Memorandum 80-2

Subject: Election of Vice Chairperson

Last October, the Commission determined that the election of a Vice Chairperson should be an item of business at the January 1980 meeting. In response to this decision, we have included this matter on the agenda for the January 1980 meeting. The new Vice Chairperson will hold office for a term that ends on December 30, 1981.

Respectfully submitted,

John H. DeMouilly
Executive Secretary
