent to that provided by the facility taken or damaged, the agency shall pay to the public utility owning such facility its actual cost incurred to replace in kind the facility so taken or damaged, less proper deductions for depreciation, together with its actual cost incurred to rearrange or rehabilitate the facilities of such public utility not taken or damaged but required to be rearranged or rehabilitated by reason of such taking or damaging.

~~Notwithstanding any other provisions of this act or any other law, no property shall be taken except upon a finding by a court of competent jurisdiction that the taking is for a more necessary public use than that to which it already has been appropriated.~~

The power of eminent domain vested in the agency shall include the power to condemn in the name of the agency either the fee simple or any lesser estate or interest in any property which the board by resolution shall determine is necessary for carrying out the purposes of the agency. Such resolution shall be prima facie evidence that the taking of such property, to the extent stated in said resolution, is necessary for carrying out the purposes of the agency.

No action in eminent domain to acquire property or interests therein outside the boundaries of the County of Kern shall be commenced unless the board of supervisors of each affected county has consented to such acquisition by resolution.

Orange County Water District Act, § 2 (Stats. 1933, Ch. 924) (amended)

Sec. . Section 2 of the Orange County Water District.

Act (Chapter 924 of the Statutes of 1933) is amended to read:

Sec. 2. The "Orange County Water District" shall have power:

1. To have perpetual succession;
2. To sue and be sued, except as otherwise provided herein or by law, in all actions and proceedings in all courts and tribunals;

3. To adopt a seal and alter it at pleasure;

4. To take by grant, purchase, gift, devise, or lease, to hold, use and enjoy, and to lease, convey or dispose of, real and personal property of every kind, within or without the district, necessary or convenient to the full exercise of its powers;

5. Within or outside of the district to construct, purchase, lease, or otherwise acquire, and to operate and maintain necessary waterworks and other works, machinery, facilities, canals, conduits, waters, water rights, spreading grounds, lands, rights and privileges useful or necessary to replenish the underground water basin within said district, or to augment and protect the quality of the common water supplies of said district, and purposes incidental thereto;

6. For the common benefit of said district and for the purpose of replenishing, regulating and protecting the ground water supplies within the district to:

(a) Store water in underground water basins or reservoirs within or outside of said district;

(b) Appropriate and acquire water and water rights within or outside of said district;

(c) Purchase and import water into said district;

(d) Conserve water within or outside of said district;

(e) Buy and to sell water at such rates as shall be determined by the board of directors;

(f) Exchange water;

(g) Distribute water to persons in exchange for ceasing or reducing ground water extractions;

(h) Transport, reclaim, purify, treat, inject, extract, or otherwise manage and control water for the beneficial use of persons or property within the district and to improve and protect the quality of the ground water supplies within the district; and

(i) Fix the terms and conditions of any contract under which owners or operators of water-producing facilities

within the district may agree to use water from an alternative nontributary source in lieu of ground water, and to such end the district may become a party to such a contract and may pay from district funds such portion of the cost of water from an alternate source as will encourage the purchase and use of the same in lieu of producing ground water, as long as persons or property within the district are directly or indirectly benefited by the resulting replenishment;

(j) Determine in the manner herein provided the amount and percentage of water produced from the ground water supplies within the district to the total amount of water produced within district by all persons and operators, including the total amount of water from supplemental sources; require that persons and operators produce more or less of their total water needs from the ground water within district than the basin production percentage determined by district as provided herein; levy a basin equity assessment on those persons and operators who are required by district to produce, or have in fact produced, more water from the ground water within district; and to compensate other such persons and operators who are directed by district to produce less than the basin production percentage from ground water within district;

7. To provide for the protection and enhancement of the environment within and outside such district in connection with the water activities of such district;

8. To provide, by agreement with other public agencies or private persons or entities or otherwise, for the recreational use of the lands, facilities, and works of such district which shall not interfere, or be inconsistent, with the primary use and purpose of such lands, facilities, and works by such district;

9. To carry out the purposes of this act, to commence, maintain, intervene in, defend and compromise, in the name of said district, or otherwise, and to assume the costs and expenses of any and all actions and proceedings now or hereafter begun to prevent interference with water or water rights used or useful to lands within said district, or diminution of the quantity or pollution or contamination of the water supply of said district, or to prevent unlawful exportation of water from said district, or to prevent any interference with the water or water rights used or useful in said district which may endanger or damage the inhabitants, lands or use of water in said district; provided, however, that said district shall not have power to intervene or take part in, or to pay costs or expenses of actions or controversies between the owners of lands or water rights all of which are entirely within the boundaries of said district and which do not involve pollution or contamination of water within said district or exporting water outside of said district's boundaries or any threat thereof;

Orange County Water District Act,
 § 2 (Stats. 1933, Ch. 924) as
 amended Stats. 1970, Ch. 141, § 1

10. To have and exercise the right of eminent domain, and in the manner provided by law for the condemnation of private property for public use, to take any property necessary to the exercise of any of the powers granted by this act, except that said district shall not have the right of eminent domain as to water, water rights, reservoirs, pipelines, water distributing systems, waterworks, or powerplants, all or any of which are already devoted to beneficial or public use and located within the watershed of the Santa Ana River, and excepting further from the exercise of the right of eminent domain by said district any property maintained and actually used for the scientific propagation and study of plantlife. No language or provision of this act, or of this subdivision, shall be interpreted or construed so as to limit or abridge the right of said district, or its board of directors, to exercise its right of eminent domain to condemn property at any place within the Santa Ana River watershed for rights-of-ways upon and across and under which to construct pipelines, conduits, tunnels and/or aqueducts necessary or convenient for any of the purposes of said district provided the property sought to be condemned for said purposes is not already being used by other corporations, municipalities, districts or individuals for similar purposes; providing, however, that neither said district nor its board of directors shall have power to enter in or upon the Mojave River or any of its tributaries or appropriate, take or condemn any of the water or the right to the use of any of the water of said Mojave River or any of its tributaries; nor shall anything in this act be deemed as authorizing or empowering said district or its board of directors to so do. ² Subject to the express limitations hereinbefore set out, in any proceedings relative to the exercise of such right of eminent domain, said district shall have the same rights, powers and privileges as a municipal corporation.

11. The district shall, in addition to the other powers herein granted by this act, have the following rights and powers: to act jointly with or cooperate with the United States or any agency thereof, the State of California or any agency thereof, any county of the State of California, districts of any kind, public and private corporations, and any person or persons, to carry out the provisions and purposes of this act; in such joint or cooperative activities, said district may act within or outside of its boundaries;
12. To cause assessments and/or charges to be levied as hereinafter provided to accomplish the purposes of this act;
13. To make contracts, to employ labor and to do all acts necessary for the full exercise of the foregoing powers;
14. To carry on technical and other investigations of all kinds, necessary to carry out the provisions of this act, and for this purpose said district shall have the right of access through its authorized representative to all properties within said district.

Sec. . Section 39 of the Orange County Water District
Act (Chapter 924 of the Statutes of 1933) is repealed.

