## Emergency Rulemaking Under the Administrative Procedure Act

### Request for Public Comment

The Law Revision Commission recommends minor technical changes to the law governing emergency rulemaking by state agencies. The proposed changes would eliminate an existing ambiguity as to which provisions of rulemaking law govern emergency rulemaking.

The tentative recommendation is available at the Commission's website ([www.clrc.ca.gov](http://www.clrc.ca.gov)) through the "Reports" menu. The tentative recommendation is also available from the California Law Revision Commission, 4000 Middlefield Road, Room D-1, Palo Alto, CA 94303-4739.

The Commission often substantially revises its recommendations as a result of public comment. To receive timely consideration, comments should be submitted by **April 30, 2004**.
