To: The Honorable Pete Wilson
Governor of California, and
The Legislature of California

This recommendation proposes revisions of the California codes to implement trial court unification under SCA 4 (Proposition 220).

The objective of the proposed revisions is generally to preserve existing rights and procedures in the context of unification. There should be no disparity of treatment between a party appearing in municipal court and a similarly situated party appearing in superior court as a result of unification of the municipal and superior courts in the county.

The Law Revision Commission is indebted to its consultant, Professor J. Clark Kelso of the Institute for Legislative Practice, McGeorge School of Law, for his assistance in preparing this recommendation. The Commission appreciates the cooperation and assistance of the Judicial Council, and the assistance of the State Bar, especially the Litigation Section and the Committee on Administration of Justice.

This recommendation is submitted pursuant to Resolution Chapter 102 of the Statutes of 1997.

Respectfully submitted,

Edwin K. Marzec
Chairperson

TRIAL COURT UNIFICATION: REVISION OF CODES

BACKGROUND

Trial Court Unification Under SCA 4

Senate Constitutional Amendment 4 (Lockyer) was enacted as Resolution Chapter 36 of the Statutes of 1996.¹ It provides for unification of the municipal and superior courts in a county on a vote of a majority of the municipal court judges and a majority of the superior court judges in that county.²

The measure appeared on the ballot as Proposition 220 at the statewide election on June 2, 1998. It was approved by the voters and became operative the day after the election.³ The measure includes a number of provisions that are self-executing,⁴ and other provisions that apply only on unification of the municipal and superior courts in a county.⁵

-
1. The text of SCA 4 is set out in the Appendix, *infra* at 87-96.
 2. Cal. Const. art. VI, § 5(e).
 3. Cal. Const. art. XVIII, § 4.
 4. The measure contains a number of constitutional revisions that apply regardless of whether the courts in any county ever elect to unify. These include:
 - (1) Creation of an appellate division in the superior court. Cal. Const. art. VI, § 4.
 - (2) Changes in structure of Judicial Council. *Id.* § 6.
 - (3) Protection of the appellate jurisdiction of the courts of appeal in causes of a type within that jurisdiction on June 30, 1995. *Id.* § 11(a).
 - (4) Delegation of the appellate jurisdiction of the superior court to causes prescribed by statute. *Id.* § 11(b).
 - (5) Change in the date of an election to fill a superior court vacancy (to the next general election after the second January following the vacancy). *Id.* § 16(c).
 5. Provisions contingent on unification within a county include:
 - (1) Composition of Judicial Council. Cal. Const. art. VI, § 6.
 - (2) Composition of Commission on Judicial Performance. *Id.* § 8.

Role and Methodology of Law Revision Commission

Both the self-executing provisions and the other provisions of SCA 4 require conforming or implementing legislation. The Legislature has directed the Law Revision Commission to report recommendations “pertaining to statutory changes that may be necessitated by court unification.”⁶ This assignment follows an earlier legislative assignment in which the Commission made recommendations on the constitutional revisions necessary to implement trial court unification.⁷

The Commission engaged the services of the Institute for Legislative Practice and its director, Professor J. Clark Kelso of McGeorge Law School, to prepare initial drafts of suggested code revisions. The initial drafts were reviewed by the Judicial Council, which established working groups for this purpose, and were revised appropriately before being considered by the Law Revision Commission. The Commission issued a series of tentative recommendations, which were publicized and circulated for comment before the Commission adopted its final recommendations for code revision.

In the interest of submitting its recommendations to the Governor and Legislature during the 1998 legislative session, for enactment at that session, the Commission has narrowly limited its recommendations to generally preserve existing procedures in the context of unification. The objective of the proposed revisions is to preserve existing rights and procedures despite unification, with no disparity of treatment between a party appearing in municipal court and a similarly situated party appearing in superior court as a result of unification of the municipal and superior courts in the county.

(3) Election of judges in unified counties. *Id.* § 16(b)(1).

(4) Transitional provisions for unification. *Id.* § 23.

However, the existing substantive and procedural distinctions between traditional superior court cases, traditional municipal court cases, and small claims cases deserve reexamination in light of unification.⁸ The Law Revision Commission has also identified and compiled a number of other issues that may be appropriate for future study.⁹

Drafting Conventions

Any legislation introduced may include not only changes necessitated by SCA 4, but also unrelated technical revisions requested by Legislative Counsel.¹⁰ To highlight the SCA 4 changes for those who have occasion to review them, this recommendation does not include technical revisions unrelated to SCA 4.¹¹

The draft does, however, delete most existing statutory references to justice courts. Justice courts have been eliminated from California's judicial structure,¹² but the statutes have not been revised to account for this.¹³ A few statutory references to justice courts are retained, for a variety of reasons.¹⁴

8. See discussion of "Issues in Judicial Administration Appropriate for Future Study" *infra*.

9. *Id.*

10. For example, Legislative Counsel habitually expunges the word "such" from the text of all statutes.

11. Gender-neutral language is adopted throughout, however.

12. 1994 Cal. Stat. res. ch. 113 (SCA 7) (Prop. 191, approved Nov. 8, 1994). The draft also eliminates the few remaining references to the justices' court — an obsolete inferior court superseded by the justice court by Constitutional Amendment on November 7, 1950. See Mil. & Vet. Code § 467; Drainage District Act of 1903 (1903 Cal. Stat. ch. 238), § 4.

13. Statutory references to the justice court office of constable are likewise corrected in the proposed law.

14. Some statutory references to justice courts appear to have continued importance notwithstanding the elimination of the justice courts, particularly statutes governing the retirement benefits of retired justice court judges. See, e.g., Gov't Code §§ 22754.3, 22754.35, 22825.2, 71001, 73438, 73606, 73647,

County-Specific Statutes

This recommendation proposes only revisions of the laws of the state relating to the courts generally. It does not propose revisions of the special statutes relating to the courts in a particular county.¹⁵ If the courts in a particular county elect to unify, the codes should be reviewed at that time to determine whether the special statutes relating to the courts in that county should be revised or repealed.¹⁶

Employment Statutes

Municipal court employment statutes constitute the great bulk of county-specific statutes.¹⁷ The California Constitution requires the Legislature to prescribe for each municipal court the number, qualifications, and compensation of judges, officers, and employees.¹⁸ The Law Revision Commission's recommendation does not attempt to address these highly specific statutes. In the event of unification of the courts in a

Other references to justice courts appear in statutes that may be obsolete. See, e.g., Code Civ. Proc. §§ 221, 1012.5. Rather than suggesting technical amendments in statutes that are most likely obsolete, the Commission recommends that these statutes be left unamended for now, pending a study of whether they should be repealed completely. See discussion of "Issues in Judicial Administration Appropriate for Future Study" *infra*.

Still other references to justice courts appear in county-specific statutes. See, e.g., Gov't Code § 70111. This recommendation does not propose revisions of county-specific statutes. See discussion of "County-Specific Statutes" *infra*.

15. See, e.g., Bus. & Prof. Code § 6301.1 (board of law library trustees of San Diego County); Code Civ. Proc. §§ 199.2 (Placer County jurors), 199.3 (Nevada County jurors), 200 (Alameda and Los Angeles County municipal court jurors); Gov't Code §§ 26826.1 (Riverside County filing fee surcharge), 69640-69650 (Los Angeles County superior court districts).

16. The draft legislation includes a provision that general statutes governing unification of the courts prevail over inconsistent county-specific statutes. See proposed Gov't Code § 70215 (county-specific legislation).

county, the Legislature must examine the statutes and determine whether and to what extent they are to be preserved.¹⁹

UNIFICATION PROCEDURE

Under SCA 4 the municipal and superior courts in a county are unified on a vote of a majority of the municipal court judges and a majority of the superior court judges in that county.²⁰ The recommended legislation includes a unification voting procedure.²¹

Unless an earlier date is specified in the unification vote, unification occurs 180 days following certification of the vote for unification.²² Once unification has been approved, it may not be rescinded.²³

19. See discussion of “Employment Issues” *infra*.

20. Cal. Const. art. VI, § 5(e).

21. Gov’t Code § 70200 *et seq.* SCA 4 gives the Legislature broad authority to implement unification. Cal. Const. art. VI, § 23(a) (purpose of SCA 4 “to permit the Legislature to provide for the abolition of the municipal courts and unify their operations within the superior courts”).

A voting procedure recommended by the Commission was removed from Senate Bill 2139 (Lockyer), but is included in the proposed legislation *infra*. Judicial Council rules for the conduct of a vote preserve the effect of this provision. This procedure allows for a vote call on application of the presiding superior court judge or all of the presiding municipal court judges in a county, or on application of a majority of the superior court judges or a majority of the municipal court judges in a county. Proposed Gov’t Code § 70200.5(a). The vote is conducted by the Judicial Council or the county’s registrar of voters (proposed Gov’t Code § 70200(b)), and all judges serving at the time the vote is taken are eligible to vote (proposed Gov’t Code § 70200.5(c)). The vote to unify may be by unanimous written consent of all the judges in the county. Proposed Gov’t Code § 70200.5(e).

23. Proposed Gov’t Code § 70201(c).

CIVIL PROCEDURE

Distinguishing Between Civil Causes

On unification of the trial courts in a county, all causes will be within the original jurisdiction of the superior court.²⁴ Differentiating among superior court causes will be necessary, however, to preserve filing fees, economic litigation procedures, local appeals, and other significant procedural distinctions for matters that traditionally have been within the municipal court's jurisdiction. If instead all causes in a unified court were treated in the same manner as traditional superior court causes, there would be disparity of treatment between a party appearing in a municipal court and a similarly situated party appearing in a unified superior court. The latter approach may also be impractical for a number of reasons, including limited trial and appellate court resources.

The statutes could differentiate among civil causes simply by referring to causes that would be within the jurisdiction of the municipal court if the courts in a county had not unified. But this approach is predicated on the assumption that municipal courts in some counties will exist indefinitely. The approach also makes it necessary to refer to statutes applicable in another county to determine jurisdiction issues in a county in which the courts have unified. In the long run, all courts may be unified, at which time further statutory revision would be necessary.

A preferable approach is to identify causes that are traditionally within the municipal court jurisdiction and deal with them directly. In the proposed law, these matters are listed in new Section 85 of the Code of Civil Procedure and are identified as "limited civil cases." In a county in which the courts have not unified, the municipal court has jurisdiction of limited civil cases. In a county in which the courts have unified,

24. Cal. Const. art. VI, § 10.

the superior court has original jurisdiction of limited civil cases, but these cases are governed by economic litigation procedures, local appeal, filing fees, and the other procedural distinctions that characterize these cases in a municipal court.

Although the proposed legislation would preserve these procedural distinctions intact, they warrant reexamination as unification progresses. Adjustments may be appropriate to eliminate unnecessary rigidity and improve the court system.²⁵

Misclassification of Civil Cases in a Unified Court

To facilitate differentiation among civil cases, the proposed law would require that in a unified superior court a litigant in a limited civil case must identify it as such in the caption of the complaint, cross-complaint, petition, or other initial pleading. Where a caption erroneously states or fails to state that the matter is a limited civil case, the case may be reclassified on motion of a party or on the court's own motion.²⁶

Judicial Arbitration

Judicial arbitration of cases where the amount in controversy is \$50,000 or less is mandatory in a superior court with 10 or more judges and permissive in a superior court with fewer than 10 judges.²⁷ Because unification will increase the number of superior court judges in a county, the proposed law would apply these provisions to a unified superior court with eighteen or more judges. This will preserve judicial arbitration in all courts where it is currently applicable.²⁸

25. See discussion of "Issues in Judicial Administration Appropriate for Future Study" *infra*.

26. Proposed Code Civ. Proc. §§ 395.9, 399.5, 400.

27. Code Civ. Proc. § 1141.1.

28. Monterey County would also be subject to these judicial arbitration provisions. There are currently eight superior court judges and 10 municipal court judges in Monterey County.

Small Claims Sessions

Each small claims division of a municipal court with four or more judicial officers must conduct at least one night session or Saturday session each month.²⁹ The proposed law would apply this requirement to a seven-judge unified superior court. This will preserve the special small claims session requirements in all courts currently subject to them.³⁰

Increase in Jurisdictional Amounts

A number of statutes in the Food and Agricultural Code, enacted in 1967, give the municipal court jurisdiction where the amount in controversy does not exceed \$5,000.³¹ This was the jurisdictional limit of the municipal court in civil cases at that time. During the past 30 years the jurisdictional limit of the municipal court in civil cases has increased to \$25,000,³² but the statutes in the Food and Agricultural Code have not been adjusted. The proposed law increases the amounts in those statutes to \$25,000, consistent with the contemporary civil jurisdictional limit of the municipal court.

CRIMINAL PROCEDURE

Distinguishing Between Criminal Causes

On unification of the trial courts in a county, all criminal causes, including misdemeanors and infractions as well as felonies, will fall within the original jurisdiction of the superior court.³³ Many criminal procedure statutes, however, are not phrased in terms of felonies, misdemeanors, or

29. Code Civ. Proc. § 116.250(b).

30. Proposed Code Civ. Proc. § 116.250(b). Butte County would also be subject to these requirements. That county currently has four municipal court judges, but they are divided between two judicial districts.

31. See Food & Agric. Code §§ 7581, 12647, 27601, 53564. See also Food & Agric. Code § 52514 (\$3,000 limit).

32. Code Civ. Proc. § 86.

33. Cal. Const. art. VI, § 10.

infractions, but rather in terms of the original trial jurisdiction of superior and municipal courts.

The proposed law revises the criminal procedure statutes to accommodate the possibility of unification by replacing references to matters within the original jurisdiction of the superior court with references to felonies,³⁴ and by replacing references to matters within the original jurisdiction of the municipal court with references to misdemeanors and infractions.³⁵

The original jurisdiction of the superior court currently includes some matters that are not felonies. Specifically:

- A misdemeanor or infraction charge may be joined with a felony charge, and thus remain within the superior court's original jurisdiction. The proposed law makes clear that a felony case may include joined misdemeanor and infraction charges.³⁶
- The superior court's juvenile court jurisdiction is non-criminal.³⁷ The proposed law eliminates from the Penal Code references to the superior court's juvenile court jurisdiction that imply it may be criminal or otherwise governed by the Penal Code.³⁸

34. See, e.g., proposed Penal Code §§ 682, 737, 806, 813, 827, 859.

35. See, e.g., proposed Penal Code §§ 691, 740, 804, 829.

36. Proposed Penal Code § 691.

37. Criminal cases of which the juvenile court is given jurisdiction are governed by the Juvenile Court Law, Chapter 2 (commencing with Section 200) of Part 1 of Division 2 of the Welfare and Institutions Code. See *Welf. & Inst. Code* §§ 203 (juvenile court proceedings noncriminal), 245 (superior court jurisdiction), 602 (criminal law violation by minor subject to juvenile court jurisdiction), 603 (juvenile crimes not governed by general criminal law).

38. See proposed Penal Code §§ 682, 737, 860, 1462. In this connection the proposed law also adjusts Penal Code Section 949, which implies that a violation of Penal Code Section 272 (misdemeanor contributing to delinquency of a minor) is within the jurisdiction of the superior court. This is a relic of an era when that crime was within the non-felony juvenile court jurisdiction of the superior court. *Cf.* 2 B. Witkin & N. Epstein, *California Criminal Law Crimes Against Decency and Morals* § 836, at 951-52 (2d ed. 1989); 4 *id.*, *Jurisdiction and Venue* § 1838, at 2176-77.

- The superior court’s Penal Code jurisdiction includes proceedings for expungement of an arrest record.³⁹ These proceedings are noncriminal in character; the proposed law clarifies the appeal path for these proceedings.
- Proceedings under the Government Code for removal of a local public official from office for willful or corrupt misconduct in office are quasi-criminal in nature.⁴⁰ The proposed law adjusts references to these proceedings found in the Penal Code⁴¹ and clarifies the appeal path for these proceedings.⁴²

Review of Ruling or Order of Municipal Court Judge

Some criminal procedures call for a preliminary decision by a municipal court judge, followed by superior court review.⁴³ This dual system requires revision in a county in which the courts have unified.

Under SCA 4, in a county in which the courts have unified, Penal Code procedures that necessitate superior court review of, or action based on, a ruling or order by a municipal court judge are to be performed by a superior court judge other than the superior court judge who originally made the ruling or order.⁴⁴ This scheme is maintained in the proposed law.⁴⁵

Amendment of Section 1538.5

Penal Code Section 1538.5 provides for a motion to suppress evidence on a number of grounds, including “violation of state constitutional standards.”⁴⁶ Proposition 8, the Vic-

tims' Bill of Rights, includes a provision that "relevant evidence shall not be excluded in any criminal proceeding" except as provided by statute thereafter enacted by a two-thirds vote of the Legislature.⁴⁷ Amendment of Section 1538.5 to adjust for trial court unification is not intended to override Proposition 8, but only to preserve the status quo.⁴⁸ Disclamatory language to this effect is included in the Comment to the amendment of Section 1538.5.

Business Hours for Bail Purposes

The municipal court clerk or other court personnel must be available at all hours for the purpose of fixing and accepting bail for misdemeanor arrestees⁴⁹ and must also accept bail in felony arrests.⁵⁰ The proposed law maintains these functions in the superior court in a county in which there is no municipal court.

Authority of City Prosecutor

The city attorney of a city in which a misdemeanor is committed may prosecute the misdemeanor in the municipal court district in which the city is located.⁵¹ The proposed law provides that if there is no municipal court in a county, the city attorney may prosecute such misdemeanors in the superior court.⁵²

JUDICIAL DISTRICTS

Judicial Districts in Unified Counties

Statutes refer to “judicial districts” for various purposes. The references generally intend the “municipal court district” in a county.⁵³ On unification of the municipal and superior courts in a county, the former municipal court districts have little relevance for most purposes. The proposed law treats statutory references to judicial districts as references to the county if there is no municipal court in the county.⁵⁴ Exceptions to this rule,⁵⁵ and circumstances where application of the rule could result in a significant change, are noted in Comments following relevant provisions in the proposed law.

Court Sessions

Superior court judges have authority to hold sessions at any place where a municipal court holds sessions within the county.⁵⁶ The authority of the judges to hold sessions at locations remote from regularly scheduled sessions should be continued in a county in which the courts have unified despite the absence of municipal court districts, provided adequate facilities exist for that purpose. On unification, preexisting municipal court locations become superior court locations.⁵⁷ The proposed law preserves the authority of a majority of the

53. See, e.g., Elec. Code § 325. There appear to be only two instances in the codes where “judicial district” might have been intended to mean “superior court district” (see Food & Agric. Code § 31622; Ins. Code § 11542.2), and one where “judicial district” means “court of appeal district” (see Pub. Util. Code § 1756). While the California Constitution does refer to “municipal court districts,” it does not equate them with “judicial districts.”

judges of a unified superior court to order sessions held at any place where there is a court facility.

Venue

In specified circumstances, existing law allows transfer of a case from one municipal court to another municipal court in the same county.⁵⁸ In a county with a unified superior court, there are no municipal court districts; the proposed law would preserve the ability of the court to transfer a case from one location to another location within the county.⁵⁹

Jury Venire

The general policy of the state is that juries are selected from the population of the “area served by the court.”⁶⁰ Historically, this has meant that superior court juries are selected from the county and municipal court juries from the municipal court district. This concept has changed in recent years — superior courts may draw from the judicial district in which a particular session is located,⁶¹ and municipal courts may draw from the superior court pool.⁶²

Statistics on the frequency with which the superior courts use municipal court jury pools are not available. However, a survey conducted by the Judicial Council reveals that a substantial number of municipal courts use the superior court pool.

The proposed law maintains the existing flexibility enabling a court to draw a jury from the area served by it. After unifi-

cation, the court will have sufficient authority to continue the practice most appropriate for that county.⁶³

Publication in Former Municipal Court Districts

The general rule that judicial districts are countywide in a county in which the courts have unified is subject to a significant exception for legal publication requirements. Under existing law, if the municipal courts in a county consolidate, the former municipal court districts are preserved for purposes of publication.⁶⁴ The proposed law applies the same principle if the municipal courts in a county unify with the superior court.

Judicial Districts in Los Angeles County

Los Angeles is the only county that has superior court districts.⁶⁵ In Los Angeles County it is not clear whether existing statutory references to “judicial districts” mean superior court districts or municipal court districts. If the municipal and superior courts in Los Angeles County unify, the statutes probably would be construed to refer to superior court districts.⁶⁶ In that event, statutes that refer to judicial districts should be reviewed for propriety of operation.⁶⁷

63. As a technical matter, the proposed law revises Code of Civil Procedure Section 198.5 to refer to the area in which a session is held, rather than the municipal court district, in a county in which the courts have unified.

64. Gov’t Code § 71042.5 (preservation of judicial districts for purpose of publication).

65. See Gov’t Code §§ 69640-69650 (board of supervisors may divide county into 12 or fewer superior court districts).

66. As a general rule, the proposed law treats statutory references to judicial districts as references to the county if there is no municipal court in the county. See discussion of “Judicial Districts in Unified Counties” *supra*; proposed Code Civ. Proc. § 38.

67. The statute on Los Angeles County superior court districts is one of many county-specific statutes that will need to be reviewed if the Los Angeles County courts unify. See discussion of “County-Specific Statutes” *supra*.

APPEALS UNDER SCA 4

Appellate Jurisdiction of Court of Appeal

SCA 4 provides that the courts of appeal have appellate jurisdiction when superior courts have original jurisdiction “in causes of a type within the appellate jurisdiction of the courts of appeal on June 30, 1995” and in other causes prescribed by statute.⁶⁸ The effect of this provision is to perpetuate court of appeal jurisdiction as it existed on June 30, 1995, but allow for statutory expansion of court of appeal jurisdiction.

The provision presents a number of challenges, such as ascertaining what it means to be a cause “of a type” within court of appeal jurisdiction, keeping the legal community aware of the historical jurisdiction of the court of appeal, and dealing with pending appeals on the operative date of SCA 4 in causes of a type not within the appellate jurisdiction of the court of appeal on June 30, 1995.

The proposed law resolves these issues through a statutory grant of appellate jurisdiction to the court of appeal in cases within the original jurisdiction of the superior court, excluding limited civil cases (cases historically within the original jurisdiction of the municipal courts) and misdemeanor and infraction criminal cases. Statutory expansion of court of appeal jurisdiction is allowed under SCA 4,⁶⁹ and provides a ready means of determining the extent of the appellate jurisdiction of the court of appeal. The statutory grant of jurisdiction is also consistent with the intent of SCA 4: to preserve the appellate jurisdiction of the court of appeal in cases historically within the original jurisdiction of the superior court.

69. Cal. Const. art. VI, § 11(a) (“and in other causes prescribed by statute”).

Appellate Division of Superior Court

Creation of appellate division. SCA 4 creates an appellate division in each superior court.⁷⁰ The appellate division is similar to the existing appellate department, but is intended to have greater autonomy so that it can exercise a true review function in a unified superior court.⁷¹ SCA 4 creates appellate divisions in all superior courts, regardless of whether the trial courts in the county have unified.

Appellate jurisdiction of appellate division. Under prior law, the appellate jurisdiction of the superior court was defined in terms of causes “that arise in municipal courts in their counties.”⁷² SCA 4 deleted this provision, simply leaving the appellate jurisdiction of superior courts to statute.⁷³ The proposed law would make clear that the appellate jurisdiction of the appellate division covers limited civil cases and misdemeanor and infraction cases — causes traditionally within the original jurisdiction of municipal courts — regardless of whether the courts in a county have unified.

Appointments to appellate division. SCA 4 requires the Chief Justice to assign judges to the appellate division for specified terms pursuant to rules, not inconsistent with statute, adopted by the Judicial Council to promote the independence of the appellate division.⁷⁴ The provision

requires adoption of court rules intended to foster independence of judges serving in the appellate division. Rules may set forth relevant factors to be used in making appointments to the appellate division, such as length of

service as a judge, reputation within the unified court, and degree of separateness of the appellate division workload from the judge's regular assignments (e.g., a superior court judge who routinely handles large numbers of misdemeanors might ordinarily not serve in the appellate division). Review by a panel of judges might include judges assigned from another county in appropriate circumstances, or even by a panel of appellate division judges from different superior courts who sit in turn in each of the superior courts in the "circuit."⁷⁵

To effectuate this intent, the proposed law does not attempt to specify terms or conditions, but leaves the Judicial Council freedom to adopt appropriate rules and leaves the Chief Justice broad discretion in making appointments.

Small Claims

The current appeal route for a small claim is a new trial in the superior court, a court of higher jurisdiction.⁷⁶ Upon unification of the municipal and superior courts in a county, the superior court will include the small claims division and will not be a court of higher jurisdiction. SCA 4 addresses this matter by providing for a rehearing in the superior court by a judge other than the judge who originally heard the case.⁷⁷ The proposed law preserves the scheme of SCA 4: a hearing before a new judicial officer, with legal representation,⁷⁸ is a sufficient review opportunity for the litigants without being a substantial burden on judicial resources.

EMPLOYMENT ISSUES

Employment issues are among the most difficult matters to resolve in unifying the municipal and superior courts in a county. Hundreds of statutes in the Government Code specify employees' salaries, benefits, privileges, and so forth, in every municipal court district in the state. Bargaining rights, salary parity, seniority, and other issues must be addressed in each court that unifies. The proposed legislation does not attempt to deal with these issues.⁷⁹ Because the statutes governing court employment in each judicial district are unique, it is not possible to generalize as to the effect of unification on salaries and other employment matters.

Recent legislation addresses employee rights⁸⁰ and establishes a mechanism for rationalizing the system — the Task Force on Trial Court Employees.⁸¹ It is likely, however, that immediate problems will be triggered by unification and will need to be statutorily addressed on an urgency basis before the Task Force is able to complete its work.

Continued Employment of Existing Court Employees

SCA 4 continues existing employees in a county in which the courts have unified, until the Legislature provides otherwise.⁸² The proposed law provides that the courts in a county in which the courts have unified will develop and adopt a personnel plan.⁸³ These general transitional provisions are not completely adequate, however, and in any event, existing statutes governing court employees in an individual county

will need to be cleaned up by the Legislature on a case-by-case basis as unification occurs.

Court Reporters

Among the county-specific statutes that must be harmonized in a county in which the courts unify are those governing appointment and compensation of municipal court reporters, and regulating their fees.⁸⁴ This is an appropriate matter for review by the Task Force on Trial Court Employees.

Subordinate Judicial Officers

Municipal court personnel who become superior court personnel on unification include subordinate judicial officers.⁸⁵ Existing law provides authority to the municipal courts to appoint a number of subordinate judicial officers, such as court commissioners and referees.⁸⁶ The proposed law preserves the existing municipal court authority in a unified superior court.⁸⁷ While this will work as an interim measure, ultimately the Legislature should address the use of subordinate judicial officers in a county in which the courts have unified.⁸⁸

Salaries of some municipal court officers are based on salaries of municipal court judges.⁸⁹ This statutory scheme will function adequately as long as municipal courts remain, but if the courts in all counties unify, there will be no municipal court judge salaries to serve as a benchmark. This matter

should be referred to the Task Force on Trial Court Employees.

Judges' Salaries

While it is not possible to generalize on the consequences of unification for court employee salaries (due to county-specific statutes governing these matters), it is possible to generalize on the consequences of unification for judicial salaries. Judges' salaries are set by general statute,⁹⁰ with a statutory escalator clause.⁹¹ Currently superior court judges earn \$107,390 and municipal court judges earn \$98,070. On unification, municipal court judges become superior court judges⁹² and are compensated as superior court judges.

Judges' Retirement

Provisions of the Judges' Retirement Law are keyed to salaries currently being paid to judges of the same rank.⁹³ For example, a retired judge may receive a retirement allowance equal to 65 percent of "the salary payable, at the time payment of the allowance falls due, to the judge holding the judicial office to which he or she was last elected or appointed."⁹⁴ In the case of a retired municipal court judge, this system will become problematic if as a result of unification there no longer exists a municipal court judgeship to serve as a basis for determining the retirement allowance.

90. Gov't Code § 68202.

91. Gov't Code § 68203.

92. Cal. Const. art. VI, § 23(b).

93. This does not apply to the Judges' Retirement System II, applicable to persons who first become judges on or after November 9, 1994. Under that system, retirement payments are based on a percentage of salary at retirement, augmented by a cost of living escalator. Payments are not based on a percentage of salary of currently serving judges in the same class.

94. Gov't Code § 75076.

The Commission believes the matter requires prompt attention. As a result of incentives to unify,⁹⁵ unification under SCA 4 may occur sooner rather than later, with the consequence of an immediate loss of the basis for determining municipal court retirement allowances. The Commission has alerted the Judicial Council and the Public Employees Retirement System to the urgency of this matter. It should be addressed promptly by statute.

JUDICIAL ELECTIONS

SCA 4 provides that on unification, the “term of office of a previously selected municipal court judge is not affected by taking office as a judge of the superior court.”⁹⁶ The impact of this provision on judicial elections in a unified court is unclear, since different rules govern the timing of municipal court elections and superior court elections.

For example, if a judge is appointed to fill a vacancy in the municipal court, the judge serves out the remainder of the unexpired term for which the judge was appointed, and an election for a successor is held at the general election preceding the end of the term.⁹⁷ If the vacancy occurs within 10 months before that election, however, this rule does not apply. Instead, the judge continues to hold office until the next succeeding general election.⁹⁸

95. See, e.g., Gov't Code §§ 69620, 77202, 77213.

96. Cal. Const. art. VI, § 23(b). This provision would apply to a municipal court appointee as well as to an elected municipal court judge. See *Trial Court Unification: Constitutional Revision (SCA 3)*, *supra* note 7, at 82. See also *Lungren v. Davis*, 234 Cal. App. 3d 806, 822, 285 Cal. Rptr. 777 (1991).

97. Gov't Code § 71145.

98. Gov't Code § 71180(a); *see also* *Donnellan v. Hite*, 139 Cal. App. 2d 43, 293 P.2d 158 (1956); *Campbell v. Hite*, 57 Cal. 2d 484, 369 P.2d 944, 20 Cal. Rptr. 328 (1962); *Brailsford v. Blue*, 57 Cal. 2d 335, 369 P.2d 13, 19 Cal. Rptr. 485 (1962).

In contrast, a judge appointed to fill a vacancy in the superior court does not serve out the remainder of an elected predecessor's six-year term. An election for a successor is held at the general election following the second January 1 following the vacancy.⁹⁹

The proposed legislation would provide guidance concerning which rule applies in a unified court:¹⁰⁰

The term of office of a previously selected municipal court judge is not affected by taking office as a judge of the superior court. A previously selected municipal court judge is entitled to hold office for the same time period as if the judge had remained a judge of the municipal court. Until a previously selected municipal court judge leaves office or a successor is elected and qualifies, the time for election of a successor is governed by the law otherwise applicable to selection of a municipal court judge. Thereafter, selection of a successor to the office is governed by the law governing selection of a superior court judge.¹⁰¹

Thus, if a municipal court judge appointed to fill a vacancy is serving at the time unification occurs, the municipal court rules on election timing would continue to apply. The judge would serve out the remainder of the term, with an election held at the general election preceding the end of the term (unless that would occur within 10 months after the vacancy, in which case the election would be held at the next succeeding general election).¹⁰² Thereafter, the ordinary superior court rules on election timing would apply.

99. Cal. Const. art. VI, § 16(b), (c).

100. SCA 4 gives the Legislature broad authority to implement unification. Cal. Const. art. VI, § 23(a) (purpose of SCA 4 is to permit the Legislature to provide for unification, including broad legislative authority).

101. Proposed Gov't Code § 70211(b).

102. These rules for the first election following unification apply only so long as the municipal court judge holding office at the time of unification continues in that office, consistent with the constitutional mandate that the term of that judge is not affected by unification. If the judge leaves office before the end of the

The proposed legislation would also provide guidance on how unification affects an ongoing municipal court election.¹⁰³ If unification occurs during such an election,¹⁰⁴ the election would proceed as originally planned, promoting an orderly transition to unification.¹⁰⁵ The winner of the election would be deemed “previously selected” for purposes of SCA 4, and would become a superior court judge through unification.¹⁰⁶

OTHER TRIAL COURT UNIFICATION ISSUES

Electronic Reporting

Existing law, while generally requiring stenographic court reporting, authorizes electronic reporting in municipal courts in some circumstances.¹⁰⁷ The proposed law preserves the ability of the court to use electronic reporting in similar circumstances where the municipal and superior courts in a county have unified.

Trial Setting Conferences

If the municipal and superior courts in a county unify, statutes providing for telephonic trial setting conferences in superior court will also apply to cases formerly within the

term, the office is thereafter treated as an ordinary superior court judgeship and is subject to the superior court rules on election timing.

Code §§ 8020 (nomination documents “shall first be available on the 113th day prior to the direct primary election”), 8022 (declaration of intention to become a candidate shall be filed “not more than 14 nor less than five days prior to the first day on which nomination papers may be presented for filing”).

jurisdiction of the municipal court.¹⁰⁸ This result is appropriate; it will be neither practical nor desirable to distinguish among cases for this purpose in a unified court. The proposed legislation leaves existing statutes on this point intact.

Transitional Issues

On the operative date of unification in a county there will be causes pending in the municipal court as well as new causes that are statutorily within the jurisdiction of the municipal court. SCA 4 includes transitional provisions that address these matters.¹⁰⁹ The proposed law covers transitional problems not dealt with directly in SCA 4, and also makes the constitutional transitional provisions more accessible to attorneys and others by repeating them in statutes.¹¹⁰

ISSUES IN JUDICIAL ADMINISTRATION APPROPRIATE FOR FUTURE STUDY

In the process of preparing proposed statutory revisions to implement trial court unification, the Commission has identified a number of issues that are appropriate for future study. In particular, although the implementing legislation would preserve existing procedural distinctions between traditional superior court cases, traditional municipal court cases, and small claims cases, the Commission strongly recommends that the Legislature direct a study reexamining this three-track system and its underlying policies in light of unification. Such a study may entail elimination of unnecessary procedural distinctions,¹¹¹ reassessment of the jurisdictional limits for small

A joint study and report is advisable.

The Commission has also identified a number of narrower issues in judicial administration that should be studied. The Commission recommends that the Legislature direct the Judicial Council or the Law Revision Commission, to conduct these studies as indicated below.¹¹⁵ The Judicial Council and Law Revision Commission should consult with each other on these studies. Code §§ 1789.24, 1812.66, 1812.105, 1812.503, 1812.510, 1812.515, 1812.525, 1812.600; Code Civ. Proc. § 688.010; Food & Agric. 115. The Judicial Council's constitutional mandate includes making recommendations to the courts, Governor, and Legislature, and adopting rules for court administration, practice, and procedure, to improve the administration of justice. Cal. Const. art. VI, § 6.

The Law Revision Commission's statutory mandate includes making recommendations to the Governor and Legislature for changes in the law necessary to modify or eliminate antiquated and inequitable rules of law, and to bring the law of the state into harmony with modern conditions. Gov't Code § 8289.

In the course of preparing implementing legislation for trial court unification, the Judicial Council and Law Revision Commission have developed background information on these topics. The Council and the Commission have existing study mechanisms in place, without the need to establish new committees or procedures for these studies.

Studies for which the Judicial Council should be assigned primary responsibility include:

- Obsolete statutes relating to prior court and personnel restructurings.¹¹⁶
- Superior court sessions, both general and special.¹¹⁷
- Number of authorized commissioners and referees in a county in which the courts have unified.¹¹⁸
- Reorganization of statutes governing court fees.¹¹⁹
- Eligibility of judges to serve on the small claims advisory committee.¹²⁰
- Catalogue of cases within the appellate jurisdiction of the courts of appeal on June 30, 1995.¹²¹
- Consolidation of jury commissioner functions for the courts in each county.
- Magistrate as judicial officer of the state or judicial officer of a particular court.

117. See, e.g., Gov't Code §§ 69510, 69510.5, 69510.6, 69740-69801.

118. The trial court unification transitional provisions would merely preserve existing authority to appoint commissioners and referees. *Cf.* Gov't Code §§ 70141 *et seq.* (existing authority to appoint superior court commissioners), 72000-74991 (existing authority to appoint municipal court commissioners found among county-specific statutes in the Government Code governing municipal courts), 72400 (existing authority to appoint municipal court traffic trial commissioners).

119. Existing statutes governing court fees are organized by court rather than by cause. See, e.g., Gov't Code §§ 26800 *et seq.* (fees collected by county clerk), 72055 *et seq.* (municipal court fees). It may be appropriate to consolidate the fee provisions for ease of use. In addition, it may be appropriate to replace provisions for collection of fees by the county clerk with provisions relating to the court executive officer.

120. See Code Civ. Proc. § 116.950(d), which could be broadened to allow any judge with extensive experience as a small claims judge (including a retired judge, an appellate court justice, or a judge of a non-unified superior court) to serve on the committee.

121. See Cal. Const. art. VI, § 11, which may make it worthwhile to construct such a catalogue.

- Correction of county-specific statutes after unification in that county.¹²²
- Reexamination of the statutes governing jury selection.¹²³

Studies for which the Law Revision Commission should be assigned primary responsibility include:

- Obsolete statutes relating to expired pilot projects or other expired programs.¹²⁴
- Whether to conform the statutory provisions on circumstances for appointment of a receiver.¹²⁵
- Procedure for good faith improver claims.¹²⁶
- Procedure for obtaining a stay of a mechanic's lien foreclosure action pending arbitration.¹²⁷
- Clarification of provisions relating to obtaining counsel for a defendant in a criminal case.¹²⁸

126. An action by a good faith improver is within the traditional jurisdiction of the superior court, but a cross-complaint under \$25,000 by a good faith improver is heard in the municipal court. Code Civ. Proc. § 871.3. This differential treatment may be inappropriate.

127. Code Civ. Proc. § 1281.5. It may be appropriate to clarify or simplify the procedure for obtaining a stay in superior court for arbitration of a municipal court lien foreclosure action.

128. Penal Code Sections 859, 859a, 859b, and 860 relate to obtaining counsel for defendants in criminal cases. The statutes appear to be somewhat dated, and their interrelation is unclear. A clearer statutory statement of the governing rules may be appropriate.

- Role of court reporter in a county in which the courts have unified, particularly in a criminal case.¹²⁹
- Appealability of order of recusal in a criminal case.¹³⁰
- Publication of legal notice in a county with a unified superior court.¹³¹
- Resolving the numbering conflict in the two Chapters 2.1 (commencing with Section 68650) of Title 8 of the Government Code.
- Default in an unlawful detainer case.¹³²
- Whether to make revisions regarding the repository for the duplicate of an affidavit pursuant to Fish and Game Code Section 2357.¹³³

129. Existing statutes governing functions of court reporters may be problematic as applied in a county in which the courts have unified, particularly in criminal cases. *Cf.* Code Civ. Proc. § 274c; Gov't Code § 72194.5; Penal Code § 869.

APPENDIX: TEXT OF SCA 4

Resolved by the Senate, the Assembly concurring, That the Legislature of the State of California at its 1995-96 Regular Session commencing on the fifth day of December, 1994, two-thirds of the membership of each house concurring, hereby proposes to the people of the State of California that the Constitution of the State be amended as follows:

First — That Section 16 of Article I thereof is amended to read:

SEC. 16. Trial by jury is an inviolate right and shall be secured to all, but in a civil cause three-fourths of the jury may render a verdict. A jury may be waived in a criminal cause by the consent of both parties expressed in open court by the defendant and the defendant's counsel. In a civil cause a jury may be waived by the consent of the parties expressed as prescribed by statute.

In civil causes the jury shall consist of 12 persons or a lesser number agreed on by the parties in open court. In civil causes ~~in municipal or justice court~~ *other than causes within the appellate jurisdiction of the court of appeal* the Legislature may provide that the jury shall consist of eight persons or a lesser number agreed on by the parties in open court.

In criminal actions in which a felony is charged, the jury shall consist of 12 persons. In criminal actions in which a misdemeanor is charged, the jury shall consist of 12 persons or a lesser number agreed on by the parties in open court.

Second — That Section 1 of Article VI thereof is amended to read:

SEC. 1. The judicial power of this State is vested in the Supreme Court, courts of appeal, superior courts, and municipal courts. ~~All courts,~~ *all of which* are courts of record.

Third — That Section 4 of Article VI thereof is amended to read:

SEC. 4. In each county there is a superior court of one or more judges. The Legislature shall prescribe the number of judges and provide for the officers and employees of each superior court. If the governing body of each affected county concurs, the Legislature may provide that one or more judges serve more than one superior court.

~~The county clerk is an ex officio clerk of the superior court in the county.~~

In each superior court there is an appellate division. The Chief Justice shall assign judges to the appellate division for specified terms pursuant to rules, not inconsistent with statute, adopted by the Judicial Council to promote the independence of the appellate division.

Fourth — That Section 5 of Article VI thereof is amended to read:

SEC. 5. (a) Each county shall be divided into municipal court districts as provided by statute, but a city may not be divided into more than one district. Each municipal court shall have one or more judges. Each municipal court district shall have no fewer than 40,000 residents; provided that each county shall have at least one municipal court district. The number of residents shall be determined as provided by statute.

(b) On the operative date of this subdivision, all existing justice courts shall become municipal courts, and the number, qualifications, and compensation of judges, officers, attachés, and employees shall continue until changed by the Legislature. Each judge of a part-time municipal court is deemed to have agreed to serve full time and shall be available for assignment by the Chief Justice for the balance of time necessary to comprise a full-time workload.

(c) The Legislature shall provide for the organization and prescribe the jurisdiction of municipal courts. It shall prescribe for each municipal court the number, qualifications, and compensation of judges, officers, and employees.

(d) Notwithstanding subdivision (a), any city in San Diego County may be divided into more than one municipal court district if the Legislature determines that unusual geographic conditions warrant such division.

(e) Notwithstanding subdivision (a), the municipal and superior courts shall be unified upon a majority vote of superior court judges and a majority vote of municipal court judges within the county. In those counties, there shall be only a superior court.

Fifth — That Section 6 of Article VI thereof is amended to read:

SEC. 6. The Judicial Council consists of the Chief Justice and one other judge of the Supreme Court, 3 judges of courts of appeal, 5 judges of superior courts, ~~and~~ 5 judges of municipal courts, *2 nonvoting court administrators, and such other nonvoting members as determined by the voting membership of the council*, each appointed by the Chief Justice for a ~~2-year~~ *3-year* term *pursuant to procedures established by the council*; 4 members of the State Bar appointed by its governing body for ~~2-year~~ *3-year* terms; and one member of each house of the Legislature appointed as provided by the house. *Vacancies in the memberships on the Judicial Council otherwise designated for municipal court judges shall be filled by judges of the superior court in the case of appointments made when fewer than 10 counties have municipal courts.*

Council membership terminates if a member ceases to hold the position that qualified the member for appointment. A vacancy shall be filled by the appointing power for the remainder of the term.