Sec. 39. The board of directors shall have power to construct works across any stream of water, watercourse, street, avenue, highway, road, railway, canal, ditch, flume or other property subject to or devoted to public use, in such manner as to afford security to life and property; but said board shall restore said property when so crossed or intersected, to its former state as near as may be, and in such manner as not to have impaired unnecessarily its usefulness. If the owner or owners of any land, easement or franchise so to be crossed can not agree with the district as to the amount to be paid therefor or the location of such crossing or any other matters in connection therewith, the same shall be determined and ascertained in all respects as is in this act provided in respect to the taking of land. In case any street, road, highway, railroad, canal, or other property subject or devoted to public use shall become subject to flooding or other interference by reason of the construction or proposed construction of any works of the district or project the board of directors of the district may, acquire by agreement or condemnation the right so to flood or otherwise interfere with such property, within or without the district whether it be publicly or privately owned, and if such right be acquired by condemnation, the judgment may, if the court shall find that public necessity or convenience so requires, direct the district to relocate such street, road, highway, railroad, canal or other property in accordance with plans prescribed by the court and if by such judgment or by agreement the district shall be required to relocate any such street, road, highway, railroad, canal or other property subject or devoted to public use, the board shall have power to acquire in the name of the district, by agreement or condemnation, all rights of way and other property necessary or proper for compliance with said agreement or said judgment of condemnation and thereafter to make such conveyances of such relocated street, road, highway, railroad, canal, or other property as may be proper to comply with said agreement or judgment. The right of way is hereby given, dedicated and set apart to locate, construct and maintain any of the works of the district over and through any of the lands which are now, or may become the property of this State and also there is given, dedicated and set apart, for the use and purposes aforesaid, all waters and water rights belonging to this State within the district.

San Gorgonio Pass Water Agency Law, § 15 (Stats. 1961, Ch. 1435)(amended)

Sec. . Section 15 of the San Gorgonio Pass Water Agency Law

(Chapter 1435 of the Statutes of 1961) is amended to read:

Sec. 15. The agency incorporated as herein provided, shall have the power: .

1. To have perpetual succession;
2. To sue and be sued, except as otherwise provided herein or by law, in all actions and proceedings in all courts and tribunals of competent jurisdiction;
3. To adopt a seal and alter it at pleasure;
4. To take by grant, purchase, gift, devise, or lease, hold, use, enjoy, and to lease or dispose of real and personal property of every kind, within or without the agency;
5. To acquire, or contract to acquire, waterworks or a waterworks system, waters, water rights, lands, rights and privileges and construct, maintain and operate conduits, pipelines, reservoirs, works, machinery and other property useful or necessary to store, convey, supply or otherwise make use of water for a waterworks plant or system for the benefit of the agency, and to complete, extend, add to, repair or otherwise improve any waterworks or waterworks system acquired by it as herein authorized.
6. To construct, maintain, improve and operate public recreational facilities appurtenant to any water reservoir operated or contracted to be operated by the agency, and to provide by ordinance regulations binding upon all persons to govern the use of such facilities including regulations imposing reasonable charges for the use thereof. Violation of any such regulation shall be a misdemeanor.
7. To lease of and from any person, firm or public or private corporation, or public agency, with the privilege of purchasing or otherwise, all or any part of water storage, transportation or distribution facilities, existing waterworks or a waterworks system, and to carry on and conduct waterworks or a waterworks system; also to sell water under the control of the agency to cities, and to other public corporations and public agencies within the agency, and to the inhabitants of such cities and of other territory within the agency, and to persons, corporations, and other private agencies within the agency for use within said agency without any preference; also to sell water under the control of the agency to any city, or any company or public agency serving a city, which city is located wholly or partially within the agency, for distribution

only within such city; and it may, whenever the board shall find that there is a surplus of water above that which may be required by such consumers within said agency, sell or otherwise dispose of such surplus water to any persons, firms, public or private corporations or public agencies or other consumers.

8. To supply and deliver agency water to publicly owned and operated golf courses and other publicly owned and operated recreational facilities and to public schools, school districts and public school properties, and to fix and establish special rates, terms and conditions for the use and sale of water for each of these purposes; provided, however, that this provision shall not be construed to indicate legislative intent either for or against the existence of any power of the agency to furnish water to other persons, firms or corporations at just and reasonable rates;

9. To ~~have and~~ exercise the right of eminent domain ~~and in the manner provided by law for the condemnation of private property for public use,~~ to take any property necessary to supply the agency or any portion thereof with water, ~~whether such property be already devoted to the same use or otherwise,~~ and may condemn any existing waterworks or system, or any portion thereof, or any waters or water rights owned by any person, firm or private corporation, provided that the use to which such property is to be devoted by the agency must be pleaded and proven by the agency to be a more necessary public use than that to which it is then appropriated, as a condition to the exercise of such right of eminent domain. In proceedings relative to the exercise of such right, the agency ~~shall have all of the rights, powers and privileges of a city,~~ The ~~provided, the agency in exercising such power, shall in addition to the damage for the taking, injury, or destruction of property, also pay the cost of removal, reconstruction, or relocation of any structure, railways, mains, pipes, conduits, wires, cables or poles of any public utility which is required to be removed to a new location. In no event shall the agency have or exercise the power of eminent domain with respect to property situated outside the boundaries of the agency, unless it first obtains the consent of the board of supervisors of the county in which such property is located to such exercise of said power.~~

12. To cause taxes to be levied, in the manner hereinafter provided, for the purpose of paying any obligation of the agency, including its formation expenses and any warrants issued therefor;

13. To restrict the use of agency water during any emergency caused by drought, or other threatened or existing water shortage, and to prohibit the wastage of agency water or the use of agency water during such periods, for any purpose other than household uses or such other restricted uses as may be determined to be necessary by the agency; to prohibit the use of such water during such periods for specific uses which the agency may from time to time find to be nonessential;

14. To prescribe and define by ordinance, the restrictions, prohibitions and exclusions referred to in subdivision 13 hereof. Every ordinance relating to the matters referred to in this subdivision shall be in full force and effect forthwith upon adoption, but shall be published pursuant to Section 6061 of the Government Code in full in a newspaper of general circulation, printed, published and circulated in the agency within 10 days after adoption, or if there be no such newspaper it shall be posted within said time in three public places within the agency;

15. To make contracts, to employ labor, and do all acts necessary for the full exercise of the foregoing powers;

16. In case of condemnation proceedings the board shall proceed in the name of the agency;

17. To provide by ordinance of its board of directors for the pensioning of officers or employees and the creation of a special fund for the purpose of paying such pensions, and the accumulation of contributions to said fund from the revenues of the agency, the wages of officers or employees, voluntary contributions, gifts, donations or any source of revenue not inconsistent with the general powers of the board, and to contract with any insurance corporation or any other insurance carrier for the maintenance of a service covering the pension of such officers or employees, and to provide in such ordinance

18. To acquire, control, distribute, store, spread, sink, treat, purify, reclaim, recapture, and salvage any water, including sewage and storm waters, for the beneficial use or uses and protection of the agency or its inhabitants or the owners of rights to water therein; provided, however, that all waters of the Whitewater River system are excluded from the provisions hereof, except such waters of said system as may be lawfully acquired by the San Geronio Pass Water Agency.

