

## Memorandum 2006-18

**2006 Legislative Program: Status of Bills**

---

Attached to this memorandum is a chart showing the status of bills in the Commission's 2006 legislative program. We will update the information in the chart with any changes at the time of the Commission meeting. This memorandum supplements the information in the chart.

## PENDING LEGISLATION

**AB 69 (Harman) – Ownership of Amounts Withdrawn from Joint Account**

This measure passed the Assembly unanimously in 2005, but the Senate Judiciary Committee staff had concerns with it. We have been working with committee staff and the California Bankers Association to see whether we can devise an acceptable resolution before setting the bill for hearing in 2006.

**AB 770 (Mullin)/SB 551 (Lowenthal) — CID Ombudsperson**

We will bring the Commission up to date with activity on these bills at the Commission meeting.

**AB 1133 (Harman) – Waiver of Privilege By Disclosure**

This measure faces significant opposition in the Senate Judiciary Committee. The author has decided to let it die.

**AB 1302 (Horton) – Emergency Rulemaking**

AB 1302 (Horton), relating to administrative rulemaking, has been amended to incorporate the substance of the Commission's recommendation on *Emergency Rulemaking Under the Administrative Procedure Act* (2004). We had delayed introduction of this measure out of concern that it could get entangled with unrelated political issues about overuse of emergency rulemaking.

## ALSO OF INTEREST

### **AB 928 (J. Horton) – CLRC Study of Attorneys Fees**

This bill would prescribe attorneys fees in a collection action to enforce a contract and would sunset on January 1, 2010. The bill would also direct the Law Revision Commission to study the appropriate amount, if any, of a statewide fee scale for attorneys fees in a collection action to enforce a contract that provides for attorneys fees. The Commission's report, including recommendations, would be due by January 1, 2009.

The bill has passed the Assembly and is pending in the Senate Judiciary Committee.

### **AB 1162 (Mullin) – CLRC Study of Eminent Domain**

This bill would direct the Law Revision Commission to study whether the law governing the appraisal and valuation process in eminent domain proceedings fairly compensates a condemnee for the taking of its property, including the role and importance of legal counsel for the condemnee. The Commission's report on this study, together with any recommendations for changes in the law, would be due by January 1, 2008.

The bill passed the Assembly in a different form and is pending in the Senate.

### **AB 2034 (Spitzer) – CLRC Study of Donative Transfer Restrictions**

This bill, sponsored by the State Bar Trusts & Estates Section, would direct the Law Revision Commission to study "the operation and effectiveness of the provisions of the Probate Code restricting donative transfers to certain classes of individuals." The statute referred to is Section 21350 *et seq.*, enacted in 1993 in response to a scandal involving an estate planning attorney who named himself and his family members as fiduciaries for, and beneficiaries of, his clients' estates. The statute invalidates such provisions, subject to exceptions.

The bill would require the Commission to address the following issues in considering the overall effectiveness of the current statutory scheme in protecting a transferor from fraud, menace, or undue influence, while still ensuring freedom of disposition and rewarding "good Samaritans":

- (1) Whether the potential for abuse by care custodians militates in favor of creating a separate, more restrictive, regulatory scheme for donative transfers to that class and how the common law presumption of undue influence that arises when a person having a

confidential relationship with a transferor, who actively participates in the transfer and unduly benefits from it, bears on this.

(2) Whether the provisions concerning gifts to care custodians should be moved to a separate section of the Probate Code.

(3) Whether the definition of "care custodian" contained in subdivision (c) of Section 21350 of the Probate Code should be changed and whether it should include long time family friends, nonprofessional caregivers who have a preexisting relationship with the transferor, or other "good Samaritans."

(4) Whether it should be necessary to have a second attorney, rather than the drafting attorney, sign a certificate of independent review in cases in which the drafting attorney is independent of the transferee.

(5) Whether the uses of the drafting attorney's testimony is or should be limited pursuant to subdivision (d) of Section 21351 of the Probate Code, in cases in which that attorney is independent, and if so, whether the statute should be changed accordingly.

(6) What is or should be the meaning of the phrase "not based solely upon the testimony of any person described in subdivision (a) of Section 21350" contained in subdivision (d) of Section 21351 of the Probate Code, and to what extent there is an actual need for a limitation on testimony.

The Commission's report of its study and recommended revisions and improvements would be due by January 1, 2009.

The bill has passed the Assembly and is pending in the Senate Judiciary Committee.

#### **ACR 73 (McCarthy) – CLRC Study of Firearms Statutes**

This measure would direct the Commission to study, report on, and prepare recommended legislation concerning revision of the portions of the Penal Code relating to the control of deadly weapons. The Commission's report on the matter would be due by July 1, 2008.

The measure has passed the Assembly and is pending in the Senate Public Safety Committee.

Respectfully submitted,

Nathaniel Sterling  
Executive Secretary
