

Second Supplement to Memorandum 86-201

Subject: Study L-1011 - Opening Estate Administration (Review of
Comments on Tentative Recommendation)

The draft of Section 8404 (statement of duties and liabilities) in the revised recommendation attached to Memorandum 86-201 inadvertently omits subdivisions (b) and (c). The missing material is set out below:

(b) In addition to the signature of the personal representative, the statement shall include the driver's license number and social security number of the personal representative. The social security number shall not be made a part of the file but shall be kept confidential for court use only.

(c) This section does not apply to a trust company that is appointed as personal representative.

Respectfully submitted,

Nathaniel Sterling
Assistant Executive Secretary