19. Subject to the limitations in subdivision 9 of this section, to join with one or more public agencies, private corporations or other persons for the purpose of carrying out any of the powers of the agency, and for that purpose to contract with such other public agencies or private corporations or persons for the purpose of financing such acquisitions, constructions and operations. Such contracts may provide for contributions to be made by each party thereto and for the division and apportionment of the expenses of such acquisitions and operations, and the division and apportionment of the benefits, the services and products therefrom, and may provide for any agency to effect such acquisitions and to carry on such operations, and shall provide in the powers and methods of procedure for such agency the method by which such agency may contract. Such contracts with other public agencies or private corporations or persons may contain such other and further covenants and agreements as may be necessary or convenient to accomplish the purposes thereof. Particularly, but not exclusively, the agency may contract with the State of California for delivery of water under the State Water Plan. The term "public agency," as used in this subdivision, shall be deemed to mean and include the United States of America or any department or agency thereof, the State of California or any department or agency thereof, a county, city, public corporation, the Metropolitan Water District of Southern California, or other public district of this state. The term "private corporation," as used in this subdivision, shall be deemed to mean and include any private corporation organized under the laws of the United States of America or of this or any other state thereof. Contracts mentioned herein include those made with the United States, under the Federal Reclamation Act of June 17, 1902, and all acts amendatory thereof or supplementary thereto or any other act of Congress heretofore or hereafter enacted permitting cooperation. Any such contract with the United States of America or any department or agency thereof, or with any private corporation organized under the laws of the United States of America, by which the agency, or an improvement district thereof, incurs an indebtedness or liability exceeding in any year the income

and revenue for such year shall not be executed without the assent of two-thirds of the qualified electors of the agency, or an improvement district thereof, voting at a special election to be held for that purpose, such election to be called and held so far as practicable, in the same manner as bond elections for the agency. The exact form of such contract need not be available at the time of the special election, but the (1) purpose of the contract; (2) maximum amount of the indebtedness created thereby; (3) maximum term of repayment, and (4) maximum interest rate on such indebtedness shall be known and included in the proposition or measure submitted to the qualified electors of the agency, or an improvement district thereof, at such special election.

20. To commence, maintain, intervene in, defend and compromise, in the name of the agency, and to assume the costs and expenses of any and all actions and proceedings which involve or affect the ownership or use of water or water rights, used or useful for any purpose of the agency, or a common benefit to the lands within the agency or inhabitants of the agency, and in any such action or proceeding the agency may act as a representative of any class or classes of users of water within the agency, producers of water within the agency or owners of rights to water used or useful within the agency, or owners of property within the agency.

21. Distribute water to persons in exchange for ceasing or reducing ground water extractions and to fix the terms and conditions of any contract under which producers may agree voluntarily to use replenishment water from a nontributary source in lieu of ground water, and to such end an agency may become a party to such contract and pay from the agency funds such portion of the cost of such replenishment waters as will encourage the purchase and use of such water in lieu of pumping so long as the persons or property within the agency are directly or indirectly benefited by the resulting replenishment.

22. To issue bonds under Section 28 of this act for the purpose of providing money required to be paid by this agency to the State of California or any agency thereof under any contract which shall be made with it, or as all or part of the terms and conditions under which the corporate area of the agency may be annexed to and become a part of any metropolitan water district organized under the Metropolitan Water District Act. The amount of said bonds may include expenses of all proceedings for the authorization, issuance and sale of the bonds.

23. To issue revenue bonds for any purpose for which general obligation bonds may be issued, and for any purpose for which such bonds could be issued under the provisions of the Revenue Bond Law of 1941 or any other law which by its terms is applicable to the agency.

24. To use the Improvement Act of 1911 for the construction of any facilities authorized to be constructed under the provisions of this act. The powers and duties conferred by

the Improvement Act of 1911 on the various boards, officers and agents of cities shall be exercised by the respective boards, officers and agents of the agency. In the application of said Improvement Act of 1911 to proceedings instituted by the agency, the terms used in said Improvement Act of 1911 shall have the following meanings:

(a) "City council" and "council" shall mean the board of directors of the agency.

(b) "Municipality" and "city" shall mean the agency.

(c) "Clerk" and "city clerk" shall mean the secretary.

(d) "Superintendent of streets," "street superintendent" and "city engineer" shall mean the chief engineer of the agency.

(e) "Tax collector" shall mean the county tax collector.

(f) "Treasurer" and "city treasurer" shall mean the treasurer of the agency.

(g) "Mayor" shall mean the president of the board of directors of the agency.

(h) "Right-of-way" shall mean any parcel of land in, on, under or through which a right-of-way or easement has been granted to the agency for the purpose of constructing and maintaining any works or improvements of the agency.

Any certificates or documents required to be filed or recorded in the office of the superintendent of streets or street superintendent shall be filed and recorded in the office of the Secretary of the San Geronio Pass Water Agency.

25. To disseminate information concerning the activities of the agency; and in instances in which it shall be found by two-thirds vote of the board of directors to be necessary for the protection of agency rights and properties to disseminate information concerning such rights and properties, also concerning matters which in the judgment of the board may adversely affect such rights and properties; provided, that expenditures during any fiscal year for such purposes shall not exceed one cent (\$.01) for each one hundred dollars (\$100) of assessed valuation of such agency.

Sec. 5. Any authority incorporated as herein provided shall have power:

- (1) To have perpetual succession.
- (2) To sue and be sued in all actions and proceedings and in all courts and tribunals of competent jurisdiction.
- (3) To adopt a corporate seal and alter it at pleasure.
- (4) To take by grant, purchase, bequest, devise or lease, and to hold, enjoy, lease, sell or otherwise dispose of, any and all real and personal property of any kind within or without the authority and within and without the state necessary or convenient to the full exercise of its powers; also to acquire, construct or operate, control and use any and all works, facilities and means necessary or convenient to the exercise of its powers, both within and without the authority, and within and without the state, and to do and perform any and all things necessary or convenient to the full exercise of the powers herein granted.
- (5) To ~~have and exercise the power of eminent domain and, in the manner provided by law for the condemnation of private property for public use, to take any property necessary to the exercise of the powers herein granted. In any proceeding relative to the exercise of such power of eminent domain, the authority shall have the same rights, powers and privileges as a municipal corporation.~~
- (6) To construct and maintain works and establish and maintain facilities across or along any public street or highway and in, upon or over any vacant public lands which are now, or may become the property of the State of California; provided, however, that the authority shall promptly restore any such street or highway to its former state of usefulness as nearly as may be, and shall not use the same in such manner as to completely or unnecessarily impair the usefulness thereof. The grant of the right to use such vacant state lands shall be effective upon the filing by such authority with the Division of State Lands of the Department of Finance, of an application showing the boundaries, extent and locations of

