Deadly Weapons: Minor Clean-Up Issues (Part 2)

Request for Public Comment

The California Law Revision Commission seeks public comment on its proposal to address some minor clean-up issues relating to the statutes governing control of deadly weapons.

The proposal would standardize inconsistent terminology, clarify awkward language, correct clear errors, and make minor substantive improvements.

The tentative recommendation is available from the California Law Revision Commission, 4000 Middlefield Road, Room D-2, Palo Alto, CA 94303-4739. The tentative recommendation is also available at the Commission's website (www.clrc.ca.gov) in the pull-down "Reports" menu.

The Commission often substantially revises its recommendations as a result of public comment. To receive timely consideration, comments should be submitted by **November 23, 2015**.