The council may appoint an Administrative Director of the Courts, who serves at its pleasure and performs functions delegated by the council or the Chief Justice, other than adopting rules of court administration, practice and procedure.

To improve the administration of justice the council shall survey judicial business and make recommendations to the courts, make recommendations annually to the Governor and Legislature, adopt rules for court administration, practice and procedure, ~~not inconsistent with statute~~, and perform other functions prescribed by statute. *The rules adopted shall not be inconsistent with statute.*

The Chief Justice shall seek to expedite judicial business and to equalize the work of judges. The Chief Justice may provide for the assignment of any judge to another court but only with the judge's consent if the court is of lower jurisdiction. A retired judge who consents may be assigned to any court.

Judges shall report to the ~~Judicial Council~~ *council* as the Chief Justice directs concerning the condition of judicial business in their courts. They shall cooperate with the council and hold court as assigned.

Sixth — That Section 8 of Article VI thereof is amended to read:

SEC. 8. (a) The Commission on Judicial Performance consists of one judge of a court of appeal, one judge of a superior court, and one judge of a municipal court, each appointed by the Supreme Court; 2 members of the State Bar of California who have practiced law in this State for 10 years, each appointed by the governor; and 6 citizens who are not judges, retired judges, or members of the State Bar of California, 2 of whom shall be appointed by the Governor, 2 by the Senate Committee on Rules, and 2 by the Speaker of the Assembly.

Except as provided in ~~subdivision (b)~~ *subdivisions (b) and (c)*, all terms are for 4 years. Seventh — That Section 10 of Article VI thereof is amended to read:

SEC. 10. The Supreme Court, courts of appeal, superior courts, and their judges have original jurisdiction in habeas corpus proceedings. Those courts also have original jurisdiction in proceedings for extraordinary relief in the nature of mandamus, certiorari, and prohibition. *The appellate division of the superior court has original jurisdiction in proceedings for extraordinary relief in the nature of mandamus, certiorari, and prohibition directed to the superior court in causes subject to its appellate jurisdiction.*

Superior courts have original jurisdiction in all *other* causes except those given by statute to other trial courts.

The court may make such comment on the evidence and the testimony and credibility of any witness as in its opinion is necessary for the proper determination of the cause.

Eighth — That Section 11 of Article VI thereof is amended to read:

SEC. 11. (a) The Supreme Court has appellate jurisdiction when judgment of death has been pronounced. With that exception courts of appeal have appellate jurisdiction when superior courts have original jurisdiction *in causes of a type within the appellate jurisdiction of the courts of appeal on June 30, 1995, and in other causes prescribed by statute. When appellate jurisdiction in civil causes is determined by the amount in controversy, the Legislature may change the appellate jurisdiction of the courts of appeal by changing the jurisdictional amount in controversy.*

~~Superior courts have appellate jurisdiction in causes prescribed by statute that arise in municipal courts in their counties.~~

(b) Except as provided in subdivision (a), the appellate division of the superior court has appellate jurisdiction in causes prescribed by statute.

(c) The Legislature may permit appellate courts exercising appellate jurisdiction to take evidence and make findings of fact when jury trial is waived or not a matter of right.

Ninth — That Section 16 of Article VI thereof is amended to read:

SEC. 16. (a) Judges of the Supreme Court shall be elected at large and judges of courts of appeal shall be elected in their districts at general elections at the same time and places as the Governor. Their terms are 12 years beginning the Monday after January 1 following their election, except that a judge elected to an unexpired term serves the remainder of the term. In creating a new court of appeal district or division the Legislature shall provide that the first elective terms are 4, 8, and 12 years.

(b) Judges of other (1) In counties in which there is no municipal court, judges of superior courts shall be elected in their counties at general elections except as otherwise necessary to meet the requirements of federal law. In the latter case the Legislature, by two-thirds vote of the membership of each house thereof, with the advice of judges within the affected court, may provide for their election by the system prescribed in subdivision (d), or by any other arrangement. The Legislature may provide that an unopposed incumbent's name not appear on the ballot.

(2) In counties in which there is one or more municipal court districts, judges of superior and municipal courts shall be elected in their counties or districts at general elections.

The Legislature may provide that an unopposed incumbent's name not appear on the ballot.

(c) Terms of judges of superior courts are 6 years beginning the Monday after January 1 following their election. A vacancy shall be filled by election to a full term at the next general election after the *second* January 1 following the vacancy, but the Governor shall appoint a person to fill the vacancy temporarily until the elected judge's term begins.

(d) Within 30 days before August 16 preceding the expiration of the judge's term, a judge of the Supreme Court or a court of appeal may file a declaration of candidacy to succeed to the office presently held by the judge. If the declaration is not filed, the Governor before September 16 shall nominate a candidate. At the next general election, only the candidate so declared or nominated may appear on the ballot, which shall present the question whether the candidate shall be elected. The candidate shall be elected upon receiving a majority of the votes on the question. A candidate not elected may not be appointed to that court but later may be nominated and elected.

The Governor shall fill vacancies in those courts by appointment. An appointee holds office until the Monday after January 1 following the first general election at which the appointee had the right to become a candidate or until an elected judge qualifies. A nomination or appointment by the Governor is effective when confirmed by the Commission on Judicial Appointments.

Electors of a county, by majority of those voting and in a manner the Legislature shall provide, may make this system of selection applicable to judges of superior courts.

Tenth — That Section 23 is added to Article VI thereof, to read:

SEC. 23. (a) The purpose of the amendments to Sections 1, 4, 5, 6, 8, 10, 11, and 16, of this article, and the amendments

to Section 16 of Article I, approved at the November 5, 1996, general election is to permit the Legislature to provide for the abolition of the municipal courts and unify their operations within the superior courts. Notwithstanding Section 8 of Article IV, the implementation of, and orderly transition under, the provisions of the measure adding this section may include urgency statutes that create or abolish offices or change the salaries, terms, or duties of offices, or grant franchises or special privileges, or create vested rights or interests, where otherwise permitted under this Constitution.

(b) When the superior and municipal courts within a county are unified, the judgeships in each municipal court in that county are abolished and the previously selected municipal court judges shall become judges of the superior court in that county. The term of office of a previously selected municipal court judge is not affected by taking office as a judge of the superior court. The 10-year membership or service requirement of Section 15 does not apply to a previously selected municipal court judge. Pursuant to Section 6, the Judicial Council may prescribe appropriate education and training for judges with regard to trial court unification.

(c) Except as provided by statute to the contrary, in any county in which the superior and municipal courts become unified, the following shall occur automatically in each preexisting superior and municipal court:

(1) Previously selected officers, employees, and other personnel who serve the court become the officers and employees of the superior court.

(2) Preexisting court locations are retained as superior court locations.

(3) Preexisting court records become records of the superior court.

(4) Pending actions, trials, proceedings, and other business of the court become pending in the superior court under the

procedures previously applicable to the matters in the court in which the matters were pending.

(5) Matters of a type previously within the appellate jurisdiction of the superior court remain within the jurisdiction of the appellate division of the superior court.

(6) Matters of a type previously subject to rehearing by a superior court judge remain subject to rehearing by a superior court judge, other than the judge who originally heard the matter.

(7) Penal Code procedures that necessitate superior court review of, or action based on, a ruling or order by a municipal court judge shall be performed by a superior court judge other than the judge who originally made the ruling or order.

Eleventh — That if any provision of this measure or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this measure that can be given effect without the invalid provision or application, and to this end the provisions of this measure are severable.

CIVIL CODE

Civ. Code § 798.61 (amended). Abandoned mobilehomes

SEC. _____. Section 798.61 of the Civil Code is amended to read:
798.61. (a)(1) As used in this section, “abandoned mobilehome” means a mobilehome about which all of the following are true:

(A) It is located in a mobilehome park on a site for which no rent has been paid to the management for the preceding 60 days.

(B) It is unoccupied.

(C) A reasonable person would believe it to be abandoned.

(2) For purposes of this section:

(A) “Mobilehome” shall include a trailer coach, as defined in Section 635 of the Vehicle Code, or a recreational vehicle, as defined in Section 18010 of the Health and Safety Code, if the trailer coach or recreational vehicle also satisfies the requirements of paragraph (1), including being located on any site within a mobilehome park, even if the site is in a separate designated section pursuant to Section 18215 of the Health and Safety Code.

(B) “Abandoned mobilehome” shall include a mobilehome which is uninhabitable because of its total or partial destruction which cannot be rehabilitated, if the mobilehome also satisfies the requirements of paragraph (1).

(b) After determining a mobilehome in a mobilehome park to be an abandoned mobilehome, the management shall post a notice of belief of abandonment on the mobilehome for not less than 30 days, and shall deposit copies of the notice in the United States mail, postage prepaid, addressed to the homeowner at the last

known address and to any known registered owner, if different from the homeowner, and to any known holder of a security interest in the abandoned mobilehome. This notice shall be mailed by registered or certified mail with a return receipt requested.

(c) Thirty or more days following posting pursuant to subdivision (b), the management may file a petition in the municipal ~~or justice~~ court for the judicial district in which the mobilehome park is located, *or in the superior court in a county in which there is no municipal court*, for a judicial declaration of abandonment of the mobilehome. *A proceeding under this subdivision is a limited civil case.* Copies of the petition shall be served upon the homeowner, any known registered owner, and any known person having a lien or security interest of record in the mobilehome by posting a copy on the mobilehome and mailing copies to those persons at their last known addresses by registered or certified mail with a return receipt requested in the United States mail, postage prepaid.

(d)(1) Hearing on the petition shall be given precedence over other matters on the court's calendar.

(2) If, at the hearing, the petitioner shows by a preponderance of the evidence that the criteria for an abandoned mobilehome has been satisfied and no party establishes an interest therein at the hearing, the court shall enter a judgment of abandonment, determine the amount of charges to which the petitioner is entitled, and award attorney's fees and costs to the petitioner. For purposes of this subdivision an interest in the mobilehome shall be established by evidence of a right to possession of the mobilehome or a security or ownership interest in the mobilehome.

(3) A default may be entered by the court clerk upon request of the petitioner, and a default judgment shall be thereupon entered, if no responsive pleading is filed within 15 days after service of the petition by mail.

(e)(1) Within 10 days following a judgment of abandonment, the management shall enter the abandoned mobilehome and complete an inventory of the contents and submit the inventory to the court.

(2) During this period the management shall post and mail notice of intent to sell the abandoned mobilehome and its contents under

this section, and announcing the date of sale, in the same manner as provided for the notice of determination of abandonment under subdivision (b).

(3) At any time prior to sale of a mobilehome under this section, any person having a right to possession of the mobilehome may recover and remove it from the premises upon payment to the management of all rent or other charges due, including reasonable costs of storage and other costs awarded by the court. Upon receipt of this payment and removal of the mobilehome from the premises pursuant to this paragraph, the management shall immediately file an acknowledgment of satisfaction of judgment pursuant to Section 724.030 of the Code of Civil Procedure.

(f) Following the judgment of abandonment, but not less than 10 days following the notice of sale specified in subdivision (e), the management may conduct a public sale of the abandoned mobilehome and its contents. The management may bid at the sale and shall have the right to offset its bids to the extent of the total amount due it under this section. The proceeds of the sale shall be retained by the management, but any unclaimed amount thus retained over and above the amount to which the management is entitled under this section shall be deemed abandoned property and shall be paid into the treasury of the county in which the sale took place within 30 days of the date of the sale. The former homeowner or any other owner may claim any or all of that unclaimed amount within one year from the date of payment to the county by making application to the county treasurer or other official designated by the county. If the county pays any or all of that unclaimed amount to a claimant, neither the county nor any officer or employee of the county is liable to any other claimant as to the amount paid.

(g) Within 30 days of the date of the sale, the management shall submit to the court an accounting of the moneys received from the sale and the disposition of the money and the items contained in the inventory submitted to the court pursuant to subdivision (e).

(h) The management shall provide the purchaser at the sale with a copy of the judgment of abandonment and evidence of the sale, as shall be specified by the State Department of Housing and

Community Development or the Department of Motor Vehicles, which shall register title in the abandoned mobilehome to the purchaser upon presentation thereof. The sale shall pass title to the purchaser free of any prior interest, including any security interest or lien, except the lien provided for in Section 18116.1 of the Health and Safety Code, in the abandoned mobilehome.

Civ. Code § 1719 (amended). Checks passed on insufficient funds

SEC. _____. Section 1719 of the Civil Code is amended to read:

1719. (a)(1) Notwithstanding any penal sanctions that may apply, any person who passes a check on insufficient funds shall be liable to the payee for the amount of the check and a service charge payable to the payee for an amount not to exceed twenty-five dollars (\$25) for the first check passed on insufficient funds and an amount not to exceed thirty-five dollars (\$35) for each subsequent check to that payee passed on insufficient funds.

(2) Notwithstanding any penal sanctions that may apply, any person who passes a check on insufficient funds shall be liable to the payee for damages equal to treble the amount of the check if a written demand for payment is mailed by certified mail to the person who had passed a check on insufficient funds and the written demand informs this person of (A) the provisions of this section, (B) the amount of the check, and (C) the amount of the service charge payable to the payee. The person who had passed a check on insufficient funds shall have 30 days from the date the written demand was mailed to pay the amount of the check, the amount of the service charge payable to the payee, and the costs to mail the written demand for payment. If this person fails to pay in full the amount of the check, the service charge payable to the payee, and the costs to mail the written demand within this period, this person shall then be liable instead for the amount of the check, minus any partial payments made toward the amount of the check or the service charge within 30 days of the written demand, and damages equal to treble that amount, which shall not be less than one hundred dollars (\$100) nor more than one thousand five hundred dollars (\$1,500). When a person becomes liable for treble damages for a check that is the subject of a written demand, that person shall no longer be liable for any service charge for that check and any costs to mail the written demand.

(3) Notwithstanding paragraphs (1) and (2), a person shall not be liable for the service charge, costs to mail the written demand, or treble damages if he or she stops payment in order to resolve a good faith dispute with the payee. The payee is entitled to the service charge, costs to mail the written demand, or treble damages

only upon proving by clear and convincing evidence that there was no good faith dispute, as defined in subdivision (b).

(4) Notwithstanding paragraph (1), a person shall not be liable under that paragraph for the service charge if, at any time, he or she presents the payee with written confirmation by his or her financial institution that the check was returned to the payee by the financial institution due to an error on the part of the financial institution.

(5) Notwithstanding paragraph (1), a person shall not be liable under that paragraph for the service charge if the person presents the payee with written confirmation that his or her account had insufficient funds as a result of a delay in the regularly scheduled transfer of, or the posting of, a direct deposit of a social security or government benefit assistance payment.

(6) As used in this subdivision, to “pass a check on insufficient funds” means to make, utter, draw, or deliver any check, draft, or order for the payment of money upon any bank, depository, person, firm, or corporation that refuses to honor the check, draft, or order for any of the following reasons:

(A) Lack of funds or credit in the account to pay the check.

(B) The person who wrote the check does not have an account with the drawee.

(C) The person who wrote the check instructed the drawee to stop payment on the check.

(b) For purposes of this section, in the case of a stop payment, the existence of a “good faith dispute” shall be determined by the trier of fact. A “good faith dispute” is one in which the court finds that the drawer had a reasonable belief of his or her legal entitlement to withhold payment. Grounds for the entitlement include, but are not limited to, the following: services were not rendered, goods were not delivered, goods or services purchased are faulty, not as promised, or otherwise unsatisfactory, or there was an overcharge.

(c) In the case of a stop payment, the notice to the drawer required by this section shall be in substantially the following form:

NOTICE

To _____
(name of drawer)

_____ is the payee of a check you wrote
(name of payee)

for \$ _____. The check was not paid because
(amount)

you stopped payment, and the payee demands payment. You may have a good faith dispute as to whether you owe the full amount. If you do not have a good faith dispute with the payee and fail to pay the payee the full amount of the check in cash, a service charge of an amount not to exceed twenty-five dollars (\$25) for the first check passed on insufficient funds and an amount not to exceed thirty-five dollars (\$35) for each subsequent check passed on insufficient funds, and the costs to mail this notice within 30 days after this notice was mailed, you could be sued and held responsible to pay at least both of the following:

(1) The amount of the check.

(2) Damages of at least one hundred dollars (\$100) or, if higher, three times the amount of the check up to one thousand five hundred dollars (\$1,500).

If the court determines that you do have a good faith dispute with the payee, you will not have to pay the service charge, treble damages, or mailing cost.

If you stopped payment because you have a good faith dispute with the payee, you should try to work out your dispute with the payee. You can contact the payee at:

(name of payee)

(street address)

(telephone number)

You may wish to contact a lawyer to discuss your legal rights and responsibilities.

(name of sender of notice)

(d) In the case of a stop payment, a court may not award damages or costs under this section unless the court receives into evidence a copy of the written demand which, in that case, shall have been sent to the drawer and a signed certified mail receipt showing delivery, or attempted delivery if refused, of the written demand to the drawer's last known address.

(e) A cause of action under this section may be brought in small claims court by the original payee, if it does not exceed the jurisdiction of that court, or in any other appropriate court. The payee shall, in order to recover damages because the drawer instructed the drawee to stop payment, show to the satisfaction of the trier of fact that there was a reasonable effort on the part of the payee to reconcile and resolve the dispute prior to pursuing the dispute through the courts.

(f) A cause of action under this section may be brought in ~~municipal~~ court by a holder of the check or an assignee of the payee. *A proceeding under this section is a limited civil case.* However, if the assignee is acting on behalf of the payee, for a flat fee or a percentage fee, the assignee may not charge the payee a greater flat fee or percentage fee for that portion of the amount collected that represents treble damages than is charged the payee for collecting the face amount of the check, draft, or order. This subdivision shall not apply to an action brought in small claims court.

(g) Notwithstanding subdivision (a), if the payee is a ~~municipal~~ *the* court, the written demand for payment described in subdivision (a) may be mailed to the drawer by a ~~municipal~~ *the* court clerk. Notwithstanding subdivision (d), in the case of a stop payment where the demand is mailed by a ~~municipal~~ *the* court clerk, a court may not award damages or costs pursuant to subdivision (d), unless the court receives into evidence a copy of the written demand, and a certificate of mailing by a ~~municipal~~ *the* court clerk in the form

provided for in subdivision (4) of Section 1013a of the Code of Civil Procedure for service in civil actions. For purposes of this subdivision, in courts where a single court clerk serves more than one court, the clerk shall be deemed the court clerk of each court.

(h) The requirements of this section in regard to remedies are mandatory upon a court.

(i) The assignee of the payee or a holder of the check may demand, recover, or enforce the service charge, damages, and costs specified in this section to the same extent as the original payee.

(j)(1) A drawer is liable for damages and costs only if all of the requirements of this section have been satisfied.

(2) The drawer shall in no event be liable more than once under this section on each check for a service charge, damages, or costs.

(k) Nothing in this section is intended to condition, curtail, or otherwise prejudice the rights, claims, remedies, and defenses under Division 3 (commencing with Section 3101) of the Commercial Code of a drawer, payee, assignee, or holder, including a holder in due course as defined in Section 3302 of the Commercial Code, in connection with the enforcement of this section.

Judgment in a class action by senior citizens or disabled persons under Section 1781 may award each class member such an additional award where the trier of fact has made the foregoing findings.

(c) An action under subdivision (a) or (b) may be commenced in the county in which the person against whom it is brought resides, has his or her principal place of business, or is doing business, or in the county where the transaction or any substantial portion thereof occurred.

If a plaintiff fails to file the affidavit required by this section, the court shall, upon its own

motion or upon motion of any party, dismiss any such action without prejudice.

(d) The court shall award court costs and attorney's fees to a prevailing plaintiff in litigation filed pursuant to this section. Reasonable attorney's fees may be awarded to a prevailing defendant upon a finding by the court that the plaintiff's prosecution of the action was not in good faith.

Comment. Section 1780 is amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b). Otherwise, any ~~municipal or justice~~ court in such county, having jurisdiction of the subject matter, is the proper court for the trial thereof.

In any action subject to the provisions of this section, concurrently with the filing of the complaint, the plaintiff shall file

Such facts may be stated in a verified complaint and shall not be stated on information or belief. When such affidavit is filed with the complaint, a copy thereof shall be served with the summons. Code Civ. Proc. § 38 (added). Judicial districts

SEC. _____. Section 38 is added to the Code of Civil Procedure, to read:

38. Unless the provision or context otherwise requires, a reference in a statute to a judicial district means:

- (a) As it relates to a court of appeal, the court of appeal district.
- (b) As it relates to a superior court, the county.
- (c) As it relates to a municipal court, the municipal court district.
- (d) As it relates to a county in which there is no municipal court, the county.

See Gov’t Code §§ 69640-69650.

By operation of this section, in a county in which the superior and municipal courts have unified, a statutory reference to a judicial district means the county rather than a former municipal court district. Each additional judge shall be a judge of the superior court of another county or a judge retired from the superior court or court of higher jurisdiction in this state.

(2) In a county with four or more judges of the superior court, the appellate department shall consist of judges of that court designated by the Chairperson of the Judicial Council, who shall also designate one of the judges as the presiding judge of the department. *judges. The Chief Justice shall assign judges to the appellate division for specified terms pursuant to rules, not inconsistent with statute, adopted by the Judicial Council to promote the independence and quality of each appellate division. Each judge assigned to the appellate division of a superior court shall be a judge of that court, a judge of the superior court of another county, or a judge retired from the superior court or a court of higher jurisdiction in this state. The Chief Justice shall designate one of the judges of each appellate division as the presiding judge of the division.*

(b) In an appellate department with four judges, *In each appellate division*, no more than three judges shall participate in a hearing or decision. The presiding judge of the department *division* shall designate the three judges who shall participate.

(c) In addition to their other duties, the judges designated as members of the appellate department *division* of the superior court shall serve for the period specified in the order of designation. Whenever a judge is designated to serve in the appellate department *division* of the superior court of a county other than the county in which such judge was elected or appointed as a superior court judge, or if he *the judge* is retired, in a county other than the

county in which he resides, ~~he~~ *the judge resides, the judge* shall receive from the county to which he is designated ~~his~~ *the judge is designated* expenses for travel, board, and lodging. If the judge is out of his ~~his~~ *the judge's* county overnight or longer, by reason of the designation, such judge shall be paid a per diem allowance in lieu of expenses for board and lodging in the same amounts as are payable for such purposes to justices of the Supreme Court under the rules of the State Board of Control. In addition, a retired judge shall receive from the state and the county to which he ~~he~~ *the judge* is designated, for the time so served, amounts equal to that which he ~~he~~ *the judge* would have received from each if he ~~he~~ *the judge* had been assigned to the superior court of the county.

(d) The concurrence of two judges of the appellate department ~~division~~ of the superior court shall be necessary to render the decision in every case in, and to transact any other business except such that may be done at chambers by the presiding judge of, ~~such department~~ *the division*. (e) ~~Every appellate department under this section shall have jurisdiction on appeal from the municipal and justice courts within the county or city and county in all cases in which an appeal may be taken to the superior court as is now or may hereafter be provided by law, except such appeals as require a retrial in the superior court. The appellate division of the superior court has jurisdiction on appeal from the following courts, in all cases in which an appeal may be taken to the superior court or the appellate division of the superior court as provided by law, except where the appeal is a retrial in the superior court:~~

(1) ~~The municipal courts within the county.~~

(2) ~~The superior court in a county in which there is no municipal court.~~

(f) The powers of each appellate department ~~division~~ shall be the same as are now or may hereafter be provided by law or rule of the Judicial Council relating to appeals to the ~~appellate division of the superior courts.~~

(f) (g) The Judicial Council ~~may~~ *shall* promulgate rules, not inconsistent with law, ~~governing to promote the independence of, and govern~~ the practice and procedure and the disposition of the business of such ~~appellate departments, or of each class thereof,~~ *the appellate division.*

(h) *A reference in any other statute to the appellate department of the superior court means the appellate division of the superior court.*

Comment. Section 77 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e).

Subdivision (a) requires adoption of court rules intended to promote the independence and quality of judges serving in the appellate division. See Cal. Const. art. VI, § 4 (expressly recognizing the goal of promoting the independence of the appellate division). Rules may provide relevant factors to be used in making appointments to the appellate division, such as length of service as a judge, reputation within the unified court, and degree of separateness of the appellate division workload from the judge's regular assignments (e.g., a superior court judge who routinely handles large numbers of misdemeanors might ordinarily not serve in the appellate division). Review by a panel of judges might include judges assigned from another county in appropriate circumstances, or even by a panel of appellate division judges from different superior courts who sit in turn in each of the superior courts in the "circuit."

Subdivision (b) continues the rule that the appellate division sits in panels of three. A judge may not participate in appellate review of any proceeding that the judge tried or heard. Section 170.1(7)(b).

Subdivision (e) is amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b). It is also amended to specify the jurisdiction of the appellate division in a unified superior court. For guidance on which civil cases are subject to the appellate jurisdiction of the appellate division, see Section 904.2 (taking appeal in limited civil case) and Constitution Article VI, Section 11.

Section 77 is amended throughout to replace references to the appellate department with references to the appellate division, and to replace references to the Chairperson of the Judicial Council with references to the Chief Justice. This is consistent with the terminology used in Constitution Article VI, Sections 4, 10, and 11.

Code Civ. Proc. §§ 85-85.1 (added). Limited civil cases

SEC. _____. Chapter 5.1 (commencing with Section 85) is added to Title 1 of Part 1 of the Code of Civil Procedure, to read:

CHAPTER 5.1. LIMITED CIVIL CASES

Article 1. Jurisdiction in Limited Civil Cases

§ 85. Limited civil cases

85. An action or special proceeding shall be treated as a limited civil case if all of the following conditions are satisfied, and, notwithstanding any statute that classifies an action or special proceeding as a limited civil case, an action or special proceeding shall not be treated as a limited civil case unless all of the following conditions are satisfied:

(a) The amount in controversy does not exceed twenty-five thousand dollars (\$25,000). As used in this section, “amount in controversy” means the amount of the demand, or the recovery sought, or the value of the property, or the amount of the lien, which is in controversy in the action, exclusive of attorney fees, interest, and costs.

(b) The relief sought is a type that may be granted in a limited civil case.

(c) The relief sought, whether in the complaint, a cross-complaint, or otherwise, is exclusively of a type described in one or more statutes that classify an action or special proceeding as a limited civil case or that provide that an action or special proceeding is within the original jurisdiction of the municipal court, including, but not limited to, the following provisions:

- (1) Section 798.61 of the Civil Code.
- (2) Section 1719 of the Civil Code.
- (3) Section 3342.5 of the Civil Code.
- (4) Section 86.
- (5) Section 86.1.
- (6) Section 1710.20.
- (7) Section 7581 of the Food and Agricultural Code.
- (8) Section 12647 of the Food and Agricultural Code.
- (9) Section 27601 of the Food and Agricultural Code.
- (10) Section 31503 of the Food and Agricultural Code.
- (11) Section 31621 of the Food and Agricultural Code.
- (12) Section 52514 of the Food and Agricultural Code.

- (13) Section 53564 of the Food and Agricultural Code.
- (14) Section 53069.4 of the Government Code.
- (15) Section 53075.6 of the Government Code.
- (16) Section 53075.61 of the Government Code.
- (17) Section 5411.5 of the Public Utilities Code.
- (18) Section 9872.1 of the Vehicle Code.
- (19) Section 10751 of the Vehicle Code.
- (20) Section 14607.6 of the Vehicle Code.
- (21) Section 40230 of the Vehicle Code.
- (22) Section 40256 of the Vehicle Code.

Comment. Section 85 is added to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). It facilitates differentiation among civil cases for purposes such as determining original jurisdiction in a county in which there is a municipal court (see Section 85.1), applying economic litigation procedures (see Section 91), and defining appellate jurisdiction (see Sections 904.1, 904.2).

The amount in controversy requirement of subdivision (a) derives from the \$25,000 jurisdictional limit that applied to the municipal courts. *See, e.g.*, 2 B. Witkin, *California Procedure Courts* § 249, at 323-25 (4th ed. 1996). Now, a case is a limited civil case and subject to the procedures for a limited civil case only if the amount in controversy is \$25,000 or less. The last sentence of subdivision (a), defining “amount in controversy,” continues the former second sentence of Section 91 without change. For discussion of calculating amounts in controversy in cases involving multiple causes, see R. Weil & I. Brown, Jr., *California Practice Guide: Civil Procedure Before Trial, Jurisdiction and Venue* §§ 3:97-3:111, at 3-22 to 3-24 (1997); 2 B. Witkin, *California Procedure Jurisdiction* §§ 38-44, at 582-86 (4th ed. 1996).

Subdivision (b) reflects and preserves limitations on the types of equitable relief awardable in a municipal court. See Section 580 & Comment. Where a money judgment for \$25,000 or less would fully resolve a dispute and there is no need for a declaration of future rights, the case is a limited civil case despite a prayer for declaratory relief. See *Cardellini v. Casey*, 181 Cal. App. 3d 389, 396 (1986).

Subdivision (c) continues the effect of former law, under which each county had one or more municipal courts and a superior court. Causes like those now listed in subdivision (c) were within the original jurisdiction of the municipal court and subject to procedures now applicable to a limited civil case. Where a cause within the original jurisdiction of the municipal court was properly joined with one within the original jurisdiction of the superior court, the entire case would be tried in the superior court. *See, e.g.*, *Wiggins v. Washington Nat'l Life Ins. Co.*, 246 Cal. App. 2d 840, 847-48, 55 Cal. Rptr. 129 (1966) (“from the moment defendant filed its cross-complaint for declaratory relief in the instant action the municipal court lost jurisdiction over the cause and was obliged to

suspend further proceedings in the action and transfer it to the superior court”); *Armstrong v. Transcontinental Land & Water Co.*, 134 Cal. App. 2d Supp. 889, 285 P.2d 1031 (1955) (joinder of equitable cross-complaint compelled transfer of entire action to superior court). Subdivision (c) continues that policy by requiring that relief in a limited civil case be exclusively of a type described in one or more of the listed provisions, or an unlisted provision if the provision classifies the case as a limited civil case or places the case within the original jurisdiction of the municipal court. See, e.g., Section 688.010 (enforcement of state tax liability pursuant to warrant or notice of levy). If another type of cause is joined, the procedures for a limited civil case do not apply.

See Sections 22 (action defined), 23 (special proceeding defined).

§ 85.1. Original jurisdiction

85.1. Except as otherwise provided by statute, the municipal court, or the superior court in a county in which there is no municipal court, has original jurisdiction in a limited civil case.

Comment. Section 85.1 is added to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). This section limits the original jurisdiction of the superior court in a county in which there is a municipal court. See Cal. Const. art. VI, § 10. Although Section 85.1 states the general rule, in some circumstances the municipal and superior courts may have concurrent jurisdiction. See, e.g., Section 688.010 (enforcement of state tax liability pursuant to warrant or notice of levy).

Code Civ. Proc. § 86 (amended) Miscellaneous limited civil cases

SEC. _____. Section 86 of the Code of Civil Procedure is amended to read:

86. (a) ~~Each municipal court has original jurisdiction of civil cases and proceedings as follows~~ *The following civil cases and proceedings are limited civil cases:*

(1) ~~In all cases~~ *Cases* at law in which the demand, exclusive of interest, or the value of the property in controversy amounts to twenty-five thousand dollars (\$25,000) or less, ~~except. This paragraph does not apply to cases that involve the legality of any tax, impost, assessment, toll, or municipal fine, except the courts have jurisdiction in actions to enforce payment of delinquent unsecured personal property taxes if the legality of the tax is not contested by the defendant.~~

(2) ~~In actions~~ *Actions* for dissolution of partnership where the total assets of the partnership do not exceed twenty-five thousand dollars (\$25,000); ~~in actions of interpleader where the amount of~~

money or the value of the property involved does not exceed twenty-five thousand dollars (\$25,000).

(3) ~~In actions~~ *Actions* to cancel or rescind a contract when the relief is sought in connection with an action to recover money not exceeding twenty-five thousand dollars (\$25,000) or property of a value not exceeding twenty-five thousand dollars (\$25,000), paid or delivered under, or in consideration of, the contract; ~~in actions to revise a contract where the relief is sought in an action upon the contract if the court otherwise has jurisdiction of the action~~ *otherwise is a limited civil case.*

(4) ~~In all proceedings~~ *Proceedings* in forcible entry or forcible or unlawful detainer where the whole amount of damages claimed is twenty-five thousand dollars (\$25,000) or less.

(5) ~~In all actions~~ *Actions* to enforce and foreclose liens on personal property where the amount of the liens is twenty-five thousand dollars (\$25,000) or less.

(6) ~~In all actions~~ *Actions* to enforce and foreclose liens of mechanics, materialmen, artisans, laborers, and of all other persons to whom liens are given under the provisions of Chapter 2 (commencing with Section 3109) of Title 15 of Part 4 of Division 3 of the Civil Code, or to enforce and foreclose an assessment lien on a common interest development as defined in Section 1351 of the Civil Code, where the amount of the liens is twenty-five thousand dollars (\$25,000) or less. However, where an action to enforce the lien is ~~pending in a municipal court, and affects property that is also affected by a similar action pending in a superior court~~ *pending action that is not a limited civil case*, or where the total amount of the liens sought to be foreclosed against the same property ~~by action or actions in a municipal court aggregates an amount in excess of twenty-five thousand dollars (\$25,000), the action is not a limited civil case, and if the action is pending in a municipal court, the municipal court in which the action or actions are pending,~~ upon motion of any interested party, *the municipal court* shall order the action or actions pending therein transferred to the proper superior court. Upon making the order, the same proceedings shall be taken as are provided by Section 399 with respect to the change of place of trial.

(7) ~~In actions~~ *Actions* for declaratory relief when brought pursuant to either of the following:

(A) By way of cross-complaint as to a right of indemnity with respect to the relief demanded in the complaint or a cross-complaint in an action or proceeding ~~otherwise within the jurisdiction of the municipal court~~ *that is otherwise a limited civil case*.

(B) To conduct a trial after a nonbinding fee arbitration between an attorney and client, pursuant to Article 13 (commencing with Section 6200) of Chapter 4 of Division 3 of the Business and Professions Code, where the amount in controversy is twenty-five thousand dollars (\$25,000) or less.

(8) ~~To~~ *Actions* to issue temporary restraining orders and preliminary injunctions, to take accounts, and to appoint receivers where necessary to preserve the property or rights of any party to ~~an action of which the court has jurisdiction~~ *a limited civil case*; to appoint a receiver and to make any order or perform any act, pursuant to Title 9 (commencing with Section 680.010) of Part 2 (enforcement of judgments) *in a limited civil case*; to determine title to personal property seized in ~~an action pending in the court~~ *a limited civil case*.

(9) ~~In all actions~~ *Actions* under Article 3 (commencing with Section 708.210) of Chapter 6 of Division 2 of Title 9 of Part 2 for the recovery of an interest in personal property or to enforce the liability of the debtor of a judgment debtor where the interest claimed adversely is of a value not exceeding twenty-five thousand dollars (\$25,000) or the debt denied does not exceed twenty-five thousand dollars (\$25,000).

(10) ~~In all arbitration-related~~ *Arbitration-related* petitions filed pursuant to either of the following:

(A) Article 2 (commencing with Section 1292) of Chapter 5 of Title 9 of Part 3, except for uninsured motorist arbitration proceedings in accordance with Section 11580.2 of the Insurance Code, if the petition is filed before the arbitration award becomes final and the matter to be resolved by arbitration is ~~within the jurisdiction of the municipal court~~ *a limited civil case* under paragraphs (1) to (9), inclusive, *of subdivision (a)* or ~~the petition if~~

the petition is filed after the arbitration award becomes final and the amount of the award and all other rulings, pronouncements, and decisions made in the award are within the jurisdiction of the municipal court under paragraphs (1) to (9), inclusive, of subdivision (a).

(B) To confirm, correct, or vacate a fee arbitration award between an attorney and client that is binding or has become binding, pursuant to Article 13 (commencing with Section 6200) of Chapter 4 of Division 3 of the Business and Professions Code, where the arbitration award is twenty-five thousand dollars (\$25,000) or less.

~~(11) In all actions to enforce restitution orders or restitution fines that were imposed by the municipal court.~~

~~(b) Each municipal court has jurisdiction of cases in equity as follows *The following cases in equity are limited civil cases:*~~

~~(1) In all cases *Cases to try title to personal property when the amount involved is not more than twenty-five thousand dollars (\$25,000).*~~

~~(2) In all cases *Cases when equity is pleaded as a defensive matter in any case otherwise properly pending in a municipal court that is otherwise a limited civil case.*~~

~~(3) To *Cases to vacate a judgment or order of the municipal court obtained in a limited civil case through extrinsic fraud, mistake, inadvertence, or excusable neglect.*~~

~~(c) In any action that is otherwise within its jurisdiction, the court may impose liability whether the theory upon which liability is sought to be imposed involves legal or equitable principles.~~

~~(d) Changes in the jurisdictional ceilings made by amendments to this section at the 1977-78 Regular Session or the 1985-86 Regular Session of the Legislature shall not constitute a basis for the transfer to another court of any case pending at the time such changes become operative.~~

Comment. Section 86 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e).

The matters listed in subdivisions (a) and (b) are not limited civil cases if the amount in controversy exceeds \$25,000. See Section 85. Formerly, each county had one or more municipal courts and a superior court, and the matters listed in Section 86(a)-(b) were within the original jurisdiction of the municipal court,

unless the amount in controversy exceeded \$25,000. A limited civil case is equivalent to a matter within the original jurisdiction of the municipal court under former law, so subdivisions (a) and (b) as amended continue the effect of former law. See Section 85 (limited civil cases) & Comment.

Former subdivision (a)(11) is continued in Penal Code Section 1214, with modifications to accommodate trial court unification.

Former subdivision (c) is continued without substantive change in Section 580 (relief awardable in civil causes).

Former subdivision (d) is deleted as obsolete.

Code Civ. Proc. § 86.1 (amended). Long-Term Care, Health, Safety, and Security Act

SEC. _____. Section 86.1 of the Code of Civil Procedure is amended to read:

86.1. ~~In addition to Section 86, each municipal and justice court has original jurisdiction of civil cases and proceedings in actions~~ *An action* brought pursuant to the Long-Term Care, Health, Safety, and Security Act of 1973 (Chapter 2.4 (commencing with Section 1417) of Division 2 of the Health and Safety Code) *is a limited civil case* if civil penalties are not sought or amount to twenty-five thousand dollars (\$25,000) or less. ~~These actions~~ *An action brought in a municipal court* may be transferred to the superior court for consolidation with any other citation enforcement action pending in that court, on the motion of either party.

Comment. Section 86.1 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). It is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

An action pursuant to the Long-Term Care, Health, Safety, and Security Act of 1973 is not a limited civil case if the amount in controversy exceeds \$25,000. See Section 85 (limited civil cases). Formerly, each county had one or more municipal courts and a superior court, and an action pursuant to the Long-Term Care, Health, Safety, and Security Act of 1973 was within the original jurisdiction of the municipal court, unless the amount in controversy exceeded \$25,000. A limited civil case is equivalent to a matter within the original jurisdiction of the municipal court under former law, so Section 86.1 as amended continues the effect of former law. See Section 85 & Comment.

Code Civ. Proc. § 87 (repealed). Corporation as party

SEC. _____. Section 87 of the Code of Civil Procedure is repealed.

~~87. Where a corporation is a party in the municipal or justice court it may appear through a director, an officer, or an employee, whether or not such person is an attorney at law.~~

Comment. Section 87 is repealed as an unconstitutional intrusion on the power of a court to set minimum standards for who may appear in court on behalf of a corporation. *Merco Construction Engineers, Inc. v. Municipal Court*, 21 Cal. 3d 724, 581 P.2d 636, 147 Cal. Rptr. 631 (1978) (When “the matter at issue involves minimum standards for engaging in the practice of law, it is this court and not the Legislature which is final policy maker.”). *See also Say & Say, Inc. v. Ebershoff*, 20 Cal. App. 3d 1759, 25 Cal. Rptr. 2d 703, 709 (1993) (“A corporation can never appear in this or the superior court in civil or criminal litigation except in limited circumstances in some small claims litigation in *propria persona*.”); *Albion River Watershed Protection Ass’n v. Department of Forestry & Fire Protection*, 20 Cal. App. 3d 34, 24 Cal. Rptr. 2d 341, 343 (1993) (“It is settled that an unincorporated association must be represented by a person licensed in this state to practice law.”); *Clean Air Transport Systems v. San Mateo County Transit Dist.*, 198 Cal. App. 3d 576, 578-79, 243 Cal. Rptr. 799 (1988) (“A lay person who purports to represent a corporation is engaged in the unlawful practice of law.”).

Code Civ. Proc. § 88 (repealed). Clerks of justice courts

SEC. _____. Section 88 of the Code of Civil Procedure is repealed.

~~88. Clerks of justice courts, in addition to the other powers conferred upon them by law, shall have power to administer and certify oaths to affidavits, and all papers, documents or instruments used in, or in connection with, the civil actions or proceedings in such justice courts and to issue summons and other writs and notices in civil actions in said courts in the name of the judge before whom the same is pending or out of whose court the same is issued.~~

Comment. Section 88 is repealed to reflect the elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Code Civ. Proc. § 89 (repealed). Issuance of papers in blank

SEC. _____. Section 89 of the Code of Civil Procedure is repealed.

~~89. The summons, execution, and every other paper made or issued by a judge of a justice court, except a subpoena, must be issued without a blank left to be filled by another, otherwise it is void.~~

Comment. Section 89 is repealed to reflect the elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Heading of Article 2 (commencing with Section 90) (amended)

SEC. _____. The heading of Article 2 (commencing with Section 90) of Chapter 5 of Title 1 of Part 1 of the Code of Civil Procedure is amended to read:

**Article 2. Economic Litigation for ~~Municipal and~~
Justice Courts *Limited Civil Cases***

Comment. The heading “Article 2. Economic Litigation for Municipal and Justice Courts” is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). It is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

New Chapter 5.1 (“Limited Civil Cases”) (commencing with Section 85) of Title 1 of Part 1 is now divided into two articles: “Article 1. Jurisdiction in Limited Civil Cases” (commencing with Section 85) and “Article 2. Economic Litigation for Limited Civil Cases.”

