

MEMORANDUM 2025-5  
**2024 Legislative Program (Status Report)**

---

This memorandum discusses the Commission's 2025 Legislative Program. This memorandum typically describes staff efforts to identify legislative authors and vehicles to implement Commission-recommended reforms.<sup>1</sup>

However, the Commission does not have any new final recommendations and therefore the staff will not seek to introduce legislation effectuating a Commission recommendation by the February 21, 2025 bill introduction deadline. While the Commission did issue a final report on [Landlord Tenant Terminology – Study H-109](#) in December 2024, the Commission did not recommend changes to existing law.

However, the studies on the [Equal Rights Amendment - Study I-100](#) and [State and Local Agency Access to Customer Information from Communication Service Providers - Study G-300](#), depending on the Commission's decisions, could result in final reports that include recommendations for legislation in 2025. Two legislative offices have expressed interest in carrying legislation enacting the final recommendations from those studies in 2026.

Respectfully submitted,

Sharon Reilly  
Executive Director
