

First Supplement to Memorandum 86-85

Subject: Study L-1028 - Independent Administration of Estates

Set out below is a portion of a communication from Elizabeth R. McKee, Richmond. Ms. McKee is a legal assistant. This portion of her communication discusses and approves the changes proposed to be made in existing law by the Tentative Recommendation Relating to Independent Administration.

Study L-1028 - INDEPENDENT ADMINISTRATION OF ESTATES

Page 3 - Special Administrators: The proposed new procedure allowing a special administrator to use independent administration authority will save time and costs.

Page 4 - Waivers: These two proposed changes, used under the appropriate circumstances, will help minimize the voluminous paper flow in administration of the estate proceedings.

Pages 35, 36 and 37 - Statutory Waiver of Advice of Proposed Action: This new procedure will save a lot of time wherein the personal representative is also the sole heir and does not need to go through the motions of sending himself/herself waivers for every action taken in an estate proceeding.

Respectfully submitted,

John H. DeMouilly  
Executive Secretary