Code Civ. Proc. § 91 (amended). Application of economic litigation procedures

SEC. _____. Section 91 of the Code of Civil Procedure is amended to read:

91. (a) Except as otherwise provided in this section, the provisions of this article apply to every ~~municipal and justice court civil action, including cases submitted to arbitration or on the arbitration hearing list, pending in the municipal and justice courts, on or after July 1, 1983, in which the amount in controversy is twenty-five thousand dollars (\$25,000) or less. “Amount in controversy” means the amount of the demand, or the recovery sought, or the value of the property, or the amount of the lien, which is in controversy in the action, exclusive of attorney fees, interest, and costs. These provisions also apply to any action transferred to a municipal or justice court by reason of lack of jurisdiction in the court in which it was filed *limited civil case*.~~

(b) The provisions of this article do not apply to any action under Chapter 5A 5.5 (commencing with Section 446 *116.110*) or any proceeding under Chapter 4 (commencing with Section 1159) of Title 3 of Part 3.

(c) Any action may, upon noticed motion, be withdrawn from the provisions of this article, upon a showing that it is impractical to prosecute or defend the action within the limitations of these provisions.

~~(d) Special demurrers, motions to strike, and requests for discovery, pending or determined prior to July 1, 1983, shall be subject to the law in effect on June 30, 1983.~~

Comment. Subdivision (a) of Section 91 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). It is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Formerly, each county had one or more municipal courts and a superior court, and economic litigation procedures applied to cases tried in the municipal courts. Now, the matters formerly triable in those courts are classified as limited civil cases. See Section 85 (limited civil cases) & Comment. By making economic litigation procedures applicable to limited civil cases, Section 91 continues the effect of former law. The former second sentence of subdivision (a), defining “amount in controversy,” is continued without substantive change in Section 85.

Subdivision (b) is amended to delete the reference to former Chapter 5A (commencing with Section 116), which has been repealed. Instead, subdivision (b) now refers to Chapter 5.5 (commencing with Section 116.110), which contains the current small claims provisions.

Subdivision (d) is deleted as obsolete.

SEC. _____. Section 116.120 of the Code of Civil Procedure is amended to read:

116.120. The Legislature hereby finds and declares as follows:

(a) Individual minor civil disputes are of special importance to the parties and of significant social and economic consequence collectively.

(b) In order to resolve minor civil disputes expeditiously, inexpensively, and fairly, it is essential to provide a judicial forum accessible to all parties directly involved in resolving these disputes.

(c) The small claims divisions of ~~municipal and justice courts~~ have been established to provide a forum to resolve minor civil disputes, and for that reason constitute a fundamental element in the administration of justice and the protection of the rights and property of individuals.

(d) The small claims divisions ~~of justice and municipal courts~~, the provisions of this chapter, and the rules of the Judicial Council regarding small claims actions shall operate to ensure that the convenience of parties and witnesses who are individuals shall prevail, to the extent possible, over the convenience of any other parties or witnesses.

Comment. Section 116.120 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). It is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

SEC. _____. Section 116.231 of the Code of Civil Procedure is amended to read:

116.231. (a) Except as provided in subdivision (d), no person may file more than two small claims actions in which the amount demanded exceeds two thousand five hundred dollars (\$2,500), anywhere in the state in any calendar year.

(b) Except as provided in subdivision (d), if the amount demanded in any small claims action exceeds two thousand five hundred dollars (\$2,500), the party making the demand shall file a declaration under penalty of perjury attesting to the fact that not more than two small claims actions in which the amount of the

demand exceeded two thousand five hundred dollars (\$2,500) have been filed by that party in this state within the calendar year.

(c) The Legislature finds and declares that the pilot project conducted under the authority of Chapter 1196 of the Statutes of 1991 demonstrated the efficacy of the removal of the limitation on the number of actions public entities may file in the small claims courts on claims exceeding two thousand five hundred dollars (\$2,500).

(d) The limitation on the number of filings exceeding two thousand five hundred dollars (\$2,500) does not apply to filings where the claim does not exceed five thousand dollars (\$5,000) which are filed by a city, county, city and county, school district, county office of education, community college district, local district, or any other local public entity. If any small claims action is filed by a city, county, city and county, school district, county office of education, community college district, local district, or any other local public entity pursuant to this section, and the defendant informs the court either in advance of the hearing by written notice or at the time of the hearing, that he or she is represented in the action by legal counsel, the action shall be transferred to the ~~municipal court~~ *out of the small claims division*. A city, county, city and county, school district, county office of education, community college district, local district, or any other local public entity may not file a claim within the small claims division if the amount of the demand exceeds five thousand dollars (\$5,000).

Under subdivision (a), the fee for appealing from a small claims judgment is the same as the fee for an appeal to the appellate division of the superior court, which is specified in Section 26824 of the Government Code.

Subdivision (b) is amended to reflect relocation of the small claims division from the municipal court to the superior court in a county in which the municipal and superior courts unify their operations. Because the small claims division is in the same court that hears small claims appeals, subdivision (b) extends only to documents relating to the appeal, not to all documents filed in superior court.

(b) Each advisory service shall provide the following services:

(d) The advisory service shall operate in conjunction and cooperation with the small claims division, and shall be administered so as to avoid the existence or appearance of a conflict of interest between the individuals providing the advisory services and any party to a particular small claims action or any judicial officer deciding small claims actions.

170.6. (1) No judge, court commissioner, or referee of any superior, ~~municipal or justice~~ or *municipal* court of the State of California shall try any civil or criminal action or special proceeding of any kind or character nor hear any matter therein which involves a contested issue of law or fact when it shall be established as hereinafter provided that the judge or court commissioner is prejudiced against any party or attorney or the interest of any party or attorney appearing in the action or proceeding.

(2) Any party to or any attorney appearing in any such action or proceeding may establish this prejudice by an oral or written motion without notice supported by affidavit or declaration under penalty of perjury or an oral statement under oath that the judge, court commissioner, or referee before whom the action or proceeding is pending or to whom it is assigned is prejudiced against any such party or attorney or the interest of the party or attorney so that the party or attorney cannot or believes that he or she cannot have a fair and impartial trial or hearing before the judge, court commissioner, or referee. Where the judge, other than a judge assigned to the case for all purposes, court commissioner, or referee assigned to or who is scheduled to try the cause or hear the matter is known at least 10 days before the date set for trial or hearing, the motion shall be made at least five days before that date. If directed to the trial of a cause where there is a master calendar, the motion shall be made to the judge supervising the master calendar not later than the time the cause is assigned for trial. If directed to the trial of a cause which has been assigned to a judge for all purposes, the motion shall be made to the assigned judge or to the presiding judge by a party within 10 days after

notice of the all purpose assignment, or if the party has not yet appeared in the action, then within 10 days after the appearance. In no event shall any judge, court commissioner, or referee entertain the motion if it be made after the drawing of the name of the first juror, or if there be no jury, after the making of an opening statement by counsel for plaintiff, or if there is no such statement, then after swearing in the first witness or the giving of any evidence or after trial of the cause has otherwise commenced. If the motion is directed to a hearing (other than the trial of a cause), the motion shall be made not later than the commencement of the hearing. In the case of trials or hearings not herein specifically provided for, the procedure herein specified shall be followed as nearly as may be. The fact that a judge, court commissioner, or referee has presided at or acted in connection with a pretrial conference or other hearing, proceeding or motion prior to trial and not involving a determination of contested fact issues relating to the merits shall not preclude the later making of the motion provided for herein at the time and in the manner hereinbefore provided.

A motion under this paragraph may be made following reversal on appeal of a trial court's decision if the trial judge in the prior proceeding is assigned to conduct a new trial on the matter. The motion shall be made within 60 days after the party or the party's attorney has been notified of the assignment.

(3) If the motion is duly presented and the affidavit or declaration under penalty of perjury is duly filed or such oral statement under oath is duly made, thereupon and without any further act or proof, the judge supervising the master calendar, if any, shall assign some other judge, court commissioner, or referee to try the cause or hear the matter. (8) If any provision of this section or the application to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of the section which can be given effect without the invalid provision or application and to this end the provisions of this section are declared to be severable.

217. In criminal cases only, while the jury is kept together, either during the progress of the trial or after their retirement for deliberation, the court may direct the sheriff or marshal to provide the jury with suitable and sufficient food and lodging, or other reasonable necessities. In the superior, ~~municipal~~, and justice *and municipal* courts, the expenses incurred under the provisions of this section shall be charged against the county or city and county in which the court is held. Code Civ. Proc. § 234 (amended). Alternate jurors

SEC. _____. Section 234 of the Code of Civil Procedure is amended to read:

234. Whenever, in the opinion of a judge of a superior, ~~municipal~~, or justice *or municipal* court about to try a civil or criminal action or proceeding, the trial is likely to be a protracted one, or upon stipulation of the parties, the court may cause an entry to that effect to be made in the minutes of the court and thereupon, immediately after the jury is impaneled and sworn, the court may direct the calling of one or more additional jurors, in its discretion, to be known as “alternate jurors.”

These alternate jurors shall be drawn from the same source, and in the same manner, and have the same qualifications, as the jurors already sworn, and shall be subject to the same examination and challenges. However, each side, or each defendant, as provided in Section 231, shall be entitled to as many peremptory challenges to the alternate jurors as there are alternate jurors called.

The alternate jurors shall be seated so as to have equal power and facilities for seeing and hearing the proceedings in the case, and shall take the same oath as the jurors already selected, and shall, unless excused by the court, attend at all times upon the trial of the cause in company with the other jurors, but shall not participate in

deliberation unless ordered by the court, and for a failure to do so are liable to be punished for contempt.

They shall obey the orders of and be bound by the admonition of the court, upon each adjournment of the court; but if the regular jurors are ordered to be kept in the custody of the sheriff or marshal during the trial of the cause, the alternate jurors shall also be kept in confinement with the other jurors; and upon final submission of the case to the jury, the alternate jurors shall be kept in the custody of the sheriff or marshal who shall not suffer any communication to be made to them except by order of the court, and shall not be discharged until the original jurors are discharged, except as provided in this section.

If at any time, whether before or after the final submission of the case to the jury, a juror dies or becomes ill, or upon other good cause shown to the court is found to be unable to perform his or her duty, or if a juror requests a discharge and good cause appears therefor, the court may order the juror to be discharged and draw the name of an alternate, who shall then take his or her place in the jury box, and be subject to the same rules and regulations as though he or she has been selected as one of the original jurors.

All laws relative to fees, expenses, and mileage or transportation of jurors shall be applicable to alternate jurors, except that in civil cases the sums for fees and mileage or transportation need not be deposited until the judge directs alternate jurors to be impaneled.

(b) In any case where a defendant is convicted of a felony, after a trial on the merits, the record on appeal shall be prepared immediately after the verdict or finding of guilt is announced unless the court determines that it is likely that no appeal from the decision will be made. The court's determination of a likelihood of appeal shall be based upon standards and rules adopted by the Judicial Council.

(c) Any court, party, or person may request delivery of any transcript in a computer-readable form, except that an original transcript shall be on paper. A copy of the original transcript ordered within 120 days of the filing or delivery of the transcript by the official reporter shall be delivered in computer-readable form upon request if the proceedings were produced utilizing computer-aided transcription equipment. Except as modified by standards adopted by the Judicial Council, the computer-readable transcript shall be on disks in standard ASCII code unless otherwise agreed by the reporter and the court, party, or person requesting the transcript. SEC. _____. Section 393 of the Code of Civil Procedure is amended to read:

393. (1) Subject to the power of the court to transfer actions and proceedings as provided in this title, the county in which the cause, or some part thereof, arose, is the proper county for the trial of the following actions:

Code Civ. Proc. § 395 (amended). Actions generally

SEC. _____. Section 395 of the Code of Civil Procedure is amended to read:

395. (a) Except as otherwise provided by law and subject to the power of the court to transfer actions or proceedings as provided in this title, the county in which the defendants or some of them reside at the commencement of the action is the proper county for the trial of the action. If the action is for injury to person or personal property or for death from wrongful act or negligence, either the county where the injury occurs or the injury causing death occurs or the county in which the defendants, or some of them reside at the commencement of the action, shall be a proper county for the trial of the action. In a proceeding for dissolution of marriage, the county in which either the petitioner or respondent has been a resident for three months next preceding the commencement of the proceeding is the proper county for the trial of the proceeding. In a proceeding for nullity of marriage or legal separation of the parties, the county in which either the petitioner or the respondent resides at the commencement of the proceeding is the proper county for the trial of the proceeding. In a proceeding to enforce an obligation of support under Section 3900 of the Family Code, the county in which the child resides is the proper county for the trial of the action. In a proceeding to establish and enforce a foreign judgment or court order for the support of a minor child, the county in which the child resides is the proper county for the trial of the action. Subject to subdivision (b), when a defendant has contracted to perform an obligation in a particular county, either the county where the obligation is to be performed or in which the contract in fact was entered into or the county in which the defendant or any such defendant resides at the

commencement of the action shall be a proper county for the trial of an action founded on that obligation, and the county in which the obligation is incurred shall be deemed to be the county in which it is to be performed unless there is a special contract in writing to the contrary. If none of the defendants reside in the state or if residing in the state and the county in which they reside is unknown to the plaintiff, the action may be tried in any county which the plaintiff may designate in his or her complaint, and, if the defendant is about to depart from the state, the action may be tried in any county where either of the parties reside or service is made. If any person is improperly joined as a defendant or has been made a defendant solely for the purpose of having the action tried in the county or judicial district where he or she resides, his or her residence shall not be considered in determining the proper place for the trial of the action.

(b) Subject to the power of the court to transfer actions or proceedings as provided in this title, in an action arising from an offer or provision of goods, services, loans or extensions of credit intended primarily for personal, family or household use, other than an obligation described in Section 1812.10 or Section 2984.4 of the Civil Code, or an action arising from a transaction consummated as a proximate result of an unsolicited telephone call made by a seller engaged in the business of consummating transactions of that kind, the county in which the buyer or lessee in fact signed the contract, the county in which the buyer or lessee resided at the time the contract was entered into, or the county in which the buyer or lessee resides at the commencement of the action is the proper county for the trial thereof.

(c) If within the county there is a municipal ~~or justice~~ court having jurisdiction of the subject matter established, in the cases mentioned in subdivision (a), in the judicial district in which the defendant or any defendant resides, in which the injury to person or personal property or the injury causing death occurs, or, in which the obligation was contracted to be performed or, in cases mentioned in subdivision (b), in the judicial district *in* which the buyer or lessee resides, in which the buyer or lessee in fact signed the contract, in which the buyer or lessee resided at the time the

contract was entered into, or in which the buyer or lessee resides at the commencement of the action, then that court is the proper court for the trial of the action. Otherwise, any ~~municipal or justice~~ court in the county having jurisdiction of the subject matter is a proper court for the trial thereof.

(d) Any provision of an obligation described in subdivision (b) or (c) waiving those subdivisions is void and unenforceable.

Comment. Section 395 is amended to reflect the elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b). In a county in which there is no municipal court, the superior court has jurisdiction of matters that would be within the subject matter jurisdiction of the municipal court. Cal. Const. art. VI, § 10 (superior court jurisdiction); Code Civ. Proc. §§ 85, 85.1 (limited civil cases).

Code Civ. Proc. § 395.9 (added). Misclassification as limited civil case or otherwise

SEC. _____. Section 395.9 is added to the Code of Civil Procedure, to read:

395.9. (a) In a county in which there is no municipal court, if the caption of the complaint, cross-complaint, petition, or other initial pleading erroneously states or fails to state, pursuant to Section 422.30, that the action or proceeding is a limited civil case, the action or proceeding shall not be dismissed, except as provided in Section 399.5 or paragraph (1) of subdivision (b) of Section 581, but shall, on the motion of the defendant or cross-defendant within the time allowed for that party to respond to the initial pleading, or on the court's own motion at any time, be reclassified as a limited civil case or otherwise. The action or proceeding shall then be prosecuted as if it had been so commenced, all prior proceedings being saved. A motion for reclassification does not extend the moving party's time to answer or otherwise plead.

(b) If it appears from the verified pleadings, or at the trial, or hearing, that the determination of the action or proceeding, or of a cross-complaint, will necessarily involve the determination of questions inconsistent with the jurisdictional classification of the case, the court shall, on motion of either party establishing the grounds for misclassification and good cause for not seeking reclassification earlier, or on the court's own motion at any time, reclassify the case.

(c) A motion for reclassification pursuant to this section shall be supported by a declaration, affidavit, or other evidence if necessary to establish that the case is misclassified. A declaration, affidavit, or other evidence is not required if the grounds for misclassification appear on the face of the challenged pleading. All moving and supporting papers, opposition papers, and reply papers shall be served and filed in accordance with Section 1005.

(d) An action or proceeding which is reclassified under the provisions of this section shall be deemed to have been commenced at the time the complaint or petition was initially filed, not at the time of reclassification.

(e) Nothing in this section shall be construed to preclude or affect the right to amend the pleadings as provided in this code.

(f) Nothing in this section shall be construed to require the superior court to reclassify any action or proceeding because the judgment to be rendered, as determined at the trial or hearing, is one which might have been rendered in a limited civil case.

(g) In any case where the erroneous classification is due solely to an excess in the amount of the demand, the excess may be remitted and the action may continue as a limited civil case.

(h) Upon the making of an order for reclassification, proceedings shall be had as provided in Section 399.5. Unless the court ordering the reclassification otherwise directs, the costs and fees of those proceedings, and other costs and fees of reclassifying the case, including any additional amount due for filing the initial pleading, are to be paid by the party filing the pleading that erroneously classified the case.

Comment. Section 395.9 is added to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See Sections 32.5 (jurisdictional classification), 85 (limited civil cases) & Comment.

Code Civ. Proc. § 396 (amended). Court without jurisdiction

SEC. _____. Section 396 of the Code of Civil Procedure is amended to read:

396. If an action or proceeding is commenced in a court which lacks jurisdiction of the subject matter thereof, as determined by the complaint or petition, if there is a court of this state which has such jurisdiction, the action or proceeding shall not be dismissed

(except as provided in Section 399, and subdivision 1 of Section 581) but shall, on the application of either party, or on the court's own motion, be transferred to a court having jurisdiction of the subject matter which may be agreed upon by the parties, or, if they do not agree, to a court having such jurisdiction which is designated by law as a proper court for the trial or determination thereof, and it shall thereupon be entered and prosecuted in the court to which it is transferred as if it had been commenced therein, all prior proceedings being saved. In any such case, if summons is served prior to the filing of the action or proceeding in the court to which it is transferred, as to any defendant, so served, who has not appeared in the action or proceeding, the time to answer or otherwise plead shall date from service upon such defendant of written notice of filing of such action or proceeding in the court to which it is transferred.

If an action or proceeding is commenced in or transferred to a court which has jurisdiction of the subject matter thereof as determined by the complaint or petition, and it thereafter appears from the verified pleadings, or at the trial, or hearing, that the determination of the action or proceeding, or of a cross-complaint, will necessarily involve the determination of questions not within the jurisdiction of the court, in which the action or proceeding is pending, the court, whenever such lack of jurisdiction appears, must suspend all further proceedings therein and transfer the action or proceeding and certify the pleadings (or if the pleadings be oral, a transcript of the same), and all papers and proceedings therein to a court having jurisdiction thereof which may be agreed upon by the parties, or, if they do not agree, to a court having such jurisdiction which is designated by law as a proper court for the trial or determination thereof.

An action or proceeding which is transferred under the provisions of this section shall be deemed to have been commenced at the time the complaint or petition was filed in the court from which it was originally transferred.

Nothing herein shall be construed to preclude or affect the right to amend the pleadings as provided in this code.

Nothing herein shall be construed to require the superior court to transfer any action or proceeding because the judgment to be rendered, as determined at the trial or hearing, is one which might have been rendered by a municipal or justice court in the same county or city and county.

In any case where the lack of jurisdiction is due solely to an excess in the amount of the demand, the excess may be remitted and the action may continue in the court where it is pending.

Upon the making of an order for such transfer, proceedings shall be had as provided in Section 399 of this code, the costs and fees thereof, and of filing the case in the court to which transferred, to be paid by the party filing the pleading in which the question outside the jurisdiction of the court appears unless the court ordering the transfer shall otherwise direct.

Comment. Section 396 is amended to reflect the elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Code Civ. Proc. § 396a (amended). Statement of jurisdictional facts

SEC. _____. Section 396a of the Code of Civil Procedure is amended to read:

396a. ~~In all actions and proceedings commenced in a justice or municipal court which are~~ *In a limited civil case that is* subject to the provisions of Sections 1812.10 and 2984.4 of the Civil Code, or subdivision (b) of Section 395 of the Code of Civil Procedure, or is an action or proceeding for an unlawful detainer as defined in Section 1161 of the Code of Civil Procedure, plaintiff shall state facts in the complaint, verified by ~~his~~ *the plaintiff's* oath, or the oath of ~~his~~ *the plaintiff's* attorney, or in an affidavit of the plaintiff or of ~~his~~ *the plaintiff's* attorney filed with the complaint, showing that the action has been commenced in the proper court for the trial of such action or proceeding, and showing that the action is subject to the provisions of Sections 1812.10 and 2984.4 of the Civil Code or subdivision (b) of Section 395 of the Code of Civil Procedure, or is an action for an unlawful detainer. When such affidavit is filed with the complaint, a copy thereof must be served with the summons. Except as herein provided, if such complaint or affidavit be not so filed, no further proceedings shall be had in the action or

proceeding, except to dismiss the same without prejudice. However, the court may, on such terms as may be just, permit such affidavit to be filed subsequent to the filing of the complaint, and a copy of such affidavit shall be served on the defendant and the time to answer or otherwise plead shall date from such service. If it appears from such complaint or affidavit, or otherwise, that the court in which such action or proceeding is commenced is not the proper court for the trial thereof, the court in which such action or proceeding is commenced, or a judge thereof, shall, whenever such fact appears, transfer it to such proper court, on its own motion, or on motion of the defendant, unless the defendant consents in writing, or in open court (such consent in open court being entered in the minutes or docket of the court), to the keeping of the action or proceeding in the court where commenced. If such consent be given, the action or proceeding may continue in the court where commenced. Notwithstanding the provisions of Section 1801.1 and subdivision (f) of Section 2983.7 of the Civil Code that consent may be given by a defendant who is represented by counsel at the time the consent is given, and where an action or proceeding is subject to the provisions of subdivision (b) of Section 395 of the Code of Civil Procedure or is for an unlawful detainer, that consent may only be given by a defendant who is represented by counsel at the time the consent is given. In any such case where the transfer of the action or proceeding is ordered under the provisions of this paragraph, if summons is served prior to the filing of such action or proceeding in the court to which it is transferred, as to any defendant, so served, who has not appeared in the action or proceeding, the time to answer or otherwise plead shall date from service upon such defendant of written notice of such filing.

When it appears from such complaint or affidavit of the plaintiff that the court in which such action or proceeding is commenced is a proper court for the trial thereof, all proper proceedings may be had, and the action or proceeding may be tried therein; provided, however, that in such case a motion for a transfer of the action or proceeding may be made as in other cases, within the time, upon the grounds, and in the manner provided in this title, and if upon such motion it appears that such action or proceeding is not

pending in the proper court, or should for other cause be transferred, the same shall be ordered transferred as provided in this title.

When any such action or proceeding is ordered transferred as herein provided, proceedings shall be had, and the costs and fees shall be paid, as provided in Sections 398 and 399 of this code.

Comment. Section 396a is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). It is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b). Formerly, each county had one or more municipal courts and a superior court, and Section 396a applied to matters commenced in the municipal courts. A limited civil case is equivalent to a matter within the original jurisdiction of the municipal court under former law, so Section 396a as amended continues the effect of former law. *Cf.* Sections 85, 85.1 (limited civil cases)

Code Civ. Proc. § 399.5 (added). Reclassification pursuant to Section 395.9

SEC. _____. Section 399.5 is added to the Code of Civil Procedure, to read:

399.5. (a) Where an order is made for reclassification of an action or proceeding pursuant to Section 395.9, the clerk shall refile the case as reclassified on satisfaction of both of the following conditions:

(1) Costs and fees have been paid in accordance with Section 395.9.

(2) Either the time within which to file a petition for writ of mandate pursuant to Section 400 has expired and no writ has been filed, or a writ has been filed and a judgment denying the writ has become final.

(b) If the costs and fees have not been paid in accordance with Section 395.9 within five days after service of notice of the order for reclassification, then any party interested in the case, regardless of whether that party is named in the complaint, may pay the costs and fees, and the clerk shall refile the case as if the costs and fees had been paid in accordance with Section 395.9. The costs and fees are then a proper item of costs of the party paying them, recoverable if that party prevails in the action or proceeding. Otherwise, the costs and fees shall be offset against and deducted from the amount, if any, awarded to the party responsible for the

costs and fees under Section 395.9, in the event that party prevails in the action or proceeding.

(c) The cause of action shall not be further prosecuted in any court until the costs and fees of reclassifying the case are paid. If those costs and fees are not paid within 30 days after service of notice of an order for reclassification, or if a copy of a petition for writ of mandate pursuant to Section 400 is filed in the trial court, then within 30 days after notice of finality of the order for reclassification, the court on a motion by any party may dismiss the action without prejudice to the cause on the condition that no other action on the cause may be commenced in another court before the costs and fees are paid. Where a petition for writ of mandate does not result in a stay of proceedings, the time for payment of those costs and fees is 60 days after service of the notice of the order.

(d) At the time of refileing the case as reclassified, the clerk shall mail notice to all parties who have appeared in the action or proceeding, stating the date when refileing occurred and the number assigned to the case as refiled.

(e) The court shall have and exercise over the refiled action or proceeding the same authority as if the action or proceeding had been originally commenced as reclassified, all prior proceedings being saved. The court may allow or require whatever amendment of the pleadings, filing and service of amended, additional, or supplemental pleadings, or giving of notice, or other appropriate action as may be necessary for the proper presentation and determination of the action or proceeding as reclassified.

Comment. Section 399.5 is added to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See Section 85 (limited civil cases) & Comment.

Pleading rules for limited civil cases differ in some respects from pleading rules for other cases. See Sections 91 (application of economic litigation procedures), 92 (pleadings in cases subject to economic litigation procedures), 93 (case questionnaire), 396a (statement of jurisdictional facts), 425.10 (content of complaint), 425.11 (damages for personal injury or wrongful death). Under subdivision (e), a court may make appropriate adjustments where a defendant responds to the complaint in accordance with pleading rules that become inapplicable on reclassification.

Code Civ. Proc. § 400 (amended). Petition for writ of mandate

SEC. _____. Section 400 of the Code of Civil Procedure is amended to read:

400. When an order is made by the superior court granting or denying a motion to change the place of trial *or a motion to reclassify an action or proceeding pursuant to Section 395.9*, the party aggrieved by such order may, within 20 days after service of a written notice of the order, petition the court of appeal for the district in which the court granting or denying the motion is situated for a writ of mandate requiring trial of the case in the proper court *or proper classification of the action or proceeding pursuant to Section 395.9*. The superior court may, for good cause, and prior to the expiration of the initial 20-day period, extend the time for one additional period not to exceed 10 days. The petitioner shall file a copy of such petition in the trial court immediately after the petition is filed in the court of appeal. The court of appeal may stay all proceedings in the case, pending judgment on the petition becoming final. The clerk of the court of appeal shall file with the clerk of the trial court, a copy of any final order or final judgment immediately after such order or judgment becomes final.

Comment. Section 400 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See Section 85 (limited civil cases) & Comment.

Code Civ. Proc. § 402 (amended). Transfer for convenience of municipal court

SEC. _____. Section 402 of the Code of Civil Procedure is amended to read:

402. The presiding judge of a municipal ~~or justice~~ court district may order, for the convenience of the court, that any case pending trial be transferred to a contiguous municipal ~~or justice~~ court district in the same county if the presiding judge in the district to which the case is proposed to be transferred consents to the transfer and notice thereof is given to the parties or their attorneys at least 10 days in advance of the date fixed for trial.

No fees shall be charged for the transfer of any case pursuant to this section.

Comment. Section 402 is amended to reflect the elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Code Civ. Proc. § 402.5 (added). Change of venue in limited civil case

SEC. _____. Section 402.5 is added to the Code of Civil Procedure, to read:

402.5. The superior court in a county in which there is no municipal court may transfer a limited civil case to another branch or location of the superior court in the same county.

Comment. Section 402.5 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). The section makes clear that even though a limited civil case is triable in the superior court in a county in which there is no municipal court, there may be circumstances where it is appropriate to transfer the case for trial within the same county rather than to another county. This parallels statutory authority for change of venue in misdemeanor and infraction cases. Penal Code § 1038 (Judicial Council rules). The Judicial Council may prescribe rules governing transfers. Cal. Const. art. VI, § 6 (“To improve the administration of justice the council shall ... adopt rules for court administration, practice and procedure, not inconsistent with statute”).

Code Civ. Proc. § 422.20 (repealed). Justice court pleadings

SEC. _____. Section 422.20 of the Code of Civil Procedure is repealed.

~~422.20. The rules of pleading in justice courts shall be the same as the rules of pleading in municipal courts.~~

Comment. Section 422.20 is repealed to reflect the elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Code Civ. Proc. § 422.30 (amended). Caption

SEC. _____. Section 422.30 of the Code of Civil Procedure is amended to read:

422.30. (a) Every pleading shall contain a caption setting forth:

(a) (1) The name of the court and county, and, in municipal and justice courts, the name of the judicial district, in which the action is brought; and

(b) (2) The title of the action.

(b) *In a limited civil case in a county in which there is no municipal court, the caption shall state that the case is a limited civil case.*

Comment. Section 422.30 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). Subdivision (b) facilitates identification of limited civil cases in a county in which the municipal and superior courts have unified their operations in the superior court. See Section 85 (limited civil cases) & Comment. For guidance on procedures for challenging a caption stating, or failing to state, that an action or proceeding is a limited civil case, see Sections 395.9 (misclassification as limited civil case or otherwise), 399.5 (reclassification pursuant to Section 395.9), 400 (petition for writ of mandate).

Section 422.30 is also amended to reflect the elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Code Civ. Proc. § 425.10 (amended). Content of complaint

SEC. _____. Section 425.10 of the Code of Civil Procedure is amended to read:

425.10. A complaint or cross-complaint shall contain both of the following:

(a) A statement of the facts constituting the cause of action, in ordinary and concise language.

(b) A demand for judgment for the relief to which the pleader claims he is *to be* entitled. If the recovery of money or damages be demanded, the amount thereof shall be stated, unless the action is brought in the superior court to recover actual or punitive damages for personal injury or wrongful death, in which case the amount thereof shall not be stated, *except in a limited civil case*.

Comment. Section 425.10 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See Section 85 (limited civil cases) & Comment.

Code Civ. Proc. § 425.11 (amended). Damages for personal injury or wrongful death

SEC. _____. Section 425.11 of the Code of Civil Procedure is amended to read:

425.11. (a) As used in this section:

- (1) “Complaint” includes a cross-complaint.
- (2) “Plaintiff” includes a cross-complainant.
- (3) “Defendant” includes a cross-defendant.

(b) When a complaint is filed in an action in the superior court to recover damages for personal injury or wrongful death, the defendant may at any time request a statement setting forth the

nature and amount of damages being sought, *except in a limited civil case*. The request shall be served upon the plaintiff, who shall serve a responsive statement as to the damages within 15 days. In the event that a response is not served, the party, on notice to the plaintiff, may petition the court in which the action is pending to order the plaintiff to serve a responsive statement.

(c) If no request is made for the statement referred to in subdivision (a), the plaintiff shall serve the statement on the defendant before a default may be taken.

(d) The statement referred to in subdivision (b) shall be served in the following manner:

(1) If a party has not appeared in the action, the statement shall be served in the same manner as a summons.

(2) If a party has appeared in the action, the statement shall be served upon his or her attorney, or upon the party if he or she has appeared without an attorney, in the manner provided for service of a summons or in the manner provided by Chapter 5 (commencing with Section 1010) of Title 14 of Part 2.

(e) The statement referred to in subdivision (b) may be combined with the statement described in Section 425.115.

Comment. Section 425.11 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See Section 85 (limited civil cases) & Comment.

Code Civ. Proc. § 489.220 (amended). Amount of undertaking

SEC. _____. Section 489.220 of the Code of Civil Procedure is amended to read:

489.220. (a) Except as provided in subdivision (b), the amount of an undertaking filed pursuant to this article shall be two thousand five hundred dollars (\$2,500) in ~~an action in the municipal or justice court~~ *a limited civil case*, and seven thousand five hundred dollars (\$7,500) ~~in an action in the superior court~~ *otherwise*.

(b) If, upon objection to the undertaking, the court determines that the probable recovery for wrongful attachment exceeds the amount of the undertaking, it shall order the amount of the undertaking increased to the amount it determines to be the probable recovery for wrongful attachment if it is ultimately determined that the attachment was wrongful.

Comment. Section 489.220 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). It is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b). Formerly, each county had one or more municipal courts and a superior court, and Section 489.220 required an undertaking of \$2,500 for an action in municipal court and \$7,500 for an action in superior court. A limited civil case is equivalent to a matter within the original jurisdiction of the municipal court, so Section 489.220 as amended continues the effect of former law. See Section 85 (limited civil cases) & Comment.

Code Civ. Proc. § 564 (amended). Appointment of receivers

SEC. _____. Section 564 of the Code of Civil Procedure is amended to read:

564. (a) A receiver may be appointed, in the manner provided in this chapter, by the court in which an action or proceeding is pending in any case in which the court is empowered by law to appoint a receiver.

(b) In superior court a receiver may be appointed by the court in which an action or proceeding is pending, or by a judge thereof, in the following cases, *other than in a limited civil case*:

(1) In an action by a vendor to vacate a fraudulent purchase of property, or by a creditor to subject any property or fund to the creditor's claim, or between partners or others jointly owning or interested in any property or fund, on the application of the plaintiff, or of any party whose right to or interest in the property or fund, or the proceeds thereof, is probable, and where it is shown that the property or fund is in danger of being lost, removed, or materially injured.

(2) In an action by a secured lender for the foreclosure of the deed of trust or mortgage and sale of the property upon which there is a lien under a deed of trust or mortgage, where it appears that the property is in danger of being lost, removed, or materially injured, or that the condition of the deed of trust or mortgage has not been performed, and that the property is probably insufficient to discharge the deed of trust or mortgage debt.

(3) After judgment, to carry the judgment into effect.

(4) After judgment, to dispose of the property according to the judgment, or to preserve it during the pendency of an appeal, or pursuant to Title 9 (commencing with Section 680.010)

(enforcement of judgments), or after sale of real property pursuant to a decree of foreclosure, during the redemption period, to collect, expend, and disburse rents as directed by the court or otherwise provided by law.

(5) In the cases when a corporation has been dissolved, or is insolvent, or in imminent danger of insolvency, or has forfeited its corporate rights.

(6) In an action of unlawful detainer.

(7) At the request of the Public Utilities Commission pursuant to Sections 855 and 5259.5 of the Public Utilities Code.

(8) In all other cases where receivers have heretofore been appointed by the usages of courts of equity.

(9) At the request of the Office of Statewide Health Planning and Development, or the Attorney General, pursuant to Section 436.222 of the Health and Safety Code.

(10) In an action by a secured lender for specified performance of an assignment of rents provision in a deed of trust, mortgage, or separate assignment document. In addition, that appointment may be continued after entry of a judgment for specific performance in that action, if appropriate to protect, operate, or maintain real property encumbered by the deed of trust or mortgage or to collect the rents therefrom while a pending nonjudicial foreclosure under power of sale in the deed of trust or mortgage is being completed.

(11) In a case brought by an assignee under an assignment of leases, rents, issues, or profits pursuant to subdivision (g) of Section 2938 of the Civil Code.

(c) A receiver may be appointed, in the manner provided in this chapter, including, but not limited to, Section 566, by the superior court in an action *other than a limited civil case* brought by a secured lender to enforce the rights provided in Section 2929.5 of the Civil Code, to enable the secured lender to enter and inspect the real property security for the purpose of determining the existence, location, nature, and magnitude of any past or present release or threatened release of any hazardous substance into, onto, beneath, or from the real property security. The secured lender shall not abuse the right of entry and inspection or use it to harass the borrower or tenant of the property. Except in case of an

emergency, when the borrower or tenant of the property has abandoned the premises, or if it is impracticable to do so, the secured lender shall give the borrower or tenant of the property reasonable notice of the secured lender's intent to enter and shall enter only during the borrower's or tenant's normal business hours. Twenty-four hours' notice shall be presumed to be reasonable notice in the absence of evidence to the contrary.

(d) Any action by a secured lender to appoint a receiver pursuant to this section shall not constitute an action within the meaning of subdivision (a) of Section 726.

(e) For purposes of this section:

(1) "Borrower" means the trustor under a deed of trust, or a mortgagor under a mortgage, where the deed of trust or mortgage encumbers real property security and secures the performance of the trustor or mortgagor under a loan, extension of credit, guaranty, or other obligation. The term includes any successor-in-interest of the trustor or mortgagor to the real property security before the deed of trust or mortgage has been discharged, reconveyed, or foreclosed upon.

(2) "Hazardous substance" means (A) any "hazardous substance" as defined in subdivision (f) of Section 25281 of the Health and Safety Code as effective on January 1, 1991, or as subsequently amended, (B) any "waste" as defined in subdivision (d) of Section 13050 of the Water Code as effective on January 1, 1991, or as subsequently amended, or (C) petroleum, including crude oil or any fraction thereof, natural gas, natural gas liquids, liquefied natural gas, or synthetic gas usable for fuel, or any mixture thereof.

(3) "Real property security" means any real property and improvements, other than a separate interest and any related interest in the common area of a residential common interest development, as the terms "separate interest," "common area," and "common interest development" are defined in Section 1351 of the Civil Code, or real property consisting of one acre or less which contains 1 to 15 dwelling units.

(4) "Release" means any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the environment, including continuing

migration, of hazardous substances into, onto, or through soil, surface water, or groundwater.

(5) “Secured lender” means the beneficiary under a deed of trust against the real property security, or the mortgagee under a mortgage against the real property security, and any successor-in-interest of the beneficiary or mortgagee to the deed of trust or mortgage.

Comment. Section 564 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See Section 85 (limited civil cases) & Comment.

Code Civ. Proc. § 575 (amended). Promulgation of rules by Judicial Council

SEC. _____. Section 575 of the Code of Civil Procedure is amended to read:

575. The Judicial Council may promulgate rules governing pretrial conferences, and the time, manner and nature thereof, in civil cases at issue, or in one or more classes thereof, in the superior, ~~municipal, and justice~~ *and municipal* courts.

Comment. Section 575 is amended to reflect the elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Code Civ. Proc. § 575.1 (amended). Local rules

SEC. _____. Section 575.1 of the Code of Civil Procedure is amended to read:

575.1. (a) The presiding judge of each superior, ~~municipal, and justice~~ *and municipal* court may prepare, with the assistance of appropriate committees of the court, proposed local rules designed to expedite and facilitate the business of the court. The rules need not be limited to those actions on the civil active list, but may provide for the supervision and judicial management of actions from the date they are filed. Rules prepared pursuant to this section shall be submitted for consideration to the judges of the court and, upon approval by a majority of the judges, the judges shall have the proposed rules published and submitted to the local bar and others, as specified by the Judicial Council, for consideration and recommendations.

(b) After a majority of the judges have officially adopted the rules, 61 copies or a greater number as specified by Judicial Council rule, shall be filed with the Judicial Council as required by Section 68071 of the Government Code. The Judicial Council shall deposit a copy of each rule and amendment with each county law library or county clerk where it shall be made available for public examination. The local rules shall also be published for general distribution in accordance with rules adopted by the Judicial Council. Each court shall make its local rules available for inspection and copying in every location of the court that generally accepts filing of papers. The court may impose a reasonable charge for copying the rules and may impose a reasonable page limit on copying. The rules shall be accompanied by a notice indicating where a full set of the rules may be purchased.

(c) If a judge of a court adopts a rule which applies solely to cases in that judge's courtroom, or a particular branch or district of a court adopts a rule that applies solely to cases in that particular branch or district of a court, the court shall publish these rules as part of the general publication of rules required by the California Rules of Court. The court shall organize the rules so that rules on a common subject, whether individual, branch, district, or courtwide appear sequentially. Individual judges' rules and branch and district rules are local rules of court for purposes of this section and for purposes of the adoption, publication, comment, and filing requirements set forth in the Judicial Council rules applicable to local court rules.

Comment. Section 575.1 is amended to reflect the elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Code Civ. Proc. § 580 (amended). Relief awardable

SEC. _____. Section 580 of the Code of Civil Procedure is amended to read:

580. (a) The relief granted to the plaintiff, if there is no answer, cannot exceed that which he or she shall have demanded in his or her complaint, in the statement required by Section 425.11, or in the statement provided for by Section 425.115; but in any other case the court may grant the plaintiff any relief consistent with the

case made by the complaint and embraced within the issue. *The court may impose liability, regardless of whether the theory upon which liability is sought to be imposed involves legal or equitable principles.*

(b) Notwithstanding subdivision (a), the following types of relief may not be granted in a limited civil case:

(1) Relief exceeding the maximum amount in controversy for a limited civil case as provided in Section 85, exclusive of attorney fees, interest, and costs.

(2) A permanent injunction.

(3) A determination of title to real property.

(4) Enforcement of an order under the Family Code.

(5) Declaratory relief, except as authorized by Section 86.

Comment. Section 580 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e).

The last sentence of subdivision (a) continues former Section 86(c) without substantive change.

Subdivision (b)(1) makes explicit that although the jurisdiction of a unified superior court includes matters in which the amount in controversy exceeds the maximum for a limited civil case as provided in Section 85, the court cannot grant substantive relief exceeding that maximum in a limited civil case. Formerly, each county had one or more municipal courts and a superior court, and the jurisdictional limit of the municipal courts constrained the relief awardable in matters tried in those courts. *See Stokus v. Marsh*, 217 Cal. App. 3d 647, 653, 266 Cal. Rptr. 90 (1990) (“we view the jurisdictional limit of Code of Civil Procedure section 86 as applying to the substantive judgment and not the award of costs, including reasonable attorneys’ fees”); *Bakkebo v. Municipal Court*, 124 Cal. App. 3d 229, 177 Cal. Rptr. 239 (1981) (“Since the substantive demand is the touchstone of jurisdiction it follows that if the recovery on that demand is within the jurisdiction of the municipal court, that court retains jurisdiction to award costs and attorney fees even though those items, when added to the substantive portion of the judgment, aggregate an amount in excess of the jurisdictional limit.”); *see also* Section 396 (“In any case where the lack of jurisdiction is due solely to an excess in the amount of the demand, the excess may be remitted and the action may continue in the court where it is pending.”). A limited civil case is equivalent to a matter within the original jurisdiction of the municipal court under former law, so Section 580(b)(1) as amended continues and codifies the effect of former law.

