First Supplement to Memorandum 2018-11

California Public Records Act Clean-Up: Part 3. Inspection Procedures (Public Comment)

The Commission has received the attached public comment from the California Public Records Act Committee of the City Attorneys’ Department of the League of California Cities (hereafter, “League”) on the content of Memorandum 2018-11.

The League agrees with the four changes suggested by the staff in that memorandum to the proposed recodification in this study, and with the staff’s proposal in the staff draft attached to that memorandum regarding placement of a provision defining the term “unusual circumstances.”

The League also expresses no objection to the staff’s indicated inclination regarding placement in the recodification of provisions defining the terms “enterprise system” and “system of record.”

Respectfully submitted,

Steve Cohen
Staff Counsel

Re: California Law Revision Commission Study of California Public Records Act

Dear Mr. Cohen:

I write on behalf of the California Public Records Act Committee (“Committee”) of the City Attorneys’ Department of the League of California Cities. The Committee appreciates the opportunity to comment on the California Law Revision Commission’s (“CLRC”) Memorandum 2018-11 and we look forward to working with CLRC on its California Public Records Act (“CPRA”) revision project.

Comments on Memorandum 2018-11

The Committee agrees with CLRC’s suggested four changes to the cumulative draft as set forth in the Memorandum 2018-11 on pages 3 and 4.

The Committee agrees with CLRC’s Staff Note, Staff Draft (Part 3) – January 31, 2018, page 4, to keep the CPRA’s definition of “unusual circumstances” in close proximity to the substance of Section 6253(c).

The Committee has no objection to CRLC’s Staff Note, Staff Draft (Part 3) – January 31, 2018, page 10, to place the CPRA’s definition of “enterprise system” and “system of record” in “Chapter 2. Definitions.”
Conclusion

Thank you for the opportunity to comment on the CLRC revision project. The Committee looks forward to working closely with the CLRC in the future. Please do not hesitate to contact me with any questions and/or to discuss this matter further.

Very Truly Yours,

BERLINER COHEN