the lands, rights-of-way, or easements desired for such purposes. If the land, rights-of-way or easement for which application shall be made is for the construction of any aqueduct, ditch, pipeline, conduit, tunnel or other works for the conveyance of water, or for roads, or for poles, or towers and wires for the conveyance of electrical energy or for telephonic or telegraphic communication, no compensation shall be charged the authority therefor, unless, in the opinion of the Chief of such Division of State Lands the construction of such works will render the remainder of the legal subdivision through which such works are to be constructed valueless or unsalable, in which event the authority shall pay for the lands to be taken and for such portion of any legal subdivision which, in the opinion of said Chief of the Division of State Lands, are rendered valueless or unsalable. If the lands for which application is made are for purposes other than the construction of roads or for works for the conveyance of water, or electricity or telephonic or telegraphic communication, such authority shall pay to the state for such lands at the reasonable rate determined by the Division of State Lands. Upon filing such application, accompanied by map or plat showing the location or proposed location of such works and/or facilities, the fee title to so much of such state lands as shall be found by the Chief of the Division of State Lands of the Department of Finance to be necessary or convenient to enable such authority to construct or maintain its works and/or to establish or maintain its facilities, shall be conveyed to such authority by patent executed by the Governor of the State of California, attested by the Secretary of State with the Great Seal of said state affixed, and countersigned by the registrar of state lands; if an easement or right-of-way only over such lands be sought by such authority, such easement or right-of-way shall be evidenced by permit or grant executed by such Chief of the Division of State Lands. The Chief of the Division of State Lands may reserve in such patents, grants or permits, easements and rights-of-way across any lands therein described for the construction of streets, roads and highways. Before any such patent, grant or permit shall be executed any compensation due to the state under the provisions hereof, must be paid. In the event that the duties or titles of any of the officers herein mentioned shall be changed by lawful authority, the functions herein required to be performed shall be performed by the appropriate officer or officers of the State of California. No fee shall be exacted from such authority for any patent, permit or grant so issued or for any

In the use of streets or highways the authority shall be subject to the reasonable rules and regulations of the governmental agency in charge thereof, concerning excavations and the refilling of excavations, the relaying of pavements and the protection of the public during periods of construction; provided, that the authority shall not be required to pay any license or permit fees, or file any bonds. The authority may be required to pay reasonable inspection fees.

(7) To borrow money and incur indebtedness and to issue bonds or other evidence of such indebtedness; provided, however, that no authority incorporated hereunder shall incur indebtedness which, in the aggregate, shall exceed fifteen (15) percent of the taxable property of the authority as shown by the last equalized assessment roll of the county in which the authority is located.

(8) To levy and collect taxes for the purpose of carrying on the operations and paying the obligations of the authority; provided, however, that such taxes levied under this section exclusive of any tax levied to meet the bonded indebtedness of such authority and the interest thereon and exclusive of any tax levied to meet any obligation to the United States of America or to any board, department or agency thereof, shall not exceed five cents (\$0.05) on each such one hundred dollars (\$100) of assessed valuation.

(9) To enter into contracts, employ and retain personal services and employ laborers; to create, establish and maintain such offices and positions as shall be necessary and convenient for the transaction of the business of the authority, and to elect, appoint and employ such officers, attorneys, agents and employees therefor as shall be found by the board of directors to be necessary and convenient for the transaction of the business of the authority.

(10) To join with one or more other public corporations for the purpose of carrying out any of its powers, and for that purpose to contract with such other public corporation or corporations for the purpose of financing such acquisitions, constructions and operations. Such contracts may provide for contributions to be made by each party thereto and for the division and apportionment of the expenses of such acquisitions and operations, and the division and apportionment of the benefits, the services and products therefrom. adoption, but shall be published pursuant to Section 6061 of the Government Code in full in a newspaper of general circulation, printed, published and circulated in the agency within 10 days after adoption, or if there be no such newspaper it shall be posted within said time in three public places within the agency.

(15) To make contracts, to employ labor, and do all acts necessary for the full exercise of the agency's powers.

(16) In case of condemnation proceedings the board shall proceed in the name of the agency.

(17) To provide by ordinance of its board of directors for the pensioning of officers or employees and the creation of a special fund for the purpose of paying such pensions, and the accumulation of contributions to said fund from the revenues of the agency, the wages of officers or employees, voluntary contributions, gifts, donations or any source of revenue not inconsistent with the general powers of the board, and to contract with any insurance corporation or any other insurance carrier for the maintenance of a service covering the pension of such officers or employees, and to provide in such ordinance for the terms and conditions under which such pensions shall be awarded, and for the time and extent of service of officers or employees before such pensions shall be available to them.

(18) To acquire, control, distribute, store, spread, sink, treat, purify, reclaim, recapture, and salvage any water, including sewage and storm waters, for the beneficial use or uses and protection of the agency or its inhabitants or the owners of rights to water therein.

(19) To join with one or more public agencies, private corporations or other persons for the purpose of carrying out any of the powers of the agency, and for that purpose to contract with such other public agencies or private corporations or persons for the purpose of financing such acquisitions, constructions and operations. Such contracts may provide for contributions to be made by each party thereto and for the division and apportionment of the expenses of such acquisitions and operations, and the division and apportionment of the benefits, the services and products therefrom, and may provide for any agency to effect such acquisitions and to carry on such operations, and shall provide in the powers and methods of procedure for such agency the method by which such agency may contract. Such contracts with other public agencies or private corporations or persons may contain such other and further covenants and agreements as may be necessary or convenient to accomplish the purposes thereof. The term "public agency," as used in this subdivision, shall be deemed to mean and include the United States of America or any department or agency thereof, the State of California or any department or agency thereof, a county, city, public corporation, the Metropolitan Water District of Southern California, or other public district of this state. The term "private corporation," as used in this subdivision, shall be deemed to mean and include any private corporation organized under the laws of the United States of America or of this or any other state thereof. 8. To issue bonds, borrow money and incur indebtedness as authorized by law or in this act provided; also to refund (by the issuance of the same obligations following the same procedure) or retire any indebtedness or lien that may exist against the agency or property thereof; also to issue warrants to pay the formation expenses of the agency, which warrants may bear interest at a rate not exceeding 8 percent per annum from the date of issue until funds are available to pay the warrants, and which formation expenses may include fees of attorneys and others employed to conduct the formation proceedings.

9. To issue negotiable promissory notes bearing interest at a rate not exceeding 7 percent per annum; provided, however, that said notes shall be general obligations of the agency payable from revenues and taxes in the same manner as bonds of said agency; and provided further that the maturity shall not be later than three years from the date thereof and that the total aggregate amount of such notes outstanding at any one time may be at least equal to seventy-five thousand dollars (\$75,000) but shall not otherwise exceed the lesser of either one million dollars (\$1,000,000) or 2 percent of the assessed valuation of the taxable property in the agency, or, if said assessed valuation is not obtainable, 2 percent of the county auditor's estimate of the assessed valuation of the taxable property in the agency evidenced by his certificate.

10. To cause taxes to be levied, in the manner hereinafter provided, for the purpose of paying any obligation of the agency, including its formation expenses and any warrants issued therefor.

11. To restrict the use of agency water during any emergency caused by drought, or other threatened or existing water shortage, and to prohibit the wastage of agency water or the use of agency water during such periods, for any purpose other than household uses or such other restricted uses as may be determined to be necessary by the agency; to prohibit the use of such water during such periods for specific uses which the agency may from time to time find to be nonessential.

12. To prescribe and define by ordinance, the restrictions, prohibitions and exclusions referred to in subdivision 11 hereof. Every ordinance relating to the matters referred to in this subdivision shall be in full force and effect forthwith upon adoption, but shall be published pursuant to Section 6061 of the Government Code in full in a newspaper of general circulation, printed, published and circulated in the agency within 10 days after adoption, or if there be no such newspaper it shall be posted within said time in three public places within the agency.