Similarly, subdivisions (b)(2)-(b)(5) reflect and preserve limitations on the types of equitable relief awardable in a municipal court. *See R. Weil & I Brown, Jr., California Practice Guide: Civil Procedure Before Trial, Jurisdiction and Venue* §§ 3:12-3:18.1, at 3-6 to 3-7 (1997). *See also St. James Church of Christ Holiness v. Superior Court*, 135 Cal. App. 2d 352, 362, 287 P.2d 387 (1955)

(municipal court lacks jurisdiction to grant permanent injunction); Pasadena Investment Co. v. Peerless Casualty Co., 134 Cal. App. 2d Supp. 902, 286 P.2d 1014 (1955) (municipal court lacks jurisdiction to grant declaratory relief). On enforcement of orders under the Family Code, see Family Code Sections 200, 290; In re Marriage of Lackey, 143 Cal. App. 3d 698, 191 Cal. Rptr. 309 (1983). Cf. Sections 85, 85.1 (limited civil cases).

Code Civ. Proc. § 581d (amended). Dismissal

SEC. _____. Section 581d of the Code of Civil Procedure is amended to read:

581d. A written dismissal of an action shall be entered in the clerk's register and is effective for all purposes when so entered.

All dismissals ordered by the court shall be in the form of a written order signed by the court and filed in the action and such orders when so filed shall constitute judgments and be effective for all purposes, and the clerk ~~in superior, municipal, and justice courts~~ shall note such judgments in ~~his~~ *the* register of actions in the case.

Comment. Section 581d is amended to reflect the elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Code Civ. Proc. § 582.5 (added). Judgment for payment of money

SEC. _____. Section 582.5 is added to the Code of Civil Procedure, to read:

582.5. In a limited civil case in which the defendant has appeared, if the judgment or order is for the payment of money by the defendant, the defendant shall pay the judgment immediately or at any time and upon terms and conditions, including installment payments, that the court may prescribe. The court may amend the terms and conditions for payment of the judgment or order at any time to provide for installment payments for good cause upon motion by a party and notice to all affected parties, regardless of the nature of the underlying debt and regardless of whether the moving party appeared before entry of the judgment or order. In any determination regarding the imposition of terms and conditions upon the payment of the judgment, the court shall consider any factors that would be relevant to the determination of a claim for exemption pursuant to Chapter 4 (commencing with Section 703.010) of Division 2 of Title 9 of Part 2 or the examination of a

debtor pursuant to Article 2 (commencing with Section 708.110) of Chapter 6 of Division 2 of Title 9.

Comment. Section 582.5 continues former Section 85 without substantive change, except that former Section 85 referred to the municipal courts, whereas Section 582.5 pertains to a limited civil case. A limited civil case is equivalent to a matter within the original jurisdiction of the municipal court under former law, so Section 582.5 as amended continues the effect of former law. See Section 85 (limited civil cases) & Comment.

Code Civ. Proc. § 594 (amended). Bringing issues to trial or hearing

SEC. _____. Section 594 of the Code of Civil Procedure is amended to read:

594. (a) In superior, ~~municipal, and justice~~ *and municipal* courts either party may bring an issue to trial or to a hearing, and, in the absence of the adverse party, unless the court, for good cause, otherwise directs, may proceed with ~~his~~ *the* case and take a dismissal of the action, or a verdict, or judgment, as the case may require; provided, however, if the issue to be tried is an issue of fact, proof shall first be made to the satisfaction of the court that the adverse party has had 15 days' notice of such trial or five days' notice of such trial in an unlawful detainer action as specified in subdivision (b). If the adverse party has served notice of trial upon the party seeking the dismissal, verdict, or judgment at least five days prior to the trial, the adverse party shall be deemed to have had such notice.

(b) The notice to the adverse party required by subdivision (a) shall be served by mail on all the parties by the clerk of the court not less than 20 days prior to the date set for trial. In an unlawful detainer action where notice is served by mail such service shall be mailed not less than 10 days prior to the date set for trial. If notice is not served by the clerk as required by this subdivision, it may be served by mail by any party on the adverse party not less than 15 days prior to the date set for trial, and in an unlawful detainer action where notice is served by mail such service shall be mailed not less than 10 days prior to the date set for trial. The time provisions of Section 1013 shall not serve to extend the notice of trial requirements under this subdivision for unlawful detainer actions. If notice is served by the clerk, proof thereof may be made

by introduction into evidence of the clerk's certificate pursuant to subdivision (3) of Section 1013a or other competent evidence. If notice is served by a party, proof may be made by introduction into evidence of an affidavit or certificate pursuant to subdivision (1) or (2) of Section 1013a or other competent evidence. The provisions of this subdivision are exclusive.

Comment. Section 594 is amended to reflect the elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Code Civ. Proc. § 628 (amended). Entry upon receipt of verdict

SEC. _____. Section 628 of the Code of Civil Procedure is amended to read:

628. In superior, ~~municipal, and justice~~ *and municipal* courts upon receipt of a verdict, an entry must be made in the minutes of the court, specifying the time of trial, the names of the jurors and witnesses, and setting out the verdict at length; and where special verdict is found, either the judgment rendered thereon, or if the case be reserved for argument or further consideration, the order thus reserving it.

Comment. Section 628 is amended to reflect the elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Code Civ. Proc. § 631 (amended). Waiver of trial by jury

SEC. _____. Section 631 of the Code of Civil Procedure is amended to read:

631. (a) Trial by jury may be waived by the several parties to an issue of fact in any of the following ways:

- (1) By failing to appear at the trial.
- (2) By written consent filed with the clerk or judge.
- (3) By oral consent, in open court, entered in the minutes or docket.
- (4) By failing to announce that a jury is required, at the time the cause is first set for trial, if it is set upon notice or stipulation, or within five days after notice of setting if it is set without notice or stipulation.
- (5) By failing to deposit with the clerk, or judge, advance jury fees 25 days prior to the date set for trial, except in unlawful detainer actions where the fees shall be deposited at least five days

prior to the date set for trial, or as provided by subdivision (b). The advanced jury fee shall not exceed the amount necessary to pay the average mileage and fees of 20 trial jurors for one day in the court to which the jurors are summoned.

(6) By failing to deposit with the clerk or judge, promptly after the impanelment of the jury, a sum equal to the mileage or transportation (if any be allowed by law) of the jury accrued up to that time.

(7) By failing to deposit with the clerk or judge, at the beginning of the second and each succeeding day's session a sum equal to one day's fees of the jury, and the mileage or transportation, if any.

(b) In a superior court action, *other than a limited civil case*, if a jury is demanded by either party in the memorandum to set the cause for trial and the party, prior to trial, by announcement or by operation of law waives a trial by jury, then all adverse parties shall have five days following the receipt of notice of the waiver to file and serve a demand for a trial by jury and to deposit any advance jury fees which are then due.

(c) When the party who has demanded trial by jury either waives such trial upon or after the assignment for trial to a specific department of the court, or upon or after the commencement of the trial, or fails to deposit the fees as provided in paragraph (6) of subdivision (a), trial by jury shall be waived by the other party either failing promptly to demand trial by jury before the judge in whose department the waiver, other than for the failure to deposit such fees, was made, or by that party's failing promptly to deposit the fees provided in paragraph (6) of subdivision (a).

(d) The court may, in its discretion upon just terms, allow a trial by jury although there may have been a waiver of a trial by jury.

Comment. Section 631 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See Section 85 (limited civil cases) & Comment.

SEC. _____. Section 632 of the Code of Civil Procedure is amended to read:

632. In superior, ~~municipal, and justice~~ *and municipal* courts, upon the trial of a question of fact by the court, written findings of

fact and conclusions of law shall not be required. The court shall issue a statement of decision explaining the factual and legal basis for its decision as to each of the principal controverted issues at trial upon the request of any party appearing at the trial. The request must be made within 10 days after the court announces a tentative decision unless the trial is concluded within one calendar day or in less than eight hours over more than one day in which event the request must be made prior to the submission of the matter for decision. The request for a statement of decision shall specify those controverted issues as to which the party is requesting a statement of decision. After a party has requested such a statement, any party may make proposals as to the content of the statement of decision.

The statement of decision shall be in writing, unless the parties appearing at trial agree otherwise; however, when the trial is concluded within one calendar day or in less than 8 hours over more than one day, the statement of decision may be made orally on the record in the presence of the parties.

Comment. Section 632 is amended to reflect the elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

SEC. _____. Section 670 of the Code of Civil Procedure is amended to read:

Comment. Subdivision (e) of Section 685.030 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). It is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b). See Section 85 (limited civil cases) & Comment.

Code Civ. Proc. § 706.105 (amended). Claim of exemption under § 706.051

SEC. _____. Section 706.105 of the Code of Civil Procedure is amended to read:

706.105. (a) A judgment debtor may claim an exemption under Section 706.051 under either of the following circumstances:

(1) No prior hearing has been held with respect to the earnings withholding order.

(2) There has been a material change in circumstances since the time of the last prior hearing on the earnings withholding order.

(b) A claim of exemption shall be made by filing with the levying officer an original and one copy of (1) the judgment debtor's claim of exemption and (2) the judgment debtor's financial statement.

(c) Upon filing of the claim of exemption, the levying officer shall promptly send to the judgment creditor, at the address stated in the application for the earnings withholding order, by first-class mail, postage prepaid, all of the following:

(1) A copy of the claim of exemption.

(2) A copy of the financial statement.

(3) A notice of claim of exemption. The notice shall state that the claim of exemption has been filed and that the earnings withholding order will be terminated, or modified to reflect the amount of earnings claimed to be exempt in the claim of exemption, unless a notice of opposition to the claim of exemption is filed with the levying officer by the judgment creditor within 10 days after the date of the mailing of the notice of claim of exemption.

(d) A judgment creditor who desires to contest a claim of exemption shall, within 10 days after the date of the mailing of the notice of claim of exemption, file with the levying officer a notice of opposition to the claim of exemption.

(e) If a notice of opposition to the claim of exemption is filed with the levying officer within the 10-day period, the judgment creditor is entitled to a hearing on the claim of exemption. If the judgment creditor desires a hearing on the claim of exemption, the judgment creditor shall file a notice of motion for an order determining the claim of exemption with the court within 10 days after the date the levying officer mailed the notice of claim of exemption. If the notice of motion is so filed, the hearing on the motion shall be held not later than 30 days from the date the notice of motion was filed unless continued by the court for good cause. At the time prescribed by subdivision (b) of Section 1005, the judgment creditor shall give written notice of the hearing to the levying officer and shall serve a notice of the hearing and a copy of the notice of opposition to the claim of exemption on the judgment debtor and, if the claim of exemption so requested, on the attorney for the judgment debtor. Service is deemed made when the notice of the hearing and a copy of the notice of opposition to the claim of exemption are deposited in the mail, postage prepaid, addressed to the judgment debtor at the address stated in the claim of exemption and, if service on the attorney for the judgment debtor was requested in the claim of exemption, to the attorney at the address stated in the claim of exemption. The judgment creditor shall file proof of the service with the court. After receiving the notice of the hearing and before the date set for the hearing, the levying officer shall file the claim of exemption and the notice of opposition to the claim of exemption with the court.

(f) If the levying officer does not receive a notice of opposition to the claim of exemption within the 10-day period after the date of mailing of the notice of claim of exemption and a notice of the hearing not later than 10 days after the filing of the notice of opposition to the claim of exemption, the levying officer shall serve on the employer one of the following:

(1) A notice that the earnings withholding order has been terminated if all of the judgment debtor's earnings were claimed to be exempt.

(2) A modified earnings withholding order which reflects the amount of earnings claimed to be exempt in the claim of exemption if only a portion of the judgment debtor's earnings was claimed to be exempt.

(g) If, after hearing, the court orders that the earnings withholding order be modified or terminated, the clerk shall promptly transmit a certified copy of the order to the levying officer who shall promptly serve on the employer of the judgment debtor (1) a copy of the modified earnings withholding order or (2) a notice that the earnings withholding order has been terminated. The court may order that the earnings withholding order be terminated as of a date which precedes the date of hearing. If the court determines that any amount withheld pursuant to the earnings withholding order shall be paid to the judgment debtor, the court shall make an order directing the person who holds that amount to pay it promptly to the judgment debtor.

(h) If the earnings withholding order is terminated by the court, unless the court otherwise orders or unless there is a material change of circumstances since the time of the last prior hearing on the earnings withholding order, the judgment creditor may not apply for another earnings withholding order directed to the same employer with respect to the same judgment debtor for a period of 100 days following the date of service of the earnings withholding order or 60 days after the date of the termination of the order, whichever is later.

(i) If an employer has withheld and paid over amounts pursuant to an earnings withholding order after the date of termination of the order but prior to the receipt of notice of its termination, the judgment debtor may recover those amounts only from the levying officer if the levying officer still holds those amounts or, if those amounts have been paid over to the judgment creditor, from the judgment creditor. If the employer has withheld amounts pursuant to an earnings withholding order after termination of the order but has not paid over those amounts to the levying officer, the

employer shall promptly pay those amounts to the judgment debtor.

(j) An appeal lies from any court order under this section denying a claim of exemption or modifying or terminating an earnings withholding order. ~~The appeal shall be taken in the manner provided for appeals in the court in which the proceeding is had.~~ An appeal by the judgment creditor from an order modifying or terminating the earnings withholding order does not stay the order from which the appeal is taken. Notwithstanding the appeal, until the order modifying or terminating the earnings withholding order is set aside or modified, the order allowing the claim of exemption in whole or in part shall be given the same effect as if the appeal had not been taken.

(k) This section does not apply to a withholding order for support or a withholding order for taxes.

Comment. Section 706.105 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See Sections 85 (limited civil cases), 86(a)(8) (enforcement of judgment in limited civil case), 904.1 (taking appeal), 904.2 (taking appeal in limited civil case). See also Section 85 Comment.

Code Civ. Proc. § 708.180 (amended). Adverse claim of, or denial of debt by third party

SEC. _____. Section 708.180 of the Code of Civil Procedure is amended to read:

708.180. (a) Subject to subdivision (b), if a third person examined pursuant to Section 708.120 claims an interest in the property adverse to the judgment debtor or denies the debt, the court may, if the judgment creditor so requests, determine the interests in the property or the existence of the debt. Such a determination is conclusive as to the parties to the proceeding and the third person, but an appeal may be taken from the determination ~~in the manner provided for appeals from the court in which the proceeding takes place.~~ The court may grant a continuance for a reasonable time for discovery proceedings, the production of evidence, or other preparation for the hearing.

(b) The court may not make the determination provided in subdivision (a) if the third person's claim is made in good faith and any of the following conditions is satisfied:

(1) The court would not be a proper court for the trial of an independent civil action (including a creditor's suit) for the determination of the interests in the property or the existence of the debt, and the third person objects to the determination of the matter under subdivision (a).

(2) At the time an order for examination pursuant to Section 708.120 is served on the third person a civil action (including a creditor's suit) is pending with respect to the interests in the property or the existence of the debt.

(3) The court determines that the interests in the property or the existence of the debt should be determined in a creditor's suit.

(c) Upon application of the judgment creditor made ex parte, the court may make an order forbidding transfer of the property to the judgment debtor or payment of the debt to the judgment debtor until the interests in the property or the existence of the debt is determined pursuant to subdivision (a) or until a creditor's suit may be commenced and an order obtained pursuant to Section 708.240. An undertaking may be required in the discretion of the court. The court may modify or vacate the order at any time with or without a hearing on such terms as are just.

(d) Upon application of the judgment creditor upon noticed motion, the court may, if it determines that the judgment debtor probably owns an interest in the property or that the debt probably is owed to the judgment debtor, make an order forbidding the transfer or other disposition of the property to any person or forbidding payment of the debt until the interests in the property or the existence of the debt is determined pursuant to subdivision (a) or until a creditor's suit may be commenced and an order obtained pursuant to Section 708.240. The court shall require the judgment creditor to furnish an undertaking as provided in Section 529. The court may modify or vacate the order at any time after notice and hearing on such terms as are just.

Comment. Section 708.180 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See

Sections 85 (limited civil cases), 86(a)(8) (enforcement of judgment in limited civil case), 904.1 (taking appeal), 904.2 (taking appeal in limited civil case). See also Section 85 Comment.

Code Civ. Proc. § 720.160 (amended). Undertaking by creditor

SEC. _____. Section 720.160 of the Code of Civil Procedure is amended to read:

720.160. (a) If the creditor files with the levying officer an undertaking that satisfies the requirements of this section within the time allowed under subdivision (b) of Section 720.140:

(1) The levying officer shall execute the writ in the manner provided by law unless the third person files an undertaking to release the property pursuant to Chapter 6 (commencing with Section 720.610).

(2) After sale, payment, or delivery of the property pursuant to the writ, the property is free of all claims of the third person for which the creditor has given the undertaking.

(b) Subject to Sections 720.770 and 996.010, unless the creditor elects to file an undertaking in a larger amount, the amount of the undertaking filed by the creditor under this section shall be in the amount of:

~~(1) If the action is pending or the judgment was entered in the superior court, seven~~ *Except as provided in paragraph (2), seven* thousand five hundred dollars (\$7,500), or twice the amount of the execution lien as of the date of levy or other enforcement lien as of the date it was created, whichever is the lesser amount.

~~(2) If the action is pending or the judgment was entered in a municipal or justice court,~~ *In a limited civil case,* two thousand five hundred dollars (\$2,500), or twice the amount of the execution lien as of the date of levy or other enforcement lien as of the date it was created, whichever is the lesser amount.

(c) An undertaking given by the creditor under this chapter shall:

(1) Be made in favor of the third person.

(2) Indemnify the third person against any loss, liability, damages, costs, and attorney's fees, incurred by reason of the enforcement proceedings.

(3) Be conditioned on a final judgment that the third person owns or has the right of possession of the property.

(d) If the creditor is a public entity exempt from giving an undertaking, the public entity shall, in lieu of filing the undertaking, file with the levying officer a notice stating that the public entity opposes the claim of the third person. When so filed, the notice is deemed to satisfy the requirement of this section that an undertaking be filed.

Comment. Section 720.160 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). It is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b). Formerly, each county had one or more municipal courts and a superior court, and Section 720.160 required an undertaking of \$2,500 for an action in municipal court and \$7,500 for an action in superior court. A limited civil case is equivalent to a matter within the original jurisdiction of the municipal court under former law, so Section 720.160 as amended continues the effect of former law. See Section 85 (limited civil cases) & Comment.

Code Civ. Proc. § 720.260 (amended). Undertaking by creditor

SEC. _____. Section 720.260 of the Code of Civil Procedure is amended to read:

720.260. (a) If the creditor within the time allowed under subdivision (b) of Section 720.240 either files with the levying officer an undertaking that satisfies the requirements of this section and a statement that satisfies the requirements of Section 720.280 or makes a deposit with the levying officer of the amount claimed under Section 720.230:

(1) The levying officer shall execute the writ in the manner provided by law unless, in a case where the creditor has filed an undertaking, the secured party or lienholder files an undertaking to release the property pursuant to Chapter 6 (commencing with Section 720.610).

(2) After sale, payment, or delivery of the property pursuant to the writ, the property is free of all claims or liens of the secured party or lienholder for which the creditor has given the undertaking or made the deposit.

(b) Subject to Sections 720.770 and 996.010, unless the creditor elects to file an undertaking in a larger amount, the amount of the undertaking filed by the creditor under this section shall be in the amount of:

(1) ~~If the action is pending or the judgment was entered in the superior court, seven~~ *Except as provided in paragraph (2), seven* thousand five hundred dollars (\$7,500), or twice the amount of the execution lien as of the date of levy or other enforcement lien as of the date it was created, whichever is the lesser amount.

(2) ~~If the action is pending or the judgment was entered in a municipal or justice court,~~ *In a limited civil case,* two thousand five hundred dollars (\$2,500), or twice the amount of the execution lien as of the date of levy or other enforcement lien as of the date it was created, whichever is the lesser amount.

(c) An undertaking given by the creditor under this chapter shall:

(1) Be made in favor of the secured party or lienholder.

(2) Indemnify the secured party or lienholder against any loss, liability, damages, costs, and attorney's fees, incurred by reason of the enforcement proceedings.

(3) Be conditioned on a final judgment that the security interest or lien of the third person is entitled to priority over the creditor's lien.

(d) If the creditor is a public entity exempt from giving an undertaking, the public entity shall, in lieu of filing the undertaking, file with the levying officer a notice stating that the public entity opposes the claim of the third person. When so filed, the notice is deemed to satisfy the requirement of this section that an undertaking be filed.

Comment. Section 720.260 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). It is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b). Formerly, each county had one or more municipal courts and a superior court, and Section 720.260 required an undertaking of \$2,500 for an action in municipal court and \$7,500 for an action in superior court. A limited civil case is equivalent to a matter within the original jurisdiction of the municipal court under former law, so Section 720.160 as amended continues the effect of former law. See Section 85 (limited civil cases) & Comment.

Code Civ. Proc. § 720.420 (amended). Appeals of judgment on third-party claim

SEC. _____. Section 720.420 of the Code of Civil Procedure is amended to read:

720.420. An appeal may be taken from a judgment given pursuant to Section 720.390 ~~in the manner provided for appeals from the court in which the proceeding takes place.~~

Comment. Section 720.420 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See Sections 85 (limited civil cases), 86(a)(8) (enforcement of judgment in limited civil case), 904.1 (taking appeal), 904.2 (taking appeal in limited civil case). See also Section 85 Comment.

Code Civ. Proc. § 871.3 (amended). Good faith improver

SEC. _____. Section 871.3 of the Code of Civil Procedure is amended to read:

871.3. A good faith improver may bring an action in the superior court or, subject to ~~Section~~ *Sections 395.9 and 396*, may file a cross-complaint in a pending action in the superior or municipal court for relief under this chapter. In every case, the burden is on the good faith improver to establish that he is entitled to relief under this chapter, and the degree of negligence of the good faith improver should be taken into account by the court in determining whether the improver acted in good faith and in determining the relief, if any, that is consistent with substantial justice to the parties under the circumstances of the particular case.

Comment. Section 871.3 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e).

Code Civ. Proc. § 904.1 (amended). Taking appeal

SEC. _____. Section 904.1 of the Code of Civil Procedure is amended to read:

904.1. (a) ~~An appeal may be taken from a superior court in the following cases~~ *An appeal, other than in a limited civil case, is to the court of appeal. An appeal, other than in a limited civil case, may be taken from any of the following:*

(1) From a judgment, except (A) an interlocutory judgment, other than as provided in paragraphs (8), (9), and (11), (B) a judgment of contempt which is made final and conclusive by Section 1222, *or* (C) ~~a judgment on appeal from a municipal court or a justice court or a small claims court, or~~ (D) a judgment granting or denying a petition for issuance of a writ of mandamus

or prohibition directed to a municipal court or a ~~justice court~~ *the superior court in a county in which there is no municipal court* or the judge or judges thereof which relates to a matter pending in the municipal or ~~justice~~ *superior* court. However, an appellate court may, in its discretion, review a judgment granting or denying a petition for issuance of a writ of mandamus or prohibition, or a judgment or order for the payment of monetary sanctions, upon petition for an extraordinary writ.

(2) From an order made after a judgment made appealable by paragraph (1).

(3) From an order granting a motion to quash service of summons or granting a motion to stay or dismiss the action on the ground of inconvenient forum.

(4) From an order granting a new trial or denying a motion for judgment notwithstanding the verdict.

(5) From an order discharging or refusing to discharge an attachment or granting a right to attach order.

(6) From an order granting or dissolving an injunction, or refusing to grant or dissolve an injunction.

(7) From an order appointing a receiver.

(8) From an interlocutory judgment, order, or decree, hereafter made or entered in an action to redeem real or personal property from a mortgage thereof, or a lien thereon, determining the right to redeem and directing an accounting.

(9) From an interlocutory judgment in an action for partition determining the rights and interests of the respective parties and directing partition to be made.

(10) From an order made appealable by the provisions of the Probate Code or the Family Code.

(11) From an interlocutory judgment directing payment of monetary sanctions by a party or an attorney for a party if the amount exceeds five thousand dollars (\$5,000).

(12) From an order directing payment of monetary sanctions by a party or an attorney for a party if the amount exceeds five thousand dollars (\$5,000).

(b) Sanction orders or judgments of five thousand dollars (\$5,000) or less against a party or an attorney for a party may be

reviewed on an appeal by that party after entry of final judgment in the main action, or, at the discretion of the court of appeal, may be reviewed upon petition for an extraordinary writ.

Comment. Section 904.1 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e).

Subdivision (a) implements California Constitution Article VI, Section 11(a), as it applies in civil cases (courts of appeal have appellate jurisdiction when superior courts have original jurisdiction in causes of a type within appellate jurisdiction of courts of appeal on June 30, 1995, and in other causes prescribed by statute).

Paragraph (a)(1)(C), which made nonreviewable “a judgment on appeal from municipal court or a justice court or a small claims court,” is deleted as unnecessary, because the introductory clause of Section 904.1 as amended already excludes those matters from its coverage.

Section 904.1 is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Code Civ. Proc. § 904.2 (amended). Taking appeal in limited civil case

SEC. _____. Section 904.2 of the Code of Civil Procedure is amended to read:

904.2. ~~An appeal may be taken from a municipal or justice court in the following cases~~ *An appeal in a limited civil case is to the appellate division of the superior court. An appeal in a limited civil case may be taken from any of the following:*

(a) From a judgment, except (1) an interlocutory judgment, or (2) a judgment of contempt which is made final and conclusive by Section 1222.

(b) From an order made after a judgment made appealable by subdivision (a).

(c) From an order changing or refusing to change the place of trial.

(d) From an order granting a motion to quash service of summons or granting a motion to stay or dismiss the action on the ground of inconvenient forum.

(e) From an order granting a new trial or denying a motion for judgment notwithstanding the verdict.

(f) From an order discharging or refusing to discharge an attachment or granting a right to attach order.

(g) From an order granting or dissolving an injunction, or refusing to grant or dissolve an injunction.

(h) From an order appointing a receiver.

~~(i) From a judgment of the small claims court.~~

Comment. Section 904.2 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). The amendment implements California Constitution Article VI, Section 11(b), as it applies in civil cases (appellate division of superior court has appellate jurisdiction in causes prescribed by statute).

For guidance on what constitutes a limited civil case, see Section 85 & Comment.

Subdivision (i) is deleted because review of a judgment of the small claims division is governed by Section 904.5. See also Sections 116.710-116.795.

Section 904.2 is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Code Civ. Proc. § 904.5 (amended). Small claims appeals

SEC. _____. Section 904.5 of the Code of Civil Procedure is amended to read:

904.5. Appeals from the small claims division of a ~~justice or~~ municipal *or superior* court shall be governed by the Small Claims Act (Chapter 5.5 (commencing with Section 116.110) of Title 1 of Part 1).

Comment. Section 904.5 is amended to accommodate unification of the municipal and superior courts in a county. Review of a judgment of the small claims division is governed by Sections 116.710-116.795. The section is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Code Civ. Proc. § 911 (amended). Transfer from appellate division to court of appeal

SEC. _____. Section 911 of the Code of Civil Procedure is amended to read:

911. A court of appeal may order any case on appeal ~~within the original jurisdiction of the municipal and justice courts~~ *to a superior court* in its district transferred to it for hearing and decision as provided by rules of the Judicial Council when the superior court certifies, or the court of appeal determines, that such transfer appears necessary to secure uniformity of decision or to settle important questions of law.

No case in which there is a right on appeal to a trial anew in the superior court shall be transferred pursuant to this section before a decision in such case becomes final therein.

A court to which any case is transferred pursuant to this section shall have similar power to review any matter and make orders and judgments as the *appellate division of the superior court* would have in such case, except that if the case was tried anew in the superior court, the ~~reviewing court of appeal~~ shall have similar power to review any matter and make orders and judgments as it has in a case ~~within the original jurisdiction of the superior court appealed pursuant to Section 904.1.~~

Comment. Section 911 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). It is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Section 911 applies to appeals taken to the appellate division of the superior court (see Section 904.2 (taking appeal in limited civil case) and to appeals taken to the superior court where the appeal is in the form of a trial de novo (see, e.g., Section 116.770 (small claims appeals)).

Code Civ. Proc. § 912 (amended). Certification to trial court of result on appeal

SEC. _____. Section 912 of the Code of Civil Procedure is amended to read:

912. Upon final determination of an appeal by the reviewing court, the clerk of the court shall remit to the trial court a certified copy of the judgment or order of the reviewing court and of its opinion, if any. The clerk of the trial court, ~~or the judge, if there be no clerk, shall file such~~ *shall file the* certified copy of the judgment and opinion of the reviewing court, shall attach the same to the judgment roll if the appeal was from a judgment, and shall enter a note of the judgment of the reviewing court stating whether the judgment or order appealed from has been affirmed, reversed or modified, in the margin of the original entry of such judgment or order, and also in the register of actions or docket.

Comment. Section 912 is amended to reflect the elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b), (e), 10.

The amendment deletes the clause authorizing the judge to substitute for the clerk if there be no clerk. That provision is obsolete because every municipal

and superior court has a clerk. Additionally, judges have authority to perform any act that court clerks are allowed to perform. Section 167.

Code Civ. Proc. § 996.430 (amended). Enforcement of liability on bond

SEC. _____. Section 996.430 of the Code of Civil Procedure is amended to read:

(b) If the bond was given in an action or proceeding, the action shall be commenced in the court in which the action or proceeding was pending. (c) A cause of action on a bond may be transferred and assigned as other causes of action.

Comment. Section 996.430 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See Sections 32.5 (jurisdictional classification), 85 (limited civil cases) & Comment.

Code Civ. Proc. § 1014 (amended). Appearance by defendant

SEC. _____. Section 1014 of the Code of Civil Procedure is amended to read:

A defendant appears in an action when ~~he~~ *the defendant* answers, demurs, files a notice of motion to strike, files a notice of motion to transfer pursuant to Section 396b, *moves for reclassification pursuant to Section 395.9*, gives the plaintiff written notice of ~~his~~ appearance, or when an attorney gives notice of appearance for ~~him~~ *the defendant*. After appearance, a defendant or ~~his~~ *the defendant's* attorney is entitled to notice of all subsequent proceedings of which notice is required to be given. Where a defendant has not appeared, service of notice or papers need not be made upon ~~him~~ *the defendant*.

Comment. Section 1014 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). The amendment reflects the addition of Section 395.9 (misclassification as limited

civil case or otherwise), which sets forth a procedure for challenging a caption stating, or failing to state, that an action or proceeding is a limited civil case. See also Sections 85 (limited civil cases) & Comment, 399.5 (reclassification pursuant to Section 395.9), 400 (petition for writ of mandate), 422.30 (caption).

(b) ~~In a municipal or justice court, when~~ *When* a prevailing plaintiff *in a limited civil case* recovers less than the amount prescribed by law as the maximum limitation upon the jurisdiction of the small claims court, the following shall apply:

(1) When the party could have brought the action in the small claims court *but did not do so*, the court may, in its discretion, allow or deny costs to the prevailing party, or may allow costs in part in any amount as it deems proper.

(2) When the party could not have brought the action in small claims court, costs and necessary disbursements shall be limited to the actual cost of the filing fee, the actual cost of service of process, and, when otherwise specifically allowed by law, reasonable attorney fees. However, those costs shall only be awarded to the plaintiff if the court is satisfied that prior to the commencement of the action, the plaintiff informed the defendant in writing of the intended legal action against the defendant and that legal action could result in a judgment against the defendant which would include the costs and necessary disbursements allowed by this paragraph.

Comment. Section 1033 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). It is also amended to reflect elimination of the justice court, Cal. Const. art. VI, §§ 1, 5(b),.

All such reproductions shall be placed in convenient, accessible files, and provision shall be made for preserving, examining, and using them.

Any photograph, microphotograph, or photocopy which is made pursuant to this section shall be made in such manner and on such paper as will comply with the minimum standards of quality approved therefor by the National Bureau of Standards.

This section does not apply to any action in small claims court, or to any action maintained pursuant to Section 1781 of the Civil Code or Section 1161 of this code.

(d) In each ~~municipal~~ court which has adopted judicial arbitration pursuant to subdivision (c), all ~~civil actions~~ *limited civil cases* pending on or after July 1, 1990, which involve a claim for money damages against a single defendant as a result of a motor vehicle collision, except those heard in the small claims division, shall be submitted to arbitration within 120 days of the filing of the

The court may provide by local rule for the voluntary or mandatory use of case questionnaires, established under Section 93, in any proceeding subject to these provisions. Code Civ. Proc. § 1161.2 (amended). Case court records

SEC. _____. Section 1161.2 of the Code of Civil Procedure is amended to read:

1161.2. (a) Except as provided in subdivision (g), in any case filed under this chapter ~~in municipal court as a limited civil case,~~ the court clerk shall not allow access to the court file, index, register of actions, or other court records until 60 days following the date the complaint is filed, except pursuant to an ex parte court order upon a showing of good cause therefor by any person including, but not limited to, a newspaper publisher. However, the clerk of the court shall allow access to the court file to a party in the action, an attorney of a party in the action, or any other person who (1) provides to the clerk the names of at least one plaintiff, one defendant, and the address, including the apartment, unit, or space number, if applicable, of the subject premises, or (2) provides to the clerk the name of one of the parties or the case

number and can establish through proper identification that he or she resides at the subject premises.

(b) For purposes of this section “good cause” includes, but is not limited to, the gathering of newsworthy facts by a person described in Section 1070 of the Evidence Code. It is the intent of the Legislature that a simple procedure be established to request the ex parte order described in subdivision (a).

(c) Except as provided in subdivision (g), upon the filing of any case so restricted, the court clerk shall mail notice to each defendant named in the action. The notice shall be mailed to the address provided in the complaint. The notice shall contain a statement that an unlawful detainer complaint (eviction action) has been filed naming that party as a defendant, and that access to the court file will be delayed for 60 days except to a party, an attorney for one of the parties, or any other person who (1) provides to the clerk the names of at least one plaintiff and one defendant in the action and provides to the clerk the address, including any applicable apartment, unit, or space number, of the subject premises, or (2) provides to the clerk the name of one of the parties in the action or the case number and can establish through proper identification that he or she lives at the subject premises. The notice shall also contain a statement that access to the court index, register of actions, or other records is not permitted until 60 days after the complaint is filed, except pursuant to an ex parte order upon a showing of good cause therefor. The notice shall contain on its face the name and phone number of the county bar association and the name and phone number of an office funded by the federal Legal Services Corporation which provides legal services to low-income persons in the county in which the action is filed. The notice shall state that these numbers may be called for legal advice regarding the case. The notice shall be issued between 24 and 48 hours of the filing of the complaint, excluding weekends and holidays. One copy of the notice shall be addressed to “all occupants” and mailed separately to the subject premises. The notice shall not constitute service of the summons and complaint.

(d) Notwithstanding any other provision of law, the court shall, upon adoption of a resolution by the board of supervisors requiring

such a fee, charge an additional fee for filing a first appearance by the plaintiff in an amount equal in the aggregate to the actual cost of complying with this section, but which shall not exceed a maximum of four dollars (\$4). This fee shall be included as part of the total filing fee for actions filed under this chapter. Any such board resolution in effect on January 1, 1994, shall remain in effect until it is repealed.

(e) A municipal court *or the superior court in a county in which there is no municipal court*, after consultation with local associations of rental property owners, tenant groups, and providers of legal services to tenants, may exempt itself from the operation of this section upon a finding that unscrupulous eviction defense services are not a substantial problem in the judicial district. The court shall review the finding every 12 months. An exempt court shall not charge the additional fee authorized in subdivision (d).

(f) The Judicial Council shall examine the extent to which requests for access to files pursuant to an ex parte order under subdivision (a) are granted or denied, and if denied, the reason for the denial of access.

(g) This section shall not apply to a case which seeks to terminate a mobilehome park tenancy if the statement of the character of the proceeding in the caption of the complaint clearly indicates that the complaint seeks termination of a mobilehome park tenancy.

Comment. Section 1161.2 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). Formerly, each county had one or more municipal courts and a superior court, and subdivision (a) referred to an unlawful detainer case filed in a municipal court. A limited civil case is equivalent to a matter within the original jurisdiction of the municipal court under former law, so Section 1161.2 as amended continues the effect of former law. See Section 85 (limited civil cases) & Comment.

For guidance in applying subdivision (e), see Section 38 (judicial districts) & Comment.

Code Civ. Proc. § 1167.2 (amended). Rent deposit pilot program

SEC. _____. Section 1167.2 of the Code of Civil Procedure is amended to read:

1167.2. (a) (1) There is hereby established a pilot project in the Los Angeles Municipal Court downtown courthouse for the Los Angeles Judicial District, for those cases within the venue of the Central Division, and the municipal courts for the County of San Bernardino. Nothing herein shall be construed to preclude those municipal courts that were implementing the pilot project as of January 1, 1996, from continuing to do so subject to the provisions of this section as amended by Assembly Bill 2966 of the 1995-96 Regular Session. Nothing herein shall preclude other municipal courts from opting to implement the pilot project *in a limited civil case*.

The pilot project shall be considered successful if delays and abuses in the unlawful detainer system are reduced, due process protections are maintained for all parties, and significant administrative burdens are not imposed on the courts. Failure to meet one or more of the numerical measurements of success shall not be interpreted as a lack of success of the project if, in the Judicial Council's view, the totality of circumstances reflect success of the project. Measurements of success shall include:

(A) A 50 percent reduction of time from filing an unlawful detainer action to regaining possession of property in cases in which a deposit demand is made as compared to cases in which a deposit demand is not made. The measurement of this reduction shall exclude any action to obtain possession of any nonresidential premises and any action in which the trial was held on the date set for the pretrial hearing and the defendant was not represented by counsel at this trial.

(B) No more than 5 percent of the unlawful detainer cases are appealed in which a demand for prospective rent is made. The measurement of this percentage shall exclude any action to obtain possession of a nonresidential premises and any action in which the trial was held on the date set for the pretrial hearing and the defendant was not represented by counsel at this trial.

(C) A 40 percent reduction of total administrative and judicial time for the courts when disposing of unlawful detainer actions in which a deposit demand is made as compared to cases in which a deposit demand is not made.

(D) No increase in costs to the courts in cases in which a deposit demand is made as compared to cases in which no deposit demand is made.

(E) Less than 1 percent of the unlawful detainer cases in which a deposit demand was made involved property subject to an outstanding violation.

(2) Criteria to be considered for determining the success of the pilot project shall include, but not be limited to, all of the following:

(A) The time for disposition of unlawful detainer cases using the pretrial rent deposit procedure as compared to cases under subdivision 2 of Section 1161 from previous years for which records are available and other unlawful detainer cases in the same time period, in which a deposit is not demanded. However, this comparison shall exclude any action to obtain possession of any nonresidential premises and any action in which the trial was held on the date set for the pretrial hearing and the defendant was not represented by counsel at this trial.

(B) The percentage of hearings that are contested as compared to failures of parties to appear at the hearing, the number of deposits ordered to be made after a hearing, the number of deposits actually made, and the number of occasions the court found a substantial conflict as to material fact or facts.

(C) The effect of the procedure on the ability of the parties to prepare and present a case at the hearing.

(D) Analysis of compliance with subdivision (d) using random samples that are sufficient to produce statistically valid data.

(E) Assessment by the courts as to the efficiency of the procedure, and whether there was an overall increase or decrease in the administrative burden of dealing with unlawful detainer cases.

(F) The number of cases in which trials are held at the time and date set for the pretrial hearing and the disposition of the cases.

Each court participating in the pilot project shall develop procedures to survey participants in the process and to gather data on its experience with the process. Survey participants shall include, but not be limited to, members of the judiciary, court

administration, court clerks, counsel for plaintiffs and defendants, landlords, tenants, sheriffs, and marshals.

The presiding judges of participating courts shall report on the success of the pilot project to the Judicial Council on or before September 30, 1998, and the Judicial Council shall report to the Legislature on or before December 31, 1998.

(b)(1) In any action for unlawful detainer brought under subdivision (2) of Section 1161, the plaintiff may make a demand for a pretrial prospective rent deposit, provided the plaintiff has alleged in the body of the unlawful detainer complaint that no citation of a type described in subdivision (c) is outstanding as of the date the complaint is filed. The demand shall be made in the body of the unlawful detainer complaint, on the first page thereof immediately under the case number, and on the summons issued by the court.

(2) The summons and complaint shall be accompanied by a reply form. The reply form shall be prepared by the Judicial Council to allow the defendant to advise the court and the plaintiff that the defendant denies the allegations of the unlawful detainer complaint and intends to appear and defend the action. The information to be contained in the form shall include, but not be limited to, the following:

(A) A statement that in order for the defendant to protect his or her rights, the form should be completed and returned to the court immediately, but in no event later than five days from receipt of the summons and complaint. The form shall be returned to the court by personal delivery or by registered or certified mail, return receipt requested, postmarked within five days from receipt of the summons and complaint.

(B) A statement that, if the form is not returned to the court in the time and manner prescribed herein, the defendant shall be required to deposit with the court the prospective rent as defined in subdivision (e) by the date of the hearing in order to preserve the right to have a trial of this matter.

(C) A statement that if the defendant does not return the form to the court as prescribed herein and subsequently fails to deposit the amount of prospective rent as defined in subdivision (d) up to and

including the date of the hearing, the court shall order judgment for possession of the premises to be entered in favor of the plaintiff at the pretrial hearing.

(3) Upon the filing of the proof of service of the summons and complaint for unlawful detainer containing a demand for a pretrial prospective rent deposit, the clerk of the court shall set a pretrial hearing date no less than eight nor more than 13 days from the filing of the proof of service, and give notice of that date to all parties by first-class mail if the plaintiff pays the fee required by Section 72055 of the Government Code, plus an additional sum in an amount set by the court to cover actual costs of the court associated with the procedure established by this section. The proceeds from this additional fee shall be deposited with the county treasurer and, upon appropriation, be available solely to the court and the county in which the court is located and shall be used exclusively for costs associated with this procedure. If the court provides procedures for holding a trial on the same date as the day scheduled for the pretrial hearing, the court shall use a Judicial Council form to inform defendants of the date, time, and place of the pretrial hearing. The form shall include a statement that is substantially in the following form:

“If you are represented by counsel on the date set for the pretrial hearing, the court may ask you to waive your right to the pretrial hearing and proceed directly to trial. If you agree, the trial will begin and you will be expected to have all your evidence and witnesses present in the courtroom. You should seriously consider whether it is in your interest to waive your right to a pretrial hearing. If you agree to waive your right to a pretrial hearing and lose at trial, judgment will be entered against you for eviction and money damages. Whereas, if you lose your pretrial hearing and fail to make the pretrial rent deposit within two court days, the court can only enter judgment for eviction without any money damages.”

