

MEMORANDUM 2026-12

2026 Legislative Program (Status Report)

This memorandum summarizes the status of the Commission's 2026 Legislative Program.¹

BIENNIAL RESOLUTION OF AUTHORITY

The staff has been working with Commissioner and Assembly member Pacheco's office on the Resolution of Authority,² which should be introduced soon. The staff is grateful for Assembly member Pacheco's assistance.

STATE AND LOCAL AGENCY ACCESS TO CUSTOMER INFORMATION FROM COMMUNICATION SERVICE PROVIDERS

At its meeting on June 26, 2025, the Commission approved a final recommendation on State and Local Agency Access to Customer Information from Communication Service Providers ([Study G-300](#)).³ Although the staff was in discussions with a legislative member about carrying legislation to implement this recommendation in 2026, the member ultimately decided not to carry the recommendation this year. The staff was unable to secure an author for this recommendation by the bill introduction deadline but is looking into the possibility of amending the language into a pending bill from another member.

EQUAL RIGHTS AMENDMENT

At its meeting on September 18, 2025, the Commission approved a final recommendation on the Equal Rights Amendment ([Study I-100](#)).⁴ The staff is pleased to inform the Commission that Assembly member Pacheco has agreed to carry legislation

¹ Any California Law Revision Commission document referred to in this memorandum can be obtained from the Commission. Recent materials can be downloaded from the Commission's website (www.clrc.ca.gov). Other materials can be obtained by contacting the Commission's staff, through the website or otherwise.

The Commission welcomes written comments at any time during its study process. Any comments received will be a part of the public record and may be considered at a public meeting. However, comments that are received less than five business days prior to a Commission meeting may be presented without staff analysis.

implementing this recommendation in 2026. The staff is grateful for Assembly member Pacheco’s assistance. The recommendation has been introduced as Assembly Bill [2563](#) and is currently pending referral to a policy committee. The Office of Legislative Counsel made some minor technical revisions to the recommendation language to conform to its drafting style.

ANTITRUST LAW: SINGLE FIRM CONDUCT

At its meeting on January 30, 2026, the Commission approved a Staff Draft Final Recommendation on Antitrust Law: Single Firm Conduct ([Study B-750](#)).⁵ The staff is pleased to inform the Commission that Assembly member Aguiar-Curry, who is the Majority Leader, has agreed to carry the recommendation. The staff is grateful to the Assembly member for her assistance.

Currently Assembly Bill [1776](#) is a placeholder bill that will be amended to include the recommendation. The staff is working with the Assembly member’s office on the draft language and there will likely be some technical revisions based on feedback from the Office of Legislative Counsel. The staff will update the Commission on those changes once the bill is amended. The bill has been referred to the Assembly Committee on the Judiciary, but no hearing date has been scheduled yet.

Respectfully submitted,

Sharon Reilly
Executive Director
