APPROVAL OF ACTIONS TAKEN

Unless otherwise indicated, the Commission decisions noted in these Minutes were approved by all members present at the meeting. If a member who was present at the meeting voted against a particular decision, abstained from voting, or was not present when the decision was made, that fact is noted below.

MINUTES

The Commission considered Memorandum 2024-39, presenting draft Minutes of the August 15, 2024, meeting.

The Commission approved the Minutes without change.

CLOSED SESSION

The Commission met in closed session to consider personnel matters, pursuant to Government Code Section 11126.

ADMINISTRATIVE MATTERS

Report of the Executive Director

The Executive Director reported on the following matters:

- The staff has almost completed the IT migration.
- California is facing a budget shortfall, and Legislature chose to address it by eliminating vacant positions and imposing an across-the-board cut of 7.95% to all budgets. However, the Commission's vacancies have not been eliminated and the staff does not believe that they will be eliminated. The staff has also not received any direction from the Department of Finance on the 7.95% cut, which would be very difficult for the Commission to absorb because of its size. The staff reported they will continue working closely with the Department of Finance on this matter.
- The staff noted a goal for next year is to secure sufficient office space for all the Commission staff, if the budget permits.