(c)(1) At the pretrial hearing, the court shall determine whether a substantial conflict exists as to a material fact or facts relevant to the unlawful detainer for purposes of requiring the defendant to deposit with the clerk of the court prospective rent as defined in

subdivision (e) as a condition of continuing to trial. If at the pretrial hearing the court determines, based upon the written declarations or oral testimony of the parties, that (A) the plaintiff is the landlord of the premises, the defendant failed to pay contract rent, the defendant was properly served with a three-day notice, and the defendant failed to tender the rent or quit the premises, and (B) no substantial conflict exists as to a material fact or facts relevant to the unlawful detainer after considering any written or oral answer to the unlawful detainer complaint made by the defendant and any and all affirmative defenses offered by the defendant, and considering any oral testimony and written declarations presented by all of the parties, then the court shall have the discretion to order the defendant to deposit, with the clerk of the court, prospective rent as defined in subdivision (e). If the court orders a deposit of prospective rent and if the defendant fails to deposit the prospective rent within two court days from the date of the hearing, judgment for the plaintiff for possession of the premises shall be entered and a writ of possession for the premises shall be issued forthwith. If the defendant has not returned the reply form as described in paragraph (2) of subdivision (b) in the time and manner required, any deposit of prospective rent ordered by the court shall be made by the date of the hearing. If a defendant has not returned the reply form and then fails to deposit the prospective rent on the day of the hearing, judgment for the plaintiff for possession of the premises shall be entered and a writ of possession shall be issued forthwith. Upon entry of judgment for possession of the premises for the plaintiff pursuant to this subdivision, the court shall dismiss any claim for money relief without prejudice.

(2) For purposes of the pretrial hearing held pursuant to paragraph (1), the parties shall have the right to offer declarations, affidavits, and documentary evidence in addition to oral testimony of the parties, but no witnesses other than the parties may be called to testify. The court shall consult the parties to ascertain whether there is a substantial conflict as to a material fact or facts relevant to the unlawful detainer. The pretrial hearing of the case shall be informal, the object being to dispense justice promptly, fairly, and inexpensively. Except as provided in paragraph (3), for the

purposes of the pilot project in Los Angeles County, no attorney may take part in the conduct of the pretrial hearing unless the attorney is appearing to maintain an action (A) by or against himself or herself, (B) by or against a partnership in which he or she is a general partner and in which all the partners are attorneys, or (C) by a corporation. If an attorney appears at the pretrial hearing to maintain an action as authorized by this paragraph, an attorney may appear for the opposing party in this action.

(3) Notwithstanding whether the defendant has returned the reply form pursuant to paragraph (2) of subdivision (b), a defendant may respond to the summons and complaint with an oral answer at the pretrial hearing or by written answer, motion, or demurrer. An oral answer shall be reduced to a writing by the court clerk, recorded electronically, or recorded by a court reporter. The court, in issuing its decision, shall make findings as to the matters specified in paragraph (1) of subdivision (b), including any defenses. The decision and findings shall be reduced to a writing. If the defendant responds to the unlawful detainer by demurrer or motion, this motion or demurrer shall be filed and served pursuant to Sections 1167 and 1167.3 and shall be heard and decided at the pretrial hearing held pursuant to this section. Notwithstanding paragraph (2) of subdivision (c), attorneys may appear in any county for parties prosecuting or contesting a demurrer or motion. Notwithstanding Section 1005, papers opposing the defendant's motion or demurrer may be filed and personally served no later than one day prior to the day appointed for the hearing. If the defendant fails to respond to the unlawful detainer by written answer, motion, demurrer, or oral answer at the pretrial hearing, the court shall order judgment for possession of the premises to be entered in favor of the plaintiff forthwith at the pretrial hearing.

(4) A defendant who is represented by counsel at the pretrial hearing may be asked to stipulate to holding the trial on the date set for the pretrial hearing where the court has advised the defendant of the following in the summons: (1) that the court may ask the defendant to stipulate to holding the trial on the same date as the pretrial hearing if the defendant is represented by counsel; (2) that he or she has the right to post a deposit and have the trial set at a

later date if the court determines that a deposit is required at the pretrial hearing; (3) that if the deposit is not made, judgment for possession can only be entered against the defendant, and (4) that if trial is held, judgments for money and possession can be entered against the defendant.

In no case shall the trial be held on the same date selected for the pretrial hearing unless the defendant is represented by counsel and has been given notice as provided in paragraph (4). These provisions are nonwaivable.

(d) No deposit of prospective rent as defined in this section shall be required if the defendant has paid, or deposited with the court, all rent through the month in which the action is filed. No deposit of rent pursuant to this section shall be required if the action involves premises as to which, as of the date the complaint was filed, there was an outstanding citation issued by a state or local government agency for violations of law pertaining to health, safety, housing, building, or fire standards.

(e) "Prospective rent," for purposes of this section, means up to 15 days' prospective rent not to exceed five hundred dollars (\$500). The prospective rent shall be calculated on a prorated basis utilizing a 30-day rental period and the lowest monthly rent charged for the premises during the prior six months of the defendant's occupancy. Any deposit made by the defendant pursuant to this section shall be deposited with the clerk, by cash, cashier's check, or money order made payable to the clerk. Receipt of the deposit shall be acknowledged in writing and deposited and retained by the clerk pursuant to Section 24353 of the Government Code until further order of the court. The receipt and amount of a deposit of prospective rent shall be included in the order of the court at the conclusion of the pretrial hearing.

(f) If at trial the court determines that a breach of the warranty of habitability has occurred, that the defendant, or his or her guests or invitees did not cause the breach of this warranty, that the breach of this warranty is sufficient to diminish the value of the premises in an amount greater than 60 percent of the contract rent, and that the defendant had given the owner notice to repair or eliminate the breach, the court shall order the entire amount of prospective rent

deposited by the defendant pursuant to this section returned to the defendant. In this case, the obligation of payment of past rent for the period covered by the eviction notice shall be extinguished. In order to remain in the premises, the defendant shall pay the reduced rent from the time of trial until the defect is cured. The rights and remedies in this paragraph are in addition to any other rights and remedies relating to the habitability of dwelling units.

(g) Notwithstanding paragraph (1) of subdivision (c), any deposit made by the defendant pursuant to this section shall be awarded to the party entitled thereto by the trial court. The defendant shall be given credit to the extent of the deposit against any money judgment ordered against the defendant in a subsequent action.

(h) This section does not apply to actions for possession of a mobilehome or manufactured home, as those terms are defined in subdivision (a) of Section 1161a, and does not apply to actions for possession of real property in a mobilehome park subject to the Mobilehome Residency Law (Chapter 2.5 (commencing with Section 798) of Title 2 of Part 2 of Division 2 of the Civil Code), or to a manufactured housing community, as defined in Section 18801 of the Health and Safety Code.

(i) Section 473 shall apply to this section.

(j) This section shall become inoperative on December 31, 1998, and shall be repealed on July 1, 1999, unless a later enacted statute, which is enacted before July 1, 1999, deletes or extends that date.

1206. Upon the levy under a writ of attachment or execution not founded upon a claim for labor, any miner, mechanic, salesman, servant, clerk, laborer or other person who has performed work or rendered personal services for the defendant within 90 days prior to the levy may file a verified statement of the claim therefor with the officer executing the writ, file a copy thereof with the court which issued the writ, and give copies thereof, containing his or her address, to the plaintiff and the defendant, or any attorney, clerk or agent representing them, or mail copies to them by registered mail at their last known address, return of which by the post office undelivered shall be deemed a sufficient service if no better address is available, and such claim, not exceeding nine hundred dollars (\$900), unless disputed, must be paid by such officer, immediately upon the expiration of the time for dispute of the claim as prescribed in Section 1207, from the proceeds of such levy remaining in the officer's hands at the time of the filing of such statement or collectible by the officer on the basis of the writ.

The court issuing the writ must make a notation on its docket of every preferred labor claim of which it receives a copy and must endorse on any writ of execution or abstract of judgment issued subsequently in the case that it is issued subject to the rights of a preferred labor claimant or claimants thereunder and giving the names and amounts of all such preferred labor claims of which it has notice. In levying under any writ of execution the officer making the levy shall include in the amount due under the execution any and all preferred labor claims that have been filed in the action and of which the officer has notice, except any claims which may have been finally disallowed by the court under the

procedure provided for herein and of which disallowance the officer has actual notice. The amount due on preferred labor claims that have not been finally disallowed by the court shall be considered a part of the sum due under any writ of attachment or execution in augmentation of the amount thereof and it shall be the duty of any person, firm, association or corporation on whom a writ of attachment or execution is levied to immediately pay to the levying officer the amount of such preferred labor claims, out of any money belonging to the defendant in the action, before paying the principal sum called for in the writ.

The hearing shall be held within 20 days from the filing of the petition unless the court continues it for good cause. The notice may be informal and need specify merely the name of the court, names of the principal parties to the senior attachment or execution and name of the wage claimant or claimants on whose behalf it is filed but shall specify that the hearing is for the purpose of determining the claim for priority. EDUCATION CODE

Educ. Code § 44944 (amended). Dismissal or suspension proceeding

SEC. _____. Section 44944 of the Education Code is amended to read:

44944. (a) In a dismissal or suspension proceeding initiated pursuant to Section 44934, if a hearing is requested by the employee, the hearing shall be commenced within 60 days from the date of the employee’s demand for a hearing. The hearing shall be initiated, conducted, and a decision made in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code. However, the hearing date shall be established after consultation with the employee and the governing board, or their representatives, and the Commission on Professional Competence shall have all the power granted to an agency in that chapter, except that the right of discovery of the parties shall not be limited to those matters set forth in Section 11507.6 of the Government Code but shall include the rights and duties of any party in a civil action brought in a superior court

under Article 3 (commencing with Section 2016) of Chapter 3 of Title 4 of Part 4 of the Code of Civil Procedure. Notwithstanding any provision to the contrary, and except for the taking of oral depositions, no discovery shall occur later than 30 calendar days after the employee is served with a copy of the accusation pursuant to Section 11505 of the Government Code. In all cases, discovery shall be completed prior to seven calendar days before the date upon which the hearing commences. If any continuance is granted pursuant to Section 11524 of the Government Code, the time limitation for commencement of the hearing as provided in this subdivision shall be extended for a period of time equal to such continuance. However, the extension shall not include that period of time attributable to an unlawful refusal by either party to allow the discovery provided for in this section.

If the right of discovery granted under the preceding paragraph is denied by either the employee or the governing board, all the remedies in Section 2034 of the Code of Civil Procedure shall be available to the party seeking discovery and the court of proper jurisdiction, to entertain his or her motion, shall be the superior court of the county in which the hearing will be held.

The time periods in this section and of Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code and of Article 3 (commencing with Section 2016) of Chapter 3 of Title 3 of Part 4 of the Code of Civil Procedure shall not be applied so as to deny discovery in a hearing conducted pursuant to this section.

The superior court of the county in which the hearing will be held may, upon motion of the party seeking discovery, suspend the hearing so as to comply with the requirement of the preceding paragraph.

No witness shall be permitted to testify at the hearing except upon oath or affirmation. No testimony shall be given or evidence introduced relating to matters which occurred more than four years prior to the date of the filing of the notice. Evidence of records regularly kept by the governing board concerning the employee may be introduced, but no decision relating to the dismissal or suspension of any employee shall be made based on charges or

evidence of any nature relating to matters occurring more than four years prior to the filing of the notice.

(b) The hearing provided for in this section shall be conducted by a Commission on Professional Competence. One member of the commission shall be selected by the employee, one member shall be selected by the governing board, and one member shall be an administrative law judge of the Office of Administrative Hearings who shall be chairperson and a voting member of the commission and shall be responsible for assuring that the legal rights of the parties are protected at the hearing. If either the governing board or the employee for any reason fails to select a commission member at least seven calendar days prior to the date of the hearing, the failure shall constitute a waiver of the right to selection, and the county board of education or its specific designee shall immediately make the selection. When the county board of education is also the governing board of the school district or has by statute been granted the powers of a governing board, the selection shall be made by the Superintendent of Public Instruction, who shall be reimbursed by the school district for all costs incident to the selection.

The member selected by the governing board and the member selected by the employee shall not be related to the employee and shall not be employees of the district initiating the dismissal or suspension and shall hold a currently valid credential and have at least five years' experience within the past 10 years in the discipline of the employee.

(c) The decision of the Commission on Professional Competence shall be made by a majority vote, and the commission shall prepare a written decision containing findings of fact, determinations of issues, and a disposition which shall be, solely:

- (1) That the employee should be dismissed.
- (2) That the employee should be suspended for a specific period of time without pay.
- (3) That the employee should not be dismissed or suspended.

The decision of the Commission on Professional Competence that the employee should not be dismissed or suspended shall not be based on nonsubstantive procedural errors committed by the

school district or governing board unless the errors are prejudicial errors.

The commission shall not have the power to dispose of the charge of dismissal by imposing probation or other alternative sanctions. The imposition of suspension pursuant to paragraph (2) shall be available only in a suspension proceeding authorized pursuant to subdivision (b) of Section 44932 or Section 44933.

The decision of the Commission on Professional Competence shall be deemed to be the final decision of the governing board.

The board may adopt from time to time such rules and procedures not inconsistent with provisions of this section as may be necessary to effectuate this section.

The governing board and the employee shall have the right to be represented by counsel.

(d)(1) If the member selected by the governing board or the member selected by the employee is employed by any school district in this state the member shall, during any service on a Commission on Professional Competence, continue to receive salary, fringe benefits, accumulated sick leave, and other leaves and benefits from the district in which the member is employed, but shall receive no additional compensation or honorariums for service on the commission.

(2) If service on a Commission on Professional Competence occurs during summer recess or vacation periods, the member shall receive compensation proportionate to that received during the current or immediately preceding contract period from the member's employing district, whichever amount is greater.

(e) If the Commission on Professional Competence determines that the employee should be dismissed or suspended, the governing board and the employee shall share equally the expenses of the hearing, including the cost of the administrative law judge. The state shall pay any costs incurred under paragraph (2) of subdivision (d), the reasonable expenses, as determined by the administrative law judge, of the member selected by the governing board and the member selected by the employee, including, but not limited to payments or obligations incurred for travel, meals, and lodging, and the cost of the substitute or substitutes, if any, for the

member selected by the governing board and the member selected by the employee. The Controller shall pay all claims submitted pursuant to this paragraph from the General Fund, and may prescribe reasonable rules, regulations, and forms for the submission of the claims. The employee and the governing board shall pay their own attorney fees.

If the Commission on Professional Competence determines that the employee should not be dismissed or suspended, the governing board shall pay the expenses of the hearing, including the cost of the administrative law judge, any costs incurred under paragraph (2) of subdivision (d), the reasonable expenses, as determined by the administrative law judge, of the member selected by the governing board and the member selected by the employee, including, but not limited to payments or obligations incurred for travel, meals, and lodging, the cost of the substitute or substitutes, if any, for the member selected by the governing board and the member selected by the employee, and reasonable attorney fees incurred by the employee.

As used in this section, "reasonable expenses" shall not be deemed "compensation" within the meaning of subdivision (d).

If either the governing board or the employee petitions a court of competent jurisdiction for review of the decision of the commission, the payment of expenses to members of the commission required by this subdivision shall not be stayed.

In the event that the decision of the commission is finally reversed or vacated by a court of competent jurisdiction, then either the state, having paid the commission members' expenses, shall be entitled to reimbursement from the governing board for those expenses, or the governing board, having paid the expenses, shall be entitled to reimbursement from the state.

Additionally, either the employee, having paid a portion of the expenses of the hearing, including the cost of the administrative law judge, shall be entitled to reimbursement from the governing board for the expenses, or the governing board, having paid its portion and the employee's portion of the expenses of the hearing, including the cost of the administrative law judge, shall be entitled

to reimbursement from the employee for that portion of the expenses.

(f) The hearing provided for in this section shall be conducted in a place selected by agreement among the members of the commission. In the absence of agreement, the place shall be selected by the administrative law judge.

The filing of a complaint and pursuit of conciliation or remedy under this part shall not prejudice the complainant's right to pursue effective judicial relief under other applicable laws, but if a civil action has been filed under Section 52 of the Civil Code, the department shall terminate proceedings upon notification of the entry of final judgment unless the judgment is a dismissal entered at the complainant's request.

(b) The Attorney General or the director may, in a like manner, make, sign, and file complaints citing practices that appear to violate the purpose of this part or any specific provisions of this part relating to housing discrimination.

(d) Upon the filing of a complaint, the department shall serve notice upon the complainant of the time limits, rights of the parties, and choice of forums provided for under the law, and shall also provide a written explanation that informs the complainant that, if an accusation is issued, the complainant may only be able to recover damages for emotional distress or other intangible injuries through a civil action filed under Section 12989.

This notice shall, in any event, be issued no more than 30 days after the date of the determination or 30 days after the date of the expiration of the 100-day period, whichever date first occurs. The notice shall indicate that the person claiming to be aggrieved may bring a civil action under this part against the person named in the verified complaint within the time period specified in Section 12989.1 of the Government Code. The notice shall also indicate, unless the department has determined that no accusation will be issued, that the person claiming to be aggrieved has the option of continuing to seek redress for the alleged discrimination through the procedures of the department if he or she does not desire to file a civil action. The superior, ~~municipal,~~ and justice *and municipal* courts of the State of California shall have jurisdiction of these actions, and the aggrieved person may file in any of these courts. The remedy for failure to send a copy of a complaint is an order to do so. In a civil action brought under this section, the court, in its discretion, may award to the prevailing party reasonable attorney fees.

68112. (a) On or before March 1, 1992, each superior, ~~municipal, and justice and municipal~~ court in each county, in consultation with the local bar, shall prepare and submit to the Judicial Council for review and approval a trial court coordination plan designed to achieve maximum utilization of judicial and other court resources and statewide cost reductions in court operations of at least 3 percent in the 1992-93 fiscal year, a further 2 percent in the 1993-94 fiscal year, and a further 2 percent in the 1994-95 fiscal year, as applicable. The cost reduction shall be based on the prior year

actual expenditures, plus any amount reduced from the budget for court operations by a county as a result of any reduction in state funding made pursuant to Section 13308, increased by the percentage change in population for the prior calendar year and the Department of Commerce implicit price deflator for state and local government for the prior calendar year. The coordination plan for each court shall be reviewed and approved by the Judicial Council on or before July 1, 1992. Thereafter, commencing in 1995 and every two years thereafter, courts in each county shall prepare, in consultation with the local bar, and submit a trial court coordination plan to the Judicial Council on or before March 1, for review and approval by July 1. The plans shall comply with rules promulgated by the Judicial Council and shall be designed to achieve maximum utilization of judicial and other resources to accomplish increased efficiency in court operations and increased service to the public. Any plan disapproved by the Judicial Council shall be revised and resubmitted within 60 days of notification of disapproval. The Judicial Council may by rule exempt courts from the requirement of filing a new coordination plan for any year if all courts in the county have (1) totally consolidated administrative functions under a single administrative entity, and (2) adopted and implemented a coordination plan in which all courts share each other's work so that cases in all of the county's courts are substantially assigned without regard to whether a judge is on the superior court or the municipal court, and which provides for procedures that implement that sharing of work.

(b) The coordination plan shall take into consideration the elements specified in standards and rules adopted by the Judicial Council and applicable case processing time standards adopted by the Judicial Council. The standards adopted by the Judicial Council shall include, but not be limited to, the following:

(1) The use of blanket cross-assignments allowing judges to hear civil, criminal, or other types of cases within the jurisdiction of another court.

(2) The coordinated or joint use of subordinate judicial officers to hear or try matters.

(3) The coordinated, joint use, sharing or merger of court support staff among trial courts within a county or across counties. In a county with a population of less than 100,000 the coordination plan need not involve merger of superior and justice court staffs if the court can reasonably demonstrate that the maintenance of separate administrative staffs would be more cost-effective and provide better service.

(4) The assignment of civil, criminal, or other types of cases for hearing or trial, regardless of jurisdictional boundaries, to any available judicial officer.

(5) The assignment of any type of case to a judge for all purposes commencing with the filing of the case and regardless of jurisdictional boundaries.

(6) The establishment of separate calendars or divisions to hear a particular type of case.

(7) In rural counties, the use of all court facilities for hearings and trials of all types of cases and to accept for filing documents in any case before any court in the county participating in the coordination plan.

(8) The coordinated or joint use of alternative dispute resolution programs such as arbitration.

(9) The unification of the trial courts within a county to the maximum extent permitted by the Constitution.

(10) The joint development of automated accounting and case-processing systems, including joint use of moneys available under Section 68090.8.

(c) In preparing coordination plans a court or courts in a county may petition the Judicial Council to permit division of the court or courts into smaller administrative units where a courtwide plan would impose an undue burden because of the number of judges or the physical location of the divisions of the court or courts.

(d) In preparing coordination plans, the courts are strongly encouraged to develop a plan that includes all superior, ~~municipal,~~ and justice *and municipal* courts in the county.

The executive officer shall hold office at the pleasure of a majority vote of the judges from all of the participating courts sitting as a committee of the whole or as set forth in the coordination plan. The courts shall fix the qualifications of the executive officer. Any executive officer appointed under this section has the authority of a clerk of any participating superior, ~~municipal,~~ or ~~justice~~ *or municipal* court. The executive officer shall perform, or supervise the performance of, the duties of a jury commissioner in the county of any participating superior court. Notwithstanding any other provision of law, any participating superior court may, by local rule, specify which of the powers, duties, and responsibilities required or permitted to be exercised or performed by the county clerk in connection with judicial actions, proceedings, and records shall be exercised or performed by the executive officer appointed under this section. The county clerk shall be relieved of any obligation imposed on him or her by law with respect to these specified powers, duties, and responsibilities, to the extent the local rule imposes on the executive officer the same powers, duties, and responsibilities.

AND SUPERIOR COURTS

Article 1. Unification Voting Procedure

Comment. Section 70200 reiterates authority provided in Constitution Article VI, Section 5(e), for unification of the municipal and superior courts in a county. The implementation of the unification procedure is vested in the Legislature by Constitution Article VI, Section 23 (purpose of constitutional amendment is to permit Legislature to provide for unification).

For the operative date of a vote for unification, see Section 70202.

§ 70200.5. Conduct of vote

70200.5. (a) A vote of the judges in a county for unification shall be called by the Judicial Council on application of the presiding judge of the superior court or all of the presiding judges of the municipal courts in the county, or on application of a majority of the superior court judges or a majority of the municipal court judges in the county.

(b) The vote shall be taken 30 days after it is called.

(c) A judge is eligible to vote if the judge is serving in the court pursuant to an election or appointment under Section 16 of Article VI of the California Constitution at the time the vote is taken.

(d) The ballot shall be in substantially the following form:

“Shall the municipal and superior courts in the County of [name county] be unified on [specify date]? [Yes] [No]”

(e) Notwithstanding subdivisions (a) and (b), the judges in a county may vote for unification by delivering to the Judicial Council a ballot endorsed in favor of unification by unanimous written consent of all judges in the county eligible to vote.

70201. (a) The Judicial Council or registrar of voters shall certify the results of a vote to unify the municipal courts and the superior courts in a county.

(b) Unification of the municipal and superior courts in a county requires an affirmative vote of a majority of all superior court judges in the county eligible to vote and a majority of all municipal court judges in the county eligible to vote.

superior courts on and after the date the municipal and superior courts in a county are unified. These rules shall, on the date the municipal and superior courts in a county are unified, be the rules of the unified superior court.

(f) Other necessary activities to facilitate the transition to a unified superior court.

Comment. Section 70210 mandates that the Judicial Council adopt rules of court to coordinate and guide the trial courts in effectively implementing trial court unification. The rules adopted by the Judicial Council may not be inconsistent with statute, including Section 77001, which requires that the Judicial Council promulgate rules that establish a decentralized system of trial court management and ensure that the trial court of each county establishes the means of selecting presiding judges and executive officers.

Subdivision (a) provides generally that the rules will ensure the orderly conversion of proceedings in the unified superior court as of the date the municipal and superior courts in a county are unified.

Subdivision (b) provides for the selection of the presiding judge, court executive officer, and appropriate committees or working groups to assist the presiding judge. The method of selection, and the specific duties and authorities for each will be set forth in the rules, as is currently the case in existing Rules 204, 205, 207, 532.5, 532.6, and 573 of the California Rules of Court. This preserves the balance of power that currently exists between the legislature and the judiciary.

Subdivision (c) is intended to encourage the presiding judge to work closely with the court executive officer and court committees or other working groups to implement unification decisions.

Subdivision (d) provides that the courts will develop and adopt a personnel plan. The section parallels Rule 205(11).

Subdivision (e) provides for local rule adoption. As under current practice, the Judicial Council will determine which procedural issues shall be addressed by local rule and which by statewide rule. *Cf.* Section 68070 (Judicial Council shall adopt rules or procedures to encourage uniformity of requirements throughout a court and statewide).

Examples of issues that may be addressed by rule of court under subdivision (f) include the development of informational programs for the public and the Bar about unification, and education and training programs for judicial officers and court staff to facilitate the effective transition to a unified court.

§ 70211. Effect of unification on judgeships

70211. When the municipal and superior courts in a county are unified:

(a) The judgeships in each municipal court in that county are abolished and the previously selected municipal court judges become judges of the superior court in that county. Until revised

by statute, the total number of judgeships in the unified superior court shall equal the previously authorized number of judgeships in the municipal court and superior court combined.

(b) The term of office of a previously selected municipal court judge is not affected by taking office as a judge of the superior court. A previously selected municipal court judge is entitled to hold office for the same time period as if the judge had remained a judge of the municipal court. Until a previously selected municipal court judge leaves office or a successor is elected and qualifies, the time for election of a successor is governed by the law otherwise applicable to selection of a municipal court judge. Thereafter, selection of a successor to the office is governed by the law governing selection of a superior court judge.

(c) The 10-year membership or service requirement of Section 15 of Article VI of the California Constitution does not apply to a previously selected municipal court judge.

Comment. Subdivision (a) of Section 70211 restates the first sentence of Constitution Article VI, Section 23(b), with the addition of a provision maintaining the total number of judgeships in the county. The Legislature prescribes the number of judges. Cal. Const. art. VI, §§ 4, 5.

The first sentence of subdivision (b) restates the second sentence of Constitution Article VI, Section 23(b). The second sentence makes clear that the “term of office” of a previously selected municipal court judge is to be determined by reference to statutes governing the tenure in office of a municipal court judge. See Gov’t Code §§ 71141, 71145, 71180. The third and fourth sentences of subdivision (b) provide guidance in applying timing rules for judicial elections during the transition from municipal to superior court. For the timing of municipal court elections, see Government Code Sections 71141, 71145, 71180; for the timing of superior court elections, see Constitution Article VI, Section 16(b), (c).

Under the rules provided in subdivision (b), an appointed municipal court judge who at the time of unification would have been entitled to hold office for the remainder of a term, is entitled to hold office as a superior judge for the same period. If the vacancy to which the judge was appointed occurs within 10 months of the general election preceding the end of the term, the judge would be entitled to hold office until the next succeeding general election, notwithstanding an intervening unification. See Gov’t Code § 71180(a). These transitional rules apply only until the first election after unification, or until the incumbent judge at the time of unification leaves office, whichever occurs first. Thereafter standard rules governing tenure and election of superior court judges apply in the unified court.

Subdivision (c) restates the third sentence of Constitution Article VI, Section 23(b).

The references in this section to a “previously selected” judge includes selection by election or by appointment to fill a vacancy. *Cf. Trial Court Unification: Constitutional Revision (SCA 3)*, 24 Cal. L. Revision Comm’n Reports 1, 82 (1994) (Article VI, § 23(b) Comment).

§ 70212. Transitional provisions

70212. Except as provided by statute to the contrary, in a county in which the municipal and superior courts become unified, the following shall occur automatically in each preexisting municipal and superior court:

(a) Previously selected officers (including subordinate judicial officers), employees, and other personnel who serve the court become the officers and employees of the superior court.

(b) Preexisting court locations are retained as superior court locations.

(c) Preexisting court records become records of the superior court.

(d) Pending actions, trials, proceedings, and other business of the court become pending in the superior court under the procedures previously applicable to the matters in the court in which the matters were pending.

(e) Matters of a type previously subject to rehearing by a superior court judge remain subject to rehearing by a superior court judge, other than the judge who originally heard the matter.

(f) Penal Code procedures that necessitate superior court review of, or action based on, a ruling or order by a municipal court judge shall be performed by a superior court judge other than the judge who originally made the ruling or order.

(g) Subpoenas, summons of jurors, and other process issued by the court shall be enforceable by the superior court.

(h) The superior court and each judge of the superior court has all the powers and shall perform all of the acts that were by law conferred on or required of any court superseded by the superior court and any judge of the superseded court, and all laws applicable to the superseded court not inconsistent with the statutes

governing unification of the municipal and superior courts, apply to the superior court and to each judge of the court.

Comment. Subdivisions (a)-(f) of Section 70212 restate Constitution Article VI, Section 23(c). Although embodied in the Constitution, these provisions are subject to variation by statute. See Cal. Const. art. VI, § 23(c) (introductory clause).

The reference in subdivision (a) to officers, employees, and other personnel who serve the court includes court commissioners, traffic referees, court reporters, and all other municipal court personnel. See *Trial Court Unification: Constitutional Revision (SCA 3)*, 24 Cal. L. Revision Comm'n Reports 1, 82 (1994) (Article VI, § 23(c)(1) Comment) (“Among the previously selected officers, employees, and other personnel who serve the court and who become officers and employees of the superior court pursuant to subdivision (c)(1) are persons such as commissioners and referees appointed to perform subordinate judicial duties as provided for pursuant to Section 22 (subordinate judicial officers, court reporters, interpreters and translators, court clerks, and sheriffs, marshals, and constables).”)

Subdivision (g) makes clear that process issued by a municipal court remains enforceable by the superior court after unification.

Subdivision (h) is drawn from Section 71003 (powers of municipal court judge). Under this provision, if a statute provides for remand to or other proceedings in, or before a judge of, a municipal court that no longer exists as a result of the unification of the municipal and superior courts in a county, the proceedings are in the superior court in the county.

§ 70213. Judicial Council forms and rules

70213. (a) In a county in which the municipal and superior courts become unified, until revised by the Judicial Council, forms for proceedings within the jurisdiction of municipal courts may be used as if the proceedings were in a municipal court.

(b) The Judicial Council may adopt rules resolving any problem that may arise in the conversion of statutory references from the municipal court to the superior court in a county in which the municipal and superior courts become unified.

Comment. Section 70213 is intended to provide transitional Judicial Council rulemaking authority on procedural matters and not on matters of substantive law. The rules adopted by the Judicial Council may not be inconsistent with statute. Cal. Const. art. VI, § 6. See also Section 68070(b) (“The Judicial Council shall adopt rules or procedures to encourage uniformity of requirements throughout a court and statewide.”).

§ 70214. Commissioners and referees

70214. When the municipal and superior courts in a county are unified:

(a) Until revised by statute, the total number of authorized court commissioners in the unified superior court shall equal the previously authorized number of court commissioners in the municipal court and superior court combined.

(b) Until revised by statute, the total number of authorized traffic referees or traffic trial commissioners in the unified superior court shall equal the previously authorized number of court traffic referees or traffic trial commissioners in the municipal court.

(c) The superior court or its judges may make appointments previously authorized to be made by a municipal court or its judges.

(d) Commissioners and referees of the unified superior court shall have all of the powers and authority of commissioners and referees of superior courts and of municipal courts.

Comment. Section 70214 maintains the total authorized number of court commissioners and traffic referees or traffic trial commissioners in the county on unification of the municipal and superior courts in the county. For existing authority to appoint superior court commissioners, see Section 70141 *et seq.* Existing authority to appoint municipal court commissioners is found among county-specific statutes in the Government Code governing municipal courts. *Cf.* Sections 72000-74991. For existing authority to appoint municipal court traffic referees, see Section 72400. For existing authority to appoint municipal court traffic trial commissioners, see Section 72400.

§ 70215. County-specific legislation

70215. The provisions of this article and other statutes governing unification of the municipal and superior courts in a county shall prevail over inconsistent statutes otherwise applicable to the municipal or superior courts in the county, including but not limited to statutes governing the number of judges, selection of a presiding judge, selection of a court executive officer, and employment of officers (including subordinate judicial officers), employees, and other personnel who serve the court.

Comment. Section 70215 is added to accommodate prompt unification of the municipal and superior courts in a county when approved by a majority of the judges of those courts. Cal. Const. art. VI, § 5(e). If the courts in a particular county elect to unify, the codes should be reviewed at that time to determine

whether special statutes relating to the courts in that county should be revised or repealed. Section 70215 provides guidance pending enactment of such legislation.

The reference to officers, employees, and other personnel who serve the court includes court commissioners, traffic referees, court reporters, and all other municipal court personnel. See *Trial Court Unification: Constitutional Revision (SCA 3)*, 24 Cal. L. Revision Comm'n Reports 1, 82 (1994) (Article VI, § 23(c)(1) Comment) (“Among the previously selected officers, employees, and other personnel who serve the court and who become officers and employees of the superior court pursuant to subdivision (c)(1) are persons such as commissioners and referees appointed to perform subordinate judicial duties as provided for pursuant to Section 22 (subordinate judicial officers, court reporters, interpreters and translators, court clerks, and sheriffs, marshals, and constables).”)

§ 70216. Unification during municipal court election

70216. (a) If unification of the municipal and superior courts within a county occurs during an election of a municipal court judge, the conduct of the direct primary election and general election is governed by the law otherwise applicable to election of a municipal court judge.

(b) A judge elected pursuant to this section shall be deemed to be a previously selected municipal court judge within the meaning of subdivision (b) of Section 23 of Article VI of the California Constitution.

(c) As used in this section, “during an election” means during the period beginning on the 127th day before a direct primary election and ending on the day of the general election.

Comment. Section 70216 is added to clarify how Article VI, Section 23 of the California Constitution applies where unification occurs during a municipal court election.

Under subdivision (a), the election proceeds as originally planned, helping to promote an orderly transition to unification. Cal. Const. art. VI, § 23(a).

Under subdivision (b), the winner of the election is a previously selected municipal court judge, and thus becomes a superior court judge through unification. Cal. Const. art. VI, § 23(b).

Subdivision (c) makes clear that Section 70216 applies where unification occurs between (1) the first day for filing a declaration of intention to become a candidate for a municipal court judgeship, and (2) the day of the general election. See Elec. Code §§ 8020 (nomination documents “shall first be available on the 113th day prior to the direct primary election”), 8022 (declaration of intention to become a candidate shall be filed “not more than 14

nor less than five days prior to the first day on which nomination papers may be presented for filing”).

§ 70217. Effect of unification on court personnel

☞ **Note.** In addition to the Law Revision Commission’s proposed legislation on implementing trial court unification, Senate Bill 2139 (Lockyer) includes proposed Government Code Section 70217, which addresses the effect of unification on court personnel. The text of that section is not included here, because the Commission’s study did not encompass those issues and the provision has not yet been enacted. See “Employment Issues,” *supra* at 76-81.

§ 70218. Effect of unification on bargaining units

☞ **Note.** In addition to the Law Revision Commission’s proposed legislation on implementing trial court unification, Senate Bill 2139 (Lockyer) includes proposed Government Code Section 70218, which addresses the effect of unification on bargaining units. The text of that section is not included here, because the Law Revision Commission’s study did not encompass those issues, and the provision has not yet been enacted. See “Employment Issues,” *supra* at 76-81.

§ 70219. Judicial Council and Law Revision Commission studies and recommendations

70219. On submission by the California Law Revision Commission of its report to the Governor and Legislature pursuant to Resolution Chapter 102 of the Statutes of 1997 recommending statutory changes that may be necessitated by court unification, the Judicial Council and the Law Revision Commission shall study and make recommendations to the Governor and Legislature on the issues identified in the report as appropriate for future study, including consideration of the experience in counties in which the courts have unified. Each agency shall assume primary or joint responsibility for the studies and recommendations as outlined in the report, and each agency shall consult with the other in the studies and recommendations. This section does not limit any authority of the Judicial Council or the Law Revision Commission to conduct studies and make recommendations authorized or directed by law.

Comment. Section 70219 is intended to provide an institutional mechanism for continuing improvement of judicial administration and procedure in light of unification of the courts. Issues identified by the California Law Revision Commission as appropriate for future study in its report on trial court unification, and recommended primary and joint responsibility of the Judicial

Council and Law Revision Commission, may be found in *Trial Court Unification: Revision of Codes*, 28 Cal L. Revision Comm'n Reports 51 (1998). The studies include such matters as repeal of obsolete statutes relating to expired pilot projects and prior court and personnel restructurings, reorganization of statutes governing court fees, adjustment of jurisdictional limits for economic litigation and small claims procedures, clarification of provisions appearing to give municipal and superior courts concurrent jurisdiction in certain cases, and cataloging cases within the appellate jurisdiction of the courts of appeal on June 30, 1995.

Gov't Code § 71010 (amended). Municipal court management review

SEC. _____. Section 71010 of the Government Code is amended to read:

71010. (a) A board of supervisors may authorize a management review of a municipal ~~or justice~~ court in that county. The board shall select the agency to perform the review.

(b) At least 30 days before the scheduled beginning of the management review, the board shall notify the presiding judge of the court to be reviewed of the review and of the identity of the reviewing agency selected by the board. The court may object to the board's choice of a reviewing agency within 30 days of this notification.

(c) If the court does object to the board's choice, the board and the court shall, within 30 days of the objection, select a reviewing agency acceptable to both board and court. (d) Management reviews conducted pursuant to this section shall not infringe on the judicial duties or the decisions of the court which is the subject of the review. The reviewing agency shall have no power of enforcement.

and may change district boundaries and create other districts. No city or city and county shall be divided so as to lie within more than one district.

Comment. Section 71040 is amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

In a county in which the superior and municipal courts have unified, a statutory reference to a judicial district means the county rather than a former municipal court district (unless the provision or context requires otherwise). See Code Civ. Proc. § 38 & Comment.

Gov't Code § 71042.5 (amended). Preservation of judicial districts for purpose of publication

SEC. _____. Section 71042.5 of the Government Code is amended to read:

Comment. Section 71042.5 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). This preserves the effect of statutes that specify publication by judicial district, rather than by county. See, e.g., Bus. & Prof. Code § 21707; Civ. Code §§ 2924f, 3440.1, 3440.5; Code Civ. Proc. §§ 701.540, 1208.5; Com. Code §§ 6105, 7210; Rev. & Tax. Code §§ 3381, 3702. *Cf.* Code Civ. Proc. § 38 (“judicial district” defined, subject to contrary statute).

The time for election and qualification of their successors shall be that previously fixed for the election and qualification of their successors for the court and office superseded, had such courts not been superseded, but in no event shall that election of successors be held within 10 months of succession to the office of the new court.

(b) If the number of eligible incumbent judges who have not filed a written statement with the county elections official disclaiming their desire to succeed to office exceeds the number of judicial offices provided by law for the municipal ~~or justice~~ court, the incumbents shall not automatically succeed to judicial positions in the municipal ~~or justice~~ court, and the existing courts shall continue to function within the district until the first judge or judges of the municipal ~~or justice~~ court are elected by the qualified electors of the district at the first statewide general election held following the expiration of 90 days and qualify.

In any election for the first judge or judges of that municipal ~~or justice~~ court, only those incumbents may appear on the ballot and be elected, and Article 1 (commencing with Section 8200) of Chapter 2 of Division 8 of the Elections Code shall not apply. If only one incumbent is to be elected, the incumbent receiving the highest number of votes cast shall be declared elected. If two or more incumbents are to be elected, those incumbents equal in number to the number to be elected who receive the highest number of votes for the office shall be declared elected. The incumbents elected shall become the judges of the municipal ~~or justice~~ court until the election or appointment and qualification of

Gov't Code § 71083 (amended). Judicial district annexation

SEC. _____. Section 71083 of the Government Code is amended to read:

71083. Whenever the territory of a judicial district (herein called the annexed district) is annexed to a judicial district theretofore having a municipal court (herein called the annexing district), a judge of a court partly or wholly superseded thereby shall, if

eligible, succeed to the first vacant judgeship on such municipal court, whether such vacancy then exists or occurs within two years thereafter through the creation of a new judgeship or otherwise, if any one of the following subdivisions apply:

(a) All of the territory of the annexed district is annexed to the annexing district.

(b) A part of the territory of the annexed district is annexed to the annexing district and in such part more than 10 percent of the residents of the annexed district reside, as determined prior to the annexation.

~~(c) The annexed district is a judicial district with a justice court, and a part of its territory is annexed to the annexing district, and the justice court is discontinued by the board of supervisors under Section 71097.~~

Whenever part of an annexed district is annexed to an annexing district and because of the application of subdivisions ~~(b) or (c)~~ *subdivision (b)*, above, a judge of the annexed district becomes entitled to succeed to a vacant judgeship as above provided, no subsequent annexation of all or part of the remainder of the annexed district to the same annexing district shall entitle any judge of the annexed district to succeed to a vacant judgeship in the annexing district.

Whenever all of the territory of a judicial district is annexed to two or more judicial districts both or all of which theretofore have a municipal court, a judge of the court wholly superseded thereby shall, if eligible, succeed to the first vacant judgeship on any such municipal court, whether such vacancy then exists or occurs within two years thereafter through the creation of a new judgeship or otherwise.

Whenever the number of judges entitled to succeed as above provided exceeds the number of vacant judgeships on such municipal court, the order of their succession shall be determined as follows: by seniority as a judge within the territory annexed, and, in the case of successive annexations, within the territory annexed at the earlier date; and, in any remaining case, by lot between them.

Any judge entitled to succeed as above provided shall declare his *an* acceptance of the judgeship for which a vacancy exists or occurs within 30 days of the date of annexation if the vacancy exists upon the date of annexation or, if no such vacancy then exists, within 30 days of the occurrence of the vacancy later occurring.

