ADMINISTRATIVE MATTERS

15 **Report of Executive Director**

16 The Executive Director reported that there has been no change to the 17 Commission's proposed budget for 2015-16.

18 The Executive Director recognized Anita Barooni, a second-year law student 19 at King Hall School of Law, currently serving the Commission as its King Hall 20 Fellow. 1 Commissioner Carrion announced that she accepted a position with the 2 District Attorney's Office for the City and County of San Francisco. Due to her 3 new position, she will not be applying for reappointment to the Commission and 4 will not be able to attend the August 2015 meeting (the last before her term 5 expires).

6 Meeting Schedule

7 The Commission considered Memorandum 2015-15, discussing the 8 Commission's meeting schedule.

9 The Commission decided to hold two meetings each year at King Hall School
10 of Law in Davis, one in each academic term.

11 The staff will talk to law school personnel about the possibility of holding an 12 informal reception with students after the October meeting.

- 13 (Commissioner Miller-O'Brien was not present when these decisions were made.)
- 14 2014 LEGISLATIVE PROGRAM

The Commission considered Memorandum 2015-16, reporting on the Commission's 2015 legislative program. No Commission action was required or taken.

18 STUDY D-1200 — RECOGNITION OF TRIBAL AND FOREIGN COURT MONEY JUDGMENTS

The Commission considered Memorandum 2015-17 and its First Supplement, providing background for the study on the recognition of tribal and foreign court money judgments. No Commission action was required or taken.

22 Study G-301 — Government Interruption of Communication Service

The Commission considered Memorandum 2015-18 and its First Supplement, introducing the study and discussing government interruption of a specific communication service that is used in an unlawful enterprise.

- 26 The Commission made the following decisions:
- The study will examine state and local agency action to interrupt communication service.
- The study will include analysis of "push notifications," such as
 Amber Alerts. The Commission will contact California agencies
 that initiate such notices, to invite their participation in the study.

1	•	The Commission will investigate broadening the application of
2 3		Public Utilities Code Section 7908 to include all forms of electronic communications.
4	٠	The Commission will investigate whether there are legitimate
5		purposes for government interruption of communications, other
6		than the abatement of unlawful activity and the protection of
7		public health, safety, and welfare.
8	٠	Once the Commission has considered the legitimate purposes for
9 10		government interruption of communications, it will consider the extent to which interruption should be permitted in non-urgent
10		circumstances (with prior notice and an opportunity to be heard).
12	٠	The Commission invites public comment on whether Public
13		Utilities Code Section 7908(b)(1)(B) should be revised to
14		incorporate a probable cause standard.
15	٠	The Commission will investigate whether Public Utilities Code
16		Section 7908 should provide for a prompt post-interruption
17		opportunity for a hearing on the merits of the government's
18		allegations.
19 20	•	Public Utilities Code Section 7908(d) should be revised to correct an obsolete reference to the California Emergency Management
20		Agency.
22	•	The Commission will examine the relationship between Public
23		Utilities Code Section 7908 and the federal Emergency Wireless
24		Protocol.
25	٠	The Commission will investigate broadening the application of
26		Public Utilities Code Section 7907 to include all forms of electronic
27		communication. If this change is not made, the Commission will
28		clarify the relationship between Sections 7907 and 7908.
29 30	•	The Commission will investigate broadening the application of Business and Professions Code Sections 149 and 7099.10 to include
31		all forms of electronic communication.
32	٠	The Commission will investigate whether Business and
33		Professions Code Sections 149 should include the ban on
34		forwarding to a terminated communication service that is included
35		in Section 7099.10.
36	٠	The Commission will investigate broadening the application of
37		Public Utilities Code Sections 5322 and 5371.6 to include all forms of electronic communication.
38	•	
39 40	•	The Commission invites input from the Public Utilities Commission on whether Public Utilities Code Sections 5322 and
40 41		5371.6 should be revised to include a pre-termination notice and
42		hearing procedure, for use in less-urgent circumstances.
43	٠	The Commission postponed making any decision about
44		coordination with federal law, until it has fuller information on the
45		subject.

1 STUDY J-1314 — TRIAL COURT UNIFICATION: PUBLICATION OF LEGAL NOTICE

2 The Commission considered Memorandum 2015-19, presenting a draft 3 tentative recommendation.

The Commission approved the draft as a tentative recommendation, with one
revision. In proposed Government Code Section 6085.460 (San Diego County),
"National District" was changed to "National City District."

7 8

STUDY K-402 — RELATIONSHIP BETWEEN MEDIATION CONFIDENTIALITY AND ATTORNEY MALPRACTICE AND OTHER MISCONDUCT

9 The Commission considered Memorandum 2015-22 and its First Supplement 10 (further discussion of California law), Memorandum 2015-23 (scholarly 11 commentary), and Memorandum 2015-24 (public comment). Patrick J. Evans 12 submitted a binder of written materials at the meeting, as well as a CD and a 13 flash drive with electronic versions of the same materials.

14 The Commission decided not to propose statutory revisions relating to mediator immunity in this study. The Commission will focus on the topic 15 specified in the legislative resolution requiring the study: the relationship 16 between mediation confidentiality and attorney malpractice and other 17 misconduct. The Commission did not discuss or decide whether to limit the 18 19 study to attorney misconduct, or also address the relationship between mediation confidentiality and other types of professional misconduct (e.g., 20 21 mediator misconduct).