Bighorn Mountains Water Agency Law, § 15 (Stats. 1969, Ch. 1175)(amended)

Sec. . Section 15 of the Bighorn Mountains Water Agency Law

(Chapter 1175 of the Statutes of 1969) is amended to read:

Sec. 15. The Bighorn Mountains Water Agency incorporated as herein provided, shall have the power:

1. To have perpetual succession;
2. To sue and be sued, except as otherwise provided herein or by law, in all actions and proceedings in all courts and tribunals of competent jurisdiction;
3. To adopt a seal and alter it at pleasure;
4. To take by grant, purchase, gift, devise, or lease, hold, use, enjoy, and to lease or dispose of real and personal property of every kind, within or without the Bighorn Mountains Water Agency;
5. To acquire, or contract to acquire, waterworks or a waterworks system, waters, water rights, lands, rights and privileges and construct, maintain and operate conduits, pipelines, reservoirs, works, machinery and other property useful or necessary to store, convey, supply or otherwise make use of water for a waterworks plant or system for the benefit of the agency, and to complete, extend, add to, repair or otherwise improve any waterworks or waterworks system acquired by it as herein authorized.
6. To construct, maintain, improve and operate public recreational facilities appurtenant to any water reservoir operated or contracted to be operated by the Bighorn Mountains Water Agency, and to provide by ordinance regulations binding upon all persons to govern the use of such facilities including regulations imposing reasonable charges for the use thereof. Violation of any such regulation shall be a misdemeanor.
7. To lease of and from any person, firm or public or private corporation, or public agency, with the privilege of purchasing or otherwise, all or any part of water storage, transportation or distribution facilities, existing waterworks or a waterworks system, and to carry on and conduct waterworks or a waterworks system; also to sell water under the control of the agency to cities, and to other public corporations and public agencies within the agency, and to the inhabitants of such cities and of other territory within the agency, and to persons, corporations, and other private agencies within the agency for use within said agency without any preference; and it may, whenever the board shall find that there is a surplus of water above that which may be required by such consumers within said agency, sell or otherwise dispose of such surplus water to any persons, firms, public or private corporations or public agencies or other consumers;

45.25

Bighorn Mountains Water Agency Law,
§ 15 (Stats. 1969, Ch. 1175)

8. The agency may supply and deliver water to property not subject to agency taxes at special rates, terms, and conditions as are determined by the board for such service.

9. To ~~have and~~ exercise the right of eminent domain ~~and in the manner provided by law for the condemnation of private property for public use,~~ to take any property necessary to supply the agency or any portion thereof with water, ~~whether such property be already devoted to the same use or otherwise,~~ and may condemn any existing waterworks or system, or any portion thereof, or any waters or water rights owned by any person, firm or private corporation. In proceedings relative to ~~the exercise of such right the agency shall have all of the rights, powers and privileges of a city; provided, that in lieu~~ of compensation and damages for the taking or damaging of any public utility facility which must be replaced by the public utility to provide service to the public equivalent to that provided by the facility taken or damaged, the agency shall pay to the public utility owning such facility its actual cost incurred to replace in kind the facility so taken or damaged, less proper deductions for depreciation, together with its actual cost incurred to rearrange or rehabilitate the facilities of such public utility not taken or damaged but required to be rearranged or rehabilitated by reason of such taking or damaging.

10. To issue bonds, borrow money and incur indebtedness as authorized by law or in this act provided; also to refund (by the issuance of the same obligations following the same procedure) or retire any indebtedness or lien that may exist against the agency or property thereof; also to issue warrants to pay the formation expenses of the agency, which warrants may bear interest at a rate not exceeding 6 percent per annum from the date of issue until funds are available to pay the warrants, and which formation expenses may include fees of attorneys and others employed to conduct the formation proceedings.

11. To issue negotiable promissory notes bearing interest at a rate not exceeding 7 percent per annum; provided, however, that said notes shall be general obligations of the agency payable from revenues and taxes in the same manner as bonds of said agency; and provided further that the maturity shall not be later than five years from the date thereof and that the total aggregate amount of such notes outstanding at any one time may be at least equal to seventy-five thousand dollars (\$75,000) in the Bighorn Mountains Water Agency but shall not otherwise exceed the lesser of either one million five hundred thousand dollars (\$1,500,000) or 3 percent of the assessed valuation of the taxable property in the Bighorn Mountains Water Agency, or, if said assessed valuation is not obtainable, 3 percent of the county auditor's estimate of the assessed valuation of the taxable property in the agency evidenced by his

certificate. Promissory notes issued pursuant to Section 51 may be disregarded in computing the aggregate amount of notes that may be issued pursuant to this subdivision;

12. To cause taxes to be levied, in the manner hereinafter provided, for the purpose of paying any obligation of the agency, including its formation expenses and any warrants issued therefor;

13. To restrict the use of agency water during any emergency caused by drought, or other threatened or existing water shortage, and to prohibit the wastage of agency water or the use of agency water during such periods, for any purpose other than household uses or such other restricted uses as may be determined to be necessary by the agency; to prohibit the use of such water during such periods for specific uses which the agency may from time to time find to be nonessential;

14. To prescribe and define by ordinance, the restrictions, prohibitions and exclusions referred to in subdivision 13 hereof. Every ordinance relating to the matters referred to in this subdivision shall be in full force and effect forthwith upon adoption, but shall be published pursuant to Section 6061 of the Government Code in full in a newspaper of general circulation, printed, published and circulated in the agency within 10 days after adoption, or if there be no such newspaper it shall be posted within said time in three public places within the agency;

15. To make contracts, to employ labor, and do all acts necessary for the full exercise of the foregoing powers;

16. In case of condemnation proceedings the board shall proceed in the name of the agency;

17. To provide by ordinance of its board of directors for the pensioning of officers or employees and the creation of a special fund for the purpose of paying such pensions, and the accumulation of contributions to said fund from the revenues of the agency, the wages of officers or employees, voluntary contributions, gifts, donations or any source of revenue not inconsistent with the general powers of the board, and to contract with any insurance corporation or any other insurance carrier for the maintenance of a service covering the pension of such officers or employees, and to provide in such ordinance for the terms and conditions under which such pensions shall be awarded, and for the time and extent of service of officers or employees before such pensions shall be available to them;

18. To acquire, control, distribute, store, spread, sink, treat, purify, reclaim, recapture, and salvage any water, including sewage and storm waters, for the beneficial use or uses and protection of the agency or its inhabitants or the owners of rights to water therein.