This section, as amended at the 1959 Regular Session of the Legislature, applies to annexations occurring before or after the effective date of the amendment to this section enacted at the 1959 Regular Session of the Legislature and ~~no judge who, before the effective date of such amendment, became entitled to succeed to vacancy on a municipal court and who has not succeeded to such vacancy before such effective date shall be entitled to so succeed unless he would be so entitled under this section as amended at the 1959 Regular Session.~~

Comment. Section 71084 is repealed to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Gov't Code § 71085 (amended). Municipal court employees

SEC. _____. Section 71085 of the Government Code is amended to read:

71085. (a) The clerk, or chief clerical officer by whatever name known, the marshal, or similar official, their deputies and attaches, and all other officers or employees of each court wholly or partly superseded by a municipal ~~or justice~~ court, shall become the clerk, the marshal, their deputies and attaches, and officers or employees of that municipal ~~or justice~~ court upon its organization, so far as those positions are provided by law. If no provision is made by law for officers and employees of a municipal court, there shall be the officers and employees for that court specified in subdivision (b). They shall receive compensation for their services fixed by the judge, if there are one or more other municipal courts in the county in which the court is established, at a rate comparable to but not greater than that provided by law for comparable officers and employees in any other municipal court in the county. If there is no other municipal court in the county in which the court is established, the officers and employees of the court shall receive the compensation for their services fixed by the judge within the ranges provided below until express provision has been made for officers and employees of the court, except that if any officer or employee was receiving compensation in a superseded justice court greater than the maximum range provided in this section for a comparable position in the municipal court, he or she shall continue to receive that compensation until express provision has been made by law for officers and employees of that municipal court. The interim compensation fixed by the judge shall be effective only until the 61st day after final adjournment of the next succeeding regular session of the Legislature.

(b) There shall be one clerk of the court who shall receive a monthly salary in the following range: six hundred dollars (\$600), six hundred fifty dollars (\$650), seven hundred dollars (\$700).

It shall be within the jurisdiction of the Labor Commissioner to accept and determine claims from holders of payroll checks or payroll drafts returned unpaid because of insufficient funds, if, after a diligent search, the holder is unable to

return the dishonored check or draft to the payee and recover the sums paid out. Within 30 days of filing of the complaint, the Labor Commissioner shall notify the parties as to whether a hearing will be held, or whether action will be taken in accordance with Section 98.3, or whether no further action will be taken on the complaint. If the determination is made by the Labor Commissioner to hold a hearing, the hearing shall be held within 90 days of the date of that determination. However, the Labor Commissioner may postpone or grant additional time before setting a hearing if the Labor Commissioner finds that it would lead to an equitable and just resolution of the dispute.

It is the intent of the Legislature that hearings held pursuant to this section be conducted in an informal setting preserving the right of the parties.

(b) When a hearing is set, a copy of the complaint, which shall include the amount of compensation requested, together with a notice of time and place of the hearing, shall be served on all parties, personally or by certified mail.

(c) Within 10 days after service of the notice and the complaint, a defendant may file an answer with the Labor Commissioner in any form as the Labor Commissioner may prescribe, setting forth the particulars in which the complaint is inaccurate or incomplete and the facts upon which the defendant intends to rely.

(e) In order to ensure judgments are satisfied, the Labor Commissioner may serve upon the judgment debtor personally or by first-class mail at the last known address of the judgment debtor listed with the division, a form similar to, and requiring the reporting of the same information as, the form approved or adopted by the Judicial Council for purposes of subdivision (b) of Section 117.19 of the Code of Civil Procedure to assist in identifying the nature and location of any assets of the judgment debtor.

(f) Notwithstanding subdivision (d), the Labor Commissioner may stay execution of any judgment entered upon an order, decision, or award which has become final upon good cause appearing therefore and may impose the terms and conditions of the stay of execution. A certified copy of the stay of execution shall be filed with the clerk entering the judgment.

(g) When a judgment is satisfied in fact, otherwise than by execution, the Labor Commissioner may, upon the motion of either party or on its own motion, order entry of satisfaction of judgment. The clerk of the court shall enter a satisfaction of judgment upon the filing of a certified copy of the order.

(h) The Labor Commissioner shall make every reasonable effort to ensure that judgments are satisfied, including taking all appropriate legal action and requiring the employer to deposit a bond as provided in Section 240.

(b) Any computer-readable transcript produced by court reporters pursuant to this section shall conform to the requirements of subdivision (c) of Section 269 of the Code of Civil Procedure.

Comment. Section 190.9 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). The policy is to ensure that all preliminary proceedings have been reported and transcribed before a capital trial commences, whether the preliminary proceedings are conducted in municipal court or in superior court.

Penal Code § 682 (amended). Prosecution by indictment or information

SEC. _____. Section 682 of the Penal Code is amended to read:

682. Every public offense must be prosecuted by indictment or information, except:

1. Where proceedings are had for the removal of civil officers of the State;

2. Offenses arising in the militia when in actual service, and in the land and naval forces in the time of war, or which the State may keep, with the consent of Congress, in time of peace;

3. ~~Offenses tried in municipal and justice courts~~ *Misdemeanors and infractions*;

4. ~~All misdemeanors of which jurisdiction has been conferred upon superior courts sitting as juvenile courts~~;

5. A felony to which the defendant has pleaded guilty to the complaint before a magistrate, where permitted by law.

Comment. Section 682 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). All misdemeanors and infractions must be prosecuted by complaint. See Section 740.

Criminal cases of which the juvenile court is given jurisdiction are governed by the Juvenile Court Law, Chapter 2 (commencing with Section 200) of Part 1 of Division 2 of the Welfare and Institutions Code. See Welf. & Inst. Code §§ 203 (juvenile court proceedings non-criminal), 245 (superior court jurisdiction), 602 (criminal law violation by minor subject to juvenile court jurisdiction), 603 (juvenile crimes not governed by general criminal law).

Penal Code § 691 (amended). Definitions

SEC. _____. Section 691 of the Penal Code is amended to read:

691. The following words have in Part 2 (commencing with Section 681) the signification attached to them in this section, unless it is otherwise apparent from the context:

(a) ~~The words “inferior court” or “inferior courts” include municipal courts and justices’ courts.~~

(b) The words “competent court” when used with reference to the jurisdiction over any public offense, mean any court the subject matter jurisdiction of which includes the offense so mentioned.

(c) ~~(b)~~ The words “jurisdictional territory” when used with reference to a court, mean the city and county, county, city, township, or other limited territory over which the criminal jurisdiction of the court extends, as provided by law, and in case of a superior court mean the county in which the court sits.

(d) (c) The words “accusatory pleading” include an indictment, an information, an accusation, *and* a complaint filed with a magistrate charging a public offense of which the superior court has original trial jurisdiction, ~~and a complaint filed with an inferior court charging a public offense of which the inferior court has original trial jurisdiction.~~

(e) (d) The words “prosecuting attorney” include any attorney, whether designated as district attorney, city attorney, city prosecutor, prosecuting attorney, or by any other title, having by law the right or duty to prosecute, in behalf of the people, any charge of a public offense.

(f) (e) The word “county” includes county, city and county, and city.

(f) *“Felony case” means a criminal action in which a felony is charged and includes a criminal action in which a misdemeanor or infraction is charged in conjunction with a felony.*

(g) *“Misdemeanor or infraction case” means a criminal action in which a misdemeanor or infraction is charged but excludes a criminal action in which a felony is charged in conjunction with a misdemeanor or infraction.*

Comment. Section 691 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). The revision of this and other statutes to accommodate unification of the municipal and superior courts in a county is intended generally to preserve existing procedures for criminal cases by replacing references to superior court criminal cases with references to felony cases, and by replacing references to municipal court criminal cases with references to misdemeanor and felony cases.

The phrase “inferior court” is eliminated to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b). It is replaced throughout the code with a reference to the municipal court or, in a county in which there is no municipal court, the superior court. In the case of a reference to a public offense triable in an inferior court, it is replaced with a reference to a misdemeanor or infraction.

Subdivision (c) is revised to delete the specification of courts in which a complaint is filed. For definitional purposes, it is sufficient to identify a “complaint” as a type of accusatory pleading.

Subdivisions (f) and (g) are added for drafting convenience. A criminal action that includes a felony charge is treated as a felony case notwithstanding the joinder of misdemeanor or infraction charges.

Penal Code § 851.8 (amended). Sealing arrest records

SEC. _____. Section 851.8 of the Penal Code is amended to read:

851.8. (a) In any case where a person has been arrested and no accusatory pleading has been filed, the person arrested may petition the law enforcement agency having jurisdiction over the offense to destroy its records of the arrest. A copy of such petition shall be served upon the district attorney of the county having jurisdiction over the offense. The law enforcement agency having jurisdiction over the offense, upon a determination that the person arrested is factually innocent, shall, with the concurrence of the district attorney, seal its arrest records, and the petition for relief under this section for three years from the date of the arrest and thereafter destroy its arrest records and the petition. The law enforcement agency having jurisdiction over the offense shall notify the Department of Justice, and any law enforcement agency which arrested the petitioner or participated in the arrest of the

petitioner for an offense for which the petitioner has been found factually innocent under this subdivision, of the sealing of the arrest records and the reason therefor. The Department of Justice and any law enforcement agency so notified shall forthwith seal their records of the arrest and the notice of sealing for three years from the date of the arrest, and thereafter destroy their records of the arrest and the notice of sealing. The law enforcement agency having jurisdiction over the offense and the Department of Justice shall request the destruction of any records of the arrest which they have given to any local, state, or federal agency or to any other person or entity. Each such agency, person, or entity within the State of California receiving such a request shall destroy its records of the arrest and such request, unless otherwise provided in this section.

(b) If, after receipt by both the law enforcement agency and the district attorney of a petition for relief under subdivision (a), the law enforcement agency and district attorney do not respond to the petition by accepting or denying such petition within 60 days after the running of the relevant statute of limitations or within 60 days after receipt of the petition in cases where the statute of limitations has previously lapsed, then the petition shall be deemed to be denied. In any case where the petition of an arrestee to the law enforcement agency to have an arrest record destroyed is denied, petition may be made to the municipal ~~or justice~~ court *or the superior court in a county in which there is no municipal court* which would have had territorial jurisdiction over the matter. A copy of such petition shall be served on the district attorney of the county having jurisdiction over the offense at least 10 days prior to the hearing thereon. The district attorney may present evidence to the court at such hearing. Notwithstanding Section 1538.5 or 1539, any judicial determination of factual innocence made pursuant to this section may be heard and determined upon declarations, affidavits, police reports, or any other evidence submitted by the parties which is material, relevant and reliable. A finding of factual innocence and an order for the sealing and destruction of records pursuant to this section shall not be made unless the court finds that no reasonable cause exists to believe that the arrestee

committed the offense for which the arrest was made. In any court hearing to determine the factual innocence of a party, the initial burden of proof shall rest with the petitioner to show that no reasonable cause exists to believe that the arrestee committed the offense for which the arrest was made. If the court finds that this showing of no reasonable cause has been made by the petitioner, then the burden of proof shall shift to the respondent to show that a reasonable cause exists to believe that the petitioner committed the offense for which the arrest was made. If the court finds the arrestee to be factually innocent of the charges for which the arrest was made, then the court shall order the law enforcement agency having jurisdiction over the offense, the Department of Justice, and any law enforcement agency which arrested the petitioner or participated in the arrest of the petitioner for an offense for which the petitioner has been found factually innocent under this section to seal their records of the arrest and the court order to seal and destroy such records, for three years from the date of the arrest and thereafter to destroy their records of the arrest and the court order to seal and destroy such records. The court shall also order the law enforcement agency having jurisdiction over the offense and the Department of Justice to request the destruction of any records of the arrest which they have given to any local, state, or federal agency, person or entity. Each state or local agency, person or entity within the State of California receiving such a request shall destroy its records of the arrest and the request to destroy such records, unless otherwise provided in this section. The court shall give to the petitioner a copy of any court order concerning the destruction of the arrest records.

(c) In any case where a person has been arrested, and an accusatory pleading has been filed, but where no conviction has occurred, the defendant may, at any time after dismissal of the action, petition the court which dismissed the action for a finding that the defendant is factually innocent of the charges for which the arrest was made. A copy of such petition shall be served on the district attorney of the county in which the accusatory pleading was filed at least 10 days prior to the hearing on the petitioner's factual innocence. The district attorney may present evidence to

the court at such hearing. Such hearing shall be conducted as provided in subdivision (b). If the court finds the petitioner to be factually innocent of the charges for which the arrest was made, then the court shall grant the relief as provided in subdivision (b).

(d) In any case where a person has been arrested and an accusatory pleading has been filed, but where no conviction has occurred, the court may, with the concurrence of the district attorney, grant the relief provided in subdivision (b) at the time of the dismissal of the accusatory pleading.

(e) Whenever any person is acquitted of a charge and it appears to the judge presiding at the trial wherein such acquittal occurred that the defendant was factually innocent of such charge, the judge may grant the relief provided in subdivision (b).

(f) In any case where a person who has been arrested is granted relief pursuant to subdivision (a) or (b), the law enforcement agency having jurisdiction over the offense or court shall issue a written declaration to the arrestee stating that it is the determination of the law enforcement agency having jurisdiction over the offense or court that the arrestee is factually innocent of the charges for which ~~he~~ *the person* was arrested and that the arrestee is thereby exonerated. Thereafter, the arrest shall be deemed not to have occurred and the person may answer accordingly any question relating to its occurrence.

(g) The Department of Justice shall furnish forms to be utilized by persons applying for the destruction of their arrest records and for the written declaration that one person was found factually innocent under subdivisions (a) and (b).

(h) Documentation of arrest records destroyed pursuant to subdivision (a), (b), (c), (d), or (e) which are contained in investigative police reports shall bear the notation "Exonerated" whenever reference is made to the arrestee. The arrestee shall be notified in writing by the law enforcement agency having jurisdiction over the offense of the sealing and destruction of the arrest records pursuant to this section.

(i) Any finding that an arrestee is factually innocent pursuant to subdivision (a), (b), (c), (d), or (e) shall not be admissible as evidence in any action.

(j) Destruction of records of arrest pursuant to subdivision (a), (b), (c), (d), or (e) shall be accomplished by permanent obliteration of all entries or notations upon such records pertaining to the arrest, and the record shall be prepared again so that it appears that the arrest never occurred. However, where (1) the only entries on the record pertain to the arrest and (2) the record can be destroyed without necessarily effecting the destruction of other records, then the document constituting the record shall be physically destroyed.

(k) No records shall be destroyed pursuant to subdivision (a), (b), (c), (d), or (e) if the arrestee or a codefendant has filed a civil action against the peace officers or law enforcement jurisdiction which made the arrest or instituted the prosecution and if the agency which is the custodian of such records has received a certified copy of the complaint in such civil action, until the civil action has been resolved. Any records sealed pursuant to this section by the court in the civil actions, upon a showing of good cause, may be opened and submitted into evidence. The records shall be confidential and shall be available for inspection only by the court, jury, parties, counsel for the parties and any other person authorized by the court. Immediately following the final resolution of the civil action, records subject to subdivision (a), (b), (c), (d), or (e) shall be sealed and destroyed pursuant to subdivision (a), (b), (c), (d), or (e).

(l) For arrests occurring on or after January 1, 1981, and for accusatory pleadings filed on or after January 1, 1981, petitions for relief under this section may be filed up to two years from the date of the arrest or filing of the accusatory pleading, whichever is later. Until January 1, 1983, petitioners can file for relief under this section for arrests which occurred or accusatory pleadings which were filed up to five years prior to the effective date of the statute. Any time restrictions on filing for relief under this section may be waived upon a showing of good cause by the petitioner and in the absence of prejudice.

(m) Any relief which is available to a petitioner under this section for an arrest shall also be available for an arrest which has been deemed to be or described as a detention under Section 849.5 or 851.6.

(n) The provisions of this section shall not apply to any offense which is classified as an infraction.

(o)(1) The provisions of this section shall be repealed on the effective date of a final judgment based on a claim under the California or United States Constitution holding that evidence which is relevant, reliable, and material may not be considered for purposes of a judicial determination of factual innocence under this section. For purposes of this subdivision, a judgment by the appellate department *division* of a superior court is a final judgment if it is published and if it is not reviewed on appeal by a district court of appeal. A judgment of a district court of appeal is a final judgment if it is published and if it is not reviewed by the California Supreme Court.

(2) Any such decision referred to in this subdivision shall be stayed pending appeal.

(3) If not otherwise appealed by a party to the action, any such decision referred to in this subdivision which is a judgment by the appellate department *division* of the superior court, shall be appealed by the Attorney General.

(p) A judgment of the court under subdivision (b), (c), (d), or (e) is subject to the following appeal path:

(1) In a felony case, appeal is to the court of appeal.

(2) In a misdemeanor case, or in a case in which no accusatory pleading was filed, appeal is to the appellate division of the superior court.

Comment. Section 851.8 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). The section is also amended to reflect elimination of the justice court (Cal. Const. art. VI, §§ 1, 5(b)); the creation of the appellate division of the superior court (Cal. Const. art. VI, § 4); and elimination of the term “district” from the name of the courts of appeal (Cal. Const. art. VI, § 3).

Penal Code § 859 (amended). Counsel for defendant

SEC. _____. Section 859 of the Penal Code is amended to read:

859. When the defendant is charged with the commission of a ~~public offense over which the superior court has original jurisdiction,~~ *felony* by a written complaint subscribed under oath and on file in a court within the county in which the ~~public offense~~

felony is triable, he or she shall, without unnecessary delay, be taken before a magistrate of the court in which the complaint is on file. The magistrate shall immediately deliver to the defendant a copy of the complaint, inform the defendant that he or she has the right to have the assistance of counsel, ask the defendant if he or she desires the assistance of counsel, and allow the defendant reasonable time to send for counsel. However, in a capital case, the court shall inform the defendant that the defendant must be represented in court by counsel at all stages of the preliminary and trial proceedings and that the representation will be at the defendant's expense if the defendant is able to employ counsel or at public expense if he or she is unable to employ counsel, inquire of him or her whether he or she is able to employ counsel and, if so, whether the defendant desires to employ counsel of the defendant's choice or to have counsel assigned for him or her, and allow the defendant a reasonable time to send for his or her chosen or assigned counsel. ~~The magistrate must, upon the request of the defendant, require a peace officer to take a message to any counsel whom the defendant may name, in the judicial district in which the court is situated. The officer shall, without delay and without a fee, perform that duty.~~ If the defendant desires and is unable to employ counsel, the court shall assign counsel to defend him or her; in a capital case, if the defendant is able to employ counsel and either refuses to employ counsel or appears without counsel after having had a reasonable time to employ counsel, the court shall assign counsel to defend him or her. If it appears that the defendant may be a minor, the magistrate shall ascertain whether that is the case, and if the magistrate concludes that it is probable that the defendant is a minor, he or she shall immediately either notify the parent or guardian of the minor, by telephone or messenger, of the arrest, or appoint counsel to represent the minor.

Comment. Section 859 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). *Cf.* Code Civ. Proc. § 38 & Comment ("judicial district" defined). The amendment also deletes language that conflicts with Section 14 of Article 1 of the California Constitution (magistrate shall require peace officer to transmit message to counsel within county).

Penal Code § 859a (amended). Pleading

SEC. _____. Section 859a of the Penal Code is amended to read:

859a. (a) If the public offense charged is a felony not punishable with death, the magistrate shall immediately upon the appearance of counsel for the defendant read the complaint to the defendant and ask him or her whether he or she pleads guilty or not guilty to the offense charged therein and to a previous conviction or convictions of crime if charged. While the charge remains pending before the magistrate and when the defendant's counsel is present, the defendant may plead guilty to the offense charged, or, with the consent of the magistrate and the district attorney or other counsel for the people, plead *nolo contendere* to the offense charged or plead guilty or *nolo contendere* to any other offense the commission of which is necessarily included in that with which he or she is charged, or to an attempt to commit the offense charged and to the previous conviction or convictions of crime if charged upon a plea of guilty or *nolo contendere*. The magistrate may then fix a reasonable bail as provided by this code, and upon failure to deposit the bail or surety, shall immediately commit the defendant to the sheriff. Upon accepting the plea of guilty or *nolo contendere* the magistrate shall certify the case, including a copy of all proceedings therein and any testimony that in his or her discretion he or she may require to be taken, to the court in which judgment is to be pronounced at the time specified under subdivision (b), and thereupon the proceedings shall be had as if the defendant had pleaded guilty in that court. This subdivision shall not be construed to authorize the receiving of a plea of guilty or *nolo contendere* from any defendant not represented by counsel. If the defendant subsequently files a written motion to withdraw the plea under Section 1018, the motion shall be heard and determined by the court before which the plea was entered.

(b) Notwithstanding Section 1191 or 1203, the magistrate shall, upon the receipt of a plea of guilty or *nolo contendere* and upon the performance of the other duties of the magistrate under this section, immediately appoint a time for pronouncing judgment in the superior court, ~~municipal court,~~ or justice *or municipal* court

and refer the case to the probation officer if eligible for probation, as prescribed in Section 1191.

Comment. Section 859a is amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Penal Code § 860 (amended). Examination of case

SEC. _____. Section 860 of the Penal Code is amended to read:

The magistrate must, immediately after the appearance of counsel, or if, after waiting a reasonable time therefor, none appears, proceed to examine the case; provided, however, that a defendant represented by counsel may when brought before the magistrate as provided in Section 858 or at any time subsequent thereto, waive his *the* right to an examination before such magistrate, and thereupon it shall be the duty of the magistrate to make an order holding the defendant to answer, and it shall be the~~

Criminal cases of which the juvenile court is given jurisdiction are governed by the Juvenile Court Law, Chapter 2 (commencing with Section 200) of Part 1 of Division 2 of the Welfare and Institutions Code. Penal Code § 977 (amended). Presence of defendant and counsel

SEC. _____. Section 977 of the Penal Code is amended to read:

977. (a)(1) In all cases in which the accused is charged with a misdemeanor only, he or she may appear by counsel only, except as provided in paragraph (2). If the accused agrees, the initial court appearance, arraignment, and plea may be by video, as provided by subdivision (c).

(2) When the accused is charged with a misdemeanor offense involving domestic violence, as defined in Section 6211 of the Family Code, or a misdemeanor violation of Section 273.6, upon a satisfactory showing of necessity, the court may order through counsel that the accused be personally present in court for the purpose of the service of an order under Section 136.2, unless the court determines that the defendant will make another court appearance within a reasonable period of time and the defendant could be served with a restraining order at that time.

(b)(1) In all cases in which a felony is charged, the accused shall be present at the arraignment, at the time of plea, during the preliminary hearing, during those portions of the trial when evidence is taken before the trier of fact, and at the time of the imposition of sentence. The accused shall be personally present at all other proceedings unless he or she shall, with leave of court, execute in open court, a written waiver of his or her right to be personally present, as provided by paragraph (2). If the accused agrees, the initial court appearance, arraignment, and plea may be by video, as provided by subdivision (c).

(2) The accused may execute a written waiver of his or her right to be personally present, approved by his or her counsel, and the waiver shall be filed with the court. However, the court may specifically direct the defendant to be personally present at any particular proceeding or portion thereof. The waiver shall be substantially in the following form:

“WAIVER OF DEFENDANT’S PERSONAL PRESENCE”

“The undersigned defendant, having been advised of his or her right to be present at all stages of the proceedings, including, but not limited to, presentation of and arguments on questions of fact and law, and to be confronted by and cross-examine all witnesses, hereby waives the right to be present at the hearing of any motion

or other proceeding in this cause. The undersigned defendant hereby requests the court to proceed during every absence of the defendant that the court may permit pursuant to this waiver, and hereby agrees that his or her interest is represented at all times by the presence of his or her attorney the same as if the defendant were personally present in court, and further agrees that notice to his or her attorney that his or her presence in court on a particular day at a particular time is required is notice to the defendant of the requirement of his or her appearance at that time and place.”

(c) The court may permit the initial court appearance and arraignment in municipal or superior court of defendants held in any state, county, or local facility within the county on felony or misdemeanor charges, except for those defendants who were indicted by a grand jury, to be conducted by two-way electronic audiovideo communication between the defendant and the courtroom in lieu of the physical presence of the defendant in the courtroom. If the defendant is represented by counsel, the attorney shall be present with the defendant at the initial court appearance and arraignment, and may enter a plea during the arraignment. However, if the defendant is represented by counsel at an initial hearing in superior court *in a felony case*, and if the defendant does not plead guilty or nolo contendere to any charge, the attorney shall be present with the defendant or if the attorney is not present with the defendant, the attorney shall be present in court during the hearing. The defendant shall have the right to make his or her plea while physically present in the courtroom if he or she so requests. If the defendant decides not to exercise the right to be physically present in the courtroom, he or she shall execute a written waiver of that right. A judge may order a defendant’s personal appearance in court for the initial court appearance and arraignment. In a misdemeanor case, a judge may, pursuant to this subdivision, accept a plea of guilty or no contest from a defendant who is not physically in the courtroom. In a felony case, a judge may, pursuant to this subdivision, accept a plea of guilty or no contest from a defendant who is not physically in the courtroom if the parties stipulate thereto.

(d) Notwithstanding subdivision (c), if the defendant is represented by counsel, the attorney shall be present with the defendant in any county exceeding 4,000,000 persons in population.

Penal Code § 977.2 (amended). Pilot project

SEC. _____. Section 977.2 of the Penal Code is amended to read:

977.2. (a) The Department of Corrections may establish a three-year pilot project as follows:

(1) Notwithstanding Section 977 or any other law, in all cases in which the defendant is charged with a misdemeanor or a felony and is currently incarcerated in the state prison, the Department of Corrections may arrange for the initial court appearance and arraignment in municipal or superior court to be conducted by two-way electronic audiovideo communication between the defendant and the courtroom in lieu of the physical presence of the defendant in the courtroom. Nothing in this section shall be interpreted to eliminate the authority of the court to issue an order requiring the defendant to be physically present in the courtroom in those cases where the court finds circumstances that require the physical presence of the defendant in the courtroom.

(2) If the defendant is represented by counsel, the attorney shall be present with the defendant at the initial court appearance and arraignment, and may enter a plea during the arraignment. However, if the defendant is represented by counsel at an initial hearing in superior court *in a felony case*, and if the defendant does not plead guilty or nolo contendere to any charge, the attorney shall be present with the defendant or if the attorney is not present with the defendant, the attorney shall be present in court during the hearing.

(3) In lieu of the physical presence of the defendant’s counsel at the institution with the defendant, the court and the department shall establish a confidential telephone and facsimile transmission line between the court and the institution for communication between the defendant’s counsel in court and the defendant at the

institution. In this case, counsel for the defendant shall not be required to be physically present at the institution during the initial court appearance and arraignment via electronic audiovideo communication. Nothing in this section shall be construed to prohibit the physical presence of the defense counsel with the defendant at the state prison.

(b) The pilot project shall consist of not more than five institutions and shall include, at a minimum, one maximum security institution, one institution from Imperial County, and one institution housing females.

(c) A defendant who is physically present in an institution taking part in the pilot project, but who has committed a misdemeanor or felony at an institution not subject to the pilot project, may, at the discretion of the director, be waived from having the initial appearance and arraignment conducted by two-way electronic audiovideo communication subject to the limitations provided by this section.

(d) The department shall prepare and submit a report to the Legislature on or before June 30, 1999, that includes an assessment of the costs and benefits of the pilot project and a recommendation on whether to expand the pilot project statewide.

(e) This section shall remain in effect only until January 1, 2000, and as of that date is repealed.

Penal Code § 977.4 (amended). Santa Barbara County pilot project

SEC. _____. Section 977.4 of the Penal Code is amended to read:

977.4. (a) Upon adoption of a resolution by the board of supervisors, the County of Santa Barbara may establish a three-year pilot project to be conducted pursuant to this section.

(b)(1) Notwithstanding Section 977, in all cases in which the accused is charged with a misdemeanor only, he or she may appear by counsel only, except as provided in paragraph (2). (c)(1) In all cases in which a felony is charged, the accused shall be present at the arraignment, at the time of plea, during the preliminary hearing, during those portions of the trial when evidence is taken before the trier of fact, and at the time of the imposition of sentence. The accused shall be personally present at all other proceedings unless he or she shall, with leave of court, execute in open court, a written waiver of his or her right to be personally present, as provided by paragraph (2). If the accused agrees, the initial court appearance, arraignment, and plea may be by video, as provided by subdivision (d).

(2) The accused may execute a written waiver of his or her right to be personally present, approved by his or her counsel, and the waiver shall be filed with the court. However, the court may specifically direct the defendant to be personally present at any particular proceeding or portion thereof. The waiver shall be substantially in the following form:

“WAIVER OF DEFENDANT’S PERSONAL PRESENCE”

“The undersigned defendant, having been advised of his or her right to be present at all stages of the proceedings, including, but not limited to, presentation of and arguments on questions of fact and law, and to be confronted by and cross-examine all witnesses, hereby waives the right to be present at the hearing of any motion or other proceeding in this cause. The undersigned defendant hereby requests the court to proceed during every absence of the defendant that the court may permit pursuant to this waiver, and hereby agrees that his or her interest is represented at all times by the presence of his or her attorney the same as if the defendant

were personally present in court, and further agrees that notice to his or her attorney that his or her presence in court on a particular day at a particular time is required is notice to the defendant of the requirement of his or her appearance at that time and place.”

(d) The court may permit the initial court appearance and arraignment in municipal or superior court of defendants held in any state, county, or local facility within the county on felony or misdemeanor charges, except for those defendants who were indicted by a grand jury, to be conducted by two-way electronic audiovideo communication between the defendant and the courtroom in lieu of the physical presence of the defendant in the courtroom. If the defendant is represented by counsel, the attorney shall be present with the defendant or, in courts where the two-way electronic audiovideo communication system permits confidential communication, the attorney may be present either in court or with the defendant. If the attorney is present in court, the defendant shall consult with the attorney via confidential two-way electronic audiovideo communication prior to the entry of any plea by the attorney. The defendant shall consult confidentially with his or her attorney in person prior to the entry of any plea, unless the defendant has expressly waived the right to be represented by an attorney. If the attorney is present at the detention facility with the defendant, the attorney may enter a plea during the arraignment via two-way electronic audiovideo communication pursuant to this subdivision. However, if the defendant is represented by counsel at an initial hearing in superior court *in a felony case*, and if the defendant does not plead guilty or nolo contendere to any charge, the attorney shall be present with the defendant or if the attorney is not present with the defendant, the attorney shall be present in court during the hearing. The defendant shall have the right to make his or her plea while physically present in the courtroom if he or she so requests. If the defendant decides not to exercise the right to be physically present in the courtroom, he or she shall execute a written waiver of that right. A judge may order a defendant’s personal appearance in court for the initial court appearance and arraignment. In a misdemeanor case, a judge may, pursuant to this subdivision, accept a plea of guilty or no contest

from a defendant who is not physically in the courtroom. In a felony case, a judge may, pursuant to this subdivision, accept a plea of guilty or no contest from a defendant who is not physically in the courtroom if the parties stipulate thereto.

(e) For purposes of this section, “confidential communication” means a communication that is secured under the confidentiality of the attorney-client privilege (Article 3 (commencing with Section 950) of Chapter 4 of Division 8 of the Evidence Code).

(f) The public defender of the County of Santa Barbara shall evaluate the pilot project conducted pursuant to this section and submit a report to the Legislature on or before January 1, 1999, on that evaluation.

(g) This section shall remain operative only until July 1, 1999, and as of January 1, 2000, is repealed, unless a later enacted statute, that is enacted before January 1, 2000, deletes or extends that date.

Comment. Section 977.4 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See also Section 691(f) (“felony case” defined).

Comment. Section 987.1 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e).

Penal Code § 987.2 (amended). Compensation of assigned counsel

SEC. _____. Section 987.2 of the Penal Code is amended to read:

987.2. (a) In any case in which a person, including a person who is a minor, desires but is unable to employ counsel, and in which counsel is assigned in the superior, ~~municipal, or justice or municipal~~ court to represent the person in a criminal trial, proceeding, or appeal, the following assigned counsel shall receive a reasonable sum for compensation and for necessary expenses, the

amount of which shall be determined by the court, to be paid out of the general fund of the county:

(1) In a county or city and county in which there is no public defender.

(2) In a county of the first, second, or third class where there is no contract for criminal defense services between the county and one or more responsible attorneys.

(3) In a case in which the court finds that, because of a conflict of interest or other reasons, the public defender has properly refused.

(4) In a county of the first, second, or third class where attorneys contracted by the county are unable to represent the person accused.

(b) The sum provided for in subdivision (a) may be determined by contract between the court and one or more responsible attorneys after consultation with the board of supervisors as to the total amount of compensation and expenses to be paid, which shall be within the amount of funds allocated by the board of supervisors for the cost of assigned counsel in those cases.

(c) In counties that utilize an assigned private counsel system as either the primary method of public defense or as the method of appointing counsel in cases where the public defender is unavailable, the county, the courts, or the local county bar association working with the courts are encouraged to do all of the following:

(1) Establish panels that shall be open to members of the State Bar of California.

(2) Categorize attorneys for panel placement on the basis of experience.

(3) Refer cases to panel members on a rotational basis within the level of experience of each panel, except that a judge may exclude an individual attorney from appointment to an individual case for good cause.

(4) Seek to educate those panel members through an approved training program.

(5) Establish a cost-efficient plan to ensure maximum recovery of costs pursuant to Section 987.8.

(d) In a county of the first, second, or third class, the court shall first utilize the services of the public defender to provide criminal defense services for indigent defendants. In the event that the public defender is unavailable and the county and the courts have contracted with one or more responsible attorneys or with a panel of attorneys to provide criminal defense services for indigent defendants, the court shall utilize the services of the county-contracted attorneys prior to assigning any other private counsel. Nothing in this subdivision shall be construed to require the appointment of counsel in any case in which the counsel has a conflict of interest. In the interest of justice, a court may depart from that portion of the procedure requiring appointment of a county-contracted attorney after making a finding of good cause and stating the reasons therefor on the record.

(e) In a county of the first, second, or third class, the court shall first utilize the services of the public defender to provide criminal defense services for indigent defendants. In the event that the public defender is unavailable and the county has created a second public defender and contracted with one or more responsible attorneys or with a panel of attorneys to provide criminal defense services for indigent defendants, and if the quality of representation provided by the second public defender is comparable to the quality of representation provided by the public defender, the court shall next utilize the services of the second public defender and then the services of the county-contracted attorneys prior to assigning any other private counsel. Nothing in this subdivision shall be construed to require the appointment of counsel in any case in which the counsel has a conflict of interest. In the interest of justice, a court may depart from that portion of the procedure requiring appointment of the second public defender or a county-contracted attorney after making a finding of good cause and stating the reasons therefor on the record.

(f) In any case in which counsel is assigned as provided in subdivision (a), that counsel appointed by the court and any court-appointed licensed private investigator shall have the same rights and privileges to information as the public defender and the public defender investigator. It is the intent of the Legislature in enacting

this subdivision to equalize any disparity that exists between the ability of private, court-appointed counsel and investigators, and public defenders and public defender investigators, to represent their clients. This subdivision is not intended to grant to private investigators access to any confidential Department of Motor Vehicles' information not otherwise available to them. This subdivision is not intended to extend to private investigators the right to issue subpoenas.

(g) Notwithstanding any other provision of this section, where an indigent defendant is first charged in one county and establishes an attorney-client relationship with the public defender, defense services contract attorney, or private attorney, and where the defendant is then charged with an offense in a second or subsequent county, the court in the second or subsequent county may appoint the same counsel as was appointed in the first county to represent the defendant when all of the following conditions are met:

(1) The offense charged in the second or subsequent county would be joinable for trial with the offense charged in the first if it took place in the same county, or involves evidence which would be cross-admissible.

(2) The court finds that the interests of justice and economy will be best served by unitary representation.

(3) Counsel appointed in the first county consents to the appointment.

(h) The county may recover costs of public defender services under Chapter 6 (commencing with Section 4750) of Title 5 of Part 3 for any case subject to Section 4750.

(i) Counsel shall be appointed to represent, ~~in the municipal or justice court~~ *a misdemeanor case*, a person who desires but is unable to employ counsel, when it appears that the appointment is necessary to provide an adequate and effective defense for the defendant. *Appointment of counsel in an infraction case is governed by Section 19.6.*

(j) As used in this section, "county of the first, second, or third class" means the county of the first class, county of the second

class, and county of the third class as provided by Sections 28020, 28022, 28023, and 28024 of the Government Code.

Comment. Section 987.2 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). The section is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

This section does not create a right to appointment of counsel in an infraction case to the extent the right is limited by Section 19.6.

Penal Code § 988 (amended). Arraignment

SEC. _____. Section 988 of the Penal Code is amended to read:

Penal Code § 990 (amended). Time to answer

SEC. _____. Section 990 of the Penal Code is amended to read:

990. If on the arraignment, the defendant requires it, ~~he~~ *the defendant* must be allowed a reasonable time to answer, which shall be not less than one day ~~for an offense originally triable in the superior court in a felony case~~ and not more than seven days ~~for an offense originally triable in an inferior court in a misdemeanor or infraction case~~.

Comment. Section 990 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). *Cf.* Section 691 & Comment.

Penal Code § 1000 (amended). Eligibility for deferred entry of judgment

SEC. _____. Section 1000 of the Penal Code is amended to read:

1000. (a) This chapter shall apply whenever a case is before any court upon an accusatory pleading for a violation of Section 11350, 11357, 11364, 11365, 11377, or 11550 of the Health and Safety Code, or Section 11358 of the Health and Safety Code if the marijuana planted, cultivated, harvested, dried, or processed is for personal use, or Section 11368 of the Health and Safety Code if the narcotic drug was secured by a fictitious prescription and is for the personal use of the defendant and was not sold or furnished to another, or subdivision (d) of Section 653f if the solicitation was for acts directed to personal use only, or Section 381 or subdivision (f) of Section 647 of the Penal Code, if for being under the influence of a controlled substance, or Section 4230 of the Business and Professions Code, and it appears to the prosecuting attorney that, except as provided in subdivision (b) of Section 11357 of the Health and Safety Code, all of the following apply to the defendant:

(1) The defendant has no conviction for any offense involving controlled substances prior to the alleged commission of the charged offense.

(2) The offense charged did not involve a crime of violence or threatened violence.

(3) There is no evidence of a violation relating to narcotics or restricted dangerous drugs other than a violation of the sections listed in this subdivision.

(4) The defendant's record does not indicate that probation or parole has ever been revoked without thereafter being completed.

(5) The defendant's record does not indicate that he or she has successfully completed or been terminated from diversion or deferred entry of judgment pursuant to this chapter within five years prior to the alleged commission of the charged offense.

(6) The defendant has no prior felony conviction within five years prior to the alleged commission of the charged offense.

(b) The prosecuting attorney shall review his or her file to determine whether or not paragraphs (1) to (6), inclusive, of subdivision (a) apply to the defendant. Upon the agreement of the prosecuting attorney, law enforcement, the public defender, and the presiding judge of the criminal division of the municipal court *or*

of the superior court in a county in which there is no municipal court, or a judge designated by the presiding judge, this procedure shall be completed as soon as possible after the initial filing of the charges. If the defendant is found eligible, the prosecuting attorney shall file with the court a declaration in writing or state for the record the grounds upon which the determination is based, and shall make this information available to the defendant and his or her attorney. This procedure is intended to allow the court to set the hearing for deferred entry of judgment at the arraignment. If the defendant is found ineligible for deferred entry of judgment, the prosecuting attorney shall file with the court a declaration in writing or state for the record the grounds upon which the determination is based, and shall make this information available to the defendant and his or her attorney. The sole remedy of a defendant who is found ineligible for deferred entry of judgment is a postconviction appeal.

(c) All referrals for deferred entry of judgment granted by the court pursuant to this chapter shall be made only to programs that have been certified by the county drug program administrator pursuant to Chapter 1.5 (commencing with Section 1211) of Title 8, or to programs that provide services at no cost to the participant and have been deemed by the court and the county drug program administrator to be credible and effective. The defendant may request to be referred to a program in any county, as long as that program meets the criteria set forth in this subdivision.

(d) Deferred entry of judgment for a violation of Section 11368 of the Health and Safety Code shall not prohibit any administrative agency from taking disciplinary action against a licensee or from denying a license. Nothing in this subdivision shall be construed to expand or restrict the provisions of Section 1000.4.

(e) Any defendant who is participating in a program referred to in this section may be required to undergo analysis of his or her urine for the purpose of testing for the presence of any drug as part of the program. However, urine analysis results shall not be admissible as a basis for any new criminal prosecution or proceeding.

Penal Code § 1007 (amended). Demurrer

SEC. _____. Section 1007 of the Penal Code is amended to read:

1007. Upon considering the demurrer, the court must make an order either overruling or sustaining it. If the demurrer is overruled, the court must permit the defendant, at his *the defendant's* election, to plead, which he *the defendant* must do forthwith, unless the court extends the time. If the demurrer *to an indictment or information* is sustained by a superior court, the court must, if the defect can be remedied by amendment, permit the indictment or information to be amended, either forthwith or within such time, not exceeding 10 days, as it may fix, or, if the defect or insufficiency therein cannot be remedied by amendment, the court may direct the filing of a new information or the submission of the case to the same or another grand jury. If the demurrer *to a complaint* is sustained by an inferior court, the court must, if the defect can be remedied, permit the filing of an amended complaint within such time not exceeding 10 days as it may fix. The orders made under this section shall be entered in the docket or minutes of the court.

Comment. Section 1007 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e).

Penal Code § 1009 (amended). Amendment of accusatory pleading

SEC. _____. Section 1009 of the Penal Code is amended to read:

1009. An indictment, accusation or information may be amended by the district attorney, and an amended complaint may be filed by the prosecuting attorney ~~in any inferior court~~, without leave of court at any time before the defendant pleads or a demurrer to the original pleading is sustained. The court in which an action is pending may order or permit an amendment of an indictment, accusation or information, or the filing of an amended complaint, for any defect or insufficiency, at any stage of the proceedings, or if the defect in an indictment or information be one that cannot be remedied by amendment, may order the case submitted to the same or another grand jury, or a new information to be filed. The

defendant shall be required to plead to such amendment or amended pleading forthwith, or, at the time fixed for pleading, if he *the defendant* has not yet pleaded and the trial or other proceeding shall continue as if the pleading had been originally filed as amended, unless the substantial rights of the defendant would be prejudiced thereby, in which event a reasonable postponement, not longer than the ends of justice require, may be granted. An indictment or accusation cannot be amended so as to change the offense charged, nor an information so as to charge an offense not shown by the evidence taken at the preliminary examination. A complaint cannot be amended to charge an offense not attempted to be charged by the original complaint, except that separate counts may be added which might properly have been joined in the original complaint. The amended complaint must be verified but may be verified by some person other than the one who made oath to the original complaint.

