

First Supplement to Memorandum 2008-59

**Nonsubstantive Reorganization of Deadly Weapon Statutes:
Assault Weapons and .50 BMG Rifles**

Memorandum 2008-59 states that a draft of Chapter 2 of Division 10 of Title 4 of new Part 6, relating to assault weapons and .50 BMG rifles, will be provided in a supplement. The staff has done considerable work on the provisions relating to assault weapons and .50 BMG rifles, but has decided not to present that material in a supplement for the December meeting after all. The material is too extensive and too important to distribute so close in time to the meeting. We will produce it for the February meeting instead.

Respectfully submitted,

Barbara Gaal
Chief Deputy Counsel