19. Subject to the limitations in subdivision 9 of this section, to join with one or more public agencies, private corporations or other persons for the purpose of carrying out any of the powers of the agency, and for that purpose to contract with such other public agencies or private corporations

or persons for the purpose of financing such acquisitions, constructions and operations. Such contracts may provide for contributions to be made by each party thereto and for the division and apportionment of the expenses of such acquisitions and operations, and the division and apportionment of the benefits, the services and products therefrom, and may provide for any agency to effect such acquisitions and to carry on such operations, and shall provide in the powers and methods of procedure for such agency the method by which such agency may contract. Such contracts with other public agencies or private corporations or persons may contain such other and further covenants and agreements as may be necessary or convenient to accomplish the purposes thereof. The term "public agency," as used in this subdivision, shall be deemed to mean and include the United States of America or any department or agency thereof, the State of California or any department or agency thereof, a county, city, public corporation, or other public district of this state. The term "private corporation," as used in this subdivision, shall be deemed to mean and include any private corporation organized under the laws of the United States of America or of this or any other state thereof. Contracts mentioned herein include those made with the United States, under the Federal Reclamation Act of June 17, 1902, and all acts amendatory thereof or supplementary thereto or any other act of Congress heretofore or hereafter enacted permitting cooperation. Any such contract with the United States of America or any department or agency thereof, or with any private corporation organized under the laws of the United States of America, by which the agency, or an improvement district thereof, incurs an indebtedness or liability exceeding in any year the income and revenue for such year shall not be executed without the assent of two-thirds of the qualified electors of the agency, or an improvement district thereof, voting at a special election to be held for that purpose, such election to be called and held, so far as practicable, in the same manner as bond elections for the agency. The exact form of such contract need not be available at the time of the special election, but the (1) purpose of the contract; (2) maximum amount of the indebtedness created thereby; (3) maximum term of repayment, and (4) maximum interest rate on such indebtedness shall be known and included in the proposition or measure submitted to the qualified electors of the agency, or an improvement district thereof, at such special election.

20. To commence, maintain, intervene in, defend and compromise, in the name of the agency, or as a class representative of the inhabitants, property owners, taxpayers, or water producers or water users within the agency, or otherwise, and to assume the costs and expenses of any and all actions and proceedings, now or hereafter begun, involving or affecting the ownership or use of water or water rights, used or useful for any purpose of the agency, or a common benefit to the lands within the agency or its inhabitants.

20.1. To commence, maintain, intervene in, defend and compromise, in the name of the agency, or as a class representative of the inhabitants, property owners, taxpayers, water producers or water users within the agency or otherwise, and to assume the costs and expenses of any and all actions or proceedings, now or hereafter begun, to prevent, control, or abate the pollution of water used or useful for any purpose of the agency, or a common benefit to lands within the agency, or to the inhabitants of the agency, or any watershed or basin overlain in whole or in part by the agency or which contributes to the water supply of the agency.

21. Distribute water to persons in exchange for ceasing or reducing ground water extractions and to fix the terms and conditions of any contract under which producers may agree voluntarily to use replenishment water from a nontributary source in lieu of ground water, and to such end an agency may become a party to such contract and pay from the agency funds such portion of the cost of such replenishment waters as will encourage the purchase and use of such water in lieu of pumping so long as the persons or property within the agency are directly or indirectly benefited by the resulting replenishment.

22. To issue revenue bonds for any purpose for which general obligation bonds may be issued, and for any purpose for which such bonds could be issued under the provisions of the Revenue Bond Law of 1941 or any other law which by its terms is applicable to this agency.

23. To use the Improvement Act of 1911 for the construction of any facilities authorized to be constructed under the provisions of this act. The powers and duties conferred by the Improvement Act of 1911 on the various boards, officers and agents of cities shall be exercised by the respective boards, officers and agents of the Bighorn Mountains Water Agency. In the application of said Improvement Act of 1911 to proceedings instituted by the Bighorn Mountains Water Agency, the terms used in said Improvement Act of 1911 shall have the following meanings:

- (a) "City council" and "council" shall mean the board of directors of the Bighorn Mountains Water Agency.
- (b) "Municipality" and "city" shall mean the Bighorn Mountains Water Agency.
- (c) "Clerk" and "city clerk" shall mean the secretary.
- (d) "Superintendent of streets," "street superintendent" and "city engineer" shall mean the chief engineer of the agency.
- (e) "Tax collector" shall mean the county tax collector.
- (f) "Treasurer" and "city treasurer" shall mean the treasurer of the Bighorn Mountains Water Agency.
- (g) "Mayor" shall mean the president of the board of directors of the Bighorn Mountains Water Agency.

Bighorn Mountains Water Agency Law,
§ 15 (Stats. 1969, Ch. 1175)

(h) "Right-of-way" shall mean any parcel of land in, on, under or through which a right-of-way or easement has been granted to the agency for the purpose of constructing and maintaining any works or improvements of the Bighorn Mountains Water Agency.

Any certificates or documents required to be filed or recorded in the office of the superintendent of streets or street superintendent shall be filed and recorded in the office of the secretary of the Bighorn Mountains Water Agency.

Sec. . Section 8 of the Tuolumne County Water Agency

Act (Chapter 1236 of the Statutes of 1969) is amended to read:

Sec. 8. The agency shall have the power of eminent domain to acquire within the agency ~~by condemnation in the manner and to the extent prescribed in Article I, Section 14 of the Constitution of the State of California and Title 7 (commencing with Section 1237) of Part 3 of the Code of Civil Procedure~~ any property or interest therein necessary for carrying out the powers and purposes of the agency, except that the agency shall not have the power to acquire by condemnation publicly owned property held or used for the development, storage or distribution of water for public use, and it is hereby declared that the use of the property which may be condemned, taken or appropriated under the provisions of this act, is a public use, subject to regulation and control of the State of California in the manner prescribed by law. In lieu of compensation and damages for the taking or damaging of any public utility facility which must be replaced by the public utility to provide service to the public equivalent to that provided by the facility taken or damaged, the agency shall pay to the public utility owning such facility its actual cost incurred to replace in kind the facility so taken or damaged, less proper deductions for depreciation, together with its actual cost incurred to rearrange or rehabilitate the facilities of such public utility not taken or damaged but required to be rearranged or rehabilitated by reason of such taking or damaging.

~~The power of eminent domain vested in the agency shall include the power to condemn in the name of the agency either the fee simple or any lesser estate or interest in any property which the board by resolution shall determine is necessary for carrying out the purposes of the agency. Such resolution shall be prima facie evidence that the taking of such private property, to the extent stated in said resolution, is necessary for carrying out the purposes of the agency.~~

Sec. . Section 20 of the Tuolumne County Water Agency
Act (Chapter 1236 of the Statutes of 1969) is repealed.

~~Sec. 20. (a) If by any judgment in condemnation or agreement the agency is required to relocate any street, road, highway, railroad, canal or other property subject or devoted to public use, the board may acquire in the name of the agency, by agreement or condemnation, all rights-of-way and other property necessary or proper for compliance with such agreement or judgment of condemnation and thereafter to make such conveyance of the relocated street, road, highway, railroad, canal, or other property as may be proper to comply with the agreement or judgment. All agreements for the exchange of property and all judgments requiring relocation of other public uses, as specified in this section and in Section 8 of this act, shall provide that in making the exchange the property condemned and exchanged shall be limited to public use by the party with whom such exchange is made.~~

(b) In the event the agency and any common carrier railroad or other public utility fail to agree as to the character or location of new improvements or works sought to be performed by the agency, the character and location of such new improvements or works and any other controversy relating thereto shall be submitted to and determined by the Public Utilities Commission.

(c) Proceedings under this section relating to the jurisdiction of said commission may be instituted, maintained and determined in the manner prescribed in Chapter 6 (commencing with Section 1201) of Part 1 of Division 1 of the Public Utilities Code.