Comment. Section 1009 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). Cf. Section 691 & Comment.

Penal Code § 1010 (amended). Dismissal due to defective or insufficient indictment or information

SEC. _____. Section 1010 of the Penal Code is amended to read:

1010. When a ~~criminal action in the superior court~~ *an indictment or information* is dismissed after the sustaining of a demurrer, or at any other stage of the proceedings because of any defect or insufficiency of the indictment or information, if the court directs that the case be resubmitted to the same or another grand jury or that a new information be filed, the defendant shall not be discharged from custody, nor ~~his~~ *the defendant's* bail exonerated nor money or other property deposited instead of bail on ~~his~~ *the defendant's* behalf refunded, but the same proceedings must be had on such direction as are prescribed in Sections 997 and 998.

Comment. Section 1010 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e).

Penal Code § 1016 (amended). Pleas

SEC. _____. Section 1016 of the Penal Code is amended to read:

1016. There are six kinds of pleas to an indictment or an information, or to a complaint charging ~~an offense triable in any inferior court~~ *a misdemeanor or infraction*:

1. Guilty.

2. Not guilty.

3. Nolo contendere, subject to the approval of the court. The court shall ascertain whether the defendant completely understands that a plea of nolo contendere shall be considered the same as a plea of guilty and that, upon a plea of nolo contendere, the court shall find the defendant guilty. The legal effect of such a plea, to a crime punishable as a felony, shall be the same as that of a plea of guilty for all purposes. In cases other than those punishable as felonies, the plea and any admissions required by the court during any inquiry it makes as to the voluntariness of, and factual basis for, the plea may not be used against the defendant as an admission in any civil suit based upon or growing out of the act upon which the criminal prosecution is based.

4. A former judgment of conviction or acquittal of the offense charged.

5. Once in jeopardy.

6. Not guilty by reason of insanity.

A defendant who does not plead guilty may enter one or more of the other pleas. A defendant who does not plead not guilty by reason of insanity shall be conclusively presumed to have been sane at the time of the commission of the offense charged; provided, that the court may for good cause shown allow a change of plea at any time before the commencement of the trial. A defendant who pleads not guilty by reason of insanity, without also pleading not guilty, thereby admits the commission of the offense charged.

Penal Code § 1038 (amended). Judicial Council rules

SEC. _____. Section 1038 of the Penal Code is amended to read:

1038. (a) The Judicial Council shall adopt rules of practice and procedure for the change of venue in criminal actions.

(b) Judicial Council rules may provide for transfer of a misdemeanor or infraction case in the superior court in a county in which there is no municipal court to another branch or location of the superior court in the same county.

Comment. Section 1038 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). *Cf.* Section 691 & Comment. See also Code Civ. Proc. § 38 & Comment (“judicial district” defined).

Subdivision (b) makes clear that even though a misdemeanor or infraction case is triable in the superior court in a county in which there is no municipal court, there may be circumstances where it is appropriate to transfer the case for trial within the same county rather than to another county. This parallels statutory authority for change of venue in municipal court to another judicial district in the same county. See Sections 1034, 1035. Subdivision (b) is a specific instance of the general authority of the Judicial Council provided in subdivision (a), and is not intended to limit the general authority of the Judicial Council to adopt any appropriate change of venue rules under subdivision (a).

Penal Code § 1039 (added). Change of venue in county with no municipal court

SEC. _____. Section 1039 is added to the Penal Code to read:

1039. A change of venue in a misdemeanor or infraction case shall be to a municipal court in the county to which the case is transferred or to the superior court if there is no municipal court in that county.

Comment. Section 1039 is added to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). *Cf.* Section 691 & Comment. It recognizes that transfer of a misdemeanor or infraction case may occur between a superior and municipal court if the courts in one but not both counties have unified. *Cf.* Section 1462 (misdemeanor jurisdiction in municipal court or superior court in county in which there is no municipal court).

Penal Code § 1050 (amended). Expediting trial

SEC. _____. Section 1050 of the Penal Code is amended to read:

1050. (a) The welfare of the people of the State of California requires that all proceedings in criminal cases shall be set for trial and heard and determined at the earliest possible time. To this end the Legislature finds that the criminal courts are becoming increasingly congested with resulting adverse consequences to the welfare of the people and the defendant. Excessive continuances

contribute substantially to this congestion and cause substantial hardship to victims and other witnesses. Continuances also lead to longer periods of presentence confinement for those defendants in custody and the concomitant overcrowding and increased expenses of local jails. It is therefore recognized that the people, the defendant, and the victims and other witnesses have the right to an expeditious disposition, and to that end it shall be the duty of all courts and judicial officers and of all counsel, both for the prosecution and the defense, to expedite these proceedings to the greatest degree that is consistent with the ends of justice. In accordance with this policy, criminal cases shall be given precedence over, and set for trial and heard without regard to the pendency of, any civil matters or proceedings.

(b) To continue any hearing in a criminal proceeding, including the trial, (1) a written notice shall be filed and served on all parties to the proceeding at least two court days before the hearing sought to be continued, together with affidavits or declarations detailing specific facts showing that a continuance is necessary; and (2), within two court days of learning that he or she has a conflict in the scheduling of any court hearing, including a trial, an attorney shall notify the calendar clerk of each court involved, in writing, indicating which hearing was set first. A party shall not be deemed to have been served within the meaning of this section until that party actually has received a copy of the documents to be served, unless the party, after receiving actual notice of the request for continuance, waives the right to have the documents served in a timely manner. Regardless of the proponent of the motion, the prosecuting attorney shall notify people's witnesses and the defense attorney shall notify defense's witnesses of the notice of motion, the date of the hearing, and the witnesses' right to be heard by the court. The superior and municipal courts of a county may adopt rules, which shall be consistent, regarding the method of giving the notice or waiver of service required by this subdivision, where a continuance is sought because of a conflict between scheduled appearances in the courts of that county.

(c) Notwithstanding subdivision (b), a party may make a motion for a continuance without complying with the requirements of that

subdivision. However, unless the moving party shows good cause for the failure to comply with those requirements, the court may impose sanctions as provided in Section 1050.5.

(d) When a party makes a motion for a continuance without complying with the requirements of subdivision (b), the court shall hold a hearing on whether there is good cause for the failure to comply with those requirements. At the conclusion of the hearing the court shall make a finding whether good cause has been shown and, if it finds that there is good cause, shall state on the record the facts proved that justify its finding. A statement of the finding and a statement of facts proved shall be entered in the minutes. If the moving party is unable to show good cause for the failure to give notice, the motion for continuance shall not be granted.

(e) Continuances shall be granted only upon a showing of good cause. Neither the convenience of the parties nor a stipulation of the parties is in and of itself good cause.

(f) At the conclusion of the motion for continuance, the court shall make a finding whether good cause has been shown and, if it finds that there is good cause, shall state on the record the facts proved that justify its finding. A statement of facts proved shall be entered in the minutes.

(g) When deciding whether or not good cause for a continuance has been shown, the court shall consider the general convenience and prior commitments of all witnesses, including peace officers. Both the general convenience and prior commitments of each witness also shall be considered in selecting a continuance date if the motion is granted. The facts as to inconvenience or prior commitments may be offered by the witness or by a party to the case.

For purposes of this section, “good cause” includes, but is not limited to, those cases involving allegations that a violation of one or more of the sections specified in subdivision (a) of Section 11165.1 or Section 11165.6, or domestic violence as defined in Section 13700, has occurred and the prosecuting attorney assigned to the case has another trial, preliminary hearing, or motion to suppress in progress in that court or another court. A continuance

under this paragraph shall be limited to a maximum of 10 additional court days.

(h) Upon a showing that the attorney of record at the time of the defendant's first appearance in the superior court *on an indictment or information* is a Member of the Legislature of this state and that the Legislature is in session or that a legislative interim committee of which the attorney is a duly appointed member is meeting or is to meet within the next seven days, the defendant shall be entitled to a reasonable continuance not to exceed 30 days.

(i) A continuance shall be granted only for that period of time shown to be necessary by the evidence considered at the hearing on the motion. Whenever any continuance is granted, the court shall state on the record the facts proved that justify the length of the continuance, and those facts shall be entered in the minutes.

(j) Whenever it shall appear that any court may be required, because of the condition of its calendar, to dismiss an action pursuant to Section 1382, the court must immediately notify the Chairman of the Judicial Council.

(k) This section shall not apply when the preliminary examination is set on a date less than 10 court days from the date of the defendant's arraignment on the complaint, and the prosecution or the defendant moves to continue the preliminary examination to a date not more than 10 court days from the date of the defendant's arraignment on the complaint.

Penal Code § 1130 (amended). Failure of prosecuting attorney to attend

SEC. _____. Section 1130 of the Penal Code is amended to read:

1130. If the prosecuting attorney fails to attend at the trial ~~in the superior court~~ *of a felony*, the court must appoint some attorney at law to perform the duties of the prosecuting attorney on such trial.

Comment. Section 1130 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e).

Penal Code § 1150 (amended). General verdict of jury

SEC. _____. Section 1150 of the Penal Code is amended to read:

1150. The jury must render a general verdict, except that in a ~~superior court~~ *felony case*, when they are in doubt as to the legal effect of the facts proved, they may, except upon a trial for libel, find a special verdict.

Comment. Section 1150 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See also Section 691(f) (“felony case” defined).

Penal Code § 1187 (amended). Order arresting judgment

SEC. _____. Section 1187 of the Penal Code is amended to read:

1187. The effect of an order arresting judgment, in a ~~superior court~~ *felony case*, is to place the defendant in the same situation in which ~~he~~ *the defendant* was immediately before the indictment was found or information filed. In ~~any other court~~ *a misdemeanor or infraction case*, the effect is to place the defendant in the situation in which ~~he~~ *the defendant* was before the trial was had.

Comment. Section 1187 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See also Section 691 (defining “felony case” and “misdemeanor case”).

Penal Code § 1191 (amended). Time for pronouncing judgment

SEC. _____. Section 1191 of the Penal Code is amended to read:

1191. In ~~the superior court~~ *a felony case*, after a plea, finding, or verdict of guilty, or after a finding or verdict against the defendant on a plea of a former conviction or acquittal, or once in jeopardy, the court shall appoint a time for pronouncing judgment, which shall be within 20 judicial days after the verdict, finding, or plea of guilty, during which time the court shall refer the case to the probation officer for a report if eligible for probation and pursuant to Section 1203. However, the court may extend the time not more than 10 days for the purpose of hearing or determining any motion for a new trial, or in arrest of judgment, and may further extend the time until the probation officer’s report is received and until any proceedings for granting or denying probation have been disposed of. If, in the opinion of the court, there is a reasonable ground for believing a defendant insane, the court may extend the time for pronouncing sentence until the question of insanity has been heard and determined, as provided in this code. If the court orders

defendant placed in a diagnostic facility pursuant to Section 1203.03, the time otherwise allowed by this section for pronouncing judgment is extended by a period equal to (1) the number of days which elapse between the date of the order and the date on which notice is received from the Director of Corrections advising whether or not the Department of Corrections will receive defendant in the facility, and (2) if the director notifies the court that it will receive the defendant, the time which elapses until his or her return to the court from the facility.

Comment. Section 1191 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See also Section 691(f) (“felony case” defined).

Penal Code § 1203.1 (amended). Probation

SEC. _____. Section 1203.1 of the Penal Code is amended to read:

1203.1. (a) The court, or judge thereof, in the order granting probation, may suspend the imposing or the execution of the sentence and may direct that the suspension may continue for a period of time not exceeding the maximum possible term of the sentence, except as hereinafter set forth, and upon those terms and conditions as it shall determine. The court, or judge thereof, in the order granting probation and as a condition thereof, may imprison the defendant in a county jail for a period not exceeding the maximum time fixed by law in the case.

However, where the maximum possible term of the sentence is five years or less, then the period of suspension of imposition or execution of sentence may, in the discretion of the court, continue for not over five years. The following shall apply to this subdivision:

(1) The court may fine the defendant in a sum not to exceed the maximum fine provided by law in the case.

(2) The court may, in connection with granting probation, impose either imprisonment in a county jail or a fine, both, or neither.

(3) The court shall provide for restitution in proper cases.

(4) The court may require bonds for the faithful observance and performance of any or all of the conditions of probation.

(b) The court shall consider whether the defendant as a condition of probation shall make restitution to the victim or the Restitution Fund. Any restitution payment received by a probation department in the form of cash or money order shall be forwarded to the victim within 30 days from the date the payment is received by the department. Any restitution payment received by a probation department in the form of a check or draft shall be forwarded to the victim within 45 days from the date the payment is received by the department, provided, that payment need not be forwarded to a victim until 180 days from the date the first payment is received, if the restitution payments for that victim received by the probation department total less than fifty dollars (\$50). In cases where the court has ordered the defendant to pay restitution to multiple victims and where the administrative cost of disbursing restitution payments to multiple victims involves a significant cost, any restitution payment received by a probation department shall be forwarded to multiple victims when it is cost effective to do so, but in no event shall restitution disbursements be delayed beyond 180 days from the date the payment is received by the probation department.

(c) In counties or cities and counties where road camps, farms, or other public work is available the court may place the probationer in the road camp, farm, or other public work instead of in jail. In this case, Section 25359 of the Government Code shall apply to probation and the court shall have the same power to require adult probationers to work, as prisoners confined in the county jail are required to work, at public work. Each county board of supervisors may fix the scale of compensation of the adult probationers in that county.

(d) In all cases of probation the court may require as a condition of probation that the probationer go to work and earn money for the support of his or her dependents or to pay any fine imposed or reparation condition, to keep an account of his or her earnings, to report them to the probation officer and apply those earnings as directed by the court.

(e) The court shall also consider whether the defendant as a condition of probation shall make restitution to a public agency for

the costs of an emergency response pursuant to Article 8 (commencing with Section 53150) of Chapter 1 of Part 1 of Division 2 of the Government Code.

(f) In all *felony* cases in which, as a condition of probation, a judge of the superior court sitting by authority of law elsewhere than at the county seat requires a convicted person to serve his or her sentence at intermittent periods the sentence may be served on the order of the judge at the city jail nearest to the place at which the court is sitting, and the cost of his or her maintenance shall be a county charge.

(g)(1) The court and prosecuting attorney shall consider whether any defendant who has been convicted of a nonviolent or nonserious offense and ordered to participate in community service as a condition of probation shall be required to engage in the removal of graffiti in the performance of the community service. For the purpose of this subdivision, a nonserious offense shall not include the following:

(A) Offenses in violation of the Dangerous Weapons' Control Law (Chapter 1 (commencing with Section 12000) of Title 2 of Part 4).

(B) Offenses involving the use of a dangerous or deadly weapon, including all violations of Section 417.

(C) Offenses involving the use or attempted use of violence against the person of another or involving injury to a victim.

(D) Offenses involving annoying or molesting children.

(2) Notwithstanding subparagraph (A) of paragraph (1), any person who violates Section 12101 shall be ordered to perform not less than 100 hours and not more than 500 hours of community service as a condition of probation.

(3) The court and the prosecuting attorney need not consider a defendant pursuant to paragraph (1) if the following circumstances exist:

(A) The defendant was convicted of any offense set forth in subdivision (c) of Section 667.5 or subdivision (c) of Section 1192.7.

(B) The judge believes that the public safety may be endangered if the person is ordered to do community service or the judge

believes that the facts or circumstances or facts and circumstances call for imposition of a more substantial penalty.

(h) The probation officer or his or her designated representative shall consider whether any defendant who has been convicted of a nonviolent and nonserious offense and ordered to participate in community service as a condition of probation shall be required to engage in the performance of house repairs or yard services for senior citizens and the performance of repairs to senior centers through contact with local senior service organizations in the performance of the community service.

(i) Upon conviction of any offense involving child abuse or neglect, the court may require, in addition to any or all of the above-mentioned terms of imprisonment, fine, and other reasonable conditions, that the defendant shall participate in counseling or education programs, or both, including, but not limited to, parent education or parenting programs operated by community colleges, school districts, other public agencies, or private agencies.

(j) The court may impose and require any or all of the above-mentioned terms of imprisonment, fine, and conditions, and other reasonable conditions, as it may determine are fitting and proper to the end that justice may be done, that amends may be made to society for the breach of the law, for any injury done to any person resulting from that breach, and generally and specifically for the reformation and rehabilitation of the probationer, and that should the probationer violate any of the terms or conditions imposed by the court in the matter, it shall have authority to modify and change any and all the terms and conditions and to reimprison the probationer in the county jail within the limitations of the penalty of the public offense involved. Upon the defendant being released from the county jail under the terms of probation as originally granted or any modification subsequently made, and in all cases where confinement in a county jail has not been a condition of the grant of probation, the court shall place the defendant or probationer in and under the charge of the probation officer of the court, for the period or term fixed for probation. However, upon the payment of any fine imposed and the fulfillment of all

conditions of probation, probation shall cease at the end of the term of probation, or sooner, in the event of modification. In counties and cities and counties in which there are facilities for taking fingerprints, those of each probationer shall be taken and a record of them kept and preserved.

(k) Notwithstanding any other provisions of law to the contrary, except as provided in Section 13967, as operative on or before September 28, 1994, of the Government Code and Section 13967.5 of the Government Code and Sections 1202.4, 1463.16, paragraph (1) of subdivision (a) of Section 1463.18, and Section 1464, and Section 1203.04, as operative on or before August 2, 1995, all fines collected by a county probation officer in any of the courts of this state, as a condition of the granting of probation or as a part of the terms of probation, shall be paid into the county treasury and placed in the general fund for the use and benefit of the county.

(l) If the court orders restitution to be made to the victim, the board of supervisors may add a fee to cover the actual administrative cost of collecting restitution but not to exceed 10 percent of the total amount ordered to be paid. The fees shall be paid into the general fund of the county treasury for the use and benefit of the county.

Comment. Section 1203.1 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). See Section 691 (defining “felony case” and “misdemeanor case”).

Penal Code § 1203.1c (amended). Cost of incarceration

SEC. _____. Section 1203.1c of the Penal Code is amended to read:

1203.1c. (a) In any case in which a defendant is convicted of an offense and is ordered to serve a period of confinement in a county jail, city jail, or other local detention facility as a term of probation or a conditional sentence, the court may, after a hearing, make a determination of the ability of the defendant to pay all or a portion of the reasonable costs of such incarceration, including incarceration pending disposition of the case. The reasonable cost of such incarceration shall not exceed the amount determined by the board of supervisors, with respect to the county jail, and by the city council, with respect to the city jail, to be the actual average

cost thereof on a per-day basis. The court may, in its discretion, hold additional hearings during the probationary period. The court may, in its discretion before such hearing, order the defendant to file a statement setting forth his or her assets, liability and income, under penalty of perjury, and may order the defendant to appear before a county officer designated by the board of supervisors to make an inquiry into the ability of the defendant to pay all or a portion of such costs. At the hearing, the defendant shall be entitled to have the opportunity to be heard in person or to be represented by counsel, to present witnesses and other evidence, and to confront and cross-examine adverse witnesses. A defendant represented by counsel appointed by the court in the criminal proceedings shall be entitled to such representation at any hearing held pursuant to this section. If the court determines that the defendant has the ability to pay all or a part of the costs, the court may set the amount to be reimbursed and order the defendant to pay that sum to the county, or to the city with respect to incarceration in the city jail, in the manner in which the court believes reasonable and compatible with the defendant's financial ability. Execution may be issued on the order in the same manner as on a judgment in a civil action. The order to pay all or part of the costs shall not be enforced by contempt.

If practicable, the court shall order payments to be made on a monthly basis and the payments shall be made payable to the county officer designated by the board of supervisors, or to a city officer designated by the city council with respect to incarceration in the city jail.

A payment schedule for reimbursement of the costs of incarceration pursuant to this section based upon income shall be developed by the county officer designated by the board of supervisors, or by the city council with respect to incarceration in the city jail, and approved by the presiding judges of the municipal and superior courts *in the county*.

(b) "Ability to pay" means the overall capability of the defendant to reimburse the costs, or a portion of the costs, of incarceration and includes, but is not limited to, the defendant's:

(1) Present financial obligations, including family support obligations, and fines, penalties and other obligations to the court.

(2) Reasonably discernible future financial position. In no event shall the court consider a period of more than one year from the date of the hearing for purposes of determining reasonable discernible future position.

(3) Likelihood that the defendant shall be able to obtain employment within the one year period from the date of the hearing.

(4) Any other factor or factors which may bear upon the defendant's financial ability to reimburse the county or city for the costs.

(c) All sums paid by a defendant pursuant to this section shall be deposited in the general fund of the county or city.

(d) This section shall be operative in a county upon the adoption of an ordinance to that effect by the board of supervisors, and shall be operative in a city upon the adoption of an ordinance to that effect by the city council. Such ordinance shall include a designation of the officer responsible for collection of moneys ordered pursuant to this section and shall include a determination, to be reviewed annually, of the average per-day costs of incarceration in the county jail, city jail, or other local detention facility.

Penal Code § 1214 (amended). Enforcement

SEC. _____. Section 1214 of the Penal Code is amended to read:

1214. (a) If the judgment is for a fine, including a restitution fine ordered pursuant to Section 1202.4 or Section 1203.04, as operative on or before August 2, 1995, or Section 13967 of the Government Code, as operative on or before September 28, 1994, with or without imprisonment, the judgment may be enforced in the manner provided for the enforcement of money judgments generally.

(b) In any case in which a defendant is ordered to pay restitution, the order to pay restitution (1) is deemed a money judgment if the

defendant was informed of his or her right to have a judicial determination of the amount and was provided with a hearing, waived a hearing, or stipulated to the amount of the restitution ordered, and (2) shall be fully enforceable by a victim as if the restitution order were a civil judgment, and enforceable in the same manner as is provided for the enforcement of any other money judgment. Upon the victim's request, the court shall provide the victim in whose favor the order of restitution is entered with a certified copy of that order. In addition, upon request, the court shall provide the State Board of Control with a certified copy of any order imposing a restitution fine or order. A victim shall have access to all resources available under the law to enforce the restitution order, including, but not limited to, access to the defendant's financial records, use of wage garnishment and lien procedures, information regarding the defendant's assets, and the ability to apply for restitution from any fund established for the purpose of compensating victims in civil cases. Any portion of a restitution order that remains unsatisfied after a defendant is no longer on probation or parole is enforceable by the victim pursuant to this section. Victims and the State Board of Control shall inform the court whenever an order to pay restitution is satisfied.

(c) Except as provided in subdivision (d), and notwithstanding the amount in controversy limitation of Section 85 of the Code of Civil Procedure, a restitution order or restitution fine that was imposed pursuant to Section 1202.4 by the municipal court, or by the superior court acting pursuant to subdivision (d) of Section 1462, may be enforced in the same manner as a money judgment in a limited civil case.

(e)(d) Chapter 3 (commencing with Section 683.010) of Division 1 of Title 9 of Part 2 of the Code of Civil Procedure shall not apply to a judgment for any fine or restitution ordered pursuant to Section 1202.4 or Section 1203.04, as operative on or before August 2, 1995, or Section 13967 of the Government Code, as operative on or before September 28, 1994.

Comment. Section 1214 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). New subdivision (c) continues the policy of former Code of Civil Procedure Section

86(a)(11), which provided that the municipal court had original jurisdiction in all actions to enforce restitution orders or restitution fines that were imposed by the municipal court (without any limitation on amount in controversy). In certain criminal cases, a municipal court could impose a restitution order or restitution fine. Penal Code §§ 1462(a) (misdemeanor or infraction case), 1462(b) (pronouncing judgment in noncapital criminal case). In a county in which there is no municipal court, Penal Code Section 1462(d) gives the superior court the jurisdiction provided in Section 1462(a)-(b). Thus, new subdivision (c) of this section accommodates trial court unification and continues the effect of former law.

See Code Civ. Proc. §§ 85 (limited civil cases), 86(a)(8) (enforcement of judgment in limited civil case).

Heading of Title 9 (commencing with Section 1235) (amended)

1235. The provisions of this title apply only to such appeals.

11(a) (court of appeal appellate jurisdiction when superior courts have original jurisdiction and in other causes provided by statute).

Penal Code § 1269 (amended). Taking of bail

SEC. _____. Section 1269 of the Penal Code is amended to read:

1269. Upon filing, the clerk shall enter in the register of actions the date and amounts of such bond and the name or names of the surety or sureties thereon. In the event of the loss or destruction of such bond, such entries so made shall be prima facie evidence of the due execution of such bond as required by law.

Whenever any bail bond has been deposited in any criminal action or proceeding in a justice, municipal or superior court or in any proceeding in habeas corpus in a superior court, ~~either before or after the effective date of this amendment to this section,~~ and it is made to appear to the satisfaction of the court by affidavit or by testimony in open court that more than three years have elapsed since the exoneration or release of said bail, the court must direct that such bond be destroyed.

Comment. Section 1269 is amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b). The reference to the effective date of the 1955 amendment of the section is deleted as obsolete.

Penal Code § 1269b (amended). Bail proceedings

In adopting a uniform countywide schedule of bail for all bailable offenses the judges shall consider the seriousness of the offense charged. In considering the seriousness of the offense charged the judges shall assign an additional amount of required bail for each aggravating or enhancing factor chargeable in the complaint, including, but not limited to, additional bail for charges alleging facts which would bring a person within any of the following sections: Section 667.5, 667.51, 667.6, 667.8, 667.85, 667.9, 667.10, 12022, 12022.1, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.8, or 12022.9 of the Penal Code, or Section 11356.5, 11370.2, or 11370.4 of the Health and Safety Code.

A copy of the countywide bail schedule shall be sent to the officer in charge of the county jail, to the officer in charge of each city jail within the county, to each superior, ~~municipal and justice~~ *and municipal* court judge and commissioner in the county, and to the Judicial Council.

(f) Upon posting bail the defendant or arrested person shall be discharged from custody as to the offense on which the bail is posted.

All money and surety bonds so deposited with an officer authorized to receive bail shall be transmitted immediately to the judge or clerk of the court by which the order was made or warrant issued or bail schedule fixed. If, in the case of felonies, an indictment is filed, the judge or clerk of the court shall transmit all of the money and surety bonds to the county clerk.

(g) If a defendant or arrested person so released fails to appear at the time and in the court so ordered upon his or her release from custody, Sections 1305 and 1306 apply.

(b) If the action is on a complaint charging a misdemeanor, counsel for the defendant may (1) demur, (2) move to dismiss the complaint on the ground that there is not reasonable cause to believe that a public offense has been committed and that the defendant is guilty thereof, or (3) make a motion under Section 1538.5.

Penal Code § 1382 (amended). Time for bringing case to trial

SEC. _____. Section 1382 of the Penal Code is amended to read:

1382. (a) The court, unless good cause to the contrary is shown, shall order the action to be dismissed in the following cases:

(1) When a person has been held to answer for a public offense and an information is not filed against that person within 15 days.

(2) ~~When~~ *In a felony case, when* a defendant is not brought to trial ~~in a superior court~~ within 60 days after the finding of the indictment, filing of the information, or reinstatement of criminal proceedings pursuant to Chapter 6 (commencing with Section 1367) of Title 10 of Part 2, or, in case the cause is to be tried again following a mistrial, an order granting a new trial from which an appeal is not taken, or an appeal from the superior court, within 60 days after the mistrial has been declared, after entry of the order granting the new trial, or after the filing of the remittitur in the trial court, or after the issuance of a writ or order which, in effect, grants a new trial, within 60 days after notice of the writ or order is filed in the trial court and served upon the prosecuting attorney, or within 90 days after notice of the writ or order is filed in the trial court and served upon the prosecuting attorney in any case where the district attorney chooses to resubmit the case for a preliminary examination after an appeal or the issuance of a writ reversing a judgment of conviction upon a plea of guilty prior to a preliminary hearing ~~in a municipal or justice court~~. However, an action shall not be dismissed under this paragraph if either of the following circumstances exist:

(A) The defendant enters a general waiver of the 60-day trial requirement. A general waiver of the 60-day trial requirement entitles the superior court to set or continue a trial date without the sanction of dismissal should the case fail to proceed on the date set for trial. If the defendant, after proper notice to all parties, later

withdraws his or her waiver in the superior court, the defendant shall be brought to trial within 60 days of the date of that withdrawal. If a general time waiver is not expressly entered, subparagraph (B) shall apply.

(B) The defendant requests or consents to the setting of a trial date beyond the 60-day period. Whenever a case is set for trial beyond the 60-day period by request or consent, expressed or implied, of the defendant without a general waiver, the defendant shall be brought to trial on the date set for trial or within 10 days thereafter.

Whenever a case is set for trial after a defendant enters either a general waiver as to the 60-day trial requirement or requests or consents, expressed or implied, to the setting of a trial date beyond the 60-day period pursuant to this paragraph, the court may not grant a motion of the defendant to vacate the date set for trial and to set an earlier trial date unless all parties are properly noticed and the court finds good cause for granting that motion.

(3) Regardless of when the complaint is filed, when a defendant in a ~~misdemeanor case in an inferior court~~ *misdemeanor or infraction case* is not brought to trial within 30 days after he or she is arraigned or enters his or her plea, whichever occurs later, if the defendant is in custody at the time of arraignment or plea, whichever occurs later, or in all other cases, within 45 days after the defendant's arraignment or entry of the plea, whichever occurs later, or in case the cause is to be tried again following a mistrial, an order granting a new trial from which no appeal is taken, or an appeal from ~~the inferior court~~ *a judgment in a misdemeanor or infraction case*, within 30 days after the mistrial has been declared, after entry of the order granting the new trial, or after the remittitur is filed in the trial court ~~or, if the new trial is to be held in the superior court, within 30 days after the judgment on appeal becomes final~~. However, an action shall not be dismissed under this subdivision if any of the following circumstances exist:

(A) The defendant enters a general waiver of the 30-day or 45-day trial requirement. A general waiver of the 30-day or 45-day trial requirement entitles the ~~inferior~~ court to set or continue a trial date without the sanction of dismissal should the case fail to

proceed on the date set for trial. If the defendant, after proper notice to all parties, later withdraws his or her waiver ~~in the inferior court~~, the defendant shall be brought to trial within 30 days of the date of that withdrawal. If a general time waiver is not expressly entered, subparagraph (B) shall apply.

(B) The defendant requests or consents to the setting of a trial date beyond the 30-day or 45-day period. In the absence of an express general time waiver from the defendant, the ~~inferior court~~ shall set a trial date. Whenever a case is set for trial beyond the 30-day or 45-day period by request or consent, expressed or implied, of the defendant without a general waiver, the defendant shall be brought to trial on the date set for trial or within 10 days thereafter.

(C) The defendant in a misdemeanor case has been ordered to appear on a case set for hearing prior to trial, but the defendant fails to appear on that date and a bench warrant is issued, or the case is not tried on the date set for trial because of the defendant's neglect or failure to appear, in which case the defendant shall be deemed to have been arraigned within the meaning of this subdivision on the date of his or her subsequent arraignment on a bench warrant or his or her submission to the court.

(b) Whenever a defendant has been ordered to appear in superior court on a *felony* case set for trial or set for a hearing prior to trial *after being held to answer*, if the defendant fails to appear on that date and a bench warrant is issued, the defendant shall be brought to trial within 60 days after the defendant next appears in the superior court unless a trial date previously had been set which is beyond that 60-day period.

(c) If the defendant is not represented by counsel, the defendant shall not be deemed under this section to have consented to the date for the defendant's trial unless the court has explained to the defendant his or her rights under this section and the effect of his or her consent.

Comment. Section 1382 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). *Cf.* Section 691 & Comment. The section is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

An appeal from an order of recusal in a misdemeanor case shall be made pursuant to Chapter 2 (commencing with Section 1466) of Title 11, *regardless of the court in which the order is made.*

(b)(1) Notice of a motion to disqualify a city attorney from performing an authorized duty involving a criminal matter shall be served on the city attorney and the district attorney at least 10 days before the motion is heard. A docket must be kept ~~by the judge or clerk of each justice court and~~ by the clerk of each municipal court having jurisdiction of criminal actions or proceedings, in which must be entered the title of each criminal action or proceeding and under each title all the orders and proceedings in such action or proceeding. Wherever by any other section of this code made applicable to such courts an entry of any judgment, order or other proceeding in the minutes is required, an entry thereof in the docket shall be made and shall be deemed a sufficient entry in the minutes for all purposes.

Comment. Section 1428 is amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b). The provision applies only to municipal court dockets.

Penal Code § 1429 (amended). Misdemeanor plea

SEC. _____. Section 1429 of the Penal Code is amended to read:

1429. ~~In the case of a misdemeanor triable in any inferior court a~~ *misdemeanor case* the plea of the defendant may be made by said defendant or by his *defendant's* counsel. If such defendant pleads guilty, the court may, before entering such plea or pronouncing judgment, examine witnesses to ascertain the gravity of the offense committed; and if it appear to the court that a higher offense has been committed than the offense charged in the complaint, the court may order the defendant to be committed or admitted to bail, to answer any indictment which may be found against ~~him~~ *the*

defendant by the grand jury, or any complaint which may be filed charging ~~him~~ *the defendant* with such higher offense.

Comment. Section 1429 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). *Cf.* Section 691 & Comment.

Penal Code § 1429.5 (amended). Procedure in case of plea not guilty by reason of insanity

SEC. _____. Section 1429.5 of the Penal Code is amended to read:

1429.5. When a defendant pleads not guilty by reason of insanity to a misdemeanor charge *in a municipal court*, and also joins with it another plea or pleas, ~~he~~ *the defendant* shall first be tried as if ~~he~~ *the defendant* had entered such other plea or pleas only, and in such trial ~~he~~ *the defendant* shall be conclusively presumed to have been sane at the time the offense is alleged to have been committed. If the defendant shall be found guilty, or if the defendant pleads only not guilty by reason of insanity, then the defendant shall be certified to the superior court of the county for prompt trial to determine the question whether the defendant was sane or insane at the time the offense was committed. The superior court shall proceed as provided in Sections 1026 and 1027. If the verdict or finding be that the defendant was sane at the time the offense was committed the superior court shall remand the defendant to the court from which ~~he~~ *the defendant* was certified which court shall sentence the defendant as provided by law. If the verdict or finding be that the defendant was insane at the time the offense was committed the superior court shall proceed as provided in Section 1026.

Comment. Section 1429.5 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). The procedure in this section — which requires that the issue of insanity be tried in the superior court — has relevance only in a county with a municipal court. One consequence of unification is that under this section misdemeanor cases in a unified court will receive the same treatment as felony cases, resulting in a discretionary rather than automatic new jury.

Penal Code § 1447 (amended). Malicious prosecution

SEC. _____. Section 1447 of the Penal Code is amended to read:

1447. When the defendant is acquitted ~~in an inferior court~~ *in a misdemeanor or infraction case*, if the court certify in the minutes that the prosecution was malicious and without probable cause, the court may order the complainant to pay the costs of the action, or to give an undertaking to pay the costs within 30 days after the trial.

The court may extend the time for not more than 10 days for the purpose of hearing or determining any motion for a new trial, or in arrest of judgment. The court also may extend the time for not more than 20 judicial days if probation is considered. Upon request of the defendant or the probation officer, that time may be further extended for not more than 90 additional days. In case of postponement, the court may hold the defendant to bail to appear for judgment. If, in the opinion of the court there is a reasonable ground for believing a defendant insane, the court may extend the time of pronouncing judgment and may commit the defendant to custody until the question of insanity has been heard and determined.

If the defendant is a veteran who was discharged from service for mental disability, upon his or her request, his or her case shall be referred to the probation officer, who shall secure a military medical history of the defendant and present it to the court together with a recommendation for or against probation.

A court of appeal may order any case on appeal ~~within the original jurisdiction of the municipal and justice courts to a superior court~~ in its district transferred to it for hearing and decision as provided by rules of the Judicial Council when the superior court certifies, or the court of appeal determines, that such transfer appears necessary to secure uniformity of decision or to settle important questions of law.

~~No case in which there is a right on appeal to a trial anew in the superior court shall be transferred pursuant to this section before a decision in such case becomes final therein.~~

A court to which any such case is transferred shall have similar power to review any matter and make orders and judgments as the *appellate division of the superior court* by statute would have in such case, except as otherwise expressly provided ~~and except that if the case was tried anew in the superior court, the reviewing court shall have similar power to review any matter and make orders and judgments as it has by statute in a case within the original jurisdiction of the superior court.~~

(f)(1) If the property or evidence relates to a felony offense initiated by a complaint, the motion shall be made in the superior court only upon filing of an information, except that the defendant may make the motion at the preliminary hearing in the municipal court or in the superior court in a county in which there is no municipal court, but the motion ~~in the municipal court~~ shall be restricted to evidence sought to be introduced by the people at the preliminary hearing.

(2) The motion may be made at the preliminary examination only if at least five court days before the date set for the preliminary examination the defendant has filed and personally served on the people a written motion accompanied by a memorandum of points and authorities as required by paragraph (2) of subdivision (a). At the preliminary examination, the magistrate may grant the defendant a continuance for the purpose of filing the motion and serving the motion upon the people, at least five court days before resumption of the examination, upon a showing that the defendant or his or her attorney of record was not aware of the evidence or was not aware of the grounds for suppression before the preliminary examination.

(3) Any written response by the people to the motion described in paragraph (2) shall be filed with the court and personally served on the defendant or his or her attorney of record at least two court days prior to the hearing at which the motion is to be made.

(g) If the property or evidence relates to a misdemeanor complaint, the motion shall be made in the municipal court or in the superior court in a county in which there is no municipal court before trial and heard prior to trial at a special hearing relating to

the validity of the search or seizure. If the property or evidence relates to a misdemeanor filed together with a felony, the procedure provided for a felony in this section and Sections 1238 and 1539 shall be applicable.

(h) If, prior to the trial of a felony or misdemeanor, opportunity for this motion did not exist or the defendant was not aware of the grounds for the motion, the defendant shall have the right to make this motion during the course of trial in the municipal or superior court.

(i) If the property or evidence obtained relates to a felony offense initiated by complaint and the defendant was held to answer at the preliminary hearing, or if the property or evidence relates to a felony offense initiated by indictment, the defendant shall have the right to renew or make the motion in the superior court at a special hearing relating to the validity of the search or seizure which shall be heard prior to trial and at least 10 court days after notice to the people, unless the people are willing to waive a portion of this time. Any written response by the people to the motion shall be filed with the court and personally served on the defendant or his or her attorney of record at least two court days prior to the hearing, unless the defendant is willing to waive a portion of this time. If the offense was initiated by indictment or if the offense was initiated by complaint and no motion was made at the preliminary hearing, the defendant shall have the right to fully litigate the validity of a search or seizure on the basis of the evidence presented at a special hearing. If the motion was made at the preliminary hearing, unless otherwise agreed to by all parties, evidence presented at the special hearing shall be limited to the transcript of the preliminary hearing and to evidence that could not reasonably have been presented at the preliminary hearing, except that the people may recall witnesses who testified at the preliminary hearing. If the people object to the presentation of evidence at the special hearing on the grounds that the evidence could reasonably have been presented at the preliminary hearing, the defendant shall be entitled to an in camera hearing to determine that issue. The superior court shall base its ruling on all evidence presented at the special hearing and on the transcript of the

preliminary hearing, and the findings of the magistrate shall be binding on the superior court as to evidence or property not affected by evidence presented at the special hearing. After the special hearing is held in the superior court, any review thereafter desired by the defendant prior to trial shall be by means of an extraordinary writ of mandate or prohibition filed within 30 days after the denial of his or her motion at the special hearing.

(j) If the property or evidence relates to a felony offense initiated by complaint and the defendant's motion for the return of the property or suppression of the evidence at the preliminary hearing is granted, and if the defendant is not held to answer at the preliminary hearing, the people may file a new complaint or seek an indictment after the preliminary hearing, and the ruling at the prior hearing shall not be binding in any subsequent proceeding, except as limited by subdivision (p). In the alternative, the people may move to reinstate the complaint, or those parts of the complaint for which the defendant was not held to answer, pursuant to Section 871.5. If the property or evidence relates to a felony offense initiated by complaint and the defendant's motion for the return or suppression of the property or evidence at the preliminary hearing is granted, and if the defendant is held to answer at the preliminary hearing, the ruling at the preliminary hearing shall be binding upon the people unless, upon notice to the defendant and the court in which the preliminary hearing was held and upon the filing of an information, the people, within 15 days after the preliminary hearing, request in the superior court a special hearing, in which case the validity of the search or seizure shall be relitigated de novo on the basis of the evidence presented at the special hearing, and the defendant shall be entitled, as a matter of right, to a continuance of the special hearing for a period of time up to 30 days. The people may not request relitigation of the motion at a special hearing if the defendant's motion has been granted twice. If the defendant's motion is granted at a special hearing in the superior court, the people, if they have additional evidence relating to the motion and not presented at the special hearing, shall have the right to show good cause at the trial why the evidence was not presented at the special hearing and why the prior

ruling at the special hearing should not be binding, or the people may seek appellate review as provided in subdivision (o), unless the court, prior to the time the review is sought, has dismissed the case pursuant to Section 1385. If the case has been dismissed pursuant to Section 1385, or if the people dismiss the case on their own motion after the special hearing, the people may file a new complaint or seek an indictment after the special hearing, and the ruling at the special hearing shall not be binding in any subsequent proceeding, except as limited by subdivision (p). If the property or evidence seized relates solely to a misdemeanor complaint, and the defendant made a motion for the return of property or the suppression of evidence in the municipal court *or superior court in a county in which there is no municipal court* prior to trial, both the people and defendant shall have the right to appeal any decision of that court relating to that motion to the superior court of the county in which the municipal *or superior* court is located, in accordance with the California Rules of Court provisions governing appeals ~~from municipal courts~~ *to the appellate division* in criminal cases. If the people prosecute review by appeal or writ to decision, or any review thereof, in a felony or misdemeanor case, it shall be binding upon them.

(k) If the defendant's motion to return property or suppress evidence is granted and the case is dismissed pursuant to Section 1385, or the people appeal in a misdemeanor case pursuant to subdivision (j), the defendant shall be released pursuant to Section 1318 if he or she is in custody and not returned to custody unless the proceedings are resumed in the trial court and he or she is lawfully ordered by the court to be returned to custody.

If the defendant's motion to return property or suppress evidence is granted and the people file a petition for writ of mandate or prohibition pursuant to subdivision (o) or a notice of intention to file such a petition, the defendant shall be released pursuant to Section 1318, unless (1) he or she is charged with a capital offense in a case where the proof is evident and the presumption great, or (2) he or she is charged with a noncapital offense defined in Chapter 1 (commencing with Section 187) of Title 8 of Part 1, and

the court orders that the defendant be discharged from actual custody upon bail.

