

Memorandum 81-71

Subject: Study D-300 - Enforcement of Judgments (AB 707 and 798)

Copies of Assembly Bill 707 and Assembly Bill 798 (as amended) are attached. The amended bills reflect the decisions made by the Commission when comments and suggestions for amendment were previously considered. (The Commission determined at the September Meeting to make additional amendments to these bills; the additional amendments are included in the Minutes of the September meeting).

We plan to prepare a series of supplements to this memorandum. In these supplements, the staff will present for Commission consideration suggestions concerning AB 707 and 798 from various interested persons and organizations and staff suggestions. We plan to direct our discussion in these supplements to AB 707 and 798 as attached to this Memorandum.

If you are so inclined, you may want to review the attached bills to determine that the amendments so far made are satisfactory and that the unamended portions of the bills also are satisfactory.

Respectfully submitted,

John H. DeMouilly
Executive Secretary