Sec. . Section 26 of the Kings River Conservation District Act
(Chapter 931 of the Statutes of 1951) is amended to read:

SEC. 26. The district shall have the following powers, including those necessarily implied therefrom:

- (1) To have perpetual succession.
- (2) To sue and be sued except as otherwise provided herein or by law in all actions and proceedings in all courts and tribunals of competent jurisdiction.
- (3) To adopt a seal and alter it at pleasure.
- (4) To do any and every lawful act necessary to be done to furnish water and electrical energy in the district for any present or future beneficial use or uses, including, without limiting the generality of the foregoing, irrigation, domestic, fire protection, municipal, power and other beneficial uses.
- (5) To take by grant, purchase, gift, devise, lease, either with or without the privilege of purchase, or otherwise, and to hold, use, enjoy, and to lease and dispose of real and personal property of every kind within or without the district necessary to the full exercise of its powers.
- (6) To construct, purchase, lease, or otherwise acquire water works and other works and machinery, canals, conduits, and reservoirs and to purchase, lease or otherwise acquire water rights, storage rights, storage sites, water sheds, lands, rights and privileges useful or necessary to convey, supply, store or otherwise make use of water for any purposes authorized by this act and to operate and maintain the same for the benefit of the district.
- (7) To construct, purchase, lease or otherwise acquire works for the generation, transmission, distribution, sale and lease of electric power, including the sale and disposition thereof to municipalities, districts, corporations or persons and to do all necessary and proper acts for the construction and operation of such electric power works.
- (8) To appropriate, acquire and conserve water and water rights for any useful purpose, and to store and conserve water for future use.

§ 26 (Stats. 1951, Ch. 931)

(9) To commence, maintain, intervene in and compromise in the name of the district and to assume the costs of any action or proceeding involving or affecting the ownership or use of water or water rights within the district used or useful for any purpose of the district; to commence, maintain, intervene in, defend and compromise actions and proceedings to prevent interference with or diminution of the natural flow of any stream or natural underground supply of waters used or useful for any purpose of the district or a common benefit to lands within the district or its inhabitants; and to commence, maintain and defend actions and proceedings to prevent any interference with such waters as may endanger the inhabitants or lands of the district or as may impair, damage or threaten the exercise of any right to waters belonging to the district or a common benefit to lands within the district or to its inhabitants.

(10) To sell water or the use thereof for any useful purposes and, when there is a surplus, to sell and otherwise dispose of the same to municipalities, public agencies or to consumers or users, including publicly and privately owned utilities, mutual water companies, corporations and persons without the boundaries of the district.

(11) To sell, dispose of and distribute electric power for any useful purpose, and, when there is a surplus, to sell or otherwise dispose of the same to consumers or users including public and private corporations without the boundaries of the district.

(12) To ~~acquire by condemnation and in the manner and to the extent now prescribed in Title 7, Part 3 of the Code of Civil Procedure, all~~ property necessary or convenient for carrying out the purposes of this act except that the district shall not have power to acquire by condemnation any property held or used for the development, storage, or distribution of water for public use.

(13) To borrow money and incur indebtedness and to issue bonds or other evidences of indebtedness; also to refund and retire any indebtedness or lien that may exist against the district or the property thereof.

(14) To make contracts, employ labor and do all acts necessary for the full exercise of the powers of the district. The board may cause construction or other work to be performed or carried out by contract or by the district under its own superintendence.

(15) To sell or lease any lands belonging to the district for oil, gas, or other hydrocarbon substances or other minerals when deemed by the board to the best interest of the district, subject, however, to the provisions of Chapter 5, Part 2, Division 6, of the Public Resources Code.

(16) To cooperate, act in conjunction and contract with the United States, State of California, municipalities, public and private corporations of any kind and persons in the construction of any works for storing, conserving or distributing waters of the district or belonging to any inhabitant or owner of land or water rights therein or for the control of flood and storm waters, the draining or reclaiming of lands, the protection of property, water sheds, water courses, underground supplies, highways or life or for the purpose of conserving, storing, salvaging, recapturing, distributing, or transporting such waters for beneficial use or uses of the district or of the owners of rights to water therein, and for the use, operation, management and control of such works; to make and perform any agreement with the United States, the State of California, any public or private corporation of any kind and any person, or any of them, for the joint acquisition, disposition or operation of any property or works of a kind which might be acquired, disposed of or operated by the district.

(17) To cooperate and contract with the United States under the Federal Reclamation Act of June, 1902, and all acts amendatory thereof or supplementary thereto or any other act of Congress heretofore enacted authorizing or permitting such cooperation or contract for the purpose of construction of works, whether for irrigation, drainage, flood control or for the development of electric or other power, or for the acquisition, purchase, extension, operation or maintenance of such works, or for a water supply, or for the assumption as principal or guarantor of indebtedness to the United States and to carry out and perform the terms of any contract so made, and for said purposes the district shall have all powers, rights and privileges possessed by irrigation districts and, except as herein otherwise provided, shall exercise such powers, rights and privileges in the same manner and subject to the same restrictions and limitations as irrigation districts, all as provided in Chapter 2 of Part 6 of Division 11 of the Water Code, as such provisions now exist;

Kings River Conservation District Act,
§ 26 (Stats. 1951, Ch. 931)

provided, however, that in any such contract made by the district and the United States, the land which may be charged with any taxes or assessments under such contract shall be designated and described, and the contract shall not include any lands which will not be benefited by the works or system contemplated under such contract, nor shall it impair, restrict, or provide for the control of any right in or to water or the use thereof without the consent of the owner of such right. Such contract may exempt from tax or assessment any land benefited by the works or system contemplated by such contract if such land, or any agency on its behalf, has paid to the district or to the United States its proper share of the construction costs of such works or system. Such contract may provide for the release of the land described therein, or any portion thereof, from any tax or assessment upon payment to the district or the United States of its proper share of the construction cost of such works or system. Nothing herein contained shall prevent the district, whether pursuant to any such contract or otherwise, from levying taxes or assessments for the cost of the operation and maintenance of any such works or system, subject, however, to the limitations provided in Section 37 of this act. The proceedings for voting at an election upon a proposal to enter into such contract with the United States shall be had, insofar as applicable, in the manner provided in the case of the issuance of district bonds; provided, however, that in the event the board shall determine that all liabilities of the district incurred under the provisions of such contract can be repaid and liquidated as to both principal and interest from revenues from the works or system contemplated under such contract and payments made to the district by public or private corporations or persons pursuant to written contracts providing for the payment of whatever amounts may be necessary to amortize the portion of said cost which may under said contracts be underwritten by such corporation or persons, then upon the adoption of such resolution the board shall have power on behalf of the district, without the necessity of an election, to enter into such

repayment contracts with the United States, subject to all provisions of this act applicable to such contracts except provisions requiring an election to authorize such contracts; provided further, however, no such contract shall charge any land with any tax or assessment for the payment of the cost of constructing the works or system contemplated in such contract. In the event that the revenues of the district from the works contemplated by any contract approved at an election shall be, or in the judgment of the board are likely to be, inadequate to pay all charges payable to the United States under such contract and all charges for construction, acquisition, operation and maintenance of the works acquired or constructed under such contract, a tax shall be levied for the payment of such charges on the land in the portion of the district designated and described in such contract as the territory to be charged therewith.

