

Public Comment Index, CLRC Antitrust Law, Study B-750

This table provides an index of the public comments received in the Commission’s study of [Antitrust Law](#). When the Commission receives a public comment, that comment is attached to a staff memorandum. The memorandum is posted on the Commission’s website and notice of the memorandum is provided to Commissioners and stakeholders on the Commission’s electronic distribution list. For each comment, the table provides a link to the staff memorandum to which the comment was attached.

This table includes the public comments circulated to the Commission through the First Supplement to Memorandum 2024-32.