(l) If the defendant's motion to return property or suppress evidence is granted, the trial of a criminal case shall be stayed to a specified date pending the termination in the appellate courts of this state of the proceedings provided for in this section, Section 871.5, 1238, or 1466 and, except upon stipulation of the parties, pending the time for the initiation of these proceedings. Upon the termination of these proceedings, the defendant shall be brought to trial as provided by Section 1382, and, subject to the provisions of Section 1382, whenever the people have sought and been denied appellate review pursuant to subdivision (o), the defendant shall be entitled to have the action dismissed if he or she is not brought to trial within 30 days of the date of the order that is the last denial of the petition. Nothing contained in this subdivision shall prohibit a court, at the same time as it rules upon the search and seizure motion, from dismissing a case pursuant to Section 1385 when the dismissal is upon the court's own motion and is based upon an order at the special hearing granting the defendant's motion to return property or suppress evidence. In a misdemeanor case, the defendant shall be entitled to a continuance of up to 30 days if he or she intends to file a motion to return property or suppress evidence and needs this time to prepare for the special hearing on the motion. In case of an appeal by the defendant in a misdemeanor case from the denial of the motion, he or she shall be entitled to bail as a matter of right, and, in the discretion of the trial or appellate court, may be released on his or her own recognizance pursuant to Section 1318.

(m) The proceedings provided for in this section, and Sections 871.5, 995, 1238, and 1466 shall constitute the sole and exclusive remedies prior to conviction to test the unreasonableness of a search or seizure where the person making the motion for the return of property or the suppression of evidence is a defendant in a criminal case and the property or thing has been offered or will be offered as evidence against him or her. A defendant may seek further review of the validity of a search or seizure on appeal from a conviction in a criminal case notwithstanding the fact that the

judgment of conviction is predicated upon a plea of guilty. Review on appeal may be obtained by the defendant provided that at some stage of the proceedings prior to conviction he or she has moved for the return of property or the suppression of the evidence.

(n) This section establishes only the procedure for suppression of evidence and return of property, and does not establish or alter any substantive ground for suppression of evidence or return of property. Nothing contained in this section shall prohibit a person from making a motion, otherwise permitted by law, to return property, brought on the ground that the property obtained is protected by the free speech and press provisions of the United States and California Constitutions. Nothing in this section shall be construed as altering (1) the law of standing to raise the issue of an unreasonable search or seizure; (2) the law relating to the status of the person conducting the search or seizure; (3) the law relating to the burden of proof regarding the search or seizure; (4) the law relating to the reasonableness of a search or seizure regardless of any warrant that may have been utilized; or (5) the procedure and law relating to a motion made pursuant to Section 871.5 or 995, or the procedures that may be initiated after the granting or denial of such a motion.

(o) Within 30 days after a defendant's motion is granted at a special hearing in the superior court *in a felony case*, the people may file a petition for writ of mandate or prohibition *in the court of appeal*, seeking appellate review of the ruling regarding the search or seizure motion. If the trial of a criminal case is set for a date that is less than 30 days from the granting of a defendant's motion at a special hearing in the superior court *in a felony case*, the people, if they have not filed such a petition and wish to preserve their right to file a petition, shall file in the superior court on or before the trial date or within 10 days after the special hearing, whichever occurs last, a notice of intention to file a petition and shall serve a copy of the notice upon the defendant.

(p) If a defendant's motion to return property or suppress evidence in a felony matter has been granted twice, the people may not file a new complaint or seek an indictment in order to relitigate the motion or relitigate the matter de novo at a special hearing in

the superior court as otherwise provided by subdivision (j), unless the people discover additional evidence relating to the motion that was not reasonably discoverable at the time of the second suppression hearing. Relitigation of the motion shall be heard by the same judge who granted the motion at the first hearing if the judge is available.

(q) The amendments to this section enacted in the 1997 portion of the 1997-98 Regular Session of the Legislature shall apply to all criminal proceedings conducted on or after January 1, 1998.

Comment. Section 1538.5 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). Cf. Section 691 & Comment. The language added to subdivision (m) is based on Cal. Const. art. VI, § 23(c)(7).

These amendments of Section 1538.5 are not intended to modify Article I, Section 28(d) of the California Constitution. Cf. *People v. Daan*, 161 Cal. App. 3d 22 (1984).

It should be noted that procedures under this section that provide for superior court review of, or action based on, a ruling or order by a superior court judge or a magistrate must be performed by a superior court judge other than the judge or magistrate who originally made the ruling or order, unless agreed to by the parties. Section 859c.

The court shall also furnish a copy of such disposition report to the law enforcement agency having primary jurisdiction to investigate the offense alleged in the complaint or accusation. Whenever a court shall order any action subsequent to the initial disposition of a case, the court shall similarly report such proceedings to the department.

In determining whether to refer a case to the community conflict resolution program, the court shall consider, but is not limited to considering, all of the following:

(a) The factors listed in Section 14152.

(b) Any other referral criteria established by the district attorney for the program.

The court shall not refer any case to the community conflict resolution program which was previously referred to that program by the district attorney.

Veh. Code § 11205 (amended). Traffic violator school list (as amended by Section 48 of Chapter 571 of the Statutes of 1997)

SEC. _____. Section 11205 of the Vehicle Code, as amended by Section 48 of Chapter 571 of the Statutes of 1997, is amended to read:

11205. (a) The department shall publish a traffic violator school referral list of all the approved locations of traffic violator school classes, by school name, to be transmitted to each municipal and justice court in the state, *and to each superior court in a county in which there is no municipal court*, in sufficient quantity to allow the courts to provide a copy to each person referred to traffic violator school. The list shall be revised at least twice annually and transmitted to the courts by the first day of January and the first day of July. It shall include all of the following:

(1) The name of each traffic violator school or, pursuant to subdivision (d), the general term “traffic violator school” followed by its traffic violator school license number.

(2) A phone number used for student information.

(3) The county and the judicial district.

(4) The cities where classes are available.

(b) Each traffic violator school owner shall be permitted one school name in a judicial district.

(c) The list shall be organized alphabetically in sections for each county and subsections for each judicial district within the county. The order of the names within each judicial district shall be random pursuant to a drawing or lottery conducted by the department.

(d) On the list prepared by the department under subdivision (c), each traffic violator school shall appear by name unless a court determines, pursuant to subdivision (e), that a name is inappropriate and directs the department to delete the name and instead list the school by the term “traffic violator school” followed by its license number. The deletion of the name of a school from the list for a judicial district shall not affect whether that school appears by name on the list for any other judicial district within the state. In making a determination under this subdivision regarding the deletion of a name from the list, the court shall use as its criteria whether the name is misleading to the public, undignified, or implies that the school offers inducements or premiums which derogate or distort the instructional intent of the traffic safety program.

(e) When the department transmits any referral list to each ~~municipal and justice court~~ pursuant to subdivision (a), each ~~municipal and justice court~~ shall do all of the following:

(1) Within 30 days of receipt of the list, notify the school owner of any school name that the court intends to remove from the referral list.

(2) Within 60 days of receipt of the list, make every effort to schedule, conduct, and complete a hearing for the school owner, or a representative, if requested, at which the sole issue shall be whether the name violates the standards set forth in subdivision (d). A substitute name may be submitted to the court at the conclusion of the hearing, pursuant to subdivision (h).

(3) Within 10 days of the completion of that hearing, notify the department and school owner of any school names it intends to remove from the referral list.

(f) In order for a court action to delete a school name from the next referral list published by the department, the department shall receive court notification no later than 90 days prior to publication of the next referral list and, absent a direct order by *the appellate division of the superior court* or a ~~superior court~~ or court of higher jurisdiction, the department shall not fail to publish a referral list on the grounds that there exists pending litigation or appeals concerning the lists.

(g) Any court notifying the department of a school name it intends to remove from the list, pursuant to this section, shall provide the school owner with the name of the judge making those findings.

(h) When a court informs a school owner, pursuant to subdivision (e), of its decision to delete the name of a traffic violator school from that judicial district's subsection of the department's traffic violator school referral list, the owner may, on a form approved by the department, submit a substitute name to the court and request approval of that name. The court shall, within 30 days of receipt of the request for approval of the substitute name, inform the department and the school owner, on a form approved by the department, of its approval or rejection of the substitute name. The school owner may continue this appeal process for

approval of a substitute name until the court determines that the name does not violate the standard set forth in subdivision (d). A name approval in a judicial district shall not affect the school's name or listing in any other district in the state. The department shall not impose any fee or license requirement under this subdivision.

(i) If a court fails to act within 30 days on a request of a traffic violator school owner, pursuant to subdivision (h), the proposed substitute name shall be deemed approved by the court for the purposes of the traffic violator school referral list.

(j)(1) Every application filed with the department on and after June 1, 1991, for an original license by a traffic school owner or for approval to conduct classes in a judicial district not previously approved, shall be accompanied by the approval of the court in each judicial district proposed for those operations of the name of the school, on a form approved by the department for that purpose. For the approved name to be included in the traffic violator school referral list, the form shall be received by the department no later than 90 days prior to publication.

(2) When a court disapproves a school name pursuant to this subdivision, the court shall notify the school owner within 30 days of its disapproval and schedule a hearing for that school owner, or a representative, if requested, at which the sole issue shall be whether the name violates the standards set forth in subdivision (d). A substitute name may be submitted to the court at the conclusion of the hearing, pursuant to subdivision (h).

(3) The court shall make every effort to schedule, conduct, and complete a hearing within 60 days of receipt of the school owner's request for a school name approval. A name approval in a judicial district shall not affect the school's name or listing in any other district in the state. A change in physical location by a school within a judicial district shall not require approval pursuant to this subdivision.

(k) The department shall publish a list of the owners of traffic violator schools. One copy shall be provided to each municipal ~~and justice~~ court in the state, *and to each superior court in a county in which there is no municipal court*. This list shall be revised at least

twice annually and transmitted to the courts by the first day of January and the first day of July. This list shall include all of the following:

- (1) The name of each school, grouped by owner.
- (2) The business office address.
- (3) The business office telephone number.
- (4) The license number.
- (5) The owner's name.
- (6) The operator's name.

(l) Except as otherwise provided in subdivision (d) of Section 42005, the court shall use either the current list of traffic violator schools published by the department when it orders a person to complete a traffic violator school pursuant to subdivision (a) or (b) of Section 42005 or, when a court utilizing a nonprofit agency for traffic violator school administration and monitoring services in which all traffic violator schools licensed by the department are allowed the opportunity to participate, a statewide referral list may be published by the nonprofit agency and distributed by the court. The agency shall monitor each classroom location situated within the judicial districts in which that agency provides services to the courts and is represented on its referral list. The monitoring shall occur at least once every 90 days with reports forwarded to the department and the respective courts on a monthly basis.

(m) The court may charge a traffic violator a fee to defray the costs incurred by the agency for the monitoring reports and services provided to the court. The court may delegate collection of the fee to the agency. Fees shall be approved and regulated by the court. Until December 31, 1996, the fee shall not exceed the actual cost incurred by the agency or five dollars (\$5), whichever is less.

(n) If any provision of subdivision (d) or (e), as added by Section 4 of Assembly Bill 185 of the 1991-92 Regular Session, or the application thereof to any person, is held to be unconstitutional, this section is repealed on the date the decision of the court so holding becomes final.

Comment. Section 11205 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). *Cf.* Code Civ. Proc. § 38 & Comment ("judicial district" defined). The hearings available

under subdivisions (e) and (j) are not classified as limited civil cases; it is not appropriate to subject these hearings to the full panoply of procedures that apply to limited civil cases. The section is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Veh. Code § 11205 (amended). Traffic violator school list (as amended by Section 48.5 of Chapter 571 of the Statutes of 1997)

SEC. _____. Section 11205 of the Vehicle Code, as amended by Section 48.5 of Chapter 571 of the Statutes of 1997, is amended to read:

11205. (a) The department shall publish semiannually, or more often as necessary to serve the purposes of this act, a list of all traffic violator schools which are licensed pursuant to this section. The list shall identify classroom facilities within a judicial district that are at a different location from a licensed school's principal facility. The department shall transmit the list to each municipal ~~and justice court~~ *and to each superior court in a county in which there is no municipal court*, with a sufficient number of copies to allow the courts to provide one copy to each person referred to a licensed traffic violator school. The department shall, at least semiannually, revise the list to ensure that each court has a current list of all licensed traffic violator schools.

(b) Each licensed traffic violator school owner shall be permitted one school name per judicial district.

(c) The referral list shall be organized alphabetically, in sections for each county, and contain subsections for each judicial district within the county. The order of the names within each judicial district shall be random pursuant to a drawing or lottery conducted by the department.

(d) Except as otherwise provided in subdivision (d) of Section 42005, the court shall use either the current referral list of traffic violator schools published by the department when it orders a person to complete a traffic violator school pursuant to subdivision (a) or (b) of Section 42005 or, when a court utilizing a nonprofit agency for traffic violator school administration and monitoring services in which all traffic violator schools licensed by the department are allowed the opportunity to participate, a statewide referral list may be published by the nonprofit agency and

distributed by the court. The agency shall monitor each classroom location situated within the judicial districts in which that agency provides services to the courts and is represented on its referral list. The monitoring shall occur at least once every 90 days with reports forwarded to the department and the respective courts on a monthly basis.

(e) The court may charge a traffic violator a fee to defray the costs incurred by the agency for the monitoring reports and services provided to the court. The court may delegate collection of the fee to the agency. Fees shall be approved and regulated by the court. Until December 31, 1996, the fee shall not exceed the actual cost incurred by the agency or five dollars (\$5), whichever is less.

(f) If any provision of subdivision (d) or (e) of Section 11205, as added by Section 4 of Assembly Bill 185 of the 1991-92 Regular Session, or the application thereof to any person, is held to be unconstitutional, that Section 11205 is repealed on the date the decision of the court so holding becomes final, and on that date, this section shall become operative.

Comment. Section 11205 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). *Cf.* Code Civ. Proc. § 38 & Comment (“judicial district” defined). The section is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Veh. Code § 14607.6 (amended). Vehicle driven by unlicensed driver

SEC. _____. Section 14607.6 of the Vehicle Code is amended to read:

14607.6. (a) Notwithstanding any other provision of law, and except as provided in this section, a motor vehicle is subject to forfeiture as a nuisance if it is driven on a highway in this state by a driver with a suspended or revoked license, or by an unlicensed driver, who is a registered owner of the vehicle at the time of impoundment and has a previous misdemeanor conviction for a violation of subdivision (a) of Section 12500 or Section 14601, 14601.1, 14601.2, 14601.3, 14601.4, or 14601.5.

(b) A peace officer shall not stop a vehicle for the sole reason of determining whether the driver is properly licensed.

(c)(1) If a driver is unable to produce a valid driver's license on the demand of a peace officer enforcing the provisions of this code, as required by subdivision (b) of Section 12951, the vehicle shall be impounded regardless of ownership, unless the peace officer is reasonably able, by other means, to verify that the driver is properly licensed. Prior to impounding a vehicle, a peace officer shall attempt to verify the license status of a driver who claims to be properly licensed but is unable to produce the license on demand of the peace officer.

(2) A peace officer shall not impound a vehicle pursuant to this subdivision if the license of the driver expired within the preceding 30 days and the driver would otherwise have been properly licensed.

(3) A peace officer may exercise discretion in a situation where the driver without a valid license is an employee driving a vehicle registered to the employer in the course of employment. A peace officer may also exercise discretion in a situation where the driver without a valid license is the employee of a bona fide business establishment or is a person otherwise controlled by such an establishment and it reasonably appears that an owner of the vehicle, or an agent of the owner, relinquished possession of the vehicle to the business establishment solely for servicing or parking of the vehicle or other reasonably similar situations, and where the vehicle was not to be driven except as directly necessary to accomplish that business purpose. In this event, if the vehicle can be returned to or be retrieved by the business establishment or registered owner, the peace officer may release and not impound the vehicle.

(4) A registered or legal owner of record at the time of impoundment may request a hearing to determine the validity of the impoundment pursuant to subdivision (n).

(5) If the driver of a vehicle impounded pursuant to this subdivision was not a registered owner of the vehicle at the time of impoundment, or if the driver of the vehicle was a registered owner of the vehicle at the time of impoundment but the driver does not have a previous conviction for a violation of subdivision (a) of Section 12500 or Section 14601, 14601.1, 14601.2, 14601.3,

14601.4, or 14601.5, the vehicle shall be released pursuant to this code and is not subject to forfeiture.

(d)(1) This subdivision applies only if the driver of the vehicle is a registered owner of the vehicle at the time of impoundment. Except as provided in paragraph (5) of subdivision (c), if the driver of a vehicle impounded pursuant to subdivision (c) was a registered owner of the vehicle at the time of impoundment, the impounding agency shall authorize release of the vehicle if, within three days of impoundment, the driver of the vehicle at the time of impoundment presents his or her valid driver's license, including a valid temporary California driver's license or permit, to the impounding agency. The vehicle shall then be released to a registered owner of record at the time of impoundment, or an agent of that owner authorized in writing, upon payment of towing and storage charges related to the impoundment, and any administrative charges authorized by Section 22850.5, providing that the person claiming the vehicle is properly licensed and the vehicle is properly registered. A vehicle impounded pursuant to the circumstances described in paragraph (3) of subdivision (c) shall be released to a registered owner whether or not the driver of the vehicle at the time of impoundment presents a valid driver's license.

(2) If there is a community property interest in the vehicle impounded pursuant to subdivision (c), owned at the time of impoundment by a person other than the driver, and the vehicle is the only vehicle available to the driver's immediate family that may be operated with a class C driver's license, the vehicle shall be released to a registered owner or to the community property interest owner upon compliance with all of the following requirements:

(A) The registered owner or the community property interest owner requests release of the vehicle and the owner of the community property interest submits proof of that interest.

(B) The registered owner or the community property interest owner submits proof that he or she, or an authorized driver, is properly licensed and that the impounded vehicle is properly registered pursuant to this code.

(C) All towing and storage charges related to the impoundment and any administrative charges authorized pursuant to Section 22850.5 are paid.

(D) The registered owner or the community property interest owner signs a stipulated vehicle release agreement, as described in paragraph (3), in consideration for the nonforfeiture of the vehicle. This requirement applies only if the driver requests release of the vehicle.

(3) A stipulated vehicle release agreement shall provide for the consent of the signator to the automatic future forfeiture and transfer of title to the state of any vehicle registered to that person, if the vehicle is driven by a driver with a suspended or revoked license, or by an unlicensed driver. The agreement shall be in effect for only as long as it is noted on a driving record maintained by the department pursuant to Section 1806.1.

(4) The stipulated vehicle release agreement described in paragraph (3) shall be reported by the impounding agency to the department not later than 10 days after the day the agreement is signed.

(5) No vehicle shall be released pursuant to paragraph (2) if the driving record of a registered owner indicates that a prior stipulated vehicle release agreement was signed by that person.

(e)(1) The impounding agency, in the case of a vehicle that has not been redeemed pursuant to subdivision (d), or that has not been otherwise released, shall promptly ascertain from the department the names and addresses of all legal and registered owners of the vehicle.

(2) The impounding agency, within two days of impoundment, shall send a notice by certified mail, return receipt requested, to all legal and registered owners of the vehicle, at the addresses obtained from the department, informing them that the vehicle is subject to forfeiture and will be sold or otherwise disposed of pursuant to this section. The notice shall also include instructions for filing a claim with the district attorney, and the time limits for filing a claim. The notice shall also inform any legal owner of its right to conduct the sale pursuant to subdivision (g). If a registered owner was personally served at the time of impoundment with a

notice containing all the information required to be provided by this paragraph, no further notice is required to be sent to a registered owner. However, a notice shall still be sent to the legal owners of the vehicle, if any. If notice was not sent to the legal owner within two working days, the impounding agency shall not charge the legal owner for more than 15-days' impoundment when the legal owner redeems the impounded vehicle.

(3) No processing charges shall be imposed on a legal owner who redeems an impounded vehicle within 15 days of the impoundment of that vehicle. If no claims are filed and served within 15 days after the mailing of the notice in paragraph (2), or if no claims are filed and served within five days of personal service of the notice specified in paragraph (2), when no other mailed notice is required pursuant to paragraph (2), the district attorney shall prepare a written declaration of forfeiture of the vehicle to the state. A written declaration of forfeiture signed by the district attorney under this subdivision shall be deemed to provide good and sufficient title to the forfeited vehicle. A copy of the declaration shall be provided on request to any person informed of the pending forfeiture pursuant to paragraph (2). A claim that is filed and is later withdrawn by the claimant shall be deemed not to have been filed.

(4) If a claim is timely filed and served, then the district attorney shall file a petition of forfeiture with the appropriate justice, juvenile, or municipal, *or superior* court within 10 days of the receipt of the claim. The district attorney shall establish an expedited hearing date in accordance with instructions from the court, and the court shall hear the matter without delay. The court filing fee, not to exceed fifty dollars (\$50), shall be paid by the claimant, but shall be reimbursed by the impounding agency if the claimant prevails. To the extent practicable, the civil and criminal cases shall be heard at the same time in an expedited, consolidated proceeding. *A proceeding in the civil case is a limited civil case.*

(5) The burden of proof in the civil case shall be on the prosecuting agency, by a preponderance of the evidence. All questions that may arise shall be decided and all other proceedings shall be conducted as in an ordinary civil action. A judgment of

forfeiture does not require as a condition precedent the conviction of a defendant of an offense which made the vehicle subject to forfeiture. The filing of a claim within the time limits specified in paragraph (3) is considered a jurisdictional prerequisite for the availing of the action authorized by that paragraph.

(6) All right, title, and interest in the vehicle shall vest in the state upon commission of the act giving rise to the forfeiture.

(f) Any vehicle impounded that is not redeemed pursuant to subdivision (d) and is subsequently forfeited pursuant to this section shall be sold once an order of forfeiture is issued by the district attorney of the county of the impounding agency or a court, as the case may be, pursuant to subdivision (e).

(g) Any legal owner who in the regular course of business conducts sales of repossessed or surrendered motor vehicles may take possession and conduct the sale of the forfeited vehicle if it notifies the agency impounding the vehicle of its intent to conduct the sale within 15 days of the mailing of the notice pursuant to subdivision (e). Sale of the vehicle after forfeiture pursuant to this subdivision may be conducted at the time, in the manner, and on the notice usually given by the legal owner for the sale of repossessed or surrendered vehicles. The proceeds of any sale conducted by the legal owner shall be disposed of as provided in subdivision (i).

(h) If the legal owner does not notify the agency impounding the vehicle of its intent to conduct the sale as provided in subdivision (g), the agency shall offer the forfeited vehicle for sale at public auction within 60 days of receiving title to the vehicle. Low value vehicles shall be disposed of pursuant to subdivision (k).

(i) The proceeds of a sale of a forfeited vehicle shall be disposed of in the following priority:

(1) To satisfy the towing and storage costs following impoundment, the costs of providing notice pursuant to subdivision (e), the costs of sale, and the unfunded costs of judicial proceedings, if any.

(2) To the legal owner in an amount to satisfy the indebtedness owed to the legal owner remaining as of the date of sale, including accrued interest or finance charges and delinquency charges,

providing that the principal indebtedness was incurred prior to the date of impoundment.

(3) To the holder of any subordinate lien or encumbrance on the vehicle, other than a registered or legal owner, to satisfy any indebtedness so secured if written notification of demand is received before distribution of the proceeds is completed. The holder of a subordinate lien or encumbrance, if requested, shall furnish reasonable proof of its interest and, unless it does so upon request, is not entitled to distribution pursuant to this paragraph.

(4) To any other person, other than a registered or legal owner, who can reasonably establish an interest in the vehicle, including a community property interest, to the extent of his or her provable interest, if written notification is received before distribution of the proceeds is completed.

(5) Of the remaining proceeds, funds shall be made available to pay any local agency and court costs, that are reasonably related to the implementation of this section, that remain unsatisfied.

(6) Of the remaining proceeds, half shall be transferred to the Controller for deposit in the Vehicle Inspection and Repair Fund for the high-polluter repair assistance and removal program created by Article 9 (commencing with Section 44090) of Chapter 5 of Part 5 of Division 26 of the Health and Safety Code, and half shall be transferred to the general fund of the city or county of the impounding agency, or the city or county where the impoundment occurred. A portion of the local funds may be used to establish a reward fund for persons coming forward with information leading to the arrest and conviction of hit and run drivers and to publicize the availability of the reward fund.

(j) The person conducting the sale shall disburse the proceeds of the sale as provided in subdivision (i) and shall provide a written accounting regarding the disposition to the impounding agency and, on request, to any person entitled to or claiming a share of the proceeds, within 15 days after the sale is conducted.

(k) If the vehicle to be sold pursuant to this section is not of the type that can readily be sold to the public generally, the vehicle shall be conveyed to a licensed dismantler or donated to an

eleemosynary institution. License plates shall be removed from any vehicle conveyed to a dismantler pursuant to this subdivision.

(l) No vehicle shall be sold pursuant to this section if the impounding agency determines the vehicle to have been stolen. In this event, the vehicle may be claimed by the registered owner at any time after impoundment, providing the vehicle registration is current and the registered owner has no outstanding traffic violations or parking penalties on his or her driving record or on the registration record of any vehicle registered to the person. If the identity of the legal and registered owners of the vehicle cannot be reasonably ascertained, the vehicle may be sold.

(m) Any owner of a vehicle who suffers any loss due to the impoundment or forfeiture of any vehicle pursuant to this section may recover the amount of the loss from the unlicensed, suspended, or revoked driver. If possession of a vehicle has been tendered to a business establishment in good faith, and an unlicensed driver employed or otherwise directed by the business establishment is the cause of the impoundment of the vehicle, a registered owner of the impounded vehicle may recover damages for the loss of use of the vehicle from the business establishment.

(n)(1) The impounding agency, if requested to do so not later than 10 days after the date the vehicle was impounded, shall provide the opportunity for a poststorage hearing to determine the validity of the storage to the persons who were the registered and legal owners of the vehicle at the time of impoundment, except that the hearing shall be requested within three days after the date the vehicle was impounded if personal service was provided to a registered owner pursuant to paragraph (2) of subdivision (e) and no mailed notice is required.

(2) The poststorage hearing shall be conducted not later than two days after the date it was requested. The impounding agency may authorize its own officer or employee to conduct the hearing if the hearing officer is not the same person who directed the storage of the vehicle. Failure of either the registered or legal owner to request a hearing as provided in paragraph (1) or to attend a scheduled hearing shall satisfy the poststorage hearing requirement.

(3) The agency employing the person who directed the storage is responsible for the costs incurred for towing and storage if it is determined that the driver at the time of impoundment had a valid driver's license.

(o) As used in this section, "days" means workdays not including weekends and holidays.

(p) Charges for towing and storage for any vehicle impounded pursuant to this section shall not exceed the normal towing and storage rates for other vehicle towing and storage conducted by the impounding agency in the normal course of business.

(q) The Judicial Council and the Department of Justice may prescribe standard forms and procedures for implementation of this section to be used by all jurisdictions throughout the state.

(r) The impounding agency may act as the agent of the state in carrying out this section.

(s) No vehicle shall be impounded pursuant to this section if the driver has a valid license but the license is for a class of vehicle other than the vehicle operated by the driver.

(t) This section does not apply to vehicles subject to Sections 14608 and 14609, if there has been compliance with the procedures in those sections.

Comment. Section 14607.6 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). The section is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

A limited civil case is within the original jurisdiction of the municipal court or of the superior court in a county in which there is no municipal court. Cal. Const. art. VI, § 10 (superior court jurisdiction); Code Civ. Proc. §§ 85, 85.1 (limited civil cases). See also Code Civ. Proc. §§ 91, 904.2, 1085 (trial procedures and writ and appellate jurisdiction for limited civil cases).

Veh. Code § 27360 (amended). Child passenger restraint systems

SEC. _____. Section 27360 of the Vehicle Code is amended to read:

27360. (a) No parent or legal guardian, when present in a motor vehicle, as defined in Section 27315, shall permit his or her child or ward under the age of four years, regardless of weight, or weighing less than 40 pounds, regardless of age, to be transported upon a highway in the motor vehicle without providing and

properly using, for each child or ward, a child passenger restraint system meeting applicable federal motor vehicle safety standards.

(b) No driver shall transport on a highway any child under four years of age, regardless of weight, or weighing less than 40 pounds, regardless of age, in a motor vehicle, as defined in Section 27315, without providing and properly securing the child in a child passenger restraint system meeting applicable federal motor vehicle safety standards. This subdivision does not apply to a driver if the parent or legal guardian of the child is also present in the vehicle and is not the driver.

(c)(1) A first offense under this section is punishable by a fine of one hundred dollars (\$100), except that the court may waive the fine if the defendant establishes to the satisfaction of the court that he or she is economically disadvantaged and the court, instead, refers the defendant to a child passenger restraint low-cost purchase or loaner program. If the fine is waived, the court shall nevertheless report the conviction to the department pursuant to Section 1803.

(2) A second or subsequent offense under this section is punishable by a fine of one hundred dollars (\$100), no part of which may be waived by the court.

(d) Notwithstanding any other provision of law, the fines collected for a violation of this section shall be allocated as follows:

(1) Sixty percent to county health departments where the violation occurred, to be used for a child passenger restraint low-cost purchase or loaner program which shall include, but not be limited to, education on the proper installation and use of a child passenger restraint system. The county health department shall designate a coordinator to facilitate the creation of a special account and to develop a relationship with the municipal court system to facilitate the transfer of funds to the program. The county may contract for the implementation of the program. Prior to obtaining possession of a child passenger restraint system pursuant to this section, a person shall receive information relating to the importance of utilizing that system.

As the proceeds from fines become available, county health departments shall prepare and maintain a listing of all child passenger restraint low-cost purchase or loaner programs in their counties, including a semiannual verification that all programs listed are in existence. Each county shall forward the listing to the Office of Traffic Safety in the Business, Transportation and Housing Agency and the courts, birthing centers, community child health and disability prevention programs, county clinics, prenatal clinics, women, infants, and children programs, and county hospitals in that county, who shall make the listing available to the public. The Office of Traffic Safety shall maintain a listing of all of the programs in the state.

(2) Twenty-five percent to the county for the administration of the program.

(3) Fifteen percent to the city, to be deposited in its general fund except that, if the violation occurred in an unincorporated area, this amount shall be allocated to the county for purposes of paragraph (1).

Comment. Subdivision (d)(1) of Section 27360 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e).

Veh. Code § 40230 (amended). Appeal to municipal court

SEC. _____. Section 40230 of the Vehicle Code is amended to read:

40230. (a) Within 30 calendar days after the mailing or personal delivery of the final decision described in subdivision (b) of Section 40215, the contestant may seek review by filing an appeal to be heard by the ~~justice~~ or municipal court, *or by the superior court in a county in which there is no municipal court*, where the same shall be heard de novo, except that the contents of the processing agency's file in the case shall be received in evidence. A copy of the notice of parking violation or, if the citation was issued electronically, a true and correct abstract containing the information set forth in the notice of parking violation shall be admitted into evidence as prima facie evidence of the facts stated therein. A copy of the notice of appeal shall be served in person or by first-class mail upon the processing agency by the contestant.

For purposes of computing the 30 calendar-day period, Section 1013 of the Code of Civil Procedure shall be applicable. *A proceeding under this subdivision is a limited civil case.*

(b) The fee for filing the notice of appeal is twenty-five dollars (\$25). The court shall request that the processing agency's file on the case be forwarded to the court, to be received within 15 calendar days of the request. The court shall notify the contestant of the appearance date by mail or personal delivery. The court shall retain the twenty-five dollar (\$25) fee regardless of the outcome of the appeal. If the court finds in favor of the contestant, the amount of the fee shall be reimbursed to the contestant by the processing agency. Any deposit of parking penalty shall be refunded by the processing agency in accordance with the judgment of the court.

(c) The conduct of the appeal under this section is a subordinate judicial duty that may be performed by traffic trial commissioners and other subordinate judicial officials at the direction of the presiding judge of the court.

custody or control of the parent or parents at the time he or she committed the act that forms the basis for the finding that the minor is a person described in Section 602. In evaluating the parent's or parents' ability to pay, the court shall take into consideration the family income, the necessary obligations of the family, and the number of persons dependent upon this income.

(e) The hearing described in subdivision (d) may be held immediately following the disposition hearing or at a later date, at the option of the court.

3050. Upon conviction of a defendant of *a misdemeanor or infraction* ~~any crime in a municipal or justice court~~, or following revocation of probation previously granted *for a misdemeanor or infraction*, whether or not sentence has been imposed, if it appears to the judge that the defendant may be addicted or by reason of repeated use of narcotics may be in imminent danger of becoming addicted to narcotics, such judge shall adjourn the proceedings or suspend the imposition or execution of the sentence, certify the defendant to the superior court and order the district attorney to file a petition for a commitment of the defendant to the Director of Corrections for confinement in the narcotic detention, treatment and rehabilitation facility.

Upon the filing of such a petition, the superior court shall order the defendant to be examined by one physician. At the request of the defendant, the court shall order the defendant to be examined by a second physician. At least one day before the time of the examination as fixed by the court order, a copy of the petition and order for examination shall be personally delivered to the defendant. A written report of the examination by the physician or physicians shall be delivered to the court, and if the report is to the effect that the person is not addicted nor in imminent danger of addiction, it shall so certify and return the defendant to the ~~municipal or justice~~ court which certified such defendant to the superior court for such further proceedings as the judge of such ~~municipal or justice~~ court deems warranted. If the report is to the effect that the defendant is addicted or is by reason of the repeated use of narcotics in imminent danger of addiction, further proceedings shall be conducted in compliance with Sections 3104, 3105, 3106, and 3107.

If, after a hearing, the judge finds that the defendant is a narcotic addict, or is by reason of the repeated use of narcotics in imminent

danger of becoming addicted thereto, and is not ineligible for the program under the application of Section 3052, he or she shall make an order committing such defendant to the custody of the Director of Corrections for confinement in the facility until such time as he or she is discharged pursuant to Article 5 (commencing with Section 3200), except as this chapter permits earlier discharge. Welf. & Inst. Code § 3051 (amended). Possible narcotic addiction of person convicted of felony

SEC. _____. Section 3051 of the Welfare and Institutions Code is amended to read:

criminality that he or she does not constitute a fit subject for commitment under this section.

Upon the filing of the petition, the court shall order the defendant to be examined by one physician. However, the examination may be waived by a defendant if the defendant has been examined in accordance with Section 1203.03 of the Penal Code and that examination encompassed whether defendant is addicted or is in imminent danger of addiction, and if the defendant is represented by counsel and competent to understand the effect of the waiver. In cases where a physician's report is waived by the defendant, the Department of Corrections may perform an evaluation and provide a report as to the defendant's addiction or imminent danger of addiction. If the Department of Corrections determines that the defendant is not addicted or in imminent danger of addiction, the defendant shall be returned to the sentencing court for resentencing. The examination may also be waived upon stipulation by the defendant, his or her attorney, the prosecutor, and the court that the defendant is addicted or is in imminent danger of addiction. If a physician's report is prepared, at the request of the defendant, the court shall order the defendant to be examined by a second physician. At least one day before the time of the examination as fixed by the court order, a copy of the petition and order for examination shall be personally delivered to the defendant. A written report of the examination by the physician or physicians shall be delivered to the court, and if the report is to the effect that the person is not addicted nor in imminent danger of addiction, it shall so certify and return the defendant to the department of the superior court that directed the filing of the petition for the ordering of the execution of the sentence. The court may, unless otherwise prohibited by law, modify the sentence or suspend the imposition of the sentence. If the report is to the effect that the defendant is addicted or is by reason of the repeated use of narcotics in imminent danger of addiction, further proceedings shall be conducted in compliance with Sections 3104, 3105, 3106, and 3107.

If, after a hearing, the judge finds that the defendant is a narcotic addict, or is by reason of the repeated use of narcotics in imminent

danger of becoming addicted to narcotics, the judge shall make an order committing the person to the custody of the Director of Corrections for confinement in the facility until a time that he or she is discharged pursuant to Article 5 (commencing with Section 3200), except as this chapter permits earlier discharge. If, upon the hearing, the judge finds that the defendant is not a narcotic addict and is not in imminent danger of becoming addicted to narcotics, the judge shall so certify and return the defendant to the department of the superior court that directed the filing of the petition for the ordering of execution of sentence. The court may, unless otherwise prohibited by law, modify the sentence or suspend the imposition of the sentence.

If a person committed pursuant to this section is dissatisfied with the order of commitment, he or she may, within 10 days after the making of the order, file a written demand for a jury trial in compliance with Section 3108.

Welf. & Inst. Code § 3200 (amended). Recommendation of discharge

recommend to the Narcotic Addict Evaluation Authority that the person be discharged from the program. If the authority concurs in the opinion of the director, it shall discharge the person from the program.

(b) If at any time the director is of the opinion that a person committed for a period of 24 months, or less, pursuant to Article 2 (commencing with Section 3050) while in outpatient status has abstained from the use of narcotics, other than as medically prescribed in a narcotic treatment program pursuant to Section 3154, for at least 12 consecutive months and has otherwise complied with the conditions of his or her release, or if at any time the director is of the opinion that a person committed for a period of more than 24 months pursuant to Article 2 (commencing with Section 3050) while in outpatient status has abstained from the use of narcotics, other than as medically prescribed in a narcotic treatment program pursuant to Section 3154, for at least 16 consecutive months and has otherwise complied with the conditions of his or her release, the director shall so advise the Narcotic Addict Evaluation Authority. The authority shall serve a copy of the certificate upon the district attorney of the county. Upon the filing of the certificate, the court shall discharge the person from the program. The court may, unless otherwise prohibited by law, modify the sentence, dismiss the criminal charges of which the person was convicted, or suspend further proceedings, as it deems warranted in the interests of justice. Where the person was certified to the superior court from a municipal or justice court, *pursuant to Section 3050* the person shall be returned to ~~that court~~ *the court that certified the person*, which may dismiss the original charges. In any case where the criminal charges are not dismissed and the person is sentenced thereon, time served in custody while under commitment pursuant to Article 2 (commencing with Section 3050) shall be credited on the sentence. The dismissal shall have the same force and effect as a dismissal under Section 1203.4 of

the Penal Code, except the conviction is a prior conviction for purposes of Division 10 (commencing with Section 11000) of the Health and Safety Code.

Comment. Section 3200 is amended to accommodate unification of the municipal and superior courts in a county. Cal. Const. art. VI, § 5(e). The section is also amended to reflect elimination of the justice court. Cal. Const. art. VI, §§ 1, 5(b).

Welf. & Inst. Code § 11350.7 (amended). Delinquent support payments

SEC. _____. Section 11350.7 of the Welfare and Institutions Code is amended to read:

(a) Notwithstanding any other provision of law, if any support obligor is delinquent in the payment of support for at least 30 days and the district attorney is enforcing the support obligation pursuant to Section 11475.1, the district attorney may collect the delinquency or enforce any lien by levy served on all persons having in their possession, or who will have in their possession or under their control, any credits or personal property belonging to the delinquent support obligor, or who owe any debt to the obligor at the time they receive the notice of levy.

(b) A levy may be issued by a district attorney for a support obligation which accrued under a court order or judgment if the obligor had notice of the accrued support arrearage as provided in this section, and did not make a timely request for review.

(c) The notice requirement shall be satisfied by the district attorney sending a statement of support arrearages to the obligor at the obligor's last known address by first-class mail, postage prepaid. The notice shall advise the obligor of the amount of the support arrearage. The notice shall advise the obligor that the obligor may have the arrearage determination reviewed by administrative procedures and state how such a review may be obtained. The notice shall also advise the obligor of his or her right to seek a judicial determination of arrearages pursuant to Section 11350.8 and shall include a form to be filed with the court to request a judicial determination of arrearages. If the obligor requests an administrative review of the arrearage determination within 20 days from the date the notice was mailed to the obligor,

the district attorney shall review the assessment or determination and shall not issue the levy for a disputed amount of support until the administrative review procedure is completed.

(d) If the obligor requests a judicial determination of the arrearages within 20 days from the date the notice was mailed to the obligor, the district attorney shall not issue the levy for a disputed amount of support until the judicial determination is complete.

(e) Any person upon whom a levy has been served having in his or her possession or under his or her control any credits or personal property belonging to the delinquent support obligor or owing any debts to the delinquent support obligor at the time of receipt of the levy or coming into his or her possession or under his or her control within one year of receipt of the notice of levy, shall surrender the credits or personal property to the district attorney or pay to the district attorney the amount of any debt owing the delinquent support obligor within 10 days of service of the levy, and shall surrender the credits or personal property, or the amount of any debt owing to the delinquent support obligor coming into his or her own possession or control within one year of receipt of the notice of levy within 10 days of the date of coming into possession or control of the credits or personal property or the amount of any debt owing to the delinquent support obligor.

(f) Any person who surrenders any credits or personal property or pays the debts owing the delinquent support obligor to the district attorney pursuant to this section shall be discharged from any obligation or liability to the delinquent support obligor to the extent of the amount paid to the district attorney as a result of the levy.

(g) If the levy is made on a deposit or credits or personal property in the possession or under the control of a bank, savings and loan association, or other financial institution as defined by Section 669A(d)(1) of Title 42 of the United States Code, the notice of levy may be delivered or mailed to a centralized location designated by the bank, savings and loan association, or other financial institution pursuant to Section 689.040 of the Code of Civil Procedure.

(i) If any amount required to be paid pursuant to a levy under this section is not paid when due, the district attorney may issue a warrant for enforcement of any lien and for the collection of any amount required to be paid to the district attorney under this section. The warrant shall be directed to any sheriff, constable, marshal, or the Department of the California Highway Patrol and shall have the same force and effect as a writ of execution. The warrant shall be levied and sale made pursuant to it in the manner and with the same force and effect as a levy and sale pursuant to a writ of execution. The district attorney may pay or advance to the levying officer the same fees, commissions, and expenses for his or her services under this section as are provided by law for similar services pursuant to a writ of execution, except for those fees and expenses for which the district attorney is exempt by law from paying. The district attorney, and not the court, shall approve the fees for publication in a newspaper.

(j) The fees, commissions, expenses, and the reasonable costs associated with the sale of property levied upon by warrant or levy pursuant to this section, including, but not limited to, appraisers' fees, auctioneers' fees, and advertising fees are an obligation of the support obligor and may be collected from the obligor by virtue of the warrant or levy or in any other manner as though these items were support payments delinquent for at least 30 days.
