Memorandum 97-53**Schedule of Future Meetings**

Attached to this memorandum is a suggested meeting schedule for 1998.

After the success of the Monday, July 21, meeting in Sacramento, Commission members felt it would be worth experimenting with a Monday/Sacramento meeting schedule for 1998. There are a number of considerations involved with a Monday/Sacramento meeting schedule, including the disruptive effect of the Monday holiday law, the disruptive effect of tule fog season, the limited availability of Legislative members during the session, and the limited availability of meeting space in the Capitol during the session. The attached schedule tries to accommodate these factors to the extent practicable.

Please check your calendars and at the Commission meeting raise any issues you have concerning the suggested schedule.

Respectfully submitted,

Nathaniel Sterling
Executive Secretary
