Statutes Made Obsolete by Trial Court Restructuring: Part 4

Request for Public Comment

The Law Revision Commission seeks public comment on a tentative recommendation proposing revision of a number of statutes to reflect trial court restructuring and correction of related statutes with minor substantive defects. The tentative recommendation addresses the following areas:

- Municipal court action specifying the number, qualifications, or compensation of municipal court officers or employees (Gov't Code § 71617).
- Transfer of a case based on a lack of subject matter jurisdiction (Code Civ. Proc. § 396).
- Statutes made obsolete by implementation of the fiscal provisions of the Trial Court Funding Act of 1985 (Gov't Code §§ 16265-16265.7).
- Jurisdiction over a minor charged with certain motor vehicle offenses (Veh. Code §§ 40200-40230, 40502; Welf. & Inst. Code § 603.5).

The tentative recommendation is available from the California Law Revision Commission, 4000 Middlefield Road, Room D-1, Palo Alto, CA 94303-4739. The tentative recommendation is also available at the Commission's website (www.clrc.ca.gov) in the pull-down "Reports" menu.

The Commission often substantially revises its recommendations as a result of public comment. To receive timely consideration, comments should be submitted by **November 9, 2007**.