(18) To conserve and store water, including storm and flood waters, by means of any works authorized in this act and by spreading and sinking the same in any underground basin or basins or the gravels and detritus thereof by any means appropriate therefor, which storage and conservation, whether surface or underground, may be made by the district on its own behalf or on behalf of any owner of the right to the water so stored or conserved on such terms and conditions as may be fixed by the board and the owner; and the district or the owner in whose behalf it acted, when waters are so stored and conserved, may recapture and use the same for any beneficial purpose or use or may permit the recapture and use thereof by others under such terms and conditions as may be fixed by the board or by such owner and the board if conserved and stored on behalf of the owner; and the district may contract with others for the use of any property, conduits, canals, ditches, reservoirs or reservoir sites or dams or other facilities for the purpose of conserving, storing, spreading, or sinking, transporting or distributing such waters.

Kings River Conservation District Act,
§ 26 (Stats. 1951, Ch. 931)

(19) To control flood and storm waters within the district and flood and storm waters of streams or watercourses outside of the district which flow into the district and conserve such waters by storage either surface or underground, to divert and transport such waters for beneficial uses within the district and otherwise to reduce the waste of water and protect life and property from floods within the district.

(20) To drain and reclaim lands within the district either by surface or underground works or both; and to divert, store, conserve, transport and dispose of water resulting from such operations for any beneficial use.

Sec. . Section 2 of the Water Conservation Act of

1927 (Chapter 91 of the Statutes of 1927) is amended to read:

Sec. 2. Powers of District. Any water conservation district organized and established as herein provided shall have power:

A. To have perpetual succession.

B. To sue and be sued, except as otherwise provided herein or by law, in all actions and proceedings in all courts and tribunals of competent jurisdiction.

C. To adopt a seal and alter it at pleasure.

D. To take by grant, appropriation, purchase, gift, devise, condemnation or lease, and to hold, use, enjoy and to sell, lease, or otherwise dispose of, real and personal property of every kind, within or without the district necessary or convenient to the full exercise of its powers.

E. To make and perform any agreement with the United States, under the federal reclamation laws or otherwise, to the extent that it is not inconsistent with any state law applicable to the district, or with any state, county, district of any kind or zone or subdivision of such district, public corporation, any person or any number of them, as follows:

(1) For the joint acquisition, disposition, or operation of any property of a kind which might be acquired by the district;

(2) To cooperate to obtain rights, permits or licenses to appropriate water, and to purchase, acquire, sell, lease or otherwise transfer or dispose of such rights, permits or licenses in accordance with such agreement;

(3) For the transfer of assets, for the public purpose of water conservation, to the United States, the State of California, or any county, district of any kind, or zone or subdivision of such district, or a public corporation of the State of California, having power to use such assets for purposes of water conservation and to make such transfer without consideration;

(4) To acquire assets, for the public purpose of water conservation, by transfer without consideration from the United States, the State of California, or any county, district of any kind, or zone or subdivision of such district, or a public corporation of the State of California, having the power to use such assets for purposes of water conservation;

(5) To acquire, store and distribute a surface water supply for purposes of irrigation, seasonal storage, or underground replenishment, or for any or all such purposes;

Water Conservation Act of 1927, § 2
(Stats. 1927, Ch. 91) as amended

(6) To provide for the construction, operation or maintenance of such works, facilities or operations within or without the district boundaries as the board deems necessary to protect the land in or property of the district, from damage by flood or overflow, to replenish underground water, or to store, supply or distribute surface waters to lands within the district, and to contribute to the cost or expense thereof out of its general fund or any special fund provided therefor. Nothing contained in this act shall be deemed to empower a district organized hereunder to acquire a supply of water or any right to a supply of water from an underground source; provided, that this limitation shall not be applicable to any district, all or any portion of the water supply of which is secured from an underground source on October 1, 1953; except that such acquisition is authorized if acquired incidental to acquisition of land for other purposes of the district; provided, that the district shall be prohibited from exercising such rights so acquired.

F. To make surveys and investigations of the water supply and resources of the district; to conserve and store water by acquiring dams, dam sites, reservoirs, reservoir sites, canals, ditches and conduits, and constructing dams and reservoirs for storage of water, and by spreading and sinking water; to build, construct or acquire the necessary dams, dam sites, reservoirs, reservoir sites, canals, ditches and conduits, spreading basins, sinking wells and sinking basins therefor; to maintain, operate and repair any of the constructions herein named; to appropriate, acquire and conserve water and water rights for any useful purpose; to commence, maintain, intervene in and compromise, in the name of the district, and to assume the costs of, any action or proceeding involving or affecting the ownership or use of water or water rights within the district, used or useful for any purpose of the district, or of common benefit to the lands situated therein; to commence, maintain, intervene in, defend and compromise actions and proceedings to prevent interference with or diminution of the natural flow of any stream or unnavigable river, including the natural subterranean supply of waters therefrom, which may be used, or useful, for any purpose of the district, or a common benefit to the lands within the district or its inhabitants; and to commence, maintain and defend actions and proceedings to prevent any such interference with the aforesaid waters as may endanger the inhabitants or lands of the district.

G. To ~~have and exercise the right of eminent domain, in the manner provided by law for the condemnation of private property for public use,~~ to take any property necessary to be used for spreading basins, sinking wells or sinking basins, or to operate or to make use of same, or otherwise necessary to accomplish the purposes of this act.

H. To cause taxes to be levied, as herein provided, for the purpose of paying any obligations of the district and to ac-

comply with the purposes of this act in the manner herein provided.

I. To make contracts, to employ labor and to do all acts necessary for the full exercise of the powers herein granted; provided, that said district shall not have power to commence, intervene in, compromise, maintain or defend actions, or pay costs of the same, in controversies between the owners of lands or water rights within the boundaries of the district and which do not involve taking water outside of or away from the district.

J. To fix and collect tolls or charges for water supplied for surface irrigation.

K. To submit any contract or proposed contract to the superior court of the county in which is situated the office of the board to determine the validity thereof and the authority of the district to make the contract. The validation proceedings shall be had as in the ordinary case of the judicial determination of the validity of irrigation district bonds, and with like effect.

L. To provide for, construct, maintain and operate such works and facilities, within or without its boundaries, as the board may deem necessary to protect the land in, or the property of, the district, from damage by flood or overflow, or to store, supply or distribute surface waters to lands within the district, and to pay the cost and expense thereof out of its general fund or any special fund provided therefor. Nothing contained in this act shall be deemed to empower a district organized hereunder to acquire a supply of water or any right to a supply of water from an underground source; provided, that this limitation shall not be applicable to any district, all or any portion of the water supply of which is secured from an underground source on October 1, 1953; except that such acquisition is authorized if acquired incidental to acquisition of land for other purposes of the district; provided, that the district shall be prohibited from exercising such rights so acquired.

M. To establish rules and regulations regarding the sale of water, its distribution, and the collection of tolls and charges therefor, and to therein provide for payment in advance of delivery and for refusal of water delivery to persons against whom there are delinquent water tolls or charges. Nothing herein shall be construed as requiring the district to deliver water to any person or lands within the district, ratably or otherwise.
