

Memorandum 92-38

Subject: 1992 Legislative Program

Attached to this memorandum is a chart showing the status of the Commission's 1992 legislative program. The chart will be updated orally at the July Commission meeting.

All bills are moving along smoothly. Both the Family Code (AB 2650 and 2641) and the general probate bill (SB 1496) have gone to the governor for his signature.

SB 1496 (Senate Judiciary Committee)--Omnibus Probate Bill

We have been told informally by the banks that they will not seek the veto of SB 1496, but will come to the Commission for redress if they encounter problems with recognition of an agent's authority.

AB 3328 (Horchner)--Special Needs Trusts

We received a request from the California Association of Mental Health Directors that the reimbursement provisions in AB 3328 be extended to county agencies that provide services to the beneficiary. The amendments are set out in Exhibit 1.

County agencies have a right of reimbursement under Welfare and Institutions Code Sections 17109 and 17403. To allow county agencies reimbursement on termination of a special needs trust is consistent with the purpose and thrust of the bill.

All interested agencies and organizations involved with the bill approved the proposed amendments. With the concurrence of Chairperson Marzec we amended the bill as requested. The bill as amended was approved by the Senate Judiciary Committee on the consent calendar and by the Senate Appropriations Committee without a hearing.

Respectfully submitted,

Nathaniel Sterling
Executive Secretary
