

Memorandum 2003-12

2003 Legislative Program: Status of Bills

Attached to this memorandum is a chart showing the status of bills in the Commission's 2003 legislative program. This memorandum presents additional information concerning a few of the bills.

The Governor has until October 12 to act on any bill that reaches him after September 1. Therefore he might not act on AB 182 or AB 512 before the Commission meeting (although it is likely he will act before October 7).

We will update this memorandum at the meeting with any further information we have at that time.

COMMISSION RECOMMENDATIONS

AB 512 (Bates) — Procedural Fairness in CID Rulemaking and Decisionmaking

This bill is the subject of a separate memorandum. See Memorandum 2003-32, scheduled for consideration at the September meeting.

SB 111 (Knight) — Obsolete Reporting Requirements

The bill cannot be heard in the policy committee until January 2004, making it a two-year bill.

ALSO OF INTEREST

AB 286 (Dutra) — Double Liability Problem in Home Improvement Contracts

The bill is pending in the policy committee in the second house. It is a two-year bill. There is significant opposition, and the bill may well be further amended before it is heard in committee next year.

Respectfully submitted,

Nathaniel Sterling
Executive Secretary
