First Supplement to Memorandum 76-91

Subject: Study 77.400 - Nonprofit Corporations (Division 4--Review of Comments)

At the October meeting, the Commission decided to integrate the provisions of Division 4 into the nonprofit corporation law itself rather than retaining these provisions as a separate division. See Memorandum 76-96.

The decision to eliminate Division 4 makes it unnecessary to discuss some of the matters listed in Memorandum 76-91. The matters that need NOT be discussed are indicated below (references are to the headings in Memorandum 76-91):

- (1) References to Division 4 in Divisions 1 and 2 (page 1).
- (2) § 14405. Transact intrastate business (page 2).
- (3) § 14450. Scope of division (pages 2-3).
- (4) § 14535. Filing fees (page 6).
- (5) § 14852. Service on Secretary of State (page 6).
- (6) § 14603. Designation of agent for service (page 8).
- (7) § 14611. Qualification of corporation as agent for service (page 9).
- (8) § 14873. Proposed addition by staff (pages 10-11).

Respectfully submitted,

John H. DeMouilly
Executive Secretary
