Memorandum 77-18

Subject: Schedule for Review of Work of Select Committee

Some time ago, a brief discussion of the work of the Select Committee on the Nonprofit Corporation Code resulted in a decision that the staff would prepare an analysis of the draft prepared by the Select Committee as compared to the bills introduced to effectuate the recommendation of the Law Revision Commission. The staff was hopeful that this review could take place while the Commission's bills were in the first house so that any needed amendments could be made before the bills were passed by the first house.

Several commissioners had indicated they wish to receive the staff material prepared by the staff of the Select Committee, and the Commission's staff has been forwarding that material as it is received.

Commissioner Miller has requested that the matter of the schedule for review by the commission of the work of the Select Committee be placed on the agenda at the March 1977 meeting for discussion.

Respectfully submitted,

John H. DeMouilly
Executive Secretary
